### Is your principal source of income from farming/agriculture?

After speaking with us, if you're unhappy with our proposed solutions, you may be eligible to access the various state Farm Debt Mediation Schemes. Farm Debt Mediation is a structured negotiation process where a neutral and independent mediator assists the farmer and the creditor to try to reach agreement about current and future debt arrangements. Please contact us on **1800 067 497** to organise this service if it is available in your State or Territory.

Alternatively, you may wish to contact the Australian Financial Complaints Authority (AFCA). AFCA is a free service established to provide you with an independent mechanism to resolve specific complaints. AFCA can be contacted by phone 1800 931 678, by email [info@afca.org.au](mailto:info@afca.org.au), on its website [www.afca.org.au](http://www.afca.org.au) or by mail to Australian Financial Complaints Authority, GPO Box 3, Melbourne VIC 3001.
