Things you should know

1. Fees and charges apply per transaction when the number of free transactions per month is exceeded.
2. A deposit to an account with two cheques will count as three transactions, one for the deposit (which is charged as a branch transaction) and one for each cheque lodged because each item requires individual processing
3. The branch staff-assisted electronic fee is not applicable if your business account does not have card access
4. Narrated credits are branch transactions using a serial number encoded deposit slip designed to allow you to identify the deposit from the serial number used
