## Essentials

### Simplify the processing of your monthly recurring payments

- Designed for processing high volumes of regular mail order, telephone order and periodic payments, e.g. membership fees, instalment fees and subscriptions
- Lets you create and submit a batch file for processing
- Significantly improves your cash flow and reduces administration and chargeback costs
- Cost effective secure system.

### Did you know?

In 2011, Money Magazine has awarded Westpac the prestigious 'Business Bank of the Year' award for the fourth year in a row.

## Features

### More about Batch Advantage

- Fast processing of a large volume of transactions by creating and submitting a batch file for processing
- Accepts all credit and charge cards
- Automatically checks for duplicate transactions, valid card numbers and expiry dates
- Gives you an immediate online response approving or declining the transaction
- Transfers cleared funds automatically to your nominated business account
- Option to process one off payments as well as batch payments
- Convenient online access to settlement and transaction reporting.

### Security features to protect you and your customers

- Fully hosted by Westpac with User ID and password for control
- Meets industry and card scheme standards to protect your customers' card details
- Provides user access control so you can manage who processes different transaction types
- Provides dual authorisation capability for extra security.

### Support is available when you need it

- Contact our Merchant business solutions help desk 24/7 on 1300 368 098
- Technical support is available Monday to Friday, between 8am and 6pm AEST/AEDT.
