## ertain information regarding the Loans

he statistical and other information contained in the tables above regarding the Loans in the Porffolio has been compiled as at the Reporting Date. The information relating to a Loan and/or add up to $100 \%$ due to rounding. This information is provided for information purposeses only.

## Additional Information

Indexed Valuation
The Reference Indexed Valuation means the valuation of the property increased or decreased as appropriate by the increase or decrease in the Reference Index since the date of that valuation.
The Reference Index is currently the CoreLogic. Therefore, the underlying property values used in relation to the covered bond pool of residential mortgages is updated to reflect current property market values at least quartrily.
In the Asset Coverage Test and the Amortisation Test, the Indexed Valuation means where:
the Reference Indexed Valuation is less than the valuation of the property, then the Reference Indexed Valuation is used
