

Easy as...

# Westpac Online Investing

---

## Freedom to invest

Using a first class trading platform to

- invest in Shares, ETFs, Options and CFDs
- manage your portfolio, place and view orders quickly and securely, 24/7 online or over the phone
- choose to see the most relevant information on your customisable home page
- keep it simple or take total control with SMS and email alerts, conditional trading and contra trading

## Personal support

Unintimidating expertise – support when you need it

- personal support on call. Whether it's help placing an order, using a tool, or a technical question, just ask!
- quick solutions by email at securities@westpac.com.au or phone 13 13 31 Monday to Friday, 7am–7pm (AEST)

## Independent research

Use your knowledge and access

- complimentary independent research which includes ASX top 50 buy/hold/sell recommendations
- additional research packages for consensus recommendations, earnings and dividends forecasts, portfolio modelling and ASX top 300 buy/hold/sell recommendations

## Three packages, your choice

Choose the level of research you want.

### The Investor package

Complimentary to all of our customers. While free, it's no lightweight. This package puts trading tools at your fingertips including company research on ASX-listed stocks, market commentary and price charts. Check up on key company dates and receive breaking company announcements.

### The Advanced package

For \$25 a month, you tap into premium research sources like Morningstar Premium Research, Lexis Nexus News Stand, Ralph Wragg (RWE) and Thomson Reuters. You get access to buy, sell or hold recommendations on the ASX 300 and portfolio modelling tools.

### The Professional package

Upgrade to the Professional package to receive everything in the Advanced package, plus Trader Pro (webIRESS). All the tools any professional will need, for just \$99 a month.

If you prefer, you can also subscribe to Trader Pro, Morningstar Premium Research and other services individually.

## Rewards for every trade

Trade regularly to benefit from

- Altitude Reward points on your Altitude credit card for every trade
- full rebates for the Advanced and Professional research packages

## Straightforward fees

Pay for trades whichever way suits you

- From \$24.95
- No account keeping fees
- No setup fee

Pay using an eligible Westpac cash account or BT margin loan – \$24.95 or 0.11% of trade value (whichever is greater)

Pay using any bank account – \$29.95 or 0.15% of trade value (whichever is greater)

## Your portfolio at a glance

**Get a consolidated view of all your holdings**, including issuer sponsored holdings. You can also see funds available for trading – so if you want to take advantage of market movements, you know where you stand.

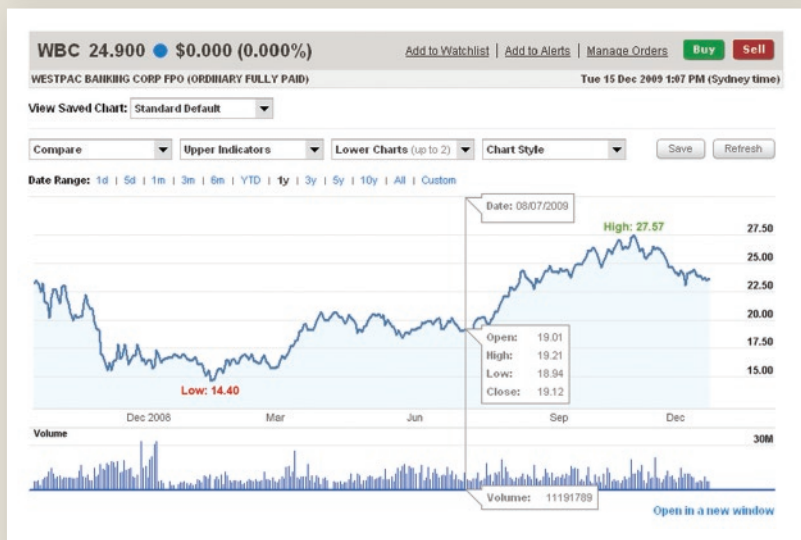

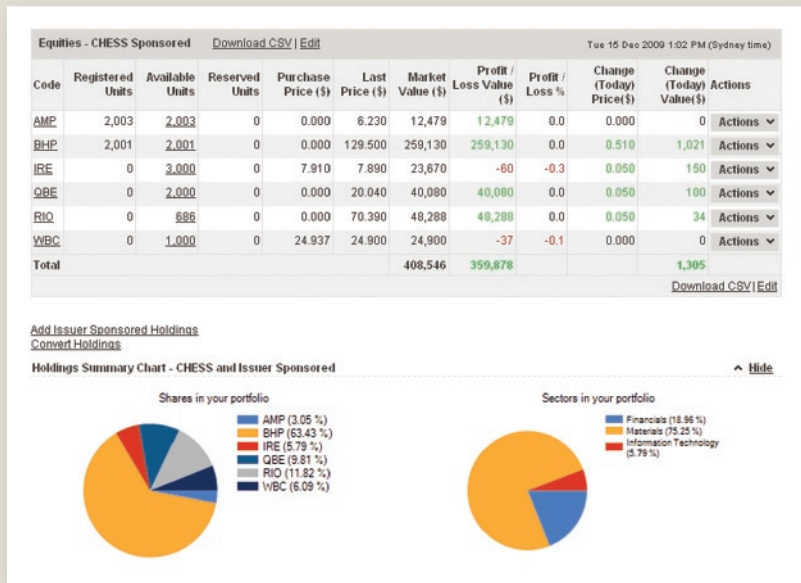

## Access market insights

**Customise your home page**, so you'll have what's most important to you just where you want it.

**Market Watch** gives you a view of the markets for Equities, Options, Warrants and Commodities, and you can choose to view by \$ value or % rises or falls, or by top volume, trades or \$ value. You can also view common indices such as the 50 Leaders, 20 Industrials and 20 Resources.

**Most Popular Stocks** allows you to keep your eye on what other investors are doing. See a list of the most actively traded stocks on our website, with the top 5 buys and sells in the market.

**Create customised charts** over different date ranges, including intra-day charting, with frequency ranges from 1–10 minutes. View open, high, low and close prices and volume for any given date.
