

Some Common Service Providers Listing

Here is a list of some common companies where you may have payments coming from or going to your old bank account. Westpac has prepared this listing of contact details based on information from third party websites, on 8 October 2010.

If you have completed a Switch form, Westpac will pass on your new account details to the companies concerned. However, to ensure all your regular payments are redirected to your new Westpac account, please contact the companies you have arrangements with to let them know of your new Westpac account details or linked Westpac Debit MasterCard® card details. This will ensure all your regular payments are re-directed to your new Westpac account.
