- (d) Westpac Capital Notes 7 are perpetual and these Terms do not include events of default or any other provisions entitling the Holders to require that Westpac Capital Notes 7 be Redeemed. Holders do not have any right to apply for a Winding Up on the ground of Westpac's failure to pay Distributions or for any other reason.
- (e) For the avoidance of doubt, but subject to clause 5.8, if a Capital Trigger Event or Non-Viability Trigger Event has occurred, Holders will rank for payment in a Winding Up as holders of the number of Ordinary Shares to which they became entitled under clauses 5.2 or 5.4.

3 Distributions

3.1 Distributions

Subject to these Terms, each Westpac Capital Note 7 entitles the Holder to receive on the relevant Distribution Payment Date interest on the Face Value of the Westpac Capital Note 7 ("**Distribution**"), calculated using the following formula:

Westpac Capital Notes 7 Terms

$$\text{Distribution} = \frac{\text{Distribution Rate} \times \text{Face Value} \times \text{N}}{365}$$

where:

Distribution Rate (expressed as a percentage per annum) is calculated using the following formula:

$$\text{Distribution Rate} = (\text{BBSW Rate} + \text{Margin}) \times (1 - \text{Tax Rate})$$

where:

BBSW Rate (expressed as a percentage per annum) for each Distribution Period, means:

- (a) subject to paragraph (b) below:
 - (i) the rate for prime bank eligible securities having a tenor of 3 months which ASX (or its successor as administrator of that rate) publishes through information vendors by 12pm (Sydney time) (or such other time at which such rate is accustomed to be so published), in the case of the first Distribution Period, on the Issue Date, and in the case of any other Distribution Period, on the first Business Day of that Distribution Period; or
 - (ii) if Westpac determines that such rate as is described in paragraph (a)(i) above is not published by 12pm (Sydney time) on that day (or such other time at which such rate is accustomed to be so published), or is published but Westpac determines that there is an obvious error in that rate, such other rate that Westpac determines in good faith, having regard to comparable indices then available.
- (b) if Westpac determines that a BBSW Rate Disruption Event has occurred, then, subject to APRA's prior written approval, Westpac:
 - (i) shall use as the BBSW Rate such Alternative BBSW Rate as it may determine;
 - (ii) shall make such adjustments to the Terms as it determines to be reasonably necessary to calculate Distributions in accordance with such Alternative BBSW Rate; and
 - (iii) in making the above determination in this paragraph (b):
 - (A) shall act in good faith and in a commercially reasonable manner;
 - (B) may consult such sources of market practice as it considers appropriate; and
 - (C) may otherwise make such determination in its discretion.
- (c) for the purposes of this definition of "BBSW Rate":
 - (i) **Alternative BBSW Rate** means a rate other than the rate described in paragraph (a) of the definition of BBSW Rate, that is, in Westpac's opinion, generally accepted in the Australian market as the successor to the BBSW Rate, or if there is no such rate:
 - (A) a reference rate that is, in Westpac's opinion, appropriate to floating rate debt securities of a tenor and interest period most comparable to Westpac Capital Notes 7; or
 - (B) such other reference rate as Westpac considers appropriate having regard to available comparable indices,

Westpac Capital Notes 7 Terms

provided that Westpac reserves the discretion, subject to APRA's prior written approval, to incorporate an adjustment (which may be positive or negative) or a formula or methodology for calculating such an adjustment in order to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit to Holders as a result of the use of an Alternative BBSW Rate; and

- (ii) **BBSW Rate Disruption Event** occurs when, in Westpac's opinion, the rate for prime bank eligible securities having a tenor of 3 months in paragraph (a) of the definition of BBSW Rate:
- (A) has been discontinued or otherwise ceased to be calculated or administered; or
 - (B) is no longer generally accepted in the Australian market as a reference rate appropriate to floating rate debt securities of a tenor and interest period comparable to that of Westpac Capital Notes 7.

Holders should note that APRA's approval may not be given for any Alternative BBSW Rate that APRA considers to have the effect of increasing the Distribution Rate contrary to applicable Prudential Standards.

Margin means 3.40% per annum;

Tax Rate (expressed as a decimal) means the Australian corporate tax rate applicable to the franking account of Westpac at the relevant Distribution Payment Date; and

N means, in respect of a Distribution Period, the number of days in that Distribution Period.

3.2 Adjustment to calculation of Distributions if not fully franked

If payment of any Distribution will not be franked to 100% under Part 3-6 of the Tax Act (or any provisions that revise or replace that Part), otherwise than because of any act by, or circumstances affecting, any particular Holder, the Distribution will be calculated using the following formula:

$$\text{Distribution} = \frac{\mathbf{D}}{1 - [\text{Tax Rate} \times (1 - \text{Franking Rate})]}$$

where:

D means the Distribution entitlement on that Distribution Payment Date as calculated under clause 3.1;

Tax Rate (expressed as a decimal) means the Australian corporate tax rate applicable to the franking account of Westpac at the relevant Distribution Payment Date; and

Franking Rate (expressed as a decimal) means the percentage of Distribution that would carry franking credits (within the meaning of Part 3-6 of the Tax Act or any provisions that revise or replace that Part), applicable to the relevant Distribution entitlement on that Distribution Payment Date.

3.3 Conditions to payment of Distributions

- (a) The payment of any Distribution on a Distribution Payment Date is subject to:
- (i) Westpac's absolute discretion;
 - (ii) the payment of the Distribution not resulting in a breach of Westpac's capital requirements (on a Level 1 basis) or of the Westpac Group's capital requirements (on a Level 2 basis) under the then current Prudential Standards at the time of the payment;

Westpac Capital Notes 7 Terms

- (iii) the payment of the Distribution not resulting in Westpac becoming, or being likely to become, insolvent for the purposes of the Corporations Act; and
 - (iv) APRA not otherwise objecting to the payment of the Distribution.
- (b) Westpac must notify ASX as soon as reasonably practicable if payment of any Distribution will not be made because of this clause.

3.4 Distributions are discretionary, non-cumulative and only payable in cash

- (a) Payments of Distributions are within the absolute discretion of Westpac and are non-cumulative. If a Distribution is not paid because of the provisions of clause 3.3 or because of any other reason, Westpac has no liability to pay such Distribution to the Holder and the Holder has no:
- (i) claim (including, without limitation, on a Winding Up); or
 - (ii) right to apply for a Winding Up,
- in respect of such non-payment.
- (b) Any payments of Distributions to Holders must be made in the form of cash.
- (c) Non-payment of a Distribution because of the provisions of clause 3.3, or because of any other reason, does not constitute an event of default.

3.5 Distribution Payment Date

Distributions in respect of Westpac Capital Notes 7 are payable:

- (a) quarterly in arrear on 22 March, 22 June, 22 September and 22 December of each year, commencing on 22 March 2021 until that Westpac Capital Note 7 has been Converted at its full Face Value (or terminated following a failure to Convert) or Redeemed, in each case in accordance with these Terms; and

- (each a "**Distribution Payment Date**").

3.6 Record Dates

3.7 Restrictions in the case of non-payment of a Distribution

Subject to clause 3.8, if for any reason a Distribution has not been paid in full on the relevant Distribution Payment Date, Westpac must not:

- (a) determine or pay any Dividends; or
 - (b) undertake any discretionary Buy Back or Capital Reduction,
- unless the amount of the unpaid Distribution is paid in full within 20 Business Days of that Distribution Payment Date or:
- (c) all Westpac Capital Notes 7 have been Converted at their full Face Value (or terminated following a failure to Convert) or Redeemed;
 - (d) on a subsequent Distribution Payment Date, a Distribution for the subsequent Distribution Period is paid in full; or

Westpac Capital Notes 7 Terms

- (e) a Special Resolution of the Holders has been passed approving such action, and, in respect of the actions contemplated by paragraphs (c), (d) and (e), APRA does not otherwise object.

3.8 Restrictions not to apply in certain circumstances

The restrictions in clause 3.7 do not apply in connection with:

- (a) any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants of Westpac or any member of the Westpac Group; or

- (c) to the extent that at the time a Distribution has not been paid on the relevant Distribution Payment Date, Westpac is legally obliged to pay on or after that date a Dividend or complete on or after that date a Buy Back or Capital Reduction.

3.9 Notification

- (a) In relation to each Distribution Period, Westpac must notify the ASX of the Distribution Rate and the amount of Distribution payable on each Westpac Capital Note 7.
- (b) Westpac must give notice under this clause 3.9 as soon as practicable after it makes its calculations or determinations and, in any event, by no later than the fifth Business Day of the relevant Distribution Period.
- (c) Westpac may amend the calculation or determination of any amount, date, or rate (or make appropriate alternative arrangements by way of adjustment) including as a result of the extension or reduction of a Distribution Period without prior notice, but must notify ASX promptly after doing so.

3.10 Calculations and determinations final

The calculation or determination by Westpac of all rates and amounts payable by it in relation to Westpac Capital Notes 7 is, in the absence of manifest or proven error, final and binding on Westpac, the Registrar and each Holder.

4 Scheduled Conversion

4.1 Scheduled Conversion

Subject to clauses 5, 6, 7 and 8, Westpac must Convert all (but not some) Westpac Capital Notes 7 on issue on the date that is the earlier of:

- (a) 22 March 2029; and
- (b) the first Distribution Payment Date after 22 March 2029,

on which the Scheduled Conversion Conditions are satisfied (each a "**Scheduled Conversion Date**").

4.2 Scheduled Conversion Conditions

- (a) The Scheduled Conversion Conditions for each Scheduled Conversion Date are:

Westpac Capital Notes 7 Terms

- (i) the VWAP on the 25th Business Day on which trading in Ordinary Shares took place immediately preceding (but not including) the Scheduled Conversion Date is greater than 56.12% of the Issue Date VWAP ("**First Scheduled Conversion Condition**"); and
 - (ii) the VWAP during the period of 20 Business Days on which trading in Ordinary Shares took place immediately preceding (but not including) the Scheduled Conversion Date is greater than 50.51% of the Issue Date VWAP (the "**Second Scheduled Conversion Condition**").
- (b) If the First Scheduled Conversion Condition is not satisfied, Westpac will announce to ASX not less than 21 Business Days before the Scheduled Conversion Date that Conversion will not proceed on the Scheduled Conversion Date.
 - (c) If the Second Scheduled Conversion Condition is not satisfied, Westpac will notify Holders on or as soon as practicable after the Scheduled Conversion Date that Conversion did not occur.

5 Automatic Conversion

5.1 Capital Trigger Event

A Capital Trigger Event occurs when:

- (a) Westpac determines; or
- (b) APRA notifies Westpac in writing that it believes,

that either or both the Westpac Level 1 Common Equity Tier 1 Capital Ratio or Westpac Level 2 Common Equity Tier 1 Capital Ratio is equal to or less than 5.125%.

5.2 Consequences of a Capital Trigger Event

- (a) Westpac must notify APRA immediately in writing if it determines that a Capital Trigger Event has occurred.
- (b) If a Capital Trigger Event occurs, Westpac must Convert such number of Westpac Capital Notes 7 (or, if it so determines, such percentage of the Face Value of each Westpac Capital Note 7) as is sufficient (following any conversion, write-off or write down of other Relevant Securities as referred to in paragraph 5.2(c)(i) below) to return either or both the Westpac Level 1 Common Equity Tier 1 Capital Ratio or Westpac Level 2 Common Equity Tier 1 Capital Ratio, as the case may be, to above 5.125%.
- (c) In determining the number of Westpac Capital Notes 7, or percentage of the Face Value of each Westpac Capital Note 7, which must be Converted in accordance with this clause, Westpac will:
 - (i) first, convert, write-off or write down such number or percentage of the face value of any other Relevant Securities whose terms require them to be converted, written-off or written down, before Conversion of Westpac Capital Notes 7; and
 - (ii) second, if conversion, write-off or write down of those Relevant Securities is not sufficient, Convert (in the case of Westpac Capital Notes 7) and convert, write-off or write down (in the case of any other Relevant Securities) on a pro-rata basis or in a manner that is otherwise, in the opinion of Westpac, fair and reasonable, the Face Value of the Westpac Capital Notes 7 and the face value of any Relevant Securities whose terms require or permit them to be converted, written-off or written down in that manner (subject to such adjustments as Westpac may determine to take into account the effect on marketable parcels and the need to

Westpac Capital Notes 7 Terms

round to whole numbers of Ordinary Shares and the face value of any Westpac Capital Notes 7 or other Relevant Securities remaining on issue and the need to effect the conversion, write-off or write-down immediately),

but such determination will not impede the immediate Conversion of the relevant number of Westpac Capital Notes 7 or percentage of the Face Value of each Westpac Capital Note 7 (as the case may be) or, if applicable, the termination of the relevant Holder's rights and claims in accordance with clause 5.8.

- (d) If a Capital Trigger Event occurs:
- (i) the relevant number of Westpac Capital Notes 7, or percentage of the Face Value of each Westpac Capital Note 7, must be Converted immediately upon occurrence of the Capital Trigger Event in accordance with clauses 5.7 and 9 and the Conversion will be irrevocable;
 - (ii) Westpac must give notice as soon as practicable that Conversion has occurred to ASX and the Holders; and
 - (iii) the notice must specify:
 - (A) the date on which the Capital Trigger Event occurred ("**Capital Trigger Event Conversion Date**");
 - (B) the relevant number of the Westpac Capital Notes 7 which were, or the percentage of the Face Value of each Westpac Capital Note 7 which was, Converted and details of any other Relevant Securities converted, written-off or written down in accordance with clause 5.2(c); and
 - (C) details of the Conversion process, including any details which were taken into account in relation to the effect on marketable parcels and whole numbers of Ordinary Shares, and the impact on any Westpac Capital Notes 7 remaining on issue.
- (e) Failure or delay in undertaking any of the steps in clauses 5.2(d)(ii) and 5.2(d)(iii), or in quotation of the Ordinary Shares to be issued on Conversion, does not prevent, invalidate, delay or otherwise impede Conversion.

5.3 Non-Viability Trigger Event

A Non-Viability Trigger Event occurs when APRA notifies Westpac in writing that it believes:

- (a) Conversion of the Westpac Capital Notes 7, or conversion, write-off or write down of other capital instruments of the Westpac Group, is necessary because, without it, Westpac would become non-viable; or
- (b) a public sector injection of capital, or equivalent support, is necessary because, without it, Westpac would become non-viable.

5.4 Consequences of a Non-Viability Trigger Event

- (a) If a Non-Viability Trigger Event occurs, Westpac must Convert such number of Westpac Capital Notes 7 (or, if it so determines, such percentage of the Face Value of each Westpac Capital Note 7) as is equal (following any conversion, write-off or write down of other Relevant Securities as referred to in paragraph 5.4(b)(ii)(A) below) to the aggregate face value of capital instruments as is necessary to satisfy APRA that Westpac will no longer be non-viable.

Westpac Capital Notes 7 Terms

- (b) In determining the number of Westpac Capital Notes 7, or percentage of the Face Value of each Westpac Capital Note 7, which must be Converted in accordance with this clause, Westpac will:
- (i) where a Non-Viability Trigger Event occurs under clause 5.3(b), Convert at their full Face Value all of the Westpac Capital Notes 7; or
 - (ii) in all other circumstances:
 - (A) first, convert, write-off or write down such number or percentage of the face value of any other Relevant Securities whose terms require them to be converted, written-off or written down before Conversion of Westpac Capital Notes 7; and
 - (B) second, if conversion, write-off or write down of those securities is not sufficient, Convert (in the case of Westpac Capital Notes 7) and convert, write-off or write down (in the case of any other Relevant Securities), on a pro-rata basis or in a manner that is otherwise, in the opinion of Westpac, fair and reasonable, the Face Value of the Westpac Capital Notes 7 and the face value of any Relevant Securities whose terms require or permit them to be converted, written-off or written down in that manner (subject to such adjustments as Westpac may determine to take into account the effect on marketable parcels and the need to round to whole numbers of Ordinary Shares and the face value of any Westpac Capital Notes 7 or other Relevant Securities remaining on issue and the need to effect the conversion, write-off or write-down immediately),
- but such determination will not impede the immediate Conversion of the relevant number of Westpac Capital Notes 7 or percentage of the Face Value of each Westpac Capital Note 7 (as the case may be) or, if applicable, the termination of the relevant Holder's rights and claims in accordance with clause 5.8.
- (c) If a Non-Viability Trigger Event occurs:
- (i) the relevant number of Westpac Capital Notes 7, or percentage of the Face Value of each Westpac Capital Note 7, must be Converted immediately upon occurrence of the Non-Viability Trigger Event in accordance with clauses 5.7 and 9 and the Conversion will be irrevocable;
 - (ii) Westpac must give notice as soon as practicable that Conversion has occurred to ASX and the Holders; and
 - (iii) the notice must specify:
 - (A) the date on which the Non-Viability Trigger Event occurred ("**Non-Viability Trigger Event Conversion Date**");
 - (B) the relevant number of the Westpac Capital Notes 7 which were, or the percentage of the Face Value of each Westpac Capital Note 7 which was, Converted, and details of any other Relevant Securities converted, written-off or written down in accordance with clause 5.4(b); and
 - (C) the details of the Conversion process, including any details which were taken into account in relation to the effect on marketable parcels and whole numbers of Ordinary Shares, and the impact on any Westpac Capital Notes 7 remaining on issue.
- (d) Failure to undertake any of the steps in clauses 5.4(c)(ii) and 5.4(c)(iii) does not prevent, invalidate, delay or otherwise impede Conversion.

Westpac Capital Notes 7 Terms

5.5 Scheduled Conversion Conditions not applicable

For the avoidance of doubt, the Scheduled Conversion Conditions do not apply to Conversion as a result of a Capital Trigger Event or Non-Viability Trigger Event.

5.6 Priority of early Conversion obligations

A Conversion required because of a Capital Trigger Event or a Non-Viability Trigger Event takes place on the date, and in the manner, required by clauses 5.2, 5.4, 5.7 and 5.8, notwithstanding any other provision for Conversion, Redemption or Transfer in these Terms.

5.7 Automatic Conversion upon the occurrence of a Capital Trigger Event or Non-Viability Trigger Event

If a Capital Trigger Event or Non-Viability Trigger Event has occurred and all or some Westpac Capital Notes 7 (or percentage of the Face Value of each Westpac Capital Note 7) are required to be Converted in accordance with clauses 5.2 or 5.4, then:

- (a) Conversion of the relevant Westpac Capital Notes 7 or percentage of the Face Value of each Westpac Capital Note 7 will be taken to have occurred in accordance with clause 9 immediately upon the Capital Trigger Event Conversion Date or Non-Viability Trigger Event Conversion Date;
- (b) subject to clause 9.10, the entry of the corresponding Westpac Capital Notes 7 in each relevant Holder's holding in the Westpac Capital Notes 7 Register will constitute an entitlement of that Holder to the relevant number of Ordinary Shares (and, if applicable, also to any remaining balance of Westpac Capital Notes 7 or Westpac Capital Notes 7 with a Face Value equal to the aggregate of the remaining percentage of the Face Value of each Westpac Capital Note 7), and Westpac will recognise the Holder as having been issued the relevant Ordinary Shares for all purposes, in each case without the need for any further act or step by Westpac, the Holder or any other person (and Westpac will, as soon as possible thereafter and without delay on the part of Westpac, take any appropriate procedural steps to record such Conversion, including updating the Westpac Capital Notes 7 Register and the Ordinary Share register); and
- (c) subject to clause 9.10, upon Conversion a Holder has no further right or claim under these Terms in respect of the Westpac Capital Notes 7 Converted, except in relation to the relevant number of Ordinary Shares and the Holder's entitlement, if any, to Westpac Capital Notes 7 which have not been required to be Converted or Westpac Capital Notes 7 representing the unconverted outstanding Face Value.

5.8 No further rights if Conversion does not occur for any reason

If, for any reason, Conversion of any Westpac Capital Notes 7 (or a percentage of the Face Value of any Westpac Capital Notes 7) required to be Converted under clauses 5.2 or 5.4 fails to take effect under clauses 5.7(a) and (b) or does not occur for any other reason and the Ordinary Shares are not issued for any reason in respect of such Conversion by 5.00pm on the fifth Business Day after the Capital Trigger Event Conversion Date or Non-Viability Trigger Event Conversion Date, then:

- (a) such Westpac Capital Notes 7 or percentage of the Face Value of Westpac Capital Notes 7 will not be Converted in respect of such Capital Trigger Event Conversion Date or Non-Viability Trigger Event Conversion Date (as the case may be) and will not be Converted, Redeemed or Transferred under these Terms on any subsequent date; and
- (b) the relevant Holders' rights (including to payment of Distributions and Face Value and any other payments) in relation to such Westpac Capital Notes 7 or percentage of the Face

Westpac Capital Notes 7 Terms

- (a) If an Acquisition Event occurs, then:
 - (i) Westpac must Convert all (but not some) Westpac Capital Notes 7;
 - (ii) Westpac must give notice as soon as practicable and in any event within 10 Business Days after becoming aware of that event occurring to ASX and the Holders;
 - (iii) the notice must specify a date on which it is proposed Conversion will occur (proposed "**Acquisition Event Conversion Date**") being:
 - (A) in the case of an Acquisition Event that is a takeover bid, no later than the Business Day prior to the then announced closing date of the relevant takeover bid; or
 - (B) in the case of an Acquisition Event that is a court approved scheme, a date no later than the record date for participation in the relevant scheme of arrangement;
 - (iv) the notice must specify the details of the Conversion process including any details to take into account the effect on marketable parcels and whole numbers of Ordinary Shares; and
 - (v) on the proposed Acquisition Event Conversion Date, all Westpac Capital Notes 7 will Convert in accordance with clause 9.
- (b) The Second Scheduled Conversion Condition applies to a Conversion following an Acquisition Event as though the proposed Acquisition Event Conversion Date were a Scheduled Conversion Date for the purposes of clause 4 (except that in the case of an Acquisition Event, the Second Scheduled Conversion Condition will apply as if it referred to 20.20% of the Issue Date VWAP). If the Second Scheduled Conversion Condition is not satisfied, the Westpac Capital Notes 7 will not Convert.
- (c) If the Second Scheduled Conversion Condition is not satisfied on the proposed Acquisition Event Conversion Date, Westpac will notify Holders as soon as practicable after the proposed Acquisition Event Conversion Date that Conversion did not occur.

5.10 Issue of ordinary shares of Approved Successor

Where there is a replacement of Westpac as the ultimate holding company of the Westpac Group and the successor holding company is an Approved Successor, Conversion of the Westpac Capital Notes 7 may not occur as a consequence of the Replacement (as defined in clause 13.4(a)). 6.4 Restriction on Conversion on the Optional Conversion Date

- (a) The Second Scheduled Conversion Condition applies to an Optional Conversion as though the proposed Optional Conversion Date were a Scheduled Conversion Date for the purposes of clause 4 (except that in the case of an Optional Conversion following a Tax Event or Regulatory Event, the Second Scheduled Conversion Condition will apply as if it referred to 20.20% of the Issue Date VWAP).

9 General provisions applicable to Conversion

9.1 Conversion

On the Conversion Date, subject to clauses 5.6 and 9.10, the following will apply:

Westpac Capital Notes 7 Terms

- (a) Westpac will allot and issue the Conversion Number of Ordinary Shares for each Westpac Capital Note 7 held by the Holder. The Conversion Number is calculated according to the following formula, and subject always to the Conversion Number being no greater than the Maximum Conversion Number:

$$\text{Conversion Number for each Westpac Capital Note 7} = \frac{\text{Face Value}}{0.99 \times \text{VWAP}}$$

where:

VWAP (expressed in dollars and cents) means the VWAP during the VWAP Period.

Maximum Conversion Number means a number calculated according to the following formula:

$$\text{Maximum Conversion Number for each Westpac Capital Note 7} = \frac{\text{Face Value}}{\text{Relevant Percentage} \times \text{Issue Date VWAP}}$$

Relevant Percentage means:

- (i) if Conversion is occurring on a Scheduled Conversion Date or the Optional Conversion Date on 22 March 2027, 50%; and
 - (ii) if Conversion is occurring at any other time, 20%.
- (b) Each Holder's rights (including to Distributions other than the Distribution, if any, payable on a date when Conversion is required that is not a Capital Trigger Event Conversion Date or a Non-Viability Trigger Event Conversion Date) in relation to each Westpac Capital Note 7 that is being Converted will be immediately and irrevocably terminated for an amount equal to the Face Value and Westpac will apply the Face Value of each Westpac Capital Note 7 by way of payment for the subscription for the Ordinary Shares to be allotted and issued under clause 9.1(a). Each Holder is taken to have irrevocably directed that any amount payable under this clause 9.1 is to be applied as provided for in this clause and Holders do not have any right to payment in any other way.
- (c) If the total number of Ordinary Shares to be allotted and issued in respect of a Holder's aggregate holding of Westpac Capital Notes 7 includes a fraction of an Ordinary Share, that fraction of an Ordinary Share will be disregarded.

9.2 Adjustments to VWAP generally

For the purposes of calculating VWAP under clause 9.1:

- (a) where, on some or all of the Business Days in the relevant VWAP Period, Ordinary Shares have been quoted on ASX as cum dividend or cum any other distribution or entitlement and Westpac Capital Notes 7 will be Converted into Ordinary Shares after that date and those Ordinary Shares will no longer carry that dividend or that other distribution or entitlement, then the VWAP on the Business Days on which those Ordinary Shares have been quoted cum dividend or cum any other distribution or entitlement will be reduced by an amount ("**Cum Value**") equal to:
- (i) in the case of a dividend or other distribution, the amount of that dividend or other distribution including, if the dividend or distribution is franked, the amount that would be included in the assessable income of a recipient of the dividend or distribution who is a natural person resident in Australia under the Tax Act;
 - (ii) in the case of any other entitlement that is not a dividend or other distribution under clause 9.2(a)(i) which is traded on ASX on any of those Business Days, the volume weighted average price of all such entitlements sold on ASX during the VWAP Period on the Business Days on which those entitlements were traded (excluding

Westpac Capital Notes 7 Terms

trades of the kind that would be excluded in determining VWAP under the definition of that term); or

- (iii) in the case of any other entitlement which is not traded on ASX during the VWAP Period, the value of the entitlement as reasonably determined by Westpac;
- (b) where, on some or all of the Business Days in the VWAP Period, Ordinary Shares have been quoted as ex dividend or ex any other distribution or entitlement, and Westpac Capital Notes 7 will be Converted into Ordinary Shares which would be entitled to receive the relevant dividend, distribution or entitlement, the VWAP on the Business Days on which those Ordinary Shares have been quoted ex dividend or ex any other distribution or entitlement will be increased by the Cum Value; and
- (c) any adjustment made by Westpac in accordance with clause 9.2 will be effective and binding on Holders under these Terms and these Terms will be construed accordingly.

9.3 Adjustments to VWAP for capital reconstruction

- (a) Where during the relevant VWAP Period there is a change to the number of Ordinary Shares on issue because the Ordinary Shares are reconstructed, consolidated, divided or reclassified (in a manner not involving any cash payment (or the giving of any other form of consideration) to or by holders of Ordinary Shares) ("**Reclassification**") into a lesser or greater number, the daily VWAP for each day in the VWAP Period which falls before the date on which trading in Ordinary Shares is conducted on a post Reclassification basis will be adjusted by multiplying such daily VWAP by the following formula:

$$\frac{A}{B}$$

where:

A means the aggregate number of Ordinary Shares immediately before the Reclassification; and

B means the aggregate number of Ordinary Shares immediately after the Reclassification.

- (b) Any adjustment made by Westpac in accordance with clause 9.3(a) will be effective and binding on Holders under these Terms and these Terms will be construed accordingly.
- (c) Each Holder acknowledges that Westpac may consolidate, divide or reclassify Ordinary Shares so that there is a lesser or greater number of Ordinary Shares at any time in its absolute discretion without any such action requiring any consent or concurrence of any Holders.

9.4 Adjustments to Issue Date VWAP generally

For the purposes of determining the Issue Date VWAP under clause 9.1, adjustments will be made in accordance with clause 9.2 and clause 9.3 during the period in which the Issue Date VWAP is determined. On and from the Issue Date, adjustments to the Issue Date VWAP:

- (a) may be made by Westpac in accordance with clauses 9.5 to 9.7 (inclusive);
- (b) if so made, will correspondingly affect the application of the Scheduled Conversion Conditions and the Optional Conversion Restriction and cause an adjustment to the Maximum Conversion Number; and
- (c) if so made, will be effective and binding on Holders under these Terms and these Terms will be construed accordingly.

Westpac Capital Notes 7 Terms

9.5 Adjustments to Issue Date VWAP for bonus issues

- (a) Subject to clauses 9.5(b) and 9.5(c), if at any time on or from the Issue Date Westpac makes a pro-rata bonus issue of Ordinary Shares to holders of Ordinary Shares generally (in a manner not involving any cash payment (or the giving of any other form of consideration) to or by holders of Ordinary Shares), the Issue Date VWAP will be adjusted immediately in accordance with the following formula:

$$V = \frac{Vo \times RD}{RD + RN}$$

where:

V means the Issue Date VWAP applying immediately after the application of this formula;

Vo means the Issue Date VWAP applying immediately prior to the application of this formula;

RD means the number of Ordinary Shares on issue immediately prior to the allotment of new Ordinary Shares pursuant to the bonus issue; and

RN means the number of Ordinary Shares issued pursuant to the bonus issue.

- (b) Clause 9.5(a) does not apply to Ordinary Shares issued as part of a bonus share plan, employee or executive share plan, executive option plan, share top up plan, share purchase plan or a dividend reinvestment plan.
- (c) For the purposes of this clause, an issue will be regarded as a bonus issue notwithstanding that Westpac does not make offers to some or all holders of Ordinary Shares with registered addresses outside Australia, provided that in so doing Westpac is not in contravention of the ASX Listing Rules.
- (d) No adjustments to the Issue Date VWAP will be made under this clause 9.5 for any offer of Ordinary Shares not covered by clause 9.5(a), including a rights issue or other essentially pro rata issue.
- (e) The fact that no adjustment is made for an issue of Ordinary Shares except as covered by clause 9.5(a) shall not in any way restrict Westpac from issuing Ordinary Shares at any time on such terms as it sees fit nor require any consent or concurrence of any Holders.

9.6 Adjustments to Issue Date VWAP for capital reconstruction

- (a) If at any time on or from the Issue Date there is a change to the number of Ordinary Shares on issue because of a Reclassification (in a manner not involving any cash payment (or the giving of any other form of consideration) to or by holders of Ordinary Shares) into a lesser or greater number, the Issue Date VWAP will be adjusted by multiplying the Issue Date VWAP applicable on the Business Day immediately before the date of any such Reclassification by the following formula:

$$\frac{A}{B}$$

where:

A means the aggregate number of Ordinary Shares on issue immediately before the Reclassification; and

B means the aggregate number of Ordinary Shares on issue immediately after the Reclassification.

Westpac Capital Notes 7 Terms

- (b) Each Holder acknowledges that Westpac may consolidate, divide or reclassify securities so that there is a lesser or greater number of Ordinary Shares at any time in its absolute discretion without any such action requiring any consent or concurrence of any Holders.

9.7 No adjustment to Issue Date VWAP in certain circumstances

Despite the provisions of clauses 9.5 and 9.6, no adjustment will be made to the Issue Date VWAP where any such adjustment (rounded to the nearest full cent, with \$0.005 being rounded upwards) would be less than one percent of the Issue Date VWAP then in effect.

9.8 Announcement of adjustments to Issue Date VWAP

Westpac will notify any adjustment to the Issue Date VWAP under this clause 9 to ASX and the Holders within 10 Business Days of Westpac determining the adjustment and the adjustment will be final and binding.

9.9 Status and listing of Ordinary Shares

- (a) Ordinary Shares issued or arising from Conversion will rank equally with, and will have the same rights as, all other fully paid Ordinary Shares provided that the rights attaching to the Ordinary Shares issued or arising from Conversion do not take effect until 5.00pm (Sydney time) on the Conversion Date (or such other time required by APRA).
- (b) Westpac will use all reasonable endeavours to list the Ordinary Shares issued on Conversion of Westpac Capital Notes 7 on ASX.

9.10 Conversion where the Holder does not wish to receive Ordinary Shares or is an Ineligible Holder

- (a) If Westpac Capital Notes 7 of a Holder are required to be Converted and:
 - (i) the Holder has notified Westpac that it does not wish to receive Ordinary Shares as a result of Conversion, which notice may be given at any time on or after the Issue Date and no less than 15 Business Days prior to the Conversion Date; or
 - (ii) the Holder is an Ineligible Holder,

then, on the Conversion Date, all of the Holder's rights in relation to each such Westpac Capital Note 7 being Converted are immediately and irrevocably terminated (including to Distributions other than the Distribution, if any, payable on a date when Conversion is required that is not a Capital Trigger Event Conversion Date or a Non-Viability Trigger Event Conversion Date) and Westpac will issue the Conversion Number of Ordinary Shares to the Sale Agent for no additional consideration to hold on trust for sale for the benefit of the relevant Holder. At the first opportunity to sell the Ordinary Shares, the Sale Agent will arrange for their sale at market value and pay the proceeds, less selling costs, brokerage, stamp duty and other taxes and charges, to the relevant Holder.

Westpac will be entitled to treat a Holder as not being an Ineligible Holder unless the Holder has otherwise notified it after the Issue Date and prior to the Conversion Date.

- (b) If Conversion under this clause 9.10 is occurring because of the occurrence of a Capital Trigger Event or Non-Viability Trigger Event and the Conversion fails to take effect under clauses 5.2 or 5.4 or does not occur for any other reason and the Ordinary Shares are not issued to the Sale Agent for any reason in respect of such Conversion by 5.00pm on the fifth Business Day after the Capital Trigger Event Conversion Date or Non-Viability Trigger Event Conversion Date, then:
 - (i) such Westpac Capital Notes 7 or percentage of the Face Value of Westpac Capital Notes 7 will not be Converted in respect of such Capital Trigger Event Conversion

Westpac Capital Notes 7 Terms

Date or Non-Viability Trigger Event Conversion Date (as the case may be) and will not be Converted, Redeemed or Transferred under these Terms on any subsequent date; and

- (ii) the relevant Holders' rights (including to payment of Distributions and Face Value and any other payments) in relation to such Westpac Capital Notes 7 or percentage of the Face Value of Westpac Capital Notes 7 are immediately and irrevocably terminated and such termination will be taken to have occurred immediately upon the Capital Trigger Event Conversion Date or Non-Viability Trigger Event Conversion Date, as the case may be.

9.11 Final Distribution

For the avoidance of doubt, Conversion may occur even if Westpac, in its absolute discretion, does not pay a Distribution for the final Distribution Period.

9.12 No Conversion after Winding Up commences

If before the Conversion Date a Winding Up commences, then Conversion will not occur and clause 2 will apply, except where Conversion is required for a Capital Trigger Event or Non-Viability Trigger Event (in which case such Conversion shall occur (subject to clause 5.8) in accordance with clauses 5.2 or 5.4 (as applicable) and clause 5.7).

9.13 Conversion of a percentage of Face Value

If under these Terms it is necessary to Convert a percentage of the Face Value, this clause 9 will apply to the Conversion as if references to the Face Value were references to the relevant percentage of the Face Value to be Converted multiplied by the Face Value and references to the Westpac Capital Note(s) 7 were references to the percentage of the Face Value of the Westpac Capital Note(s) 7 to be Converted.

9.14 Consent to receive Ordinary Shares and other acknowledgements

Subject to clause 5.8, each Holder irrevocably:

- (a) upon receipt of the Conversion Number of Ordinary Shares following Conversion of Westpac Capital Notes 7 in accordance with clauses 4, 5 or 6 consents to becoming a member of Westpac and agrees to be bound by the constitution of Westpac, in each case in respect of Ordinary Shares issued on Conversion;
- (b) acknowledges and agrees that, unless it has given notice in accordance with clause 9.10 that it does not wish to receive Ordinary Shares as a result of Conversion, it is obliged to accept Ordinary Shares of Westpac on Conversion notwithstanding anything that might otherwise affect a Conversion of Westpac Capital Notes 7 including:
 - (i) any change in the financial position of Westpac since the issue of the Westpac Capital Notes 7;
 - (ii) any disruption to the market or potential market for Ordinary Shares or capital markets generally; or
 - (iii) any breach by Westpac of any obligation in connection with the Westpac Capital Notes 7;
- (c) acknowledges and agrees that:
 - (i) Conversion is not subject to any conditions other than those expressly provided for in these Terms;

Westpac Capital Notes 7 Terms

- (ii) subject to any conditions, Conversion must occur immediately on the Conversion Date and that may result in disruption or failures in trading or dealings in the Westpac Capital Notes 7;
- (iii) it will not have any rights to vote in respect of any Conversion; and
- (iv) notwithstanding clause 9.9, Ordinary Shares issued on Conversion may not be quoted at the time of Conversion or at all;
- (d) acknowledges and agrees that where clause 5.8 applies, no other conditions or events will affect the operation of that clause and it will not have any rights to vote in respect of any termination under that clause;
- (e) acknowledges and agrees that it has no right to request that Westpac Convert Westpac Capital Notes 7; and
- (f) acknowledges and agrees that it has no remedies on account of the failure of Westpac to issue Ordinary Shares in accordance with clauses 5.2 or 5.4 other than, subject to clause 5.8, to seek specific performance of Westpac's obligation to issue Ordinary Shares.

- (h) Subject to Applicable Regulations, Westpac may determine that transfers of some or all Westpac Capital Notes 7 will not be registered during any period reasonably specified by it prior to the Conversion Date, Redemption Date or Transfer Date of such Westpac Capital Notes 7.

- (c) All calculations of payments will be rounded to four decimal places. For the purposes of making any payment in respect of a Holder's aggregate holding of Westpac Capital Notes 7, any fraction of a cent will be rounded to the nearest one Australian cent (with one half of an Australian cent being rounded up to one Australian cent).

If any such deduction or withholding has been made and paid over to the relevant governmental authority and the balance of the Distribution or other amount payable has been paid (or, in the case of a Conversion, Ordinary Shares issued) to the relevant Holder, then the full amount payable (or, in the case of a Conversion, the Conversion Number of Ordinary Shares) to such Holder shall be deemed to have been duly paid and satisfied (or, in the case of a Conversion, issued) by Westpac or the Nominated Party, as applicable.
- (b) Westpac or the Nominated Party, as applicable, shall pay the full amount required to be deducted or withheld to the relevant governmental authority within the time allowed for such payment without incurring any penalty under applicable law and shall, if requested by any Holder, deliver to such Holder confirmation of such payment without delay after it is received by Westpac or the Nominated Party, as applicable.

13 Amendment of these Terms

 - (iv) expedient for the purpose of enabling the Westpac Capital Notes 7 to be listed for quotation or to retain listing on any stock exchange or to be offered for, or subscription for, sale under the laws for the time being in force in any place and it is otherwise not considered by Westpac to be materially prejudicial to the interests of Holders as a whole; or
 - (v) necessary to comply with the provisions of any statute, the requirements of any statutory authority, the ASX Listing Rules or the listing or quotation requirements of any stock exchange on which the Westpac Capital Notes 7 are quoted; or

Westpac Capital Notes 7 Terms

13.4 Amendment for Approved Successor

- (i) it is proposed that Westpac be replaced as the ultimate holding company of the Westpac Group by an Approved Successor ("**Replacement**"); and
 - (ii) the Approved Successor agrees to expressly assume Westpac's obligations under these Terms by entering into a deed poll for the benefit of Holders under which it agrees (among other things):
 - (A) to deliver Approved Successor Shares under all circumstances when Westpac would have otherwise been obliged to deliver Ordinary Shares on a Conversion, subject to the same terms and conditions of these Terms as amended by this clause 13.4;
 - (B) to comply with the restriction in clause 3.7 (with all appropriate modifications) of these Terms; and
 - (C) to use all reasonable endeavours and furnish all such documents, information and undertakings as may be reasonably necessary in order to procure quotation of the Approved Successor Shares issued under these Terms on the stock exchanges on which the other Approved Successor Shares are quoted at the time of a Conversion,

Westpac may, with APRA's prior written approval, but without the authority, assent or approval of Holders, give a notice (an "**Approved Replacement Notice**") to Holders (which, if given, must be given as soon as practicable before the Replacement and in any event no later than 10 Business Days before the Replacement occurs) specifying the amendments to these Terms which will be made in accordance with this clause 13.4 to effect the substitution of the Approved Successor as the debtor in respect of Westpac Capital Notes 7 and the issuer of ordinary shares on Conversion.

An Approved Replacement Notice, once given, is irrevocable.

- (b) If Westpac gives an Approved Replacement Notice to Holders in accordance with clause 13.4(a), then with effect on and from the date specified in the Approved Replacement Notice:
- (i) the Approved Successor will assume all of the obligations of, and succeed to, and be substituted for, and may exercise every right and power of, Westpac under these Terms (as may be amended from time to time) with the same effect as if the Approved Successor had been named as Westpac in these Terms;
 - (ii) Westpac (or any corporation which has previously assumed the obligations of Westpac) will be released from its liability under these Terms;
 - (iii) references to Westpac in these Terms will be taken to be references to the Approved Successor and references to Ordinary Shares in these Terms will be taken to be references to Approved Successor Shares; and
 - (iv) such other amendments may be made to these Terms as in Westpac's reasonable opinion are necessary and appropriate to effect the substitution of an Approved Successor as debtor in respect of Westpac Capital Notes 7 and the issuer of the Approved Successor Shares on Conversion in the manner contemplated by these Terms (including such amendment as is necessary or expedient for the purposes of complying with the provisions of Chapter 2L of the Corporations Act where the Approved Successor is not an ADI).

Westpac Capital Notes 7 Terms

- (c) Where an amendment under clause 13.4(b) results in Approved Successor Shares being issued to Holders, each Holder agrees to become a member of the Approved Successor immediately prior to the issue of the Approved Successor Shares and appoints Westpac as its attorney as contemplated under clause 14.10 to do all things necessary or desirable to give effect to this clause 13.4.
- (d) Westpac must not issue an Approved Replacement Notice unless:
 - (i) the Approved Successor or another entity which is not a member of the Westpac Group and approved by APRA subscribes for Ordinary Shares or other capital instruments acceptable to APRA in such amount as may be necessary, or take other steps acceptable to APRA to ensure that the capital position of Westpac on a Level 1 and Level 2 basis as described in the Prudential Standards will not be adversely affected, including, if required by APRA or the Prudential Standards, undertaking any capital injection in relation to Westpac to replace the Westpac Capital Notes 7; and
 - (ii) any capital injection carried out pursuant to paragraph 13.4(d)(i) is:
 - (A) unconditional;
 - (B) occurs simultaneously with the substitution of the Approved Successor; and
 - (C) of equal or better quality capital and at least the same amount as the Westpac Capital Notes 7, unless otherwise approved by APRA in writing.

 - (i) the chair; or
 - (ii) at least five Holders present in person or by proxy, attorney or corporate representative; or
 - (iii) Holders present in person or by proxy, attorney or corporate representative who together hold at least 5%, in terms of aggregate Face Value, of the Westpac Capital Notes 7 on issue at the time of the meeting; or
 - (iv) Westpac,
 a declaration by the chair that a resolution has been carried by a particular majority, or lost or not carried by a particular majority, is conclusive evidence of the fact.
- (e) Where a poll is demanded in accordance with clause 1.7(d) it will be taken either at once or after an interval of adjournment as the chair directs, but in no case will the date on which the poll is taken be a date more than 30 days after the date of the adjournment. A poll demanded on election of the chair or on a question of adjournment will be taken at once. The result of an adjourned poll will be deemed to be the resolution of the meeting at which the poll was demanded.
- (f) In the case of joint Holders, the vote of the senior Holder (determined by the order in which the names of the joint Holders stand in the Westpac Capital Notes 7 Register in respect of the joint holding) who tenders a vote, whether in person or by proxy, attorney or corporate representative, will be accepted to the exclusion of the votes of the other joint Holders.
- (g) If a Holder is of unsound mind or is a person whose person or estate is liable to be dealt with in any way under the law relating to mental health, the person who properly has the management of the Holder's estate may exercise any rights of the Holder in relation to a meeting as if that person were the Holder.
- (h) In respect of objections:
 - (i) an objection may be raised to the qualification of a voter only at the meeting where the vote objected to is given or tendered;
 - (ii) an objection must be referred to the chair whose decision is final;
 - (iii) the chair may consult with any representative of Westpac present at the meeting; and
 - (iv) a vote allowed at a meeting is valid for all purposes.

1.8 Adjournment

Except in the circumstances contemplated in clause 1.5(b), the chair of a meeting of Holders may, with the consent of a majority of Holders present, and will if directed by Westpac, adjourn the meeting from time to time and from place to place.

1.9 Passing of resolutions

- (a) A resolution of the Holders will be deemed duly passed as a special resolution (***Special Resolution***) if it is approved in either of the following ways:

- (i) by a resolution in writing signed by Holders entitled to vote on the resolution who hold at least 75%, in terms of aggregate Face Value, of the Westpac Capital Notes 7 on issue, which resolution may be contained in one document or in several documents in like form each signed by one or more Holders, but only if a copy of the resolution has been delivered to all persons who would otherwise be entitled to receive notice of a meeting and in like form; or
 - (ii) at a meeting of Holders by at least 75% of the votes cast by Holders entitled to vote on the resolution.
- (b) Any resolution (other than a Special Resolution) of the Holders will be duly passed if it is approved in either of the following ways:
- (i) by a resolution in writing signed by Holders entitled to vote on the resolution who hold more than 50%, in terms of aggregate Face Value, of the Westpac Capital Notes 7 on issue, which resolution may be contained in one document or in several documents in like form each signed by one or more Holders, but only if a copy of the resolution has been delivered to all persons who would otherwise be entitled to receive notice of a meeting and in like form; or
 - (ii) at a meeting of Holders by more than 50% of the votes cast by Holders entitled to vote on the resolution.
- (c) Minutes of all resolutions and proceedings at every such meeting of Holders must be made and duly entered in books to be provided for that purpose by Westpac from time to time. Any minutes purporting to be signed by the chair of the meeting at which such resolutions were passed, or proceedings taken, or by the chair of the next succeeding meeting of Holders, or in the case of a written resolution, by Holders, will be conclusive evidence of the matters contained in those minutes (or resolutions, as applicable) and, until the contrary is proved, every such meeting in respect of the proceedings of which minutes have been made will be deemed to have been duly held and convened and all resolutions passed or proceedings taken to have been duly passed and taken.

1.10 Resolutions binding

A resolution passed at a meeting of Holders duly convened and held, or, in the case of a written resolution, signed by the requisite number of Holders, is binding on all the Holders, whether present or not present at the meeting and whether they are in favour or opposed to the resolution, and each of the Holders is bound to give effect to any resolutions passed at the meeting. A written resolution is effective when signed by the last of the Holders required to sign such resolution.

1.11 Entitlement of Holders

The Holders as recorded in the Westpac Capital Notes 7 Register 48 hours before the time appointed for the holding of a meeting of Holders (or the time a written resolution is circulated, as applicable), and no other person or persons, will be recognised and treated as the legal holders of the Westpac Capital Notes 7 for any purpose (including attendance and voting, and the establishment of a quorum) associated with the meeting (or written resolution, as applicable).

1.12 Proxies, attorneys and corporate representatives

- (a) A Holder entitled to attend and vote at a meeting of Holders may appoint another person (whether or not a Holder) as the Holder's proxy to attend and vote at the meeting. An instrument appointing a proxy must be in writing under the hand of the appointer or its attorney duly authorised in writing, and in the case of a corporation, under its common seal, or by 2 directors or a director and secretary, or under the hand of an officer or

attorney so authorised. Every such instrument will enable the proxy to vote for or against any resolution on behalf of the Holder and will be in any usual or common form or in any other form which Westpac may approve.

- (b) A Holder may, by duly executed power of attorney, appoint an attorney (whether or not a Holder) to act on the Holder's behalf at all or certain specified meetings of Holders. The appointment may be a standing one.
- (c) A Holder which is a body corporate may appoint an individual (whether or not a Holder) as a representative to exercise all or any of the powers the body corporate may exercise at meetings of Holders or relating to written resolutions of Holders to be passed without meetings. The appointment may be a standing one. The appointment may set out restrictions on the representative's powers. If the appointment is to be made by reference to a position held, the appointment must identify the position.
- (d) An instrument appointing a proxy, attorney or corporate representative and the power of attorney or other authority (if any) under which it is signed must either be attached to the signed written resolution delivered to Westpac or such other person appointed to collect, collate or scrutinise the written resolutions or must be deposited at such place as Westpac directs in the notice convening the meeting, not less than 48 hours before the time appointed for holding the meeting or adjourned meeting (or in the case of a poll, 48 hours before the time appointed for the taking of the poll) or such shorter time as Westpac may determine and, in default, the instrument, as the case may be, may at the discretion of Westpac be invalid.
- (e) A vote given in accordance with the terms of an instrument of proxy, power of attorney or appointment of corporate representative will be valid notwithstanding the previous death or insanity of the principal or revocation of the instrument or the authority under which the instrument was executed or the transfer of the Westpac Capital Notes 7 in respect of which the instrument is given, provided that no notice in writing of such death, insanity, revocation or transfer has been received by Westpac at its registered office before the commencement of the meeting or adjourned meeting at which the instrument is used, or before the execution of the written resolution.

1.13 Referral to Holders

Westpac may, at its discretion, refer any question arising under or in connection with this Deed Poll to a meeting of Holders and may if it thinks fit act in accordance with any resolution passed in relation to such question. This clause 1.13 does not curtail or limit in any way any power of Westpac under this Deed Poll.

1.14 General powers of meeting of Holders

A meeting of Holders will, in addition to all other powers set out in this Deed Poll, have the following powers exercisable by Special Resolution:

- (a) power to sanction the release of Westpac from any obligation under the Westpac Capital Notes 7 Terms (including power to sanction the release of Westpac from all or part of its liability to pay the outstanding amounts under the Westpac Capital Notes 7 or the suspension or postponement of any payment) either unconditionally or upon any conditions specified in the Special Resolution;
- (b) power to sanction any modification or compromise or arrangement in respect of the rights of Holders against Westpac;
- (c) power to assent to any modification of the provisions of this Deed Poll or the Westpac Capital Notes 7 approved by Westpac;

- (d) power to authorise Westpac to sanction on behalf of all the Holders any scheme of arrangement in respect of Westpac;
- (e) power to authorise Westpac to accept on behalf of the Holders any other property or securities instead of any part of the Holder's rights and in particular any debt securities of Westpac;
- (f) power to give a release or waiver in respect of any breach or default by Westpac; and
- (g) power to give any sanction, direction or consent which under any of the provisions of this Deed Poll is required to be given by a Special Resolution.

If a Special Resolution is passed by Holders, all Holders will be bound by the Special Resolution, but Westpac is not bound by any resolution unless it agrees to be bound.

1.15 Action which affects Additional Tier 1 Capital eligibility

An action which would impact, or potentially impact, the classification of the Westpac Capital Notes 7 as Additional Tier 1 Capital cannot be sanctioned or approved by Holders under clause 1.14 of this Schedule 2 or otherwise unless the prior written approval for the action has been obtained from APRA by Westpac.

1.16 Further procedures

Westpac (with the approval of the Registrar) may prescribe such further regulations for the holding of, attendance and voting at meetings of Holders as are necessary or desirable and do not adversely affect the interests of Holders.
