- (a) are non-cumulative, convertible, transferable, redeemable, subordinated, perpetual, unsecured notes of Westpac;
- (b) are designated as being of a particular series as set out in the Prospectus;
- (c) are constituted under and issued on the terms set out in the Deed Poll and these Terms; and

2 Ranking on Winding Up

- (a) Holders do not have any right to prove in a Winding Up in respect of Westpac Capital Notes 2, except as permitted under clause 2(b).
- (b) Westpac Capital Notes 2 will rank for payment of the Liquidation Sum in a Winding Up:
 - (i) senior to Ordinary Shares;
 - (ii) equally among themselves and with all other Equal Ranking Capital Securities;
 - (iii) junior to or equally with any other notes or preference shares Westpac may issue, as may be designated in the terms of issue for such notes or preference shares; and
 - (iv) junior to, and are conditional on the prior payment in full of, the claims of all Senior Creditors.
- (c) Holders may not exercise voting rights as a creditor in respect of Westpac Capital Notes 2 in a Winding Up to defeat the subordination in this clause.
- (d) Westpac Capital Notes 2 are perpetual and the terms of Westpac Capital Notes 2 do not include events of default or any other provisions entitling the Holders to require that Westpac Capital Notes 2 be Redeemed. Holders do not have any right to apply for a Winding Up on the ground of Westpac's failure to pay Distributions or for any other reason.
- (e) For the avoidance of doubt, but subject to clause 5.8, if a Capital Trigger Event or Non-Viability Trigger Event has occurred, Holders will rank for payment in a Winding Up as holders of the number of Ordinary Shares to which they became entitled under clauses 5.2 or 5.4.

3 Distributions

3.1 Distributions

Subject to these Terms, each Westpac Capital Note 2 entitles the Holder to receive on the relevant Distribution Payment Date interest on the Face Value of the Westpac Capital Note 2 (**Distribution**), calculated using the following formula:

$$\text{Distribution} = \frac{\text{Distribution Rate} \times \text{Face Value} \times \text{N}}{365}$$

where:

Distribution Rate (expressed as a percentage per annum) is calculated using the following formula:

$$\text{Distribution Rate} = (\text{Bank Bill Rate} + \text{Margin}) \times (1 - \text{Tax Rate})$$

where:

Bank Bill Rate (expressed as a percentage per annum) means, for each Distribution Period, the average mid-rate for bills of a term of 90 days which average rate is displayed on Reuters page BBSW (or any page that replaces that page) at 10.30am (Sydney time) on, in the case of the first Distribution Period, the Issue Date, and in the case of any other Distribution Period, the first Business Day of that Distribution Period, or if there is a manifest error in the calculation of that average rate or that average rate is not displayed at 10.30am (Sydney time) on that date, the rate specified in good faith by Westpac at or around that time on that date having regard, to the extent possible, to:

- (a) the rates otherwise bid and offered for bills of a term of 90 days or for funds of that tenor displayed on Reuters page BBSW (or any page which replaces that page) at that time on that date; and
- (b) if bid and offer rates for bills of a term of 90 days are not otherwise available, the rates otherwise bid and offered for funds of that tenor at or around that time on that date,

provided that where Westpac Capital Notes 9 are issued, the Bank Bill Rate for the Distribution Period commencing on the date after the First Pro-Rata Distribution Date is the Bank Bill Rate for the Distribution Period ending on the First Pro-Rata Distribution Date;

Margin means 3.05% per annum;

Tax Rate (expressed as a decimal) means the Australian corporate tax rate applicable to the franking account of Westpac at the relevant Distribution Payment Date; and

N means, in respect of a Distribution Period, the number of days in that Distribution Period.

3.2 Adjustment to calculation of Distributions if not fully franked

If payment of any Distribution will not be franked to 100% under Part 3-6 of the Tax Act (or any provisions that revise or replace that Part), otherwise than because of any act by, or circumstances affecting, any particular Holder, the Distribution will be calculated using the following formula:

$$\text{Distribution} = \frac{\text{D}}{1 - [\text{Tax Rate} \times (1 - \text{Franking Rate})]}$$

where:

D means the Distribution entitlement on that Distribution Payment Date as calculated under clause 3.1;

Tax Rate (expressed as a decimal) means the Australian corporate tax rate applicable to the franking account of Westpac at the relevant Distribution Payment Date; and

Franking Rate (expressed as a decimal) means the percentage of Distribution that would carry franking credits (within the meaning of Part 3-6 of the Tax Act or any provisions that revise or replace that Part), applicable to the relevant Distribution entitlement on that Distribution Payment Date.

3.3 Conditions to payment of Distributions

- (a) The payment of any Distribution on a Distribution Payment Date is subject to:
 - (i) Westpac's absolute discretion;
 - (ii) the payment of the Distribution not resulting in a breach of Westpac's capital requirements (on a Level 1 basis) or of the Westpac Group's capital requirements (on a Level 2 basis) under the then current Prudential Standards at the time of the payment;
 - (iii) the payment of the Distribution not resulting in Westpac becoming, or being likely to become, insolvent for the purposes of the Corporations Act; and
 - (iv) APRA not otherwise objecting to the payment of the Distribution.
- (b) Westpac must notify ASX as soon as reasonably practicable if payment of any Distribution will not be made because of this clause.

3.4 Distributions are discretionary, non-cumulative and only payable in cash

- (a) Payments of Distributions are within the absolute discretion of Westpac and are non-cumulative. If a Distribution is not paid because of the provisions of clause 3.3 or because of any other reason, Westpac has no liability to pay such Distribution to the Holder and the Holder has no:
 - (i) claim (including, without limitation, on a Winding Up); or
 - (ii) right to apply for a Winding Up,in respect of such non-payment.
- (b) Any payments of Distributions to Holders must be made in the form of cash.

Non-payment of a Distribution because of the provisions of clause 3.3, or because of any other reason, does not constitute an event of default.

3.5 Distribution Payment Date

Distributions in respect of Westpac Capital Notes 2 are payable:

- (a) quarterly in arrear on 23 March, 23 June, 23 September and 23 December of each year, commencing on 23 September 2014 until that Westpac Capital Note 2 has been Converted or Redeemed (other than the Final Pro-Rata Distribution Date);
 - (b) on the Conversion Date, Redemption Date or Transfer Date (as the case may be) on which such Westpac Capital Note 2 is Converted, Redeemed or Transferred;
 - (c) on the First Pro-Rata Distribution Date; and
 - (d) on the Final Pro-Rata Distribution Date,
- (each a **Distribution Payment Date**).

3.6 Record Dates

Distributions are only payable on a Distribution Payment Date to those persons registered as Holders on the Record Date for that Distribution Payment Date.

3.7 Restrictions in the case of non-payment of a Distribution

Subject to clause 3.8, if for any reason a Distribution has not been paid in full on the relevant Distribution Payment Date, Westpac must not:

- (a) determine or pay any Dividends; or
- (b) undertake any discretionary Buy Back or Capital Reduction, unless the amount of the unpaid Distribution is paid in full within 20 Business Days of that Distribution Payment Date or:
- (c) all Westpac Capital Notes 2 have been Converted or Redeemed;
- (d) on a subsequent Distribution Payment Date, a Distribution for the subsequent Distribution Period is paid in full; or
- (e) a Special Resolution of the Holders has been passed approving such action, and, in respect of the actions contemplated by paragraphs (c), (d) and (e), APRA does not otherwise object.

3.8 Restrictions not to apply in certain circumstances

The restrictions in clause 3.7 do not apply in connection with:

- (a) any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants of Westpac or any member of the Westpac Group; or
- (b) Westpac or any of its controlled entities purchasing shares in Westpac in connection with transactions for the account of customers of Westpac or any of its controlled entities or in connection with the distribution or trading of shares in Westpac in the ordinary course of business (such distribution or trading of shares in the ordinary course of business is subject to the prior written approval of APRA); or
- (c) to the extent that at the time a Distribution has not been paid on the relevant Distribution Payment Date Westpac is legally obliged to pay on or after that date a Dividend or complete on or after that date a Buy Back or Capital Reduction.

3.9 Notification

- (a) In relation to each Distribution Period, Westpac must notify the ASX of the Distribution Rate and the amount of Distribution payable on each Westpac Capital Note 2.
- (b) Westpac must give notice under this clause 3.9 as soon as practicable after it makes its calculations or determinations and, in any event by no later than the fifth Business Day of the relevant Distribution Period.
- (c) Westpac may amend the calculation or determination of any amount, date, or rate (or make appropriate alternative arrangements by way of adjustment) including as a result of the extension or reduction of a Distribution Period without prior notice, but must notify ASX promptly after doing so.

3.10 Calculations and determinations final

The calculation or determination by Westpac of all rates and amounts payable by it in relation to Westpac Capital Notes 2 is, in the absence of manifest or proven error, final and binding on Westpac, the Registrar and each Holder.

4 Scheduled Conversion

4.1 Scheduled Conversion

Subject to clauses 5, 6, 7 and 8, Westpac must Convert all (but not some) Westpac Capital Notes 2 on issue on the date that is the earlier of:

- (a) 23 September 2024; and
- (b) the first Distribution Payment Date after 23 September 2024,

on which the Scheduled Conversion Conditions are satisfied (each a **Scheduled Conversion Date**).

4.2 Scheduled Conversion Conditions

- (a) The Scheduled Conversion Conditions for each Scheduled Conversion Date are:
 - (i) the VWAP on the 25th Business Day on which trading in Ordinary Shares took place immediately preceding (but not including) the Scheduled Conversion Date is greater than 56.12% of the Issue Date VWAP (**First Scheduled Conversion Condition**); and
 - (ii) the VWAP during the period of 20 Business Days on which trading in Ordinary Shares took place immediately preceding (but not including) the Scheduled Conversion Date is greater than 50.51% of the Issue Date VWAP (the **Second Scheduled Conversion Condition**).
- (b) If the First Scheduled Conversion Condition is not satisfied, Westpac will announce to ASX not less than 21 Business Days before the Scheduled Conversion Date that Conversion will not proceed on the Scheduled Conversion Date.
- (c) If the Second Scheduled Conversion Condition is not satisfied, Westpac will notify Holders on or as soon as practicable after the Scheduled Conversion Date that Conversion did not occur.

5 Automatic Conversion

5.1 Capital Trigger Event

A Capital Trigger Event occurs when:

- (a) Westpac determines; or
- (b) APRA notifies Westpac in writing that it believes,

that either or both the Westpac Level 1 Common Equity Tier 1 Capital Ratio or Westpac Level 2 Common Equity Tier 1 Capital Ratio is equal to or less than 5.125%.

5.2 Consequences of a Capital Trigger Event

- (a) Westpac must notify APRA immediately in writing if it determines that a Capital Trigger Event has occurred.
- (b) If a Capital Trigger Event occurs, Westpac must Convert such number of Westpac Capital Notes 2 (or, if it so determines, such percentage of the Face Value of each Westpac

Capital Note 2) as is sufficient (following any conversion or write down of other Relevant Securities as referred to in clause 5.2(c)(i) below) to return either or both the Westpac Level 1 Common Equity Tier 1 Capital Ratio or Westpac Level 2 Common Equity Tier 1 Capital Ratio, as the case may be, to above 5.125%.

- (c) In determining the number of Westpac Capital Notes 2, or percentage of the Face Value of each Westpac Capital Note 2, which must be Converted in accordance with this clause, Westpac will:
- (i) first, convert or write down such number or percentage of the face value of any other Relevant Securities whose terms require them to be converted or written down, before Conversion of Westpac Capital Notes 2; and
 - (ii) second, if conversion or write down of those Relevant Securities is not sufficient, Convert (in the case of Westpac Capital Notes 2) and convert or write down (in the case of any other Relevant Securities) on a pro-rata basis or in a manner that is otherwise, in the opinion of Westpac, fair and reasonable, the Face Value of the Westpac Capital Notes 2 and the face value of any Relevant Securities whose terms require or permit them to be converted or written down in that manner (subject to such adjustment as Westpac may determine to take into account the effect on marketable parcels and whole numbers of Ordinary Shares and any Westpac Capital Notes 2 or other Relevant Securities remaining on issue),

but such determination will not impede the immediate Conversion of the relevant number of Westpac Capital Notes 2 or percentage of the Face Value of each Westpac Capital Note 2 (as the case may be) or, if applicable, the termination of the relevant Holder's rights and claims in accordance with clause 5.8.

- (d) If a Capital Trigger Event occurs:
- (i) the relevant number of Westpac Capital Notes 2, or percentage of the Face Value of each Westpac Capital Note 2, must be Converted immediately upon occurrence of the Capital Trigger Event in accordance with clauses 5.7 and 9 and the Conversion will be irrevocable;
 - (ii) Westpac must give notice as soon as practicable that Conversion has occurred to ASX and the Holders;
 - (iii) the notice must specify the date on which Conversion occurred (**Capital Trigger Event Conversion Date**); and
 - (iv) the notice must specify the details of the Conversion process, including any details which were taken into account in relation to the effect on marketable parcels and whole numbers of Ordinary Shares, and the impact on any Westpac Capital Notes 2 remaining on issue.

Failure or delay in undertaking any of the steps in clauses 5.2(d)(ii) to (iv), or in quotation of the Ordinary Shares to be issued on Conversion, does not prevent, invalidate or otherwise impede Conversion.

5.3 Non-Viability Trigger Event

A Non-Viability Trigger Event occurs when APRA notifies Westpac in writing that it believes:

- (a) Conversion of all or some Westpac Capital Notes 2, or conversion or write down of capital instruments of the Westpac Group, is necessary because, without it, Westpac would become non-viable; or

- (b) a public sector injection of capital, or equivalent support, is necessary because, without it, Westpac would become non-viable.

5.4 Consequences of a Non-Viability Trigger Event

- (a) If a Non-Viability Trigger Event occurs, Westpac must Convert such number of Westpac Capital Notes 2 (or, if it so determines, such percentage of the Face Value of each Westpac Capital Note 2) as is equal (following any conversion or write down of other Relevant Securities as referred to in clause 5.4(b)(i) below) to the aggregate face value of capital instruments which APRA has notified Westpac must be converted or written down (or, if APRA has not so notified Westpac, such number or, if Westpac so determines, such percentage of the Face Value of Westpac Capital Notes 2, as is necessary when added to the amount of the other Relevant Securities converted or written down pursuant to clause 5.4(b) to satisfy APRA that Westpac will no longer be non-viable).
- (b) In determining the number of Westpac Capital Notes 2, or percentage of the Face Value of each Westpac Capital Note 2, which must be Converted in accordance with this clause, Westpac will:
 - (i) first, convert or write down such number or percentage of the face value of any other Relevant Securities whose terms require them to be converted or written down before Conversion of Westpac Capital Notes 2; and
 - (ii) second, if conversion or write down of those securities is not sufficient, Convert (in the case of Westpac Capital Notes 2) and convert or write down (in the case of any other Relevant Securities), on a pro-rata basis or in a manner that is otherwise, in the opinion of Westpac, fair and reasonable, the Face Value of the Westpac Capital Notes 2 and the face value of any Relevant Securities whose terms require or permit them to be converted or written down in that manner (subject to such adjustments as Westpac may determine to take into account the effect on marketable parcels and whole numbers of Ordinary Shares and any Westpac Capital Notes 2 or other Relevant Securities remaining on issue),

but such determination will not impede the immediate Conversion of the relevant number of Westpac Capital Notes 2 or percentage of the Face Value of each Westpac Capital Note 2 (as the case may be) or, if applicable, the termination of the relevant Holder's rights and claims in accordance with clause 5.8.

- (c) If a Non-Viability Trigger Event occurs:
 - (i) the relevant number of Westpac Capital Notes 2, or percentage of the Face Value of each Westpac Capital Note, must be Converted immediately upon occurrence of the Non-Viability Trigger Event in accordance with clauses 5.7 and 9 and the Conversion will be irrevocable;
 - (ii) Westpac must give notice as soon as practicable that Conversion has occurred to ASX and the Holders;
 - (iii) the notice must specify the date on which Conversion occurred (**Non-Viability Trigger Event Conversion Date**); and
 - (iv) the notice must specify the details of the Conversion process, including any details which were taken into account in relation to the effect on marketable parcels and whole numbers of Ordinary Shares, and the impact on any Westpac Capital Notes 2 remaining on issue.

Failure to undertake any of the steps in clauses 5.4(c)(ii) to (iv) does not prevent, invalidate or otherwise impede Conversion.

5.5 Scheduled Conversion Conditions not applicable

For the avoidance of doubt, the Scheduled Conversion Conditions do not apply to Conversion as a result of a Capital Trigger Event or Non-Viability Trigger Event.

5.6 Priority of early Conversion obligations

A Conversion required because of a Capital Trigger Event or a Non-Viability Trigger Event takes place on the date, and in the manner, required by clauses 5.2, 5.4, 5.7 and 5.8, notwithstanding any other provision for Conversion, Redemption or Transfer in these Terms.

5.7 Automatic Conversion upon the occurrence of a Capital Trigger Event or Non-Viability Trigger Event

If a Capital Trigger Event or Non-Viability Trigger Event has occurred and all or some Westpac Capital Notes 2 (or percentage of the Face Value of each Westpac Capital Note 2) are required to be Converted in accordance with clauses 5.2 or 5.4, then:

- (a) Conversion of the relevant Westpac Capital Notes 2 or percentage of the Face Value of each Westpac Capital Note 2 will be taken to have occurred in accordance with clause 9 immediately upon the Capital Trigger Event Conversion Date or Non-Viability Trigger Event Conversion Date;
- (b) subject to clause 9.10, the entry of the corresponding Westpac Capital Notes 2 in each relevant Holder's holding in the Westpac Capital Notes 2 Register will constitute an entitlement of that Holder to the relevant number of Ordinary Shares (and, if applicable, also to any remaining balance of Westpac Capital Notes 2 or Westpac Capital Notes 2 with a Face Value equal to the aggregate of the remaining percentage of the Face Value of each Westpac Capital Note 2), and Westpac will recognise the Holder as having been issued the relevant Ordinary Shares for all purposes, in each case without the need for any further act or step by Westpac, the Holder or any other person (and Westpac will, as soon as possible thereafter and without delay on the part of Westpac, take any appropriate procedural steps to record such Conversion, including updating the Westpac Capital Notes 2 Register and the Ordinary Share register); and
- (c) subject to clause 9.10, upon Conversion a Holder has no further right or claim under these Terms in respect of the Westpac Capital Notes 2 Converted, except in relation to the relevant number of Ordinary Shares and the Holder's entitlement, if any, to Westpac Capital Notes 2 representing the unconverted outstanding Face Value.

5.8 No further rights if Conversion cannot occur

If for any reason Conversion of any Westpac Capital Notes 2 (or a percentage of the Face Value of any Westpac Capital Notes 2) required to be Converted under clauses 5.2 or 5.4 fails to take effect under clauses 5.7(a) and (b) and Westpac is not otherwise able to issue the Ordinary Shares required to be issued in respect of such Conversion by 5.00pm on the fifth Business Day after the Capital Trigger Event Conversion Date or Non-Viability Trigger Event Conversion Date, then the relevant Holders' rights (including to payment of Distributions and Face Value and any other payments) in relation to such Westpac Capital Notes 2 or percentage of the Face Value of Westpac Capital Notes 2 are immediately and irrevocably terminated and such termination will be taken to have occurred immediately upon the Capital Trigger Event Date or Non-Viability Trigger Event Date, as the case may be.

5.9 Automatic Conversion upon the occurrence of an Acquisition Event

- (a) If an Acquisition Event occurs, then:
 - (i) Westpac must Convert all (but not some) Westpac Capital Notes 2;

- (ii) Westpac must give notice as soon as practicable and in any event within 10 Business Days after becoming aware of that event occurring to ASX and the Holders;
 - (iii) the notice must specify a date on which it is proposed Conversion will occur (proposed **Acquisition Event Conversion Date**) being:
 - (A) in the case of an Acquisition Event that is a takeover bid, no later than the Business Day prior to the then announced closing date of the relevant takeover bid; or
 - (B) in the case of an Acquisition Event that is a court approved scheme, a date no later than the record date for participation in the relevant scheme of arrangement; and
 - (iv) the notice must specify the details of the Conversion process including any details to take into account the effect on marketable parcels and whole numbers of Ordinary Shares; and
 - (v) on the proposed Acquisition Event Conversion Date, all Westpac Capital Notes 2 will Convert in accordance with clause 9.
- (b) Subject to clause 5.9(a), the Second Scheduled Conversion Condition applies to a Conversion following an Acquisition Event as though the proposed Acquisition Event Conversion Date were a Scheduled Conversion Date for the purposes of clause 4 (except that in the case of an Acquisition Event, the Second Scheduled Conversion Condition will apply as if it referred to 20.20% of the Issue Date VWAP). If the Second Scheduled Conversion Condition is not satisfied, the Westpac Capital Notes 2 will not Convert.
- (c) If the Second Scheduled Conversion Condition is not satisfied on the proposed Acquisition Event Conversion Date, Westpac will notify Holders as soon as practicable after the proposed Acquisition Event Conversion Date that Conversion did not occur.

5.10 Issue of ordinary shares of Approved Successor

Where there is a replacement of Westpac as the ultimate holding company of the Westpac Group and the successor holding company is an Approved Successor, Conversion of the Westpac Capital Notes 2 may not occur as a consequence of the Replacement. Instead, these Terms may be amended in accordance with clause 13.4.

6 Optional Conversion

6.1 Conversion at the option of Westpac

- (a) Subject to the other provisions of this clause 6, Westpac may at its option Convert in accordance with clause 9:
 - (i) all or some Westpac Capital Notes 2 on 23 September 2022;
 - (ii) all (but not some) of the Westpac Capital Notes on an Optional Conversion Date following the occurrence of a Tax Event or Regulatory Event;

- (b) If only some (but not all) Westpac Capital Notes 2 are to be Converted under clause 6.1(a)(i), those Westpac Capital Notes 2 to be Converted will be specified in the Optional Conversion Notice and selected:
 - (i) in a manner that is, in the opinion of Westpac, fair and reasonable; and

6.2 Restriction on election to Convert

Westpac may only elect to Convert the Westpac Capital Notes 2 under clauses 6.1(a)(i) or 6.1(a)(ii) if on the second Business Day before the date on which an Optional Conversion Notice is to be sent by Westpac (or, if trading in Ordinary Shares did not occur on that date, the last Business Day prior to that date on which trading in Ordinary Shares occurred) the VWAP on that date is:

- (a) in respect of a Conversion under clause 6.1(a)(i), greater than 56.12% of the Issue Date VWAP; and

(the *Optional Conversion Restriction*).

6.3 Optional Conversion Notice

- (b) If the Second Scheduled Conversion Condition is not satisfied on the proposed Optional Conversion Date:
 - (i) the Westpac Capital Notes 2 will not Convert; and
 - (ii) Westpac will notify Holders as soon as practicable after the proposed Optional Conversion Date that Conversion did not occur.

6.5 Deferred Conversion

If Westpac has given an Optional Conversion Notice under clause 6.3 and the Second Scheduled Conversion Condition (as if it applied on the Optional Conversion Date) is not satisfied, then, notwithstanding any other provision of these Terms:

- (a) the Optional Conversion Date will be deferred until the first Distribution Payment Date (under clause 3.5(a)) on which the Scheduled Conversion Conditions are satisfied (except that in the case of a Tax Event or Regulatory Event, the Second Scheduled Conversion Condition will apply as if it referred to 20.20% of the Issue Date VWAP) as if that Distribution Payment Date were a Scheduled Conversion Date for the purposes of clause 4 (the **Deferred Conversion Date**);
- (b) Westpac must convert the Westpac Capital Notes 2 on the Deferred Conversion Date unless the Westpac Capital Notes 2 are Converted earlier in accordance with these Terms; and

 - (ii) subject to payment by the Nominated Party of the Face Value to Holders, all right, title and interest in the relevant number of Westpac Capital Notes 2 will be transferred from the Holders to the Nominated Party on the Transfer Date; and

If any payment to a particular Holder is not made or treated as made on the Transfer Date because of any error by or on behalf of the Nominated Party, the relevant Westpac Capital Notes 2 of that Holder will not be transferred until payment is made but the transfer of all other relevant Westpac Capital Notes 2 will not be affected by the failure.

9 General provisions applicable to Conversion

9.1 Conversion

On the Conversion Date, subject to clauses 5.6 and 9.10, the following will apply:

- (a) Westpac will allot and issue the Conversion Number of Ordinary Shares for each Westpac Capital Note 2 held by the Holder. The Conversion Number is calculated according to the following formula, and subject always to the Conversion Number being no greater than the Maximum Conversion Number:

$$\text{Conversion Number for each Westpac Capital Note 2} = \frac{\text{Face Value}}{0.99 \times \text{VWAP}}$$

where:

VWAP (expressed in dollars and cents) means the VWAP during the VWAP Period.

Maximum Conversion Number means a number calculated according to the following formula:

$$\text{Maximum Conversion Number} = \frac{\text{Face Value}}{\text{Relevant Percentage} \times \text{Issue Date VWAP}}$$

Relevant Percentage means:

- (i) if Conversion is occurring on a Scheduled Conversion Date or the Optional Conversion Date on 23 September 2022, 0.50; and
 - (ii) if Conversion is occurring at any other time, 0.20.
- (b) Each Holder's rights (including to Distributions) in relation to each Westpac Capital Note 2 that is being Converted will be immediately and irrevocably terminated for an amount

equal to the Face Value and Westpac will apply the Face Value of each Westpac Capital Note 2 by way of payment for the subscription for the Ordinary Shares to be allotted and issued under clause 9.1(a). Each Holder is taken to have irrevocably directed that any amount payable under this clause 9.1 is to be applied as provided for in this clause and Holders do not have any right to payment in any other way.

- (c) If the total number of Ordinary Shares to be allotted and issued in respect of a Holder's aggregate holding of Westpac Capital Notes 2 includes a fraction of an Ordinary Share, that fraction of an Ordinary Share will be disregarded.

9.2 Adjustments to VWAP generally

For the purposes of calculating VWAP under clause 9.1:

- (a) where, on some or all of the Business Days in the relevant VWAP Period, Ordinary Shares have been quoted on ASX as cum dividend or cum any other distribution or entitlement and Westpac Capital Notes 2 will be Converted into Ordinary Shares after that date and those Ordinary Shares will no longer carry that dividend or that other distribution or entitlement, then the VWAP on the Business Days on which those Ordinary Shares have been quoted cum dividend or cum any other distribution or entitlement will be reduced by an amount (**Cum Value**) equal to:
- (i) in the case of a dividend or other distribution, the amount of that dividend or other distribution including, if the dividend or distribution is franked, the amount that would be included in the assessable income of a recipient of the dividend or distribution who is a natural person resident in Australia under the Tax Act;
 - (ii) in the case of any other entitlement that is not a dividend or other distribution under clause 9.2(a)(i) which is traded on ASX on any of those Business Days, the volume weighted average price of all such entitlements sold on ASX during the VWAP Period on the Business Days on which those entitlements were traded (excluding trades of the kind that would be excluded in determining VWAP under the definition of that term); or
 - (iii) in the case of any other entitlement which is not traded on ASX during the VWAP Period, the value of the entitlement as reasonably determined by Westpac; and
- (b) where, on some or all of the Business Days in the VWAP Period, Ordinary Shares have been quoted as ex dividend or ex any other distribution or entitlement, and Westpac Capital Notes 2 will be Converted into Ordinary Shares which would be entitled to receive the relevant dividend, distribution or entitlement, the VWAP on the Business Days on which those Ordinary Shares have been quoted ex dividend or ex any other distribution or entitlement will be increased by the Cum Value.

9.3 Adjustments to VWAP for capital reconstruction

- (a) Where during the relevant VWAP Period there is a change to the number of Ordinary Shares on issue because the Ordinary Shares are reconstructed, consolidated, divided or reclassified (in a manner not involving any cash payment (or the giving of any other form of consideration) to or by holders of Ordinary Shares) (**Reclassification**) into a lesser or greater number, the daily VWAP for each day in the VWAP Period which falls before the date on which trading in Ordinary Shares is conducted on a post Reclassification basis will be adjusted by multiplying the VWAP applicable on the Business Day immediately before the date of any such Reclassification by the following formula:

A
B

Where:

A means the aggregate number of Ordinary Shares immediately before the Reclassification; and

B means the aggregate number of Ordinary Shares immediately after the Reclassification.

- (b) Any adjustment made by Westpac in accordance with clause 9.3(a) will be effective and binding on Holders under these Terms and these Terms will be construed accordingly.

9.4 Adjustments to Issue Date VWAP generally

For the purposes of determining the Issue Date VWAP under clause 9.1, adjustments will be made in accordance with clause 9.2 and clause 9.3 during the VWAP Period for the Issue Date VWAP. On and from the Issue Date, adjustments to the Issue Date VWAP:

- (a) may be made by Westpac in accordance with clauses 9.5 to 9.7 (inclusive);
- (b) if so made, will correspondingly affect the application of the Scheduled Conversion Conditions and the Optional Conversion Restriction and cause an adjustment to the Maximum Conversion Number; and
- (c) if so made, will be effective and binding on Holders under these Terms and these Terms will be construed accordingly.

9.5 Adjustments to Issue Date VWAP for bonus issues

- (a) Subject to clauses 9.5(b) and 9.5(c), if Westpac makes a pro-rata bonus issue of Ordinary Shares to holders of Ordinary Shares generally (in a manner not involving any cash payment (or the giving of any other form of consideration) to or by holders of Ordinary Shares), the Issue Date VWAP will be adjusted immediately in accordance with the following formula:

$$V = V_o \times RD / (RD + RN)$$

Where:

V means the Issue Date VWAP applying immediately after the application of this formula;

V_o means the Issue Date VWAP applying immediately prior to the application of this formula;

RD means the number of Ordinary Shares on issue immediately prior to the allotment of new Ordinary Shares pursuant to the bonus issue; and

RN means the number of Ordinary Shares issued pursuant to the bonus issue.

- (b) Clause 9.5(a) does not apply to Ordinary Shares issued as part of a bonus share plan, employee or executive share plan, executive option plan, share top up plan, share purchase plan or a dividend reinvestment plan.
- (c) For the purposes of this clause, an issue will be regarded as a bonus issue notwithstanding that Westpac does not make offers to some or all holders of Ordinary Shares with registered addresses outside Australia, provided that in so doing Westpac is not in contravention of the ASX Listing Rules.

9.6 Adjustments to Issue Date VWAP for capital reconstruction

If at any time after the Issue Date there is a change to the number of Ordinary Shares on issue because of a Reclassification (in a manner not involving any cash payment (or the giving of any other form of consideration) to or by holders of Ordinary Shares) into a lesser or greater number,

the Issue Date VWAP will be adjusted by multiplying the Issue Date VWAP applicable on the Business Day immediately before the date of any such Reclassification by the following formula:

$\frac{A}{B}$

where:

A means the aggregate number of Ordinary Shares on issue immediately before the Reclassification; and

B means the aggregate number of Ordinary Shares on issue immediately after the Reclassification.

9.7 No adjustment to Issue Date VWAP in certain circumstances

Despite the provisions of clauses 9.5 and 9.6, no adjustment will be made to the Issue Date VWAP where any such adjustment (rounded if applicable) would be less than one percent of the Issue Date VWAP then in effect.

9.8 Announcement of adjustments to Issue Date VWAP

Westpac will notify any adjustment to the Issue Date VWAP under this clause to ASX and the Holders within 10 Business Days of Westpac determining the adjustment and the adjustment will be final and binding.

9.9 Status and listing of Ordinary Shares

- (a) Ordinary Shares issued or arising from Conversion will rank equally with all other fully paid Ordinary Shares provided that the rights attaching to the Ordinary Shares issued or arising from Conversion do not take effect until 5.00pm (Sydney time) on the Conversion Date.
- (b) Westpac will use all reasonable endeavours to list the Ordinary Shares issued on Conversion of Westpac Capital Notes 2 on ASX.

9.10 Conversion where the Holder does not wish to receive Ordinary Shares or is an Ineligible Holder

- (a) If Westpac Capital Notes 2 of a Holder are required to be Converted and:
 - (i) the Holder has notified Westpac that it does not wish to receive Ordinary Shares as a result of Conversion, which notice may be given at any time on or after the Issue Date and prior to the Conversion Date; or
 - (ii) the Holder is an Ineligible Holder,

then, on the Conversion Date, the Holder's rights (including to Distributions) in relation to each such Westpac Capital Note 2 being Converted are immediately and irrevocably terminated and Westpac will issue the Conversion Number of Ordinary Shares to the Sale Agent for no additional consideration to hold on trust for sale for the benefit of the relevant Holder. At the first opportunity to sell the Ordinary Shares, the Sale Agent will arrange for their sale at market value and pay the proceeds less selling costs to the relevant Holder.

Westpac will be entitled to treat a Holder as not being an Ineligible Holder unless the Holder has otherwise notified it after the Issue Date and prior to the Conversion Date.

- (b) If Conversion under this clause 9.10 is occurring because of the occurrence of a Capital Trigger Event or Non-Viability Trigger Event and the Conversion fails to take effect and Westpac is not otherwise able to issue Ordinary Shares to the Sale Agent within five

Business Days, then Holders' rights will be immediately and irrevocably terminated in accordance with clause 5.8.

9.11 Final Distribution

For the avoidance of doubt, Conversion may occur even if Westpac, in its absolute discretion, does not pay a Distribution for the final Distribution Period.

9.12 No Conversion after Winding Up commences

If before the Conversion Date a Winding Up commences, then Conversion will not occur and clause 2 will apply, except where Conversion is required for a Capital Trigger Event or Non-Viability Trigger Event (in which case such Conversion shall occur (subject to clause 5.8) in accordance with clause 5.2 or 5.4 (as applicable) and clause 5.7).

9.13 Conversion of a percentage of Face Value

If under these Terms it is necessary to Convert a percentage of the Face Value, this clause 9 will apply to the Conversion as if references to the Face Value were references to the relevant percentage of the Face Value to be Converted multiplied by the Face Value.

9.14 Consent to receive Ordinary Shares and other acknowledgements

Subject to clause 5.8, each Holder irrevocably:

- (a) upon receipt of the Conversion Number of Ordinary Shares following Conversion of Westpac Capital Notes 2 in accordance with clauses 4,5 or 6 consents to becoming a member of Westpac and agrees to be bound by the constitution of Westpac, in each case in respect of Ordinary Shares issued on Conversion;
- (b) acknowledges and agrees that, unless it has given notice in accordance with clause 9.10 that it does not wish to receive Ordinary Shares as a result of Conversion, it is obliged to accept Ordinary Shares of Westpac on Conversion notwithstanding anything that might otherwise affect a Conversion of Westpac Capital Notes 2 including:
 - (i) any change in the financial position of Westpac since the issue of the Westpac Capital Notes 2;
 - (ii) any disruption to the market or potential market for Ordinary Shares or capital markets generally; or
 - (iii) any breach by Westpac of any obligation in connection with the Westpac Capital Notes 2;
- (c) acknowledges and agrees that:
 - (i) Conversion is not subject to any conditions other than those expressly provided for in these Terms;
 - (ii) Subject to any conditions, Conversion must occur immediately on the Conversion Date and that may result in disruption or failures in trading or dealings in the Westpac Capital Notes 2;
 - (iii) it will not have any rights to vote in respect of any Conversion; and
 - (iv) notwithstanding clause 9.9, Ordinary Shares issued on Conversion may not be quoted at the time of Conversion or at all;
- (d) acknowledges and agrees that where clause 5.8 applies, no other conditions or events will affect the operation of that clause and it will not have any rights to vote in respect of any termination under that clause;

- (e) acknowledges and agrees that it has no right to request that Westpac Convert Capital Notes II; and
- (f) acknowledges and agrees that it has no remedies on account of the failure of Westpac to issue Ordinary Shares in accordance with clauses 5.2 or 5.4 other than, subject to clause 5.8, to seek specific performance of Westpac's obligation to issue Ordinary Shares.

10.3 Non-recognition of interests

Except as required by law, Westpac and the Registrar must treat the person whose name is entered in the Westpac Capital Notes 2 Register as a Holder as the absolute owner of that Westpac Capital Notes 2. This clause applies despite any notice of ownership, trust or interest in that Westpac Capital Notes 2.

10.4 Joint Holders

Where two or more persons are entered in the Westpac Capital Notes 2 Register as joint Holders, they are taken to hold those Westpac Capital Notes 2 as joint tenants with rights of survivorship but the Registrar is not bound to register more than three persons as joint Holders of any Westpac Capital Notes 2.

If Westpac refuses to register a transfer, Westpac must give the lodging party notice of the refusal and the reasons for it within five Business Days after the date on which the transfer was delivered to the Registrar.

10.7 Transmission

A person becoming entitled to Westpac Capital Notes 2 as a consequence of the death, bankruptcy, liquidation or a winding-up of a Holder or of a vesting order by a court or other body with power to make the order, or a person administering the estate of a Holder, may, upon providing evidence as to that entitlement or status, and if Westpac so requires an indemnity in relation to the correctness of such evidence, as Westpac considers sufficient, become registered as the Holder of those Westpac Capital Notes 2.
