Section 5 – Privacy Statement (for individuals whose personal information may be collected – in this clause referred to as “you”)

All personal information and credit-related information (if applicable) we collect about you is collected, used and disclosed by us in accordance with our Privacy Statement which is available at westpac.com.au/privacy/privacy-statement or by calling us through your relationship manager or Westpac representative. Our Privacy Statement also provides information about how you can access and correct your personal information, and make a complaint. You do not have to provide us with any personal information or credit information (if applicable) but, if you don't, we may not be able to process an application or a request for a product or service.

Where individuals engage with us in relation to products and services for our business, corporate or institutional customers (for example, as representative, administrator, director, corporate officer, signatory, beneficiary or shareholder of one of our customers) our Privacy Statement will be relevant to those individuals where we collect and handle their personal information. For example, where we collect their personal information to verify their identity or collect their signature as a signatory on a corporate account.

Section 6 – Privacy Obligations

To the extent that it applies to you, you must comply with the *Privacy Act 1988* (Cth) in relation to any personal information you provide to Westpac in connection with this Agreement, and if you engage in activities in a jurisdiction other than Australia, you must comply also with the applicable privacy laws in that jurisdiction.

Section 7 – Foreign Tax Residency

We are required under domestic and international laws to collect and report financial and account information relating to individuals and organisations who are, or may be, foreign tax residents. We may ask you whether you or any shareholder, beneficiary, settlor or controlling person are a foreign tax resident from time to time, such as when you open an account with us, or if your circumstances change. If you do not provide this information to us, we may be required to limit the services we provide to you e.g. in a form of account restrictions if you have not provided us with your foreign tax residency information 30 days after we have contacted you.

Unless you tell us otherwise, by completing any application, you certify that any shareholder, named beneficiary, settlor or controlling person is not a foreign tax resident. You must tell us if you, or any shareholder, named beneficiary, settlor or controlling person is, or becomes, a foreign tax resident (unless an exemption applies, such as for shareholders of listed companies). Where there are no named beneficiaries (for example for beneficiaries identified only as a class) you must tell us if a beneficiary is a foreign tax resident immediately when any decision is made to identify and make a distribution to them. You may contact us to provide foreign tax residence information by calling Foreign Tax Operations on 1300 725 863 or +61 2 9155 7580 for customers outside Australia. For more information you can also visit our page on Foreign Tax Residency: westpac.com.au/foreigntaxresidency

We cannot give tax advice, so please contact your independent tax advisor if you need help finding out whether any person is a foreign tax resident.
