The screenshot shows the Westpac website interface. At the top right, a purple navigation bar contains the text "Register" in white, which is circled in red. Below this, a main banner features a woman looking out an airplane window while holding a smartphone. The banner text reads: "Up to 120,000 Bonus Velocity Points*", "Introducing the new way to earn Velocity Points on the Westpac Altitude credit cards.", and "*Min \$4K spend on Mastercard & \$3K on Amex. T&Cs Apply." Below the banner is a "Find out more" button. A secondary navigation bar includes "Apply for...", "Interest rates", "Tools & calculators", and "Need help?". The "Personal" section is highlighted, with a list of links: "Bank accounts", "Home loans", "Credit cards", "Personal loans", and "International & Travel". A "Personal solutions" section features two images: a woman smiling and a man with glasses. To the right of the man's image is a text box titled "Considering a debt consolidation or balance transfer?" with a sub-headline "Learn how a debt consolidation or balance transfer could help you pay less interest."

This close-up shows the top navigation bar with links: "Contact us", "Locate us", "Lost or stolen cards", and "Register". Below the navigation bar is a search bar containing "Online Banking - Personal" with a dropdown arrow. To the right of the search bar is a red button labeled "Sign in" and a magnifying glass icon.
