

Geography

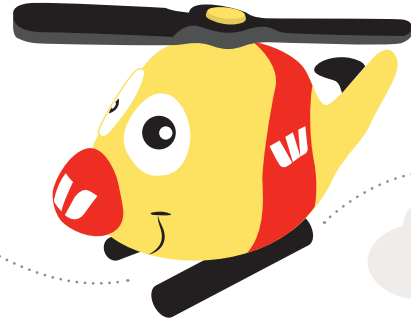

Your Environment & Mission Types

Time recommended: 30 minutes
Foundation Year

Strand:	Geographical Inquiry and Skills
Descriptor:	Interpreting, analysing and concluding
Draw conclusions based on discussions of observations (ACHGS004)	

Name: _____

Your Environment & Mission Types

Can you match the right environment to the image? Hint: there may be more than one!

TASK ONE:

Draw lines from the matching environment to the correct image using the below items.

Ocean
Cliffs and beaches
Country and farmland
Cities

TASK TWO:

Once you have matched the names of the environments to the pictures, circle the one you think best matches the environment in your local area.
