
SocietyOne SpendOne debit card

Apple Pay - Terms and Conditions

Effective as at 6 October 2021

By adding your **SpendOne debit card** (your card) to Apple Pay, either via the Apple Wallet app or via the SocietyOne app, you agree to these conditions. These conditions apply in addition to the terms and conditions associated with the SocietyOne SpendOne and SaveOne accounts (“Terms”), the Privacy Notice, the Westpac Privacy Policy and the SocietyOne Privacy Policy.

1. You must be verified to add a Card. Westpac may use the Scheme Provider to verify you on our behalf.
2. When you add your Card to Apple Pay and use it, payments will come from your SpendOne account linked to your Card.
3. The transaction limits that apply to your Card also apply to your Device Account Number and do not change by you adding your Card to Apple Pay.
4. The Device Account Number is used to process Apple Pay Payments. The receipt provided by the merchant will contain a partially masked Device Account Number rather than your Card number.
5. Apple Pay is a service provided by Apple and not by Westpac or us and neither we nor Westpac are liable for any costs associated with Apple Pay being unavailable, or the failure of third-party merchants to accept payments using Apple Pay. By using Apple Pay you agree that:
 - (i) Apple can provide Westpac with certain information including your Device details, location and personal details,
 - (ii) Westpac can provide Apple with certain information to allow Apple and its service providers to operate Apple Pay, to detect and address fraud, to improve and promote Apple Pay and other Apple products and services and to comply with applicable laws and respond to regulatory or government inquiries. Apple may store this information outside Australia. You should consider Apple Privacy Policy at apple.com/au/privacy,
 - (iii) Westpac may provide certain information to the Scheme Provider to operate Apple Pay and to comply with applicable laws and respond to regulatory or Government inquiries. The Scheme Provider will handle any personal information in accordance with their privacy disclosure, that can be found by searching the term “privacy” at mastercard.com.au and eftposaustralia.com.au.

If you do not agree to your information being disclosed or used in this manner you should not add your Card to Apple Pay.

6. You must always keep your Device and security credentials safe and secure, in the same way you would your Card and PIN.
7. If your Device is lost, stolen or misused you should immediately remove your Card from your Device. You will still be able to use your physical card. Neither Westpac nor we will be liable for any loss arising from your use of Apple Pay to the extent the loss was caused by your fraud;

your use of Apple Pay or the Device in a manner not permitted by Apple or (subject to your rights under the ePayments Code) a reduced level of service caused by matters beyond our reasonable control (e.g. those caused by third party software and network providers).

8. Westpac may suspend or terminate your use of Apple Pay without notice at any time where we suspect unauthorised transactions have occurred, that Apple Pay is being misused, to restore the security of a system, any individual Card or account, or if required by a regulatory or government body.
9. Westpac may change these conditions at any time and will notify you in accordance with the Product Terms. Due to the nature of Apple Pay, you agree to Westpac and to us communicating with you electronically in relation to your set up and use of Apple Pay and these conditions.
10. The relevant provisions of the Banking Code apply to the extent that Westpac provides banking products and services described in these conditions.
