

Header: Descriptive transcript for teaser video of new Westpac App

Video starts with a bright red background and upbeat background music plays in time with the motion as the words 'Introducing the new Westpac App' appear. We see a woman's hand holding an iPhone above an office desk with the new Westpac App open on it. She taps the 'Sign in' button, triggering a Face ID log in. The words 'Secure login' appear.

The background switches to a breakfast table and on the iPhone, the Westpac app shows the accounts home screen with the words 'Welcome to the new Westpac App' appearing at the top. She taps and holds on a Westpac Choice account to transfer money to her Westpac Life account as the words 'drag' and 'drop' appear.

The background now switches to an outdoor beach setting and on the iPhone screen, the Westpac App shows her typing in 'Lock card' into the Smart Search bar as the words 'Smart search' appear.

She taps on 'lock card temporarily' and the Westpac App now shows the Cards Hub where there is an image of a red debit card at the top with options for all card services available appearing below it. She taps the slider next to 'Lock card temporarily' and a lock icon appears over the red debit card. She then swipes the locked card to the left to reveal a black credit card. The words 'Cards hub' appear.

The background switches back to an office desk. On the Westpac App, she scrolls through a list of accounts - and under Westpac Life, she swipes left on a savings goal marked 'holiday' then taps on a savings goal marked 'car'. This brings up the focused savings goal of 'car' and 2 circles - one for the targeted amount of \$20,000 the other to show the time it takes to reach the savings goal. The words 'Savings goals' appear, as the 2 circles fill up with colour in a clockwise direction until the target \$20,000 is achieved and an animated confetti bursts inside the phone to celebrate the moment.

The scene is overtaken by dynamic pink, purple and red shapes then becomes a solid bright red. A small white Westpac 'W' appears in the centre with the words 'Bank while life is happening' below it. This disclaimer also appears: 'Things you should know:
