This Base Prospectus has been approved by the United Kingdom Financial Services Authority (the "FSA"), which is the United Kingdom competent authority for the purposes of Directive 2003/71/EC (the "Prospectus Directive") and relevant implementing measures in the United Kingdom, as a base prospectus issued in compliance with the Prospectus Directive and relevant implementing measures in the United Kingdom for the purpose of giving information with regard to the issue of Instruments under the Programme during the period of twelve months after the date hereof. Application will be made to the London Stock Exchange plc (the "London Stock Exchange") for such Instruments to be admitted to trading on the London Stock Exchange's Gilt Edged and Fixed Interest Market. The London Stock Exchange's Gilt Edged and Fixed Interest Market is a regulated market for the purposes of Directive 2004/39/EC (the "Markets in Financial Instruments Directive"). Application has also been made to the Singapore Exchange Securities Trading Limited (the "Singapore Exchange") for quotation of Instruments and permission to deal in any Instruments which are agreed at the time of issue to be listed on the Singapore Exchange.

Instruments may also be issued under the Programme on the basis that they will be admitted to listing and/or trading by such other or further listing authority and/or stock exchange as may be agreed between the Issuers and the relevant Dealer.

This Base Prospectus supersedes any previous Base Prospectus, Information Memorandum or Information Memorandum Addendum describing the Programme. Any Instruments issued under the Programme on or after the date of this Base Prospectus are issued subject to the provisions described herein. This does not affect any Instruments issued before the date of this Base Prospectus.

Factors which could be material for the purpose of assessing the risks associated with the Instruments issued under the Programme are set out on pages 8 to 13 of this Base Prospectus.

Any person (an "Investor") intending to acquire or acquiring any securities from any person (an "Offeror") should be aware that, in the context of an offer to the public as defined in section 102B of the Financial Services and Markets Act 2000 ("FSMA"), the Issuer may be responsible to the Investor for the Base Prospectus under section 90 of the FSMA, only if the Issuer has authorised that Offeror to make the offer to the Investor. Each Investor should therefore enquire whether the Offeror is so authorised by the Issuer. If the Offeror is not authorised by the Issuer, the Investor should check with the Offeror whether anyone is responsible for the Base Prospectus for the purposes of section 90 of the FSMA in the context of an offer to the public, and, if so, who that person is. If the Investor is in any doubt about whether it can rely on the Base Prospectus and/or who is responsible for its contents, it should take legal advice.

The Instruments have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "Securities Act") or any state securities laws, and are being offered only to qualified institutional buyers (within the meaning of Rule 144A under the Securities Act) or in other transactions exempt from registration in accordance with Regulation S under the Securities Act and, in each case, in compliance with applicable securities laws.

Summary of Risk Factors

Westpac's business activities are subject to risks that can materially adversely impact its business, future performance and financial condition and which may affect Westpac's ability to fulfil its obligations under the Instruments or the Deed of Guarantee executed by it in connection with Instruments issued by WTSNZ. Some of these risks and uncertainties are described below. These risks and uncertainties are not the only ones that Westpac may face. Additional risks and uncertainties that Westpac is unaware of, or that currently are, or are deemed to be, immaterial may also become important factors that affect Westpac's business activities.

The same risk factors which affect Westpac's ability to fulfil its obligations under the Instruments issued under the Programme also affect WTSNZ. There are no additional risk factors solely affecting WTSNZ.

Westpac's business is substantially dependent on the Australian and New Zealand economies

Westpac's performance is influenced by the level and cyclical nature of business and home lending activity in Australia and New Zealand, which is, in turn, impacted by both domestic and international economic and political events. A weakening in the Australian or New Zealand economies may have a material effect on Westpac's financial condition and results of operations.

Westpac faces intense competition in all aspects of its business

Westpac competes, both domestically and internationally, with asset managers, retail and commercial banks, non-bank mortgage brokers, private banking firms, investment banking firms, brokerage firms, and other investment services firms.

An increase in defaults in Westpac's loan portfolio could adversely affect its results of operations and financial condition

An increase in defaults in Westpac's loan portfolio (credit risk) is Westpac's most significant risk and arises primarily from its lending activities.

Westpac could suffer losses due to market volatility

Westpac is exposed to market risk as a consequence of its trading activities in financial markets and through the asset and liability management of its overall financial position.

Westpac could suffer losses due to operational risk

Operational risk can directly impact Westpac's reputation and result in financial losses which could adversely affect its financial performance or financial condition.

Westpac's businesses are highly regulated and it could be adversely affected by changes in regulations and regulatory policy

All Westpac's businesses are highly regulated in the various jurisdictions in which it does business. Westpac's business and earnings could be affected by fiscal or other policies adopted by various regulatory authorities of the Australian and New Zealand governments, foreign governments and international agencies. The nature and impact of future changes in such policies are not predictable and are beyond Westpac's control.

Reputational damage could harm Westpac's business and prospects

Various issues may give rise to reputational risk and cause harm to Westpac's business and prospects. Failure to address these issues appropriately could give rise to additional legal risk, subject Westpac to regulatory enforcement actions, fines and penalties, or harm Westpac's reputation among its customers and investors in the marketplace.

An inability to meet payment obligations could adversely affect Westpac's financial performance or financial condition

Westpac is at risk if it cannot meet payment obligations which could potentially arise as a result of mismatched cashflows generated by its business.

Westpac could suffer losses if it fails to syndicate or sell down underwritten equities

As a financial intermediary, Westpac underwrites listed and unlisted equities and is at risk if it fails to syndicate or sell down its risk to other market participants.

Essential characteristics and risks associated with the Instruments

The Issuers may, subject to compliance with all relevant laws, regulations and directives, from time to time, issue Instruments denominated in any currency. Payments in respect of Instruments may, subject to compliance as aforesaid, be made in and/or linked to, any currency or currencies other than the currency in which such Instruments are denominated.

The aggregate principal amount of Instruments outstanding will not at any time exceed U.S.\$30,000,000,000 (or its equivalent in other currencies), subject to any duly authorised increase. The Instruments may be issued in registered form, or in bearer form, with or without interest coupons, in the denominations specified in the Final Terms.

Instruments may be issued by Westpac on a subordinated or unsubordinated basis, as specified in the relevant Final Terms. WTSNZ, acting through its London branch, may issue Instruments on an unsubordinated basis only. The unsubordinated Instruments will rank at least *pari passu* with all unsecured and unsubordinated obligations of the relevant Issuer (save for certain mandatory exceptions provided by law, including, but not limited to, in the case of Instruments issued by Westpac, the exceptions set out in the Banking Act 1959 of Australia).

Westpac has, for the benefit of the holders from time to time of Instruments issued by WTSNZ, executed and delivered a Deed of Guarantee pursuant to which it has unconditionally and irrevocably guaranteed the due and punctual payment of all amounts falling due from time to time in respect of Instruments issued by WTSNZ. The obligations of the Guarantor under the Deed of Guarantee rank at least *pari passu* with all unsecured and unsubordinated obligations of the Guarantor (save for certain mandatory exceptions provided by law, including, but not limited to, the exceptions set out in the Banking Act 1959 of Australia).

The Banking Act 1959 of Australia gives priority over Westpac's Australian assets to Australian depositors. Accordingly, other unsecured creditors, including non-Australian depositors, will rank after Westpac's Australian depositors in relation to claims against Westpac's Australian assets.

Subordinated Instruments issued by Westpac may be either term Subordinated Instruments or undated Subordinated Instruments which will rank as further described in the "Terms and Conditions of the Instruments – Status of the Instruments and the Guarantee".

The Instruments may have any maturity of not less than one month, or may be issued with no fixed maturity date. The Instruments may be redeemed prior to maturity at par or at such other redemption amount as may be specified in the relevant Final Terms. The Instruments may be issued either on a fully or partly paid basis, as may be specified in the relevant Final Terms.

The aggregate principal amount, any interest rate or interest calculation, the issue price, maturity, the redemption amount and any other terms and conditions not contained herein with respect to each Tranche of Instruments will be established at the time of issuance in accordance with prevailing market conditions and set forth in the relevant Final Terms.

Application has been made for the Instruments issued under the Programme to be admitted to trading on the London Stock Exchange's Gilt Edged and Fixed Interest Market. However, Instruments may also be issued under the Programme whereby they will be admitted to listing and/or trading by other stock exchanges and/or listing authorities or may be issued on the basis that they will not be admitted to listing and/or trading by such other listing authority or stock exchange. Application has also been made to the Singapore Exchange for permission to deal in any Instruments which are agreed at the time of issue to be listed on the Singapore Exchange.

The Instruments shall be accepted for clearing through one or more clearing systems as specified in the relevant Final Terms. Instruments in global form are to be held by or on behalf of the clearing systems and, therefore, potential investors will have to rely on the clearing system procedures for transfer, payment and communications.

The Instruments do not have the benefit of a cross default.

RISK FACTORS

The Issuers believe that the following material factors may adversely affect the Issuers' abilities to fulfil their obligations under Instruments issued under the Programme. These factors are contingencies that may or may not occur and the Issuers are not in a position to express a view on the likelihood of any such contingency occurring. In addition the inability of the Issuers to pay interest, principal or other amounts on or in connection with any Instruments may occur for other reasons.

Prospective investors should consult their own financial and legal advisers about risks associated with the investment in such Instruments and the suitability of investing in such Instruments in light of their particular circumstances.

Factors which could be material for the purpose of assessing the market risks associated with Instruments issued under the Programme are described below.

Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and reach their own views prior to making any investment decision.

Words and expressions defined in the "Terms and Conditions of the Instruments" below or elsewhere in this Base Prospectus have the same meanings in this section, unless otherwise stated.

Factors that may affect the Issuers' abilities to fulfil their obligations under Instruments issued under the Programme

Factors affecting Westpac

Westpac's business is substantially dependent on the Australian and New Zealand economies

Westpac's revenues and earnings are dependent on the level of financial services its customers require. In particular, levels of borrowing are heavily dependent on customer and investor confidence, the state of the economy, the home lending market and prevailing market interest rates from time to time in the countries in which Westpac operates.

Westpac currently conducts most of its business in Australia and New Zealand. Consequently, its performance is influenced by the level and cyclical nature of business and home lending activity in these countries and by the growth of the Chinese and Southeast Asian economies by which the Australian economy is heavily influenced. These factors are, in turn, impacted by both domestic and international economic and political events. There can be no assurance that a weakening in the Australian or New Zealand economies will not materially affect Westpac's financial condition and results of operations. The economic conditions of other regions where Westpac conducts operations can also affect its future performance. Furthermore, weakness in the global capital market due to credit, liquidity or other problems could increase its cost of funding and decrease revenues.

Westpac faces intense competition in all aspects of its business

Westpac competes, both domestically and internationally, with asset managers, retail and commercial banks, non-bank mortgage brokers, private banking firms, investment banking firms, brokerage firms and other investment service firms. In addition, the trend toward consolidation in the global financial services industry is creating competitors with broader ranges of product and service offerings, increased access to capital, and greater efficiency and pricing power. In recent years, competition has also increased as large insurance and banking industry participants have sought to establish themselves in markets that are perceived to offer higher growth potential, and as local institutions have become more sophisticated and competitive and have sought alliances, mergers or strategic relationships. Westpac expects these trends to continue. For more details refer to the section "Competition" contained in this Base Prospectus.

An increase in defaults in Westpac's loan portfolio could adversely affect its results of operations and financial condition

An increase in defaults in Westpac's loan portfolio (credit risk) is Westpac's most significant risk and arises primarily from its lending activities. Westpac holds collective and individually assessed provisions for impairment charges. If these provisions prove inadequate, then this could have a material adverse effect on its results of operations and financial performance.

Westpac could suffer losses due to market volatility

Westpac is exposed to market risk as a consequence of its trading activities in financial markets and through the asset and liability management of Westpac's overall financial position. In the financial markets trading businesses, Westpac is exposed to losses arising from adverse movements in levels and volatility of interest rates, foreign exchange rates, and commodity and equity prices. If Westpac were to suffer substantial losses due to any such market volatility it would adversely affect its results of operations, and financial condition.

Westpac could suffer losses due to operational risk

As a financial services organisation Westpac is exposed to a variety of other risks including those resulting from process error, fraud, system failure, security and physical protection, customer services, staff skills and performance, and product development and maintenance. Operational risk can directly impact Westpac's reputation and result in financial losses which could adversely affect its financial performance or financial condition.

Westpac's businesses are highly regulated and it could be adversely affected by changes in regulations and regulatory policy

Compliance risk arises from the regulatory standards that apply to Westpac as an institution. All of Westpac's businesses are highly regulated in the various jurisdictions in which it does business. Westpac is responsible for ensuring that it complies with all applicable legal and regulatory requirements (including changes to accounting standards) and industry codes of practice, as well as meeting ethical standards. Westpac's business and earnings are also affected by the fiscal or other policies adopted by various regulatory authorities of the Australian and New Zealand governments, foreign governments and international agencies. The nature and impact of future changes in such policies are not predictable and are beyond Westpac's control. Changes in regulations or regulatory policy could adversely affect one or more of Westpac's businesses and could require Westpac to incur substantial costs to comply. The failure to comply with applicable regulations could result in fines and penalties or limitations on Westpac's ability to do business. These costs, expenses and limitations could have a material adverse effect on Westpac's business, financial performance or financial condition.

Reputational damage could harm Westpac's business and prospects

Various issues may give rise to reputational risk and cause harm to Westpac's business and prospects. These issues include appropriately dealing with potential conflicts of interest, legal and regulatory requirements, ethical issues, money laundering laws, trade sanctions legislation, privacy laws, information security policies, sales and trading practices, and conduct by companies in which Westpac holds strategic investments. Failure to address these issues appropriately could give rise to additional legal risk, subject Westpac to regulatory enforcement actions, fines and penalties, or harm Westpac's reputation among its customers and investors in the marketplace.

An inability to meet payment obligations could adversely affect Westpac's financial performance or financial condition

Liquidity risk is the potential inability to meet Westpac's payment obligations, which could potentially arise as a result of mismatched cash flows generated by its business.

Westpac could suffer loss if it fails to syndicate or sell down underwritten equities

As a financial intermediary, Westpac underwrites listed and unlisted equity securities. Equity underwriting activities include the development of solutions for corporate and institutional customers who have a demand for equity capital and investor customers who have an appetite for equity-based investment products. Westpac may guarantee the pricing and placement of these facilities. Westpac is at risk if it fails to syndicate or sell down its risk to other market participants.

Other risks

Other risks that can impact Westpac's performance include insurance risk, model risk, interest rate risk and business risk.

Factors affecting WTSNZ

WTSNZ is an indirect, wholly-owned subsidiary of Westpac and as such is affected by the same risk factors which affect Westpac's ability to fulfil its obligations under the Instruments issued under the Programme. There are no additional risk factors solely affecting WTSNZ.

Risks related to the market generally

The secondary market generally

Instruments may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Instruments easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Instruments that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Instruments would generally have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Instruments.

Exchange rate risks and exchange controls

The relevant Issuer will pay principal and interest on the Instruments in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency. These include the risk that exchange rates may change significantly (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (i) the Investor's Currency-equivalent yield on the Instruments, (ii) the Investor's Currency-equivalent value of the principal payable on the Instruments and (iii) the Investor's Currency-equivalent market value of the Instruments.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Credit or corporate ratings may not reflect all risks

One or more independent rating agencies may assign ratings to the Instruments and/or the Issuers. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed in this section, and other factors that may affect the value of the Instruments or the standing of the Issuers. A credit rating and/or a corporate rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Factors which are material for the purpose of assessing the market risks associated with Instruments issued under the Programme

Each potential investor in the Instruments must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Instruments, the merits and risks of investing in the Instruments and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Instruments and the impact the Instruments will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Instruments, including Instruments with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential Investor's Currency;
- (iv) understand thoroughly the terms of the Instruments and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Instruments are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A potential investor should not invest in Instruments which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Instruments will perform under changing conditions, the resulting effects on the value of the Instruments and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to Instruments generally

Instruments subject to redemption for tax reasons

In the event that either of the Issuers or the Guarantor (if a demand was made under the Deed of Guarantee) has or will be obliged to increase the amounts payable in respect of any Instruments due to any withholding or deduction for any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Australia and/or of the jurisdiction, country or territory in which the branch through which the Issuer is acting (as specified in the relevant Final Terms) is located (in respect of Instruments issued by Westpac) or Australia, New Zealand and/or the United Kingdom (in respect of Instruments issued by WTSNZ) or, in the case of either Issuer or, as the case may be, the Guarantor, any political subdivision thereof or any authority therein or thereof having power to tax, as a result of a change in laws or regulations (or the application or official interpretation thereof) or filings of the relevant

jurisdiction the relevant Issuer may redeem all outstanding Instruments in accordance with the Terms and Conditions of the Instruments.

Modification and waiver

The Terms and Conditions of the Instruments contain provisions for convening meetings of Holders of Instruments to consider any matters affecting their interests generally. These provisions permit defined majorities to bind all Holders including Holders who did not attend and vote at the relevant meeting and Holders who voted in a manner contrary to the majority.

Change of law

The Terms and Conditions of the Instruments are governed by the laws of England which shall be in effect as at the date of this Base Prospectus, except that, in the case of Instruments described in the Final Terms as being subordinated, the provisions of Condition 4 (*Status of Instruments and the Guarantee*) as it applies to such Instruments shall be governed by and construed in accordance with the laws of New South Wales, Australia in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to the laws of England or Australia, as the case may be, or administrative practice after the date of this Base Prospectus.

Risks related to the structure of a particular issue of Instruments

A wide range of Instruments may be issued under the Programme. A number of these Instruments may have features which contain particular risks for potential investors. Set out below is a description of the most common of such features:

Instruments subject to optional redemption by the Issuer

Where the Final Terms specify Redemption at the option of the Issuer (Call) as being applicable, the Instruments may be redeemed at the Issuer's option in certain circumstances and accordingly the relevant Issuer may choose to redeem the Instruments at times when prevailing interest rates may be relatively low. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the Instruments.

An optional redemption feature of Instruments is likely to limit their market value. During any period when the Issuer may elect to redeem Instruments, the market value of those Instruments generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

Index-linked Instruments and Dual Currency Instruments

The relevant Issuer may issue Instruments with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "Relevant Factor"). In addition, the Issuer may issue Instruments with principal or interest payable in one or more currencies which may be different from the currency in which the Instruments are denominated.

Potential investors should be aware that:

- (i) the market price of such Instruments may be very volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency from what was expected;
- (iv) they may lose all or a substantial portion of their principal;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Instruments in conjunction with a multiplier greater than one or that contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable is likely to be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Partly-paid Instruments

The relevant Issuer may issue Instruments where the subscription money is payable in more than one instalment. Failure to pay any subsequent instalment will entitle the Issuer to forfeit the Instruments with

effect from the date previously notified to the investor by the Issuer and could result in an investor losing all of its investment.

Fixed/Floating Rate Instruments

Fixed/Floating Rate Instruments may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of the Instruments since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Instruments may be less favourable than prevailing spreads on comparable Floating Rate Instruments tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Instruments. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than the prevailing rates on its other Instruments.

Unsubordinated Instruments

Unsubordinated Instruments issued by Westpac or WTSNZ will rank at least *pari passu* with all unsecured and unsubordinated obligations of the relevant Issuer (save for certain mandatory exceptions provided by law, including, but not limited to, the exceptions set out in the Banking Act 1959 of Australia).

The Banking Act 1959 of Australia gives priority over Westpac's Australian assets to Australian depositors. Accordingly, other unsecured creditors, including non-Australian depositors, will rank after Westpac's Australian depositors in relation to claims against Westpac's Australian assets.

Term Subordinated Instruments

Westpac can issue Term Subordinated Instruments, which constitute direct and unsecured subordinated obligations of Westpac. Prior to the commencement of a Winding-Up of Westpac, the obligations of Westpac to make payments under the Term Subordinated Instruments are conditional upon Westpac being solvent at the time and no payments payable under the Term Subordinated Instruments shall be made except to the extent that Westpac may make such payment and still be solvent immediately afterwards.

On a Winding-Up of Westpac, it will be required to pay the Senior Creditors and the secured creditors (if any) in full and meet its obligations to all its other creditors (including unsecured creditors but excluding any obligations in respect of subordinated debt) before it can make any payments on the Term Subordinated Instruments. If this occurs, Westpac may not have enough assets remaining after these payments to pay amounts due under the Term Subordinated Instruments.

Undated Subordinated Instruments

Westpac can also issue Undated Subordinated Instruments, which are subordinated and have no fixed date for redemption. Westpac shall only be obliged to make payments of interest accrued on Undated Subordinated Instruments if, during the twelve month period preceding the due date of payment, any dividend has been declared or paid on any class of share capital of Westpac. On a Winding-Up of Westpac, the claims of the Holders of the Undated Subordinated Instruments are subordinated to the claims of the Senior Creditors, the secured creditors (if any) and the Holders of the Term Subordinated Instruments. Westpac may not have enough assets remaining after these payments to pay amounts due under the Undated Subordinated Instruments.

Instruments subject to redemption for loss of deductibility reasons

Westpac may issue Subordinated Instruments which include a call right allowing Westpac to redeem the Subordinated Instruments early where Westpac determines (supported by an opinion from tax advisers of recognised standing in Australia) that interest payable on the Subordinated Instruments may not be allowed as a deduction for Australian income tax purposes. Exercise of the call right will trigger repayment of outstanding principal and interest in accordance with the provisions of the relevant Final Terms.

The Australian Taxation Office (ATO) has previously expressed doubts that certain subordinated debt instruments are debt for taxation purposes because of solvency clauses which make the payment of benefits contingent on the solvency of the issuer.

In response to these comments from the ATO, the Australian Government has announced that it will make new tax regulations to clarify the tax treatment of certain term subordinated instruments which contain solvency clauses. The regulation will provide that solvency clauses, which allow the issuer to defer payment if the payment would cause insolvency, will not preclude the instrument from being debt for Australian tax purposes. As the regulations have not yet been released and will apply to all issuers, the exact manner in which the Australian Government intends to implement its announcement is not known at this time.

Westpac believes that such Subordinated Instruments should be treated as debt for taxation purposes and that the regulations made pursuant to the Australian Government announcement will support that treatment.

However, should Westpac determine that the Subordinated Instruments are not, or may not be, treated as debt for taxation purposes, the Subordinated Instruments may be redeemed by Westpac (subject to the prior approval of the Australian Prudential Regulation Authority).

Denominations

In relation to any issue of Instruments which have a denomination consisting of the minimum denomination plus a higher integral multiple of another smaller amount, it is possible that the Instruments may be traded in amounts in excess of the minimum denomination that are not integral multiples of the minimum denomination. In such a case a Holder who, as a result of trading such amounts, holds a principal amount of less than the minimum denomination may not receive a Definitive Instrument in respect of such holding (should Definitive Instruments be printed) and would need to purchase an additional principal amount of Instruments such that its holding amounts to the minimum denomination.

If Definitive Instruments are issued, Holders should be aware that Definitive Instruments which have a denomination that is not an integral multiple of the minimum denomination might be illiquid and difficult to trade.

DOCUMENTS INCORPORATED BY REFERENCE

The consolidated audited annual financial statements (including the auditors' report thereon and notes thereto) in respect of the years ended 30 September 2007 and 30 September 2006 of each of the Issuers and the Guarantor shall be deemed to be incorporated in, and to form part of, the Base Prospectus.

Information contained in the documents incorporated by reference, other than the information specified above, is for information only.

Each Issuer has undertaken, in connection with the listing of the Instruments on the London Stock Exchange's Gilt Edged and Fixed Interest Market or on any other listing authority or stock exchange in a Member State, that upon either of them becoming aware that there has been a significant change affecting any matter contained in this Base Prospectus or a significant new factor or matter has arisen, the inclusion of information in respect of which would have been required to be in this Base Prospectus if it had arisen before this Base Prospectus was issued, or if a material mistake or inaccuracy relating to the information in this Base Prospectus capable of affecting the assessment of the Instruments has arisen between the Programme Date and the time when trading of any Tranche of Instruments begins on a regulated market, such Issuer will publish a supplementary prospectus.

For as long as the Programme remains in effect or any Instruments are outstanding, copies of the documents incorporated by reference herein may be inspected during the normal business hours at the office of the Fiscal Agent and Principal Registrar (or the other office(s) of the Paying Agent(s) in the United Kingdom) specified on page 114 of this Base Prospectus and from the registered head office of Westpac Banking Corporation and the London branch of WestpacTrust Securities NZ Limited.

KEY FEATURES OF THE PROGRAMME

This Programme has been established by each of the Issuers and the Guarantor to allow for the issue of Instruments from time to time to investors. Details of the types of Instruments that may be issued and the terms and conditions which may apply to those Instruments are set out below. The maximum aggregate principal amount of Instruments which may be outstanding under the Programme may be increased from time to time, subject to compliance with the relevant provisions of the Dealership Agreement (as defined under “Subscription and Sale”).

The Instruments of each Tranche will all be subject to identical terms in all respects save that a Tranche may comprise Instruments of different denominations.
- Form of Instruments:** Instruments may be issued in bearer form or in registered form. In respect of each Tranche of Instruments issued in bearer form, the relevant Issuer will deliver a temporary global Instrument or (if so specified in the relevant Final Terms in respect of Instruments to which U.S. Treasury Regulation §1.163-5(c)(2)(i)(C) (the “TEFRA C Rules”) applies (as so specified in such Final Terms)) a permanent global Instrument. Such global Instrument will be either (i) deposited on or before the relevant issue date therefor with a depositary or a common depositary for Euroclear Bank SA/NV

Each permanent global Instrument will be exchangeable for Instruments in definitive bearer form and/or (in the case of a Series comprising both bearer and registered Instruments and if so specified in the relevant Final Terms) registered form in accordance with its terms. Instruments in definitive bearer form will, if interest-bearing, either have interest coupons ("Coupons") attached and, if appropriate, a talon ("Talon") for further Coupons and will, if the principal thereof is repayable by instalments have a grid for recording the payment of principal endorsed thereon or, if so specified in the relevant Final Terms, have payment receipts ("Receipts") attached. Instruments in bearer form are exchangeable in accordance with the terms thereof for Instruments in registered form. Instruments in registered form may not be exchanged for Instruments in bearer form.

The obligations of the Guarantor under the Deed of Guarantee rank at least *pari passu* with all unsecured and unsubordinated obligations of the Guarantor (other than those preferred by law). Subordinated Instruments issued by Westpac Banking Corporation may be either Term Subordinated Instruments or Undated Subordinated Instruments which will rank as described in Conditions 4B, 4C and 4D respectively – see "Terms and Conditions of the Instruments – Status of the Instruments and the Guarantee".

disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses; or (ii) be issued in other circumstances which do not constitute a contravention of section 19 of the FSMA by the relevant Issuer.

Westpac Banking Corporation’s right to exercise any option to repay, purchase or otherwise redeem Subordinated Instruments (prior to the stated maturity thereof, if any) is subject to the prior written approval of the Australian Prudential Regulation Authority, and investors should not assume that such approval will be automatic.

Instruments may be interest-bearing or non-interest bearing. Interest (if any) may accrue at a fixed or floating rate and may vary during the lifetime of the relevant Series.

Denominations:

Instruments will be issued in such denominations as may be specified in the relevant Final Terms, subject to compliance with all applicable legal and/or regulatory and/or central bank requirements.

Any Instruments which have a maturity of less than one year may be subject to restrictions on their denomination and distribution. See “Redemption” above.

In the case of Instruments which have a denomination consisting of the minimum denomination plus a higher integral multiple of another smaller amount, so long as the Instruments are represented by a temporary global Instrument or permanent global Instrument and the relevant clearing system(s) so permit, the Instruments will be tradeable only in the minimum denomination and higher integral multiples of another smaller amount, notwithstanding that no definitive Instruments will be issued over a certain denomination (as specified in the Final Terms).

Taxation:

Payments in respect of Instruments and the Deed of Guarantee (if applicable) will be made without withholding or deduction for any taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Australia or the jurisdiction, country or territory in which the branch specified in the relevant Final Terms is located (in the case of Instruments issued by Westpac Banking Corporation) or Australia, New Zealand and/or the United Kingdom (in the case of Instruments issued by WestpacTrust Securities NZ Limited, acting through its London branch) or, in either case, any political subdivision or any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event, the relevant Issuer or the Guarantor will (subject to customary exceptions) pay such additional amounts as will result in the holders of Instruments or Coupons receiving such amounts as they would have received in respect of such Instruments or Coupons had no such withholding or deduction been required.

Governing Law:

Save as provided below, the Instruments, the Deed of Guarantee and all related contractual documentation will be governed by, and construed in accordance with, English law. The applicable Final Terms will specify whether the Issuer is Westpac or WTSNZ and, in the case of Westpac, whether it is acting in relation to the Instruments through its principal office or one of its branches.

The Instruments have the benefit of a deed of covenant (as amended, supplemented or replaced, each a "Deed of Covenant" and together the "Deeds of Covenant") dated 9 November 2007 executed by the relevant Issuer in relation to the Instruments. The Guarantor has, for the benefit of the holders from time to time of Instruments issued by WTSNZ, executed and delivered a deed of guarantee dated 9 November 2007 (the "Deed of Guarantee") under which it has guaranteed the due and punctual payment of all amounts due under such Instruments and the relevant Deed of Covenant as and when the same become due and payable. Copies of the Issue and Paying Agency Agreement, the Deed of Guarantee and the Deeds of Covenant are available for inspection during normal business hours at the Specified Office of each of the Paying Agents, the Principal Registrar, the First Alternative Registrar and the Second Alternative Registrar. The Instruments are issued in series (each, a "Series"), and each Series may comprise one or more tranches ("Tranches" and each, a "Tranche") of Instruments. Each Tranche will be the subject of the final terms (each, the "Final Terms"), a copy of which will be available for inspection during normal business hours at the Specified Office of the Fiscal Agent and/or, as the case may be, the Registrar (as defined in Condition 3.2). In the case of a Tranche of Instruments in relation to which application has not been made for listing and/or trading on or by any competent listing authority and/or stock exchange, copies of the Final Terms will only be available for inspection by a Holder (as defined in Condition 3.1 below) of or, as the case may be, a Relevant Account Holder (as defined in the Deed of Covenant) in respect of, such Instruments.

References in these Terms and Conditions to Instruments are to Instruments of the relevant Series only and any references to Coupons (as defined in Condition 2.6) and Receipts (as defined in Condition 2.7) are to Coupons and Receipts relating to Instruments of the relevant Series.

References in these Terms and Conditions to the Final Terms are to the Final Terms prepared in relation to the Instruments of the relevant Tranche or Series and enforced on or attached to such Instruments.

In respect of any Instruments, references herein to these Terms and Conditions are to these terms and conditions as supplemented or modified or (to the extent thereof) replaced by the Final Terms.

2. **Form and Denomination**

2.1 Instruments are issued in bearer form (“Bearer Instruments”) or in registered form (“Registered Instruments”), as specified in the Final Terms and are serially numbered. Registered Instruments will not be exchangeable for Bearer Instruments.

Bearer Instruments

2.2 The Final Terms shall specify whether U.S. Treasury Regulation §1.163-5(c)(2)(i)(D) (the “TEFRA D Rules”) or U.S. Treasury Regulation §1.163-5(c)(2)(i)(C) (the “TEFRA C Rules”) shall apply. Each Tranche of Bearer Instruments is represented upon issue by a temporary global Instrument (a “Temporary Global Instrument”), unless the Final Terms specifies otherwise and the TEFRA C Rules apply.

Where the Final Terms applicable to a Tranche of Bearer Instruments specifies that the TEFRA C Rules apply, such Tranche is (unless otherwise specified in the Final Terms) represented upon issue by a Permanent Global Instrument.

Interests in the Temporary Global Instrument may be exchanged for:

- (i) interests in a permanent global Instrument (a “Permanent Global Instrument”); or
- (ii) if so specified in the Final Terms, definitive instruments in bearer form (“Definitive Instruments”) and/or (in the case of a Series comprising both Bearer Instruments and Registered Instruments and if so specified in the Final Terms) Registered Instruments.

Exchanges of interests in a Temporary Global Instrument for Definitive Instruments or, as the case may be, a Permanent Global Instrument will be made only on or after the Exchange Date (as specified in the Final Terms) and (unless the Final Terms specifies that the TEFRA C Rules are applicable to the Instruments) provided certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Instrument or in such other form as is customarily issued in such circumstances by the relevant clearing system) has been received. An exchange for Registered Instruments will be made at any time or from such date as may be specified in the Final Terms, in each case, without any requirement for certification.

- 2.3 The bearer of any Temporary Global Instrument shall not (unless, upon due presentation of such Temporary Global Instrument for exchange (in whole but not in part only) for a Permanent Global Instrument or for delivery of Definitive Instruments and/or Registered Instruments, such exchange or delivery is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment in respect of the Instruments represented by such Temporary Global Instrument which falls due on or after the Exchange Date or be entitled to exercise any option on a date after the Exchange Date.
- 2.4 Unless the Final Terms specifies that the TEFRA C Rules are applicable to the Instruments and subject to Condition 2.3 above, if any date on which a payment of interest is due on the Instruments of a Tranche occurs whilst any of the Instruments of that Tranche are represented by a Temporary Global Instrument, the related interest payment will be made on the Temporary Global Instrument only to the extent that certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Instrument or in such other form as is customarily issued in such circumstances by the relevant clearing system) has been received by the Hong Kong Paying Agent (in the case of a Temporary Global Instrument lodged with a sub-custodian for the Central Moneymarkets Unit Service operated by the Hong Kong Monetary Authority (the “CMU Service”)) or (in any other case) by Euroclear Bank SA/NV (“Euroclear”) or Clearstream Banking, *société anonyme* (“Clearstream, Luxembourg”) or any other relevant clearing system. Payments of interest due in respect of a Permanent Global Instrument will be made through Euroclear or Clearstream, Luxembourg or the CMU Service or any other relevant clearing system without any requirement for certification.
- 2.5 Interests in a Permanent Global Instrument will be exchanged by the relevant Issuer in whole but not in part only at the option of the Holder of such Permanent Global Instrument, for Definitive Instruments and/or (in the case of a Series comprising both Bearer and Registered Instruments and if so specified in the Final Terms) Registered Instruments, (a) if an Event of Default (as defined below) occurs in respect of any Instrument of the relevant Series; or (b) if Euroclear or Clearstream, Luxembourg or the CMU Service or any other relevant clearing system is closed for business for a continuous period of fourteen days (other than by reason of public holidays) or announces an intention to cease business permanently or in fact does so; or (c) if so specified in the Final Terms, at the option of the Holder of such Permanent Global Instrument upon such Holder’s request, in all cases at the cost and expense of the Issuer. In order to exercise the option contained in paragraph (c) of the preceding sentence the Holder must, not less than forty-five days before the date upon which the delivery of such Definitive Instruments and/or Registered Instruments is required, deposit the relevant Permanent Global Instrument with the Fiscal Agent at its Specified Office with the form of exchange notice endorsed thereon duly completed. If the Issuer does not make the required delivery of Definitive Instruments and/or Registered Instruments by 6.00 p.m. (London time) on the day on which the relevant notice period expires or, as the case may be, the thirtieth day after the day on which such Permanent Global Instrument becomes due to be exchanged and, in the case of (a) above, such Instrument is not duly redeemed (or the funds required for such redemption are not available to the Fiscal Agent for the purposes of effecting such redemption and remain available for such purpose) by 6.00 p.m. (London time) on the thirtieth day after the day on which such Instrument became immediately redeemable such Permanent Global Instrument will become void in accordance with its terms but without prejudice to the rights conferred by the relevant Deed of Covenant.

- 2.6 Interest-bearing Definitive Instruments have attached thereto at the time of their initial delivery coupons (“Coupons”), presentation of which will be a prerequisite to the payment of interest save in certain circumstances specified herein. Interest-bearing Definitive Instruments, if so specified in the Final Terms, have attached thereto, at the time of their initial delivery, a talon (“Talon”) for further coupons and the expression “Coupons” shall, where the context so requires, include Talons.
- 2.7 Instruments, the principal amount of which is repayable by instalments (“Instalment Instruments”) which are Definitive Instruments, have endorsed thereon a grid for recording the repayment of principal or, if so specified in the Final Terms, have attached thereto, at the time of their initial delivery, payment receipts (“Receipts”) in respect of the instalments of principal.

Denomination

Denomination of Bearer Instruments

- 2.8 Bearer Instruments are in the denomination or denominations (each of which denomination is integrally divisible by each smaller denomination) specified in the Final Terms. Bearer Instruments of one denomination may not be exchanged for Bearer Instruments of any other denomination.

Denomination of Registered Instruments

- 2.9 Registered Instruments are in the minimum denomination specified in the Final Terms or integral multiples thereof.

Currency of Instruments

- 2.10 The Instruments are denominated in such currency as may be specified in the Final Terms (the “Specified Currency”). Any currency may be so specified, subject to compliance with all applicable legal and/or regulatory and/or central bank requirements.

Partly Paid Instruments

- 2.11 Instruments may be issued on a partly paid basis (“Partly Paid Instruments”) if so specified in the Final Terms. The subscription moneys therefor shall be paid in such number of instalments (“Partly Paid Instalments”), in such amounts, on such dates and in such manner as may be specified in the Final Terms. The first such instalment shall be due and payable on the date of issue of the Instruments. For the purposes of these Terms and Conditions, in respect of any Partly Paid Instrument, Paid Up Amount means the aggregate amount of all Partly Paid Instalments in respect thereof as shall have fallen due and been paid up in full in accordance with these Terms and Conditions.

Not less than 14 days nor more than 30 days prior to the due date for payment of any Partly Paid Instalment (other than the first such instalment) the Issuer shall publish a notice in accordance with Condition 14 (*Notices*) stating the due date for payment thereof and stating that failure to pay any such Partly Paid Instalment on or prior to such date will entitle the Issuer to forfeit the Instruments with effect from such date (“Forfeiture Date”) as may be specified in such notice (not being less than 14 days after the due date for payment of such Partly Paid Instalment), unless the relevant Partly Paid Instalment together with any interest accrued thereon is paid prior to the Forfeiture Date. The Issuer shall procure that any Partly Paid Instalments paid in respect of any Instruments subsequent to the Forfeiture Date in respect thereof shall be returned promptly to the persons entitled thereto. The Issuer shall not be liable for any interest on any Partly Paid Instalment so returned.

Interest shall accrue on any Partly Paid Instalment which is not paid on or prior to the due date for payment thereof at the Interest Rate (or, in the case of Zero Coupon Instruments, at the rate applicable to overdue payments) and shall be calculated in the same manner and on the same basis as if it were interest accruing on the Instruments for the period from and including the due date for payment of the relevant Partly Paid Instalment up to but excluding the Forfeiture Date. For the purpose of the accrual of interest, any payment of any Partly Paid Instalment made after the due date for payment shall be treated as having been made on the day preceding the Forfeiture Date (whether or not a Business Day).

Unless an Event of Default shall have occurred and be continuing, on the Forfeiture Date, the Issuer shall forfeit all of the Instruments in respect of which any Partly Paid Instalment shall not have been duly paid, whereupon the Issuer shall be entitled to retain all Partly Paid Instalments previously paid in respect of such Instruments and shall be discharged from any obligation to repay such amount or to pay interest thereon, or (where such Instruments are represented by a Temporary Global Instrument or a Permanent Global Instrument) to exchange any Interests in such Instrument for interests in a Permanent Global Instrument or to deliver Definitive Instruments or Registered Instruments in respect thereof, but shall have no other rights against any Person entitled to the Instruments which have been so forfeited.

Without prejudice to the right of the Issuer to forfeit any Instruments, for so long as any Partly Paid Instalment remains due but unpaid and, except in the case where an Event of Default shall have occurred and be continuing (a) no interests in a Temporary Global Instrument may be exchanged for interests in a Permanent Global Instrument and (b) no transfers of Registered Instruments or exchanges of Bearer Instruments for Registered Instruments may be requested or effected.

Until such time as all the subscription moneys in respect of Partly Paid Instruments shall have been paid in full and except in the case where an Event of Default shall have occurred and be continuing or if any of Euroclear or Clearstream, Luxembourg or the CMU Service or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of public holidays) or announces an intention to cease business permanently or in fact does so, no interests in a Temporary Global Instrument or a Permanent Global Instrument may be exchanged for Definitive Instruments or Registered Instruments.

Transfer of Registered Instruments and exchange of Bearer Instruments for Registered Instruments

- 3.4 A Registered Instrument may, upon the terms and subject to the conditions set forth in the Issue and Paying Agency Agreement, be transferred in whole or in part only (provided that such part is, or is an integral multiple of, the minimum denomination specified in the Final Terms) upon the surrender of the Registered Instrument to be transferred, together with the form of transfer endorsed on it duly completed and executed, at the Specified Office of the Registrar. A new Registered Instrument will be issued to the transferee and, in the case of a transfer of part only of a Registered Instrument, a new Registered Instrument in respect of the balance not transferred will be issued to the transferor.
- 3.5 If so specified in the Final Terms, the Holder of Bearer Instruments may exchange the same for the same aggregate principal amount of Registered Instruments upon the terms and subject to the conditions set forth in the Issue and Paying Agency Agreement. In order to exchange a Bearer Instrument for a Registered Instrument, the Holder thereof shall surrender such Bearer Instrument at the Specified Office outside the United States of the Fiscal Agent or of the Registrar together with a written request for the exchange. Each Bearer instrument so surrendered must be accompanied by all unmatured Receipts and Coupons appertaining thereto other than the Coupon in respect of the next payment of interest falling due after the exchange date (as defined in Condition 3.6) where the exchange date would, but for the provisions of Condition 3.6, occur between the Record Date (as defined in Condition 7B.3) for such payment of interest and the date on which such payment of interest falls due.
- 3.6 Each new Registered Instrument to be issued upon the transfer of a Registered Instrument or the exchange of a Bearer Instrument for a Registered Instrument will, within three Relevant Banking Days of the transfer date or, as the case may be, the exchange date be available for collection by each relevant Holder at the Specified Office of the Registrar or, at the option of the Holder requesting such exchange or transfer, be mailed (by uninsured post at the risk of the Holder(s) entitled thereto) to such address(es) as may be specified by such Holder. For these purposes, a form of transfer or request for exchange received by the Registrar or the Fiscal Agent after the Record Date in respect of any payment due in respect of Registered Instruments shall be deemed not to be effectively received by the Registrar or the Fiscal Agent until the day following the due date for such payment.

For the purposes of these Terms and Conditions:

- 3.8 Upon the transfer, exchange or replacement of Registered Instruments bearing the restrictive legend (the “Restrictive Legend”) set forth in the form of Registered Instrument scheduled to the Issue and Paying Agency Agreement, the Registrar shall deliver only Registered Instruments that also bear such legend unless either (i) the transferor is not and has not been an affiliate of the Issuer or the Guarantor during the preceding three months and such transfer, exchange or replacement occurs two or more years after the later of (1) the original issue date of such Instruments or (2) the last date on which the Issuer or any affiliates (as defined below) of the Issuer as notified to the Registrar by the Issuer as provided in the following sentence, was the beneficial owner of such Instrument (or any predecessor of such Instrument) or (ii) there is delivered to the Registrar an opinion reasonably satisfactory to the Issuer of counsel experienced in giving opinions with respect to questions arising under the securities laws of the United States to the effect that neither such legend nor the restrictions on transfer set forth therein are required in order to maintain compliance with the provisions of such laws. The Issuer covenants and agrees that it will not acquire any beneficial interest, and will cause its “affiliates” (as defined in paragraph (a)(1) of Rule 144 under the Securities Act of 1933, as amended (the “Securities Act”)) not to acquire any beneficial interest, in any Registered Instrument bearing the Restrictive Legend unless it notifies the Registrar of such acquisition. The Registrar and all Holders shall be entitled to rely without further investigation on any such notification (or lack thereof).

4B.3 The rights and claims of Holders of the Term Subordinated Instruments are, in a Winding-Up (as defined below) of the Issuer, subordinated to the claims of Senior Creditors (as defined below) of the Issuer and prior to the commencement of a Winding-Up of the Issuer:

- (i) the obligations of the Issuer to make payments of the principal, redemption amount, interest or other amounts in respect of the Term Subordinated Instruments and all other amounts owing in relation to the Term Subordinated Instruments shall be conditional upon the Issuer being solvent at the time the payments and other amounts owing fall due; and
- (ii) no payment of principal, redemption amount, interest or any other amount shall be made in respect of the Term Subordinated Instruments except to the extent that the Issuer may make such payment and still be solvent immediately thereafter.

For the purposes of this Condition 4B.3 the Issuer shall be considered solvent if:

- (a) it is able to pay its debts as they fall due; and
- (b) its Assets exceed its Liabilities.

A certificate as to whether the Issuer is solvent signed by two authorised signatories of the Issuer or, if the Issuer is being wound up, its liquidator, shall be *prima facie* evidence of the information contained therein. In the absence of such a certificate a Holder of Term Subordinated Instruments shall be entitled to assume (unless the contrary is proved) that the Issuer is and will after any payment aforesaid be solvent.

In this Condition 4B and in Condition 4C (*Status and Subordination – Undated Subordinated Instruments*) below the following terms shall have the following meanings:

“Assets” means the total consolidated gross assets of the Issuer as shown by the latest published audited accounts of the Issuer but adjusted for events subsequent to the date of such accounts in such manner and to such extent as the directors, the auditors to the Issuer or, as the case may be, the liquidator of the Issuer may determine to be appropriate;

“Liabilities” means the total consolidated gross liabilities of the Issuer as shown by the latest published audited accounts of the Issuer but adjusted for events subsequent to the date of such accounts in such manner and to such extent as the directors, the auditors to the Issuer or, as the case may be, the liquidator of the Issuer may determine to be appropriate;

“Senior Creditors” means all the creditors (present and future) including depositors of the Issuer:

- (i) whose claims are admitted in the Winding-Up of the Issuer; and
- (ii) who are not the holders of indebtedness, the right to repayment of which by its terms is, or is expressed to be, subordinated in a Winding-Up of the Issuer to the claims of all unsubordinated creditors of the Issuer;

“Subordinated Indebtedness” means any indebtedness (present and future) of the Issuer which by its terms is, or is expressed to be, subordinated in a Winding-Up of the Issuer to the claims of its Senior Creditors; and

“Winding-Up” shall mean any procedure whereby the Issuer may be wound-up, dissolved, liquidated or cease to exist as a body corporate whether brought or instigated by a Holder or any other person, but shall exclude any Winding-Up which results in there being a successor to the Issuer and the obligations under the Instruments are assumed by that successor.

The obligation of the Issuer prior to the commencement of a Winding-Up of the Issuer to make payments when due in respect of the Term Subordinated Instruments is conditional upon the Issuer being solvent immediately before and after payment by the Issuer.

4C. Status and Subordination — Undated Subordinated Instruments

4C.1 This Condition 4C is applicable in relation to Instruments specified in the Final Terms as being issued by Westpac only and which are subordinated and have no fixed date for redemption (“Undated Subordinated Instruments” and, together with Term Subordinated Instruments, “Subordinated Instruments”).

4C.2 The Undated Subordinated Instruments constitute direct and unsecured subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and at least *pari passu* with all other unsecured Subordinated Indebtedness (as defined above) of the Issuer having no fixed date for redemption (save for certain mandatory exceptions provided by law including, but not limited to, Section 13A of the Banking Act 1959 of Australia).

Undated Subordinated Indebtedness will not constitute deposit liabilities in Australia of the Issuer for the purposes of the Banking Act 1959 of Australia. See Condition 4E (*General*).

4C.3 The rights and claims of Holders of the Undated Subordinated Instruments are, in a Winding-Up of the Issuer, subordinated to the claims of Senior Creditors (as defined above) of the Issuer and of subordinated creditors of the Issuer in respect of Subordinated Indebtedness (as defined above) having a fixed maturity and prior to the commencement of a Winding-Up of the Issuer:

- (i) the obligations of the Issuer to make payments of the principal, redemption amount, interest or other amounts in respect of the Undated Subordinated Instruments and all other amounts owing in relation to the Undated Subordinated Instruments shall be conditional upon the Issuer being solvent at the time the payments and other amounts owing fall due; and
- (ii) no payment of principal, redemption amount or interest shall be made in respect of the Undated Subordinated Instruments except to the extent that the Issuer may make such payment and still be solvent immediately thereafter.

For the purposes of this Condition 4C.3 the Issuer shall be considered solvent if:

- (a) it is able to pay its debts as they fall due; and
- (b) its Assets exceed its Liabilities (as each term is defined above).

A certificate as to whether the Issuer is solvent signed by two authorised signatories of the Issuer or, if the Issuer is being wound-up, its liquidator shall be *prima facie* evidence of the information contained therein. In the absence of such a certificate, a Holder of Undated Subordinated Instruments shall be entitled to assume (unless the contrary is proved) that the Issuer is and will after any payment as aforesaid be solvent.

The obligation of the Issuer prior to the commencement of a Winding-Up of the Issuer to make payments when due in respect of the Undated Subordinated Instruments is conditional upon the Issuer being solvent immediately before and after payment by the Issuer. If this Condition is not satisfied, any amounts which might otherwise have been allocated in or towards payment of principal, redemption amount, interest or other amounts in respect of the Instruments may be used to absorb losses without the Issuer being obliged to cease trading. The relevant Final Terms will provide for the means of achieving this in accordance with the Australian Prudential Regulation Authority’s current guidelines for treatment of instruments such as the Undated Subordinated Instruments as Upper Tier 2 capital.

4C.4 Without prejudice to the provisions of Condition 4C.3 the Issuer shall only be obliged to make payment of interest accrued on Undated Subordinated Instruments in respect of any period on the due date for payment thereof if, during the twelve month period immediately preceding that date, any dividend (whether interim or final) has been declared or paid on any class of share capital of the Issuer (a “Compulsory Interest Payment Date” and any Interest Payment Date which is not a Compulsory Interest Payment Date shall be referred to herein as an “Optional Interest Payment Date”).

On any Optional Interest Payment Date there may be paid (if the Issuer so elects), but subject to Condition 4C.3 and the Issuer having received prior written approval from the Australian Prudential Regulation Authority to pay interest on any such date in accordance with Condition 7 (*Payments*), the interest accrued in the Interest Period ending on the day immediately preceding such date but the Issuer shall not have any obligation to make such payment and any failure to pay shall not constitute a default by the Issuer for any purpose. Any interest not paid on an Optional or Compulsory Interest Payment Date shall so long as the same remains unpaid constitute “Arrears of Interest”. Arrears of Interest may at the option of the Issuer be paid in whole or in part at any time upon the expiration of not less than seven days’ notice to such effect to the Holders of Undated Subordinated Instruments in accordance with Condition 14 (*Notices*) but all Arrears of Interest on all Undated Subordinated Instruments outstanding shall (subject to Condition 4C.3) become due in full on whichever is the earliest of:

- (i) the date upon which a dividend is next paid on any class of share capital of the Issuer;
- (ii) the date set for any repayment of principal pursuant to Conditions 6 (*Redemption and Purchase*) and 7 (*Payments*); or
- (iii) the date of commencement of a Winding-Up (as defined above) of the Issuer whether voluntary or otherwise.

If notice is given by the Issuer of its intention to pay the whole or part of Arrears of Interest, the Issuer shall, subject to Condition 4C.3 and having received the prior written approval from the Australian Prudential Regulation Authority, be obliged to do so upon the expiration of such notice. If there is outstanding more than one Series of Undated Subordinated Instruments, then the Issuer may not pay all or any part of the Arrears of Interest unless it pays all or (as near as practicable) an equivalent proportion of the Arrears of Interest in respect of each other Series of Undated Subordinated Instruments then outstanding.

4D. *Status — Subordinated Instruments — Winding-Up Contingency*

4D.1 On the Winding-Up of the Issuer the rights of the Holders of Term Subordinated Instruments against the Issuer to recover any sums payable in respect of such Term Subordinated Instruments:

- (a) shall be subordinate and junior in right of payment to the obligations of the Issuer to Senior Creditors, to the intent that all such obligations to Senior Creditors shall be entitled to be paid in full before any payment shall be paid on account of any sums payable in respect of such Term Subordinated Instruments; and
- (b) shall rank *pari passu* and rateably (as to its due proportion only) with other subordinated creditors of the Issuer in respect of Subordinated Indebtedness having a fixed maturity.

4D.2 On the Winding-Up of the Issuer the rights of the Holders of Undated Subordinated Instruments against the Issuer to recover any sum payable in respect of such Undated Subordinated Instruments:

- (a) shall be subordinate and junior in right of payment to the obligations of the Issuer to Senior Creditors, and to the Holders of Term Subordinated Instruments, to the intent that all such obligations to Senior Creditors and to the Holders of Term Subordinated Instruments shall be entitled to be paid in full before any payment shall be paid on account of any sums payable in respect of such Undated Subordinated Instruments; and
- (b) shall rank *pari passu* and rateably (as to its due proportion only) with other subordinated creditors of the Issuer in respect of Subordinated Indebtedness having no fixed maturity.

4D.3 *Contingent Debt*

On a Winding-Up of the Issuer, the Holders of Subordinated Instruments shall only be entitled to prove for any sums payable in respect of the Instruments as a debt which is subject to and contingent upon prior payment in full of, in the case of Holders of Term Subordinated Instruments, the Senior Creditors or, in the case of Holders of Undated Subordinated Instruments, the Senior Creditors and the Holders of Term Subordinated Instruments, and the Holders of Subordinated Instruments waive to the fullest extent permitted by law any right to prove in any such Winding-Up as a creditor ranking for payment in any other manner.

4D.4 *No Set-Off*

No Holder shall be entitled to set off against any amounts due in respect of the Instruments held by such Holder any amount held by the Holder to the credit of the Issuer whether in any account, in cash or otherwise, nor any deposits with, advances to or debts of the Issuer, nor any other amount owing by the Holder to the Issuer on any account whatsoever, nor shall any Holder be entitled to effect any reduction of the amount due to such Holder in respect of an Instrument by merger of accounts or lien or the exercise of any other rights the effect of which is or may be to reduce the amount due in respect of that Instrument in breach of these Terms and Conditions.

4D.5 *Trust*

Any payment whether voluntary or in any other circumstances received by a Holder from or on account of the Issuer (including by way of credit, set-off or otherwise howsoever) or from any liquidator, receiver, manager or statutory manager of the Issuer in breach of this Condition 4 or Condition 9B (*Events of Default – Subordinated Instruments*) will be held by the relevant Holder in trust for and to the order of the Senior Creditors (and, in the case of payments received by the Holders of Undated Subordinated Instruments, payments will also be held in trust for and to the order of the Holders of Term Subordinated Instruments). The trust hereby created shall be for a term expiring on the earlier of the date on which all Senior Creditors have been paid in full or eighty years from the date of the issue of the Instruments.

4E. *General*

Section 13A of the Banking Act 1959 of Australia provides that the assets of an authorised deposit-taking institution (“ADI”), which includes banks, in Australia would, in the event of the ADI becoming unable to meet its obligations or suspending payment, be available to meet that ADI’s deposit liabilities in Australia in priority to all other liabilities of that ADI. Under Section 16 of the Banking Act 1959, certain debts due to the Australian Prudential Regulation Authority shall in a winding-up of an ADI have, subject to Section 13A of the Banking Act 1959, priority over all other unsecured debts of that ADI. Further, under Section 86 of the Reserve Bank Act 1959 of Australia, debts due by a bank to the Reserve Bank of Australia shall in a winding-up of that bank have, subject to Section 13A of the Banking Act 1959, priority over all other debts, other than debts due to the Commonwealth of Australia.

Westpac Banking Corporation makes no representation as to whether the Unsubordinated Instruments, or any of them, would constitute deposit liabilities in Australia under such statutory provision.

- 4F. No amendment to the terms and conditions of an Instrument which will affect the treatment by the Australian Prudential Regulation Authority of a Term Subordinated Instrument as Lower Tier 2 capital or an Undated Subordinated Instrument as Upper Tier 2 capital shall be effective unless and until the Australian Prudential Regulation Authority consents in writing to such amendment.

5. **Interest**

5.1 *Interest*

Instruments may be interest-bearing or non interest-bearing, as specified in the Final Terms. Words and expressions appearing in this Condition 5 and not otherwise defined herein or in the Final Terms shall have the meanings given to them in Condition 1.1 (*Definitions*).

5.2 *Fixed Rate Instrument Provisions*

- (i) *Application:* This Condition 5.2 is applicable to the Instruments only if the Fixed Rate Instrument Provisions are specified in the relevant Final Terms as being applicable.
- (ii) *Accrual of interest:* The Instruments bear interest from the Interest Commencement Date at the Interest Rate and such interest is payable in arrear on each Interest Payment Date, subject as provided in Condition 7 (*Payments*). Each Instrument will cease to bear interest from the due date for final redemption (or, in the case of an Instalment Instrument, in respect of each instalment of principal, on the due date for payment of the relevant Instalment Amount) unless, upon due presentation, payment in full of the Redemption Amount or the relevant Instalment Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 5 (after as well as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Instrument up to that day are received by or on behalf of the relevant Holder and (ii) the day which is seven days after the Fiscal Agent has notified the Holders that it has received all sums due in respect of the Instruments up to such seventh day (except to the extent that there is any subsequent default in payment). The foregoing applies to Subordinated Instruments except that Subordinated Instruments will not cease to bear interest on the due date for redemption if payment is not made on that date because of Condition 4B.3(i) or (ii).
- (iii) *Fixed Coupon Amount:* The amount of interest payable in respect of each Instrument for any Interest Period shall be the relevant Fixed Coupon Amount (or, in respect of the Interest Period beginning on the Interest Commencement Date or the Interest Period ending on the Maturity Date, the Broken Amount, if so specified in the Final Terms) and, if the Instruments are in more than one Denomination, shall be the relevant Fixed Coupon Amount in respect of the relevant Denomination.
- (iv) *Calculation of interest amount:* The amount of interest payable in respect of each Instrument for any Interest Accrual Period for which a Fixed Coupon Amount is not specified shall be calculated (i) by applying the Interest Rate to the principal amount of such Instrument and multiplying the product by the relevant Day Count Fraction or (ii) if so specified in the Final Terms, by applying the Interest Rate to the principal amount of such Instruments, multiplying such product by the product of the Accrual Feature and the relevant Day Count Fraction and, in the case of (i) or (ii) above, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards). For this purpose a “sub-unit” means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.

5.3 Floating Rate Instrument and Index-Linked Interest Instrument Provisions

- (i) *Application:* This Condition 5.3 is applicable to the Instruments only if the Floating Rate Instrument Provisions or the Index-Linked Interest Instrument Provisions are specified in the relevant Final Terms as being applicable.
- (ii) *Accrual of interest:* The Instruments bear interest from the Interest Commencement Date at the Interest Rate and such interest is payable in arrear on each Interest Payment Date, subject as provided in Condition 7 (*Payments*). Each Instrument will cease to bear interest from the due date for final redemption (or, in the case of an Instalment Instrument, in respect of each instalment of principal, on the due date for payment of the relevant Instalment Amount) unless, upon due presentation, payment in full of the Redemption Amount or the relevant Instalment Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition (after as well as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Instrument up to that day are received by or on behalf of the relevant Holder and (ii) the day which is seven days after the Fiscal Agent has notified the Holders that it has received all sums due in respect of the Instruments up to such seventh day (except to the extent that there is any subsequent default in payment). The foregoing applies to Subordinated Instruments except that Subordinated Instruments will not cease to bear interest on the due date for redemption if payment is not made on that date because of Condition 4B.3(i) or (ii).
- (iii) *Screen Rate Determination:* If Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Interest Rate(s) is/are to be determined, the Interest Rate applicable to the Instruments for each Interest Accrual Period will be the sum of the Margin and the rate determined by the Calculation Agent on the following basis:
 - (a) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
 - (b) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
 - (c) if, in the case of (a) above, such rate does not appear on that page or, in the case of (b) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will:
 - (A) request the principal Relevant Financial Centre office of each of the Reference Banks to provide a quotation of the Reference Rate at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and
 - (B) determine the arithmetic mean of such quotations; and
 - (d) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (rounded, if necessary, to the nearest one-hundred-thousandth of a percentage point, 0.000005 per cent. being rounded up to 0.00001 per cent.) quoted by major banks in the Principal Financial Centre of the Specified Currency, selected by the Calculation Agent, at approximately 11.00 a.m. (local time in the Principal Financial Centre of the Specified Currency) on the first day of the relevant Interest Accrual Period for loans in the Specified Currency to leading European banks for a period equal to the relevant Interest Accrual Period and in an amount that is representative for a single transaction in that market at that time, and the Interest Rate for such Interest Accrual Period shall be the sum of the Margin and the rate or (as the case may be) the arithmetic mean so determined; *provided, however, that* if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Accrual Period, the Interest Rate applicable to the Instruments during such Interest Accrual Period will be the sum of the Margin and the rate (or as the case may be the arithmetic mean of the rates) last determined in relation to the Instruments in respect of the last preceding Interest Accrual Period.
- (iv) *ISDA Determination:* If ISDA Determination is specified in the relevant Final Terms as the manner in which the Interest Rate(s) is/are to be determined, the Interest Rate applicable to the Instruments for each Interest Accrual Period will be the sum of the Margin and the relevant ISDA Rate where "ISDA Rate" in relation to any Interest Accrual Period means a rate equal to the

Floating Rate (as defined in the ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Final Terms;
 - (b) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Final Terms; and
 - (c) the relevant Reset Date (as defined in the ISDA Definitions) is either (A) if the relevant Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency, the first day of that Interest Accrual Period or (B) in any other case, as specified in the relevant Final Terms.
- (v) *Index-Linked Interest*: If the Index-Linked Interest Instrument Provisions are specified in the relevant Final Terms as being applicable, the Interest Rate(s) applicable to the Instruments for each Interest Accrual Period will be determined in the manner specified in the relevant Final Terms.
- (vi) *Maximum or Minimum Interest Rate*: If any Maximum Interest Rate or Minimum Interest Rate is specified in the relevant Final Terms, then the Interest Rate shall in no event be greater than the maximum or be less than the minimum so specified. The Maximum Interest Rate or Minimum Interest Rate may be determined by reference to an index and/or formula or, as the case may be, an exchange rate or exchange cross rate or such other variables, factors or circumstances as shall be determined in the manner specified in the applicable Final Terms.
- (vii) *Calculation of Interest Amount*: The Calculation Agent will, as soon as practicable after the time at which the Interest Rate is to be determined in relation to each Interest Accrual Period, calculate the Interest Amount payable in respect of each Instrument for such Interest Accrual Period. The Interest Amount will be calculated (i) by applying the Interest Rate for such Interest Accrual Period to the principal amount of such Instrument during such Interest Accrual Period and multiplying the product by the relevant Day Count Fraction or (ii) if so specified in the Final Terms, by applying the Interest Rate for such Interest Accrual Period to the principal amount of such Instruments, and multiplying such product by the product of the Accrual Feature and the relevant Day Count Fraction and, in the case of (i) or (ii) above, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards). For this purpose a "sub-unit" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period will be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.
- (viii) *Calculation of other amounts*: If the relevant Final Terms specifies that any other amount is to be calculated by the Calculation Agent (including, in respect of the Interest Period beginning on the Interest Commencement Date or the Interest Period ending on the Maturity Date, the Broken Amount, if so specified in the Final Terms), the Calculation Agent will, as soon as practicable after the time or times at which any such amount is to be determined, calculate the relevant amount. The relevant amount will be calculated by the Calculation Agent in the manner specified in the relevant Final Terms.
- (ix) *Publication*: The Calculation Agent will cause each Interest Rate and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Paying Agents and each listing authority and/or stock exchange (if any) by which the Instruments are then listed and/or traded as soon as practicable after such determination but (in the case of each Interest Rate, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Holders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period.
- (x) *Notifications etc*: All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Calculation Agent will (in the absence of manifest error) be binding on the relevant Issuer, the Guarantor (if applicable), the Paying Agents and the Holders (subject as aforesaid) and no liability to any such Person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

5.4 *Zero Coupon Instrument Provisions*

- (i) *Application:* This Condition 5.4 is applicable to the Instruments only if the Zero Coupon Instrument Provisions are specified in the relevant Final Terms as being applicable.
- (ii) *Late payment on Zero Coupon Instruments:* If the Redemption Amount payable in respect of any Zero Coupon Instrument is improperly withheld or refused, the Redemption Amount shall thereafter be an amount equal to the sum of:
 - (a) the Reference Price; and
 - (b) the product of the Accrual Yield (compounded annually) being applied to the Reference Price on the basis of the relevant Day Count Fraction from (and including) the Issue Date to (but excluding) whichever is the earlier of (i) the day on which all sums due in respect of such Instrument up to that day are received by or on behalf of the relevant Holder and (ii) the day which is seven days after the Fiscal Agent has notified the Holders that it has received all sums due in respect of the Instruments up to such seventh day (except to the extent that there is any subsequent default in payment).

5.5 *Dual Currency Instrument Provisions*

- (i) *Application:* This Condition 5.5 is applicable to the Instruments only if the Dual Currency Instrument Provisions are specified in the relevant Final Terms as being applicable.
- (ii) *Interest Rate:* The Issuer may issue Instruments with principal or interest determined by reference to an exchange rate or an index or a formula based on foreign exchange cross rates or such other exchange rates as may be specified in the Final Terms. In addition, the Issuer may issue Instruments with principal or interest payable in one or more currencies which may be different from the Specified Currency in which the Instruments are denominated. The rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.

5.6 *Coupon Switch Option Provisions*

- (i) *Application:* This Condition 5.6 is applicable to the Instruments only if the Coupon Switch Option is specified in the relevant Final Terms as being applicable and each Instrument shall bear interest on the following basis (unless otherwise specified in the relevant Final Terms).
- (ii) The Final Terms shall specify whether the Fixed Rate Instrument Provisions or, as the case may be, the Floating Rate Instrument Provisions are applicable to the Instruments from and including the Issue Date to but excluding the Coupon Switch Option Date. Upon the Issuer giving the requisite notice (which, for the purposes of this Condition 5.6 only, shall be five Business Days prior to the Coupon Switch Option Date or such other notice period as may be specified in the Final Terms) to exercise its Coupon Switch Option, from and including the Coupon Switch Option Date, interest shall accrue on a different basis from the basis which was applicable prior to such Coupon Switch Option Date. The Final Terms shall specify whether the Fixed Rate Instrument Provisions or, as the case may be, the Floating Rate Instrument Provisions are applicable, upon the exercise by the Issuer of the Coupon Switch Option, from and including such Coupon Switch Option Date to but excluding the Maturity Date.

6. Redemption and Purchase

Scheduled redemption

- 6.1 Unless previously redeemed, or purchased and cancelled or, unless such Instrument is stated in the Final Terms as having no fixed maturity date, the Instruments will be redeemed at their Final Redemption Amount, together with interest accrued (if any) (or, in the case of Instalment Instruments, in such number of instalments and in such amounts ("Instalment Amounts") as may be specified in, or determined in accordance with the provisions of, the Final Terms), on the Maturity Date, subject as provided in Condition 7 (*Payments*).

Redemption for tax reasons

- 6.2 The Instruments may be redeemed at the option of the relevant Issuer (but in the case of Subordinated Instruments, subject to prior written approval thereof having been obtained from the Australian Prudential Regulation Authority) in whole, but not in part:
- (i) at any time (if neither the Floating Rate Instrument Provisions nor the Index-Linked Interest Instrument Provisions are specified in the relevant Final Terms as being applicable); or
 - (ii) on any Interest Payment Date (if the Floating Rate Instrument Provisions or the Index-Linked Interest Instrument Provisions are specified in the relevant Final Terms as being applicable),

on giving not less than 30 nor more than 60 days' notice to the Holders in accordance with Condition 14 (*Notices*) (which notice shall be irrevocable) or as otherwise specified in the Final Terms, at their Early Redemption Amount (Tax), together with interest accrued (if any) to the date fixed for redemption, if:

- (i) (a) the Issuer or the Guarantor (if a demand was made under the Deed of Guarantee) has or will become obliged to pay additional amounts as provided or referred to in Condition 8 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations or rulings of Australia or of the jurisdiction, country or territory in which the branch through which the Issuer is acting (as specified in the relevant Final Terms) is located (in respect of Instruments issued by Westpac) or Australia, New Zealand or the United Kingdom (in respect of Instruments issued by WTSNZ) or, in the case of either Issuer or, as the case may be, the Guarantor, any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective on or after the date of issue of the first Tranche of the Instruments or any other date specified in the Final Terms; and
- (b) such obligation cannot be avoided by the Issuer or, as the case may be, the Guarantor taking reasonable measures available to it,

or

- (ii) (a) the Issuer or the Guarantor (if a demand was made under the Deed of Guarantee) has or will become obliged to pay additional amounts in respect of New Zealand non-resident withholding tax which may be, or which may become, applicable to Instruments issued by either Westpac acting through its New Zealand branch or WTSNZ; and either
- (b) such obligation cannot be avoided by such Issuer or, as the case may be, the Guarantor paying (if it is not already doing so) New Zealand approved issuer levy at a rate not exceeding the rate of the levy charged at the Issue Date under section 86J of the Stamp and Cheque Duties Act 1971 of New Zealand (the "Approved Issuer Levy Rate") on the payments of principal or interest or taking any other reasonable measures available to it (but not including the payment of any additional approved issuer levy); or
- (c) in order to avoid any New Zealand non-resident withholding tax (under current law or any change of law) such Issuer or, as the case may be, the Guarantor becomes obliged, as a result of any change in, or amendments to, the laws, regulations or rulings of New Zealand or any political subdivision thereof or authority or any agency therein or thereof having power to tax or any change in the application or in the interpretation or administration of any such laws, regulations or rulings, to pay approved issuer levy at a rate exceeding the Approved Issuer Levy Rate or incurs any other cost in excess of that applicable under New Zealand law at the Issue Date,

provided, however, that no such notice of redemption shall be given earlier than:

- (1) where the Instruments may be redeemed at any time, 90 days prior to the earliest date on which the Issuer or, as the case may be, the Guarantor, would be obliged to pay such additional amounts if a payment in respect of the Instruments were then due; or
- (2) where the Instruments may be redeemed only on an Interest Payment Date, 60 days prior to the Interest Payment Date occurring immediately before the earliest date on which the Issuer or, as the case may be, the Guarantor would be obliged to pay such additional amounts if a payment in respect of the Instruments were then due.

Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer or, as the case may be, the Guarantor shall deliver to the Fiscal Agent (A) a certificate signed by two authorised signatories of the Issuer or, as the case may be, the Guarantor stating that such Issuer or, as the case may be, the Guarantor is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of such Issuer so to redeem have occurred and (B) an opinion of independent legal advisers of recognised standing to the effect that the Issuer or, as the case may be, the Guarantor has or will become obliged to pay such additional amounts as a result of such change or amendment. Upon the expiry of any such notice as is referred to in this Condition 6.2, the Issuer shall be bound to redeem the Instruments in accordance with this Condition 6.2.

The Issuer may not exercise such option in respect of any Instrument which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such Instrument under Condition 6.6 (*Redemption at the option of Holders*).

Redemption at the option of the Issuer

6.3 If Redemption at the option of the Issuer (Call) is specified in the relevant Final Terms as being applicable, the Instruments may be redeemed at the option of the Issuer (but, in the case of Subordinated Instruments, subject to the prior written approval thereof having been obtained from the Australian Prudential Regulation Authority) in whole or, if so specified in the relevant Final Terms, in part on any Optional Redemption Date (Call) at the relevant Optional Redemption Amount (Call) on the Issuer giving not less than 5 nor more than 60 days' notice, or such other notice period as may be specified in the relevant Final Terms to the Holders in accordance with Condition 14 (*Notices*) (which notice shall be irrevocable and shall oblige the Issuer to redeem all of the Instruments of the relevant Series or, as the case may be, the Instruments specified in such notice on the relevant Optional Redemption Date (Call) at the Optional Redemption Amount (Call) plus accrued interest (if any) to such date).

The Issuer may not exercise such option in respect of any Instrument which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such Instrument under Condition 6.6 (*Redemption at the option of Holders*).

Redemption for loss of deductibility reasons

6.4 If, prior to the first Optional Redemption Date (Call), in respect of the Subordinated Instruments of any Series, the Issuer determines (supported by an opinion as to such determination, from tax advisers of recognised standing in Australia) that interest payable on the Subordinated Instruments is not or may not be allowed as a deduction for the purposes of Australian income tax, then the Issuer (subject to the prior written approval thereof having been obtained from the Australian Prudential Regulation Authority) may give not more than 60 nor less than 30 days' notice to the Fiscal Agent and the Holders of the Subordinated Instruments in accordance with Condition 14 (*Notices*) (as amended by the relevant Final Terms) that it wishes to redeem the Subordinated Instruments of the specified Series, and upon expiry of such notice shall redeem all (but not some only) of the Subordinated Instruments at the Early Redemption Amount (Loss of Deductibility) plus accrued interest (if any) to the date fixed for redemption (as specified in the Final Terms).

The notice referred to above shall specify the Series number of the Subordinated Instruments subject to redemption, the due date for redemption and the Early Redemption Amount (Loss of Deductibility) as calculated by the Calculation Agent.

Partial redemption

6.5 If the Instruments are to be redeemed in part only on any date in accordance with Condition 6.3 (*Redemption at the option of the Issuer*):

- (i) in the case of Bearer Instruments (other than a Temporary Global Instrument or a Permanent Global Instrument) the Instruments to be redeemed shall be selected by the drawing of lots in such European city as the Fiscal Agent approves and in such manner as the Fiscal Agent considers appropriate;
- (ii) in the case of a Temporary Global Instrument or a Permanent Global Instrument, the Instruments to be redeemed shall be selected in accordance with the rules of Euroclear and/or Clearstream, Luxembourg and/or the CMU Service and/or any other relevant clearing system; and
- (iii) in the case of Registered Instruments, the Instruments shall be redeemed (so far as may be practicable) *pro rata* to their principal amounts, provided always that the amount redeemed in respect of each Instrument shall be equal to the minimum denomination thereof or an integral multiple thereof,

subject always to compliance with applicable law and the rules of each listing authority and/or stock exchange on or by which the Instruments are then listed and/or traded and the notice to Holders referred to in Condition 6.3 (*Redemption at the option of the Issuer*) shall specify the serial numbers of the Instruments so to be redeemed. If any Maximum Redemption Amount or Minimum Redemption Amount is specified in the relevant Final Terms, then the Optional Redemption Amount (Call) shall in no event be greater than the maximum or be less than the minimum so specified.

In the case of the redemption of part only of a Registered Instrument, a new Registered Instrument in respect of the unredeemed balance shall be issued in accordance with Conditions 3.4 to 3.9 which shall apply as in the case of a transfer of Registered Instruments as if such new Registered Instrument were in respect of the untransferred balance.

Redemption at the option of Holders

6.6 If Redemption at the option of the Holders (Put) is specified in the relevant Final Terms as being applicable, the Issuer shall, at the option of the Holder of any Instrument, redeem such Instrument on the Optional Redemption Date (Put) specified in the relevant Put Option Notice at the relevant Optional Redemption Amount (Put) together with interest (if any) accrued to such date. In order to exercise the option contained in this Condition 6.6, the Holder of an Instrument must, not less than forty-five days before the relevant Optional Redemption Date (Put), deposit with any Paying Agent, in the case of a Bearer Instrument, or the Registrar, in the case of a Registered Instrument, such Instrument together with all unmatured Coupons relating thereto (other than any Coupon maturing on or before the Optional Redemption Date (Put) (failing which the provisions of Condition 7A.7 apply)) and a duly completed Put Option Notice in the form obtainable from any Paying Agent or, as the case may be, the Registrar specifying, in the case of a Temporary Global Instrument or Permanent Global Instrument or Registered Instrument, the aggregate principal amount in respect of which such option is exercised (which must be the minimum denomination specified in the Final Terms or an integral multiple thereof). The Paying Agent with which an Instrument is so deposited shall deliver a duly completed Put Option Receipt to the depositing Holder. No Instrument, once deposited with a duly completed Put Option Notice in accordance with this Condition 6.6, may be withdrawn; *provided, however, that* if, prior to the relevant Optional Redemption Date (Put), any such Instrument becomes immediately due and payable, the relevant Holder, at its option, may elect by notice to the Paying Agent or, as the case may be, the Registrar to withdraw the Put Option Notice given pursuant to this Condition 6.6 and instead declare such Instrument to be forthwith due and payable pursuant to Condition 9 (*Events of Default*). For so long as any outstanding Instrument is held by a Paying Agent in accordance with this Condition 6.6, the depositor of such Instrument and not such Paying Agent shall be deemed to be the Holder of such Instrument for all purposes.

In the case of the redemption of part only of a Registered Instrument, a new Registered Instrument in respect of the unredeemed balance shall be issued in accordance with Conditions 3.4 to 3.9 which shall apply as in the case of a transfer of Registered Instruments as if such new Registered Instrument were in respect of the untransferred balance.

The Holder of an Instrument may not exercise such option in respect of any Instrument which is the subject of an exercise by the relevant Issuer of its option to redeem such Instrument under either Condition 6.2 (*Redemption for tax reasons*) or 6.3 (*Redemption at the option of the Issuer*).

Automatic Redemption Option

6.7 If the Automatic Redemption Option is specified in the relevant Final Terms as being applicable, the Instruments will be redeemed at their Early Redemption Amount (Automatic) on any Interest Payment Date where the sum of all Interest Amounts payable (in respect of the period from and including the Interest Commencement Date to but excluding such Interest Payment Date) is equal to or greater than the Early Redemption (Automatic Trigger) Amount. If the Instruments are not redeemed before the Maturity Date in accordance with this Condition 6.7, the Instruments are to be redeemed at the Final Redemption Amount or such other amount as may be specified in the Final Terms.

No other redemption

6.8 The Issuer shall not be entitled to redeem the Instruments otherwise than as provided in Conditions 6.1 to 6.7 above.

Early redemption of Zero Coupon Instruments

6.9 Unless otherwise specified in the relevant Final Terms, the Redemption Amount payable on redemption of a Zero Coupon Instrument at any time before the Maturity Date shall be an amount equal to the sum of:

- (i) the Reference Price; and
- (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which the Instrument becomes due and payable.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of such Day Count Fraction as may be specified in the Final Terms for the purposes of this Condition 6.9 or, if none is so specified, a Day Count Fraction of 30E/360.

Purchase

6.10 The Issuer or any of its Subsidiaries may (but, in the case of Subordinated Instruments, subject to the prior written approval thereto having been obtained from the Australian Prudential Regulation Authority) at any time purchase Instruments in the open market or otherwise and at any price, provided that all unmatured Receipts and Coupons are purchased therewith. If purchases are made by tender, tenders must be available to all Holders of Instruments alike.

Cancellation

6.11 All Instruments so redeemed or purchased by the Issuer or any of its Subsidiaries and all unmatured Coupons attached to or surrendered with them shall be cancelled and may not be reissued or resold.

No Fixed Maturity

6.12 This Condition 6.12 is applicable to Undated Subordinated Instruments issued by Westpac. There is no fixed redemption date for such Instruments and Westpac shall (subject to the provisions of Condition 4D.3 (*Contingent Debt*), if such Condition is applicable, and without prejudice to the provisions of Conditions 9A (*Events of Default – Unsubordinated Instruments*) and 9B (*Events of Default – Subordinated Instruments*)) only have the right to repay such Instruments in accordance with such provisions of this Condition 6 as are specified in the relevant Final Terms as being applicable to such Undated Subordinated Instruments.

In relation to any Instrument specified in the relevant Final Terms as being subordinated and which constitutes Tier 2 capital in accordance with the Capital Adequacy requirements of the Australian Prudential Regulation Authority, no redemption or purchase of any such Instrument pursuant to this Condition 6 may be made without the prior written approval of the Australian Prudential Regulation Authority. Holders of such Instruments should not anticipate that such approval will be automatic. Tier 2 Instruments which are Undated Subordinated Instruments may not be issued on terms that they are redeemable at the option of the Holders thereof pursuant to Condition 6.6 (Redemption at the option of Holders) or able to be purchased by Westpac pursuant to Condition 6.10 (Purchase) or be redeemed by Westpac pursuant to Condition 6.3 (Redemption at the option of the Issuer).

7. Payments

7A. Payments — Bearer Instruments

7A.1 This Condition 7A is applicable in relation to Instruments in bearer form.

Principal

7A.2 Payments of principal due in respect of Bearer Instruments shall be made only against presentation and (provided that payment is made in full, or it is the payment of the final Instalment Amount) surrender of the relevant Bearer Instruments at the Specified Office of any Paying Agent outside the United States, by cheque drawn in the currency in which the payment is due on, or by transfer to an account denominated in that currency or to which such currency may be transferred and maintained by the payee with, a bank in the Principal Financial Centre of that currency.

Payment of Instalment Amounts (other than the final Instalment Amount) in respect of an Instalment Instrument which is a Definitive Instrument with Receipts will be made against presentation of the Instrument together with the relevant Receipt and surrender of such Receipt.

The Receipts are not and shall not in any circumstances be deemed to be documents of title and if separated from the Instrument to which they relate will not represent any obligation of the Issuer. Accordingly, the presentation of an Instrument without the relative Receipt or the presentation of a Receipt without the Instrument to which it appertains shall not entitle the Holder to any payment in respect of the relevant Instalment Amount.

Interest

7A.3 Payment of amounts in respect of interest on Bearer Instruments will be made:

- (i) in the case of a Temporary Global Instrument or Permanent Global Instrument, against presentation of the relevant Temporary Global Instrument or Permanent Global Instrument at the Specified Office of any of the Paying Agents outside Australia, New Zealand and (unless Condition 7A.4 (*Payments in New York City*) applies) the United States and, in the case of a Temporary Global Instrument, upon due certification as required therein, by cheque drawn in the currency in which the payment is due on, or by transfer to an account denominated in that currency (or, if that currency is euro, any other account to which euro may be credited or transferred) and maintained by the payee with, a bank in the Principal Financial Centre of that currency;

- (ii) in the case of Definitive Instruments without Coupons attached thereto at the time of their initial delivery, against presentation of the relevant Definitive Instruments at the Specified Office of any of the Paying Agents outside Australia, New Zealand and (unless Condition 7A.4 (*Payments in New York City*) applies) the United States by cheque drawn in the currency in which the payment is due on, or by transfer to an account denominated in that currency (or, if that currency is euro, any other account to which euro may be credited or transferred) and maintained by the payee with, a bank in the Principal Financial Centre of that currency; and
- (iii) in the case of Definitive Instruments delivered with Coupons attached thereto at the time of their initial delivery, against surrender of the relevant Coupons or, in the case of interest due otherwise than on a scheduled date for the payment of interest, against presentation of the relevant Definitive Instruments, in either case at the Specified Office of any of the Paying Agents outside Australia, New Zealand and (unless Condition 7A.4 (*Payments in New York City*) applies) the United States by cheque drawn in the currency in which the payment is due on, or by transfer to an account denominated in that currency (or, if that currency is euro, any other account to which euro may be credited or transferred) and maintained by the payee with, a bank in the Principal Financial Centre of that currency.

Payments in New York City

7A.4 Payments of principal and interest on the Bearer Instruments and exchanges of Talons for Coupon Sheets in accordance with Condition 7A.8 (*Exchange of Talons*) may be made at the Specified Office (as defined in the United States Internal Revenue Code and Regulations) of a Paying Agent in New York City if (i) the Issuer has appointed Paying Agents outside the United States with the reasonable expectation that such Paying Agents will be able to make payment of the full amount of the interest on the Instruments in United States dollars, (ii) payment of the full amount of such interest at the offices of all such Paying Agents is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of interest in United States dollars and (iii) payment is permitted by applicable United States law.

Payments subject to fiscal laws

7A.5 All payments in respect of the Instruments are subject in all cases to any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 8 (*Taxation*). No commissions or expenses shall be charged to the Holders in respect of such payments.

Payments on business days

7A.6 If the due date for payment of any amount in respect of any Instrument or Coupon is not a Business Day in the place of presentation, the Holder shall not be entitled to payment in such place of the amount due until the next succeeding Business Day in such place and shall not be entitled to any further interest or other payment in respect of any such delay.

7A.7 Each Definitive Instrument initially delivered with Coupons, Talons or Receipts attached thereto shall be presented and, save in the case of partial payment of the Redemption Amount, surrendered for final redemption together with all unmatured Receipts, Coupons and Talons relating thereto, failing which:

- (i) if the Final Terms specifies that this paragraph (i) of Condition 7A.7 is applicable (and, in the absence of specification this paragraph (i) shall apply to Definitive Instruments which bear interest at a fixed rate or rates or in fixed amounts) and subject as hereinafter provided, the amount of any missing unmatured Coupons (or, in the case of a payment not being made in full, that portion of the amount of such missing Coupon which the Redemption Amount paid bears to the total Redemption Amount due) (excluding, for this purpose, but without prejudice to paragraph (iii) below, Talons) will be deducted from the amount otherwise payable on such final redemption, the amount so deducted being payable against surrender of the relevant Coupon at the Specified Office of any of the Paying Agents at any time within ten years of the Relevant Date applicable to payment of such Redemption Amount;
- (ii) if the Final Terms specifies that this paragraph (ii) of Condition 7A.7 is applicable (and, in the absence of specification, this paragraph (ii) shall apply to Instruments which bear interest at a floating rate or rates or in variable amounts) all unmatured Coupons (excluding, for this purpose, but without prejudice to paragraph (iii) below, Talons) relating to such Definitive Instruments (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them;

- (iii) in the case of Definitive Instruments initially delivered with Talons attached thereto, all unmatured Talons (whether or not surrendered therewith) shall become void and no exchange for Coupons shall be made thereafter in respect of them; and
- (iv) in the case of Definitive Instruments initially delivered with Receipts attached thereto, all Receipts relating to such Instruments in respect of a payment of an Instalment Amount which (but for such redemption) would have fallen due on a date after such due date for redemption (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them.

The provisions of paragraph (i) of this Condition 7A.7 notwithstanding, if any Definitive Instruments are issued with a maturity date and an Interest Rate or Rates such that, on the presentation for payment of any such Definitive Instrument without any unmatured Coupons attached thereto or surrendered therewith, the amount required by paragraph (i) to be deducted would be greater than the Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Definitive Instrument, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof as shall be required so that, upon application of the provisions of paragraph (i) in respect of such Coupons as have not so become void, the amount required by paragraph (i) to be deducted would not be greater than the Redemption Amount otherwise due for payment). Where the application of the foregoing sentence requires some but not all of the unmatured Coupons relating to a Definitive Instrument to become void, the relevant Paying Agent shall determine which unmatured Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

Exchange of Talons

7A.8 In relation to Definitive Instruments initially delivered with Talons attached thereto, on or after the due date for the payment of interest on which the final Coupon comprised in any Coupon Sheet matures, the Talon comprised in the Coupon Sheet may be surrendered at the Specified Office of any Paying Agent outside (unless Condition 7A.4 (*Payments in New York City*) applies) the United States in exchange for a further Coupon Sheet (including any appropriate further Talon), subject to the provisions of Condition 10 (*Prescription*) below. Each Talon shall, for the purpose of these Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon Sheet matures.

Payments other than in respect of matured Coupons

7A.9 Payments of interest other than in respect of matured Coupons shall be made only against presentation of the relevant Instruments at the Specified Office of any Paying Agent outside the United States (or in New York City if permitted by Condition 7A.4 (*Payments in New York City*)).

Partial payments

7A.10 If a Paying Agent makes a partial payment in respect of any Instrument or Coupon presented to it for payment, such Paying Agent will endorse thereon a statement indicating the amount and date of such payment.

7B. Payments — Registered Instruments

7B.1 This Condition 7B is applicable in relation to Instruments in registered form.

7B.2 Payment of the Redemption Amount due in respect of Registered Instruments (together with accrued interest thereon (if any)) will be made against presentation and, save in the case of partial payment of the Redemption Amount, surrender of the relevant Registered Instruments at the Specified Office of the Registrar. If the due date for payment of the Redemption Amount of any Registered Instrument is not a Business Day then the Holder thereof will not be entitled to payment thereof until the next Business Day and thereafter will be entitled to receive payment by cheque on any local banking day, and will be entitled to payment by transfer to a designated account on any day which is a local banking day, a Business Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5 (*Interest*) as appropriate.

7B.3 Payment of amounts (whether principal, interest or otherwise) due (other than the Redemption Amount) in respect of Registered Instruments will be paid to the Holder thereof (or, in the case of joint Holders, the first-named) as appearing in the register kept by the Registrar as at opening of business (local time in the place of the Specified Office of the Registrar) on the fifteenth Relevant Banking Day (as defined in Condition 3.6) before the due date for such payment (the "Record Date").

7B.4 Notwithstanding the provisions of Condition 7C.2, payment of amounts (whether principal, interest or otherwise) due (other than the Redemption Amount) in respect of Registered Instruments will be made in the currency in which such amount is due by cheque to the Holder thereof (or, in the case of joint Holders, the first-named) on the Relevant Banking Day (as defined in Condition 3.6) not later than the relevant due date for payment unless prior to the relevant Record Date the Holder thereof (or, in the case of joint Holders, the first-named) has applied to the Registrar and the Registrar has acknowledged such application for payment to be made to a designated account denominated in the relevant currency in which case payment shall be made on the relevant due date for payment by transfer to such account. In the case of payment by transfer to an account, if the due date for any such payment is not a Business Day, then the Holder thereof will not be entitled to payment thereof until the first day thereafter which is a Business Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5 (*Interest*), as appropriate.

7C. *Payments — General Provisions*

7C.1 Save as otherwise specified in these Terms and Conditions, this Condition 7C is applicable in relation to both Bearer Instruments and Registered Instruments.

7C.2 Payments of amounts due (whether principal, interest or otherwise) in respect of Instruments will be made in the currency in which such amount is due (a) by cheque in the case of payment in GBP, drawn on a bank in the city of London or (b) at the option of the payee, by transfer to an account denominated in the relevant currency specified by the payee or (c) in the case of payments in euro, by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque. Payments will, without prejudice to the provisions of Condition 8 (*Taxation*), be subject in all cases to any applicable fiscal or other laws and regulations.

7C.3 No commissions or expenses shall be charged to the Holders of Instruments or Coupons in respect of such payments.

8. **Taxation**

Gross up

8.1 All payments of principal and interest in respect of the Instruments and the Coupons by or on behalf of the Issuer or the Guarantor shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatsoever nature imposed, levied, collected, withheld or assessed by or on behalf of Australia, and/or of the jurisdiction, country or territory in which the branch through which the Issuer is acting (as specified in the relevant Final Terms) is located (in respect of Instruments issued by Westpac) or Australia, New Zealand and/or the United Kingdom (in respect of Instruments issued by WTSNZ) or, in the case of either Issuer, any political subdivision or any authority thereof or therein having power to tax (“Withholding Taxes”), unless such withholding or deduction is required by law. In that event, the Issuer or (as the case may be) the Guarantor shall pay such additional amounts as will result in the receipt by the Holders of such amounts as would have been received by them if no such withholding or deduction had been required, except that no such additional amounts shall be payable in respect of any Instrument, Receipt or Coupon presented for payment:

- (i) by, or by a third party on behalf of, a Holder, or any beneficial owner of any interest in, or rights in respect of such Instrument, Receipt or Coupon held by a Holder, who is liable to such taxes, duties, assessments or governmental charges in respect of such Instrument, Receipt or Coupon by reason of his having some connection (whether past or present) with Australia and/or the jurisdiction, country or territory in which the branch specified in the relevant Final Terms is located (in respect of Instruments issued by Westpac) or Australia, New Zealand and/or the United Kingdom (in respect of Instruments issued by WTSNZ), other than (a) the mere holding of such Instrument, Receipt or Coupon or (b) the receipt of principal, interest or other amount in respect of such Instrument, Receipt or Coupon; or
- (ii) by, or by a third party on behalf of, a Holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying with any statutory requirements in force at the present time or in the future or by making a declaration of non-residence or other claim or filing for exemption; or
- (iii) more than thirty days after the Relevant Date, except to the extent that the relevant Holder would have been entitled to such additional amounts if it had presented such Instrument, Receipt or Coupon on the last day of such period of thirty days; or

- (iv) on account of taxes which are payable by reason of the Holder of such Instrument, Receipt or Coupon issued by Westpac being an associate of Westpac for the purposes of Section 128F(6) of the Income Tax Assessment Act 1936 of Australia (the “Australian Tax Act”); or
- (v) on account of New Zealand resident withholding tax, in respect of Instruments issued by WTSNZ or Westpac acting through its New Zealand branch; or
- (vi) by, or by a third party on behalf of, a Holder who is a resident of Australia or a non-resident who is engaged in carrying on business in Australia at or through a permanent establishment of that non-resident in Australia (the expressions “resident of Australia”, “non-resident” and “permanent establishment” having the meanings given to them by the Australian Tax Act) if, and to the extent that, section 126 of the Australian Tax Act (or any equivalent provision) requires the relevant Issuer to pay income tax in respect of interest payable on such Instrument, Receipt or Coupon and the income tax would not be payable were the Holder not a “resident of Australia” or “non-resident” so engaged in carrying on business; or
- (vii) on account of Australian interest withholding tax imposed as a result of a determination by the Commissioner of Taxation of the Commonwealth of Australia that such tax is payable under the Australian Tax Act in circumstances where the Holder, or a third person on behalf of the Holder, is party to or participated in a scheme to avoid such tax which the Issuer was neither a party to nor participated in; or
- (viii) where such withholding or deduction is imposed on a payment to an individual and is made pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive, or any agreement entered into by a Member State of the European Union with (a) any other state or (b) any relevant, dependent or associated territory of any Member State of the European Union providing for measures equivalent to, or the same as those provided for by, such Directive; or
- (ix) by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Instrument, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

New Zealand resident withholding tax

8.2 The Issuer may be required by New Zealand law to deduct New Zealand resident withholding tax from the payment of interest or other amounts to the Holder on any Interest Payment Date or, if applicable, the Maturity Date (as specified in the applicable Final Terms), if:

- (i) the Holder is a resident of New Zealand for income tax purposes or the Holder is engaged in business in New Zealand, through a fixed establishment in New Zealand (a “New Zealand Holder”); and
- (ii) at the time of such payment the New Zealand Holder does not hold a valid certificate of exemption issued to it for New Zealand resident withholding tax purposes.

Prior to any Interest Payment Date or, if applicable, the Maturity Date (as specified in the applicable Final Terms), any New Zealand Holder:

- (i) must notify the Issuer, the Registrar or any Paying Agent (i) that the New Zealand Holder is the holder of an Instrument and (ii) if it derives interest under an Instrument jointly with any other person; and
- (ii) must notify the Issuer, the Registrar or any Paying Agent of any circumstances, and provide the Issuer, the Registrar or that Paying Agent with its New Zealand tax file number and any information (including a copy of a valid certificate of exemption) that may enable the Issuer to make the payment of interest to the New Zealand Holder without deduction on account of New Zealand resident withholding tax.

A New Zealand Holder must notify the Issuer, prior to any Interest Payment Date or the Maturity Date (as specified in the applicable Final Terms) of any change in the New Zealand Holder’s circumstances from those previously notified that could affect the Issuer’s payment obligations in respect of any Instrument. By accepting payment of the full face amount of any Instrument or any interest thereon or other amounts in respect thereof on any Interest Payment Date or the Maturity Date, a New Zealand Holder agrees to indemnify the Issuer for all purposes in respect of any liability that the Issuer may incur for not deducting any amount from such payment on account of New Zealand resident withholding tax.

Only a New Zealand Holder will be obliged to make the notifications referred to above and no other Holder will be required to do so.

Whilst the Instruments are held in Euroclear, Clearstream, Luxembourg, the CMU Service or any other clearing system, Euroclear, Clearstream, Luxembourg, the CMU Service and any such other clearing system shall not be responsible to the Issuer, the Registrar, any Paying Agent, its accountholders credited with such Instruments or any other person with regard to the collection or preparation of certificates, or otherwise in connection with this Condition 8.2.

- 8.3 Any reference in these Terms and Conditions to “principal” and/or “interest” in respect of the Instruments shall be deemed also to refer to any additional amounts which may be payable under this Condition 8. Unless the context otherwise requires, any reference in these Terms and Conditions to “principal” shall include any premium payable in respect of an Instrument, any Instalment Amount or Redemption Amount and any other amounts in the nature of principal payable pursuant to these Terms and Conditions and “interest” shall include all amounts payable pursuant to Condition 5 (*Interest*) and any other amounts in the nature of interest payable pursuant to these Terms and Conditions.

Taxing jurisdiction

- 8.4 If the Issuer is, or becomes, subject at any time to any taxing jurisdiction(s) other than or in addition to Australia, New Zealand or the jurisdiction, country or territory in which the branch specified in the relevant Final Terms is located, references in Condition 6.2 (*Redemption for tax reasons*) and this Condition 8 shall be read and construed as including references to such other taxing jurisdiction(s).

9. Events of Default

9A. Events of Default — Unsubordinated Instruments

The following provisions are applicable to Unsubordinated Instruments.

- 9A.1 The following events or circumstances as modified by, and/or such other events as may be specified in the Final Terms (each an “Event of Default”) shall be acceleration events in relation to the Unsubordinated Instruments of any Series, namely:

- (i) the Issuer or the Guarantor (if applicable) fails to pay any amount of principal in respect of the Instruments of the relevant Series or any of them within 7 days of the due date for payment thereof or fails to pay any amount of interest in respect of the Instruments of the relevant Series or any of them within 14 days of the due date for payment thereof; or
- (ii) the Issuer or the Guarantor (if applicable) defaults in the performance or observance of any of its or their other obligations under or in respect of any of the Instruments of the relevant Series, the Issue and Paying Agency Agreement or, in the case of the Guarantor, the Deed of Guarantee and (except in any case where such default is incapable of remedy when no such continuation or notice, as is hereinafter mentioned, will be required) such default remains unremedied for 30 days after written notice requiring such default to be remedied has been delivered to the Issuer or the Guarantor (if applicable) at the Specified Office of the Fiscal Agent by the Holder of any such Instrument; or
- (iii) an order is made or an effective resolution is passed for the winding-up of the Issuer or the Guarantor (if applicable) other than under or in connection with a scheme of amalgamation or reconstruction not involving a bankruptcy or insolvency where the obligations of the Issuer or the Guarantor (if applicable) in relation to the outstanding Instruments are assumed (in the case of the Issuer) or unconditionally and irrevocably guaranteed (in the case of the Guarantor, if applicable) by the successor entity to which all, or substantially all of the property, assets and undertaking of the Issuer or Guarantor (if applicable) are transferred or where an arrangement with similar effect not involving a bankruptcy or insolvency is implemented (a “Solvent Reconstruction”); or
- (iv) the Issuer or the Guarantor (if applicable) ceases to carry on all or substantially all of its business other than under or in connection with a Solvent Reconstruction; or
- (v) an encumbrancer takes possession or a receiver is appointed of the whole or any substantial part of the assets or undertaking of, or an official manager is appointed to, the Issuer or the Guarantor (if applicable) or a distress or execution is levied or enforced upon or sued out against any substantial part of the assets or undertaking of the Issuer or the Guarantor (if applicable) and is not removed, paid out or otherwise discharged within 30 days unless the same is being contested in good faith; or
- (vi) the Issuer or the Guarantor (if applicable) shall be unable to pay its debts as they fall due; or
- (vii) in the case of Instruments issued by WTSNZ, the Deed of Guarantee ceases to be, or is claimed by the Guarantor not to be, in full force and effect other than under or in connection with a Solvent Reconstruction.

9A.2 If any Event of Default shall occur in relation to any Series of Instruments, any Holder of an Instrument of the relevant Series may, by written notice to the Issuer and, in the case of a guaranteed issue, to the Guarantor, at the Specified Office of the Fiscal Agent, declare that such Instrument and (if the Instrument is interest-bearing) all Interest then accrued on such Instrument shall be forthwith due and payable, whereupon the same shall become immediately due and payable at its early termination amount (the "Early Termination Amount") (which shall be its outstanding principal amount or, if such Instrument is a Zero Coupon Instrument, such amount as provided in Condition 6.8 (*Early Redemption of Zero Coupon Instruments*)) or such other Early Termination Amount as may be specified in, or determined in accordance with the provisions of, the Final Terms), together with all interest (if any) accrued thereon without presentment, demand, protest or other notice of any kind, all of which the Issuer will expressly waive, anything contained in such Instruments to the contrary notwithstanding, unless, prior to receipt of such notice by the Fiscal Agent, all Events of Default in respect of the Instruments of the relevant Series shall have been remedied.

9B. *Events of Default — Subordinated Instruments*

The following provisions are applicable to Subordinated Instruments. Subordinated Instruments may only be issued by Westpac. References to the "Issuer" in this Condition 9B are to Westpac only.

9B.1 The following events or circumstances as modified by, and/or such other events as may be specified in, the Final Terms (each an "Event of Default") shall be events giving rise to the limited remedies set out in Condition 9B.2 below:

- (i) the Issuer fails to pay any amount in respect of the Instruments of the relevant Series or any of them due within 7 days of the Maturity Date or fails to pay any amount of interest in respect of the Instruments of the relevant Series or any of them within 14 days of the due date for payment thereof unless the failure is the result of not being solvent (within the meaning given to that term in Condition 4B.3) at the time of that payment or if the Issuer would not be solvent as a result of that payment; or
- (ii) an order is made or an effective resolution is passed for the winding-up of the Issuer.

9B.2 (i) In the event of the occurrence of either of the Events of Default set out above at Condition 9B.1 (i) or (ii), the Holder of any Instruments of the relevant Series may institute proceedings for a winding-up or liquidation of the Issuer or, subject to Condition 4D (*Status – Subordinated Instruments – Winding-Up Contingency*), for proving or claiming in any winding-up or liquidation of the Issuer; and

- (ii) no remedy against the Issuer (including, without limitation, any right to sue for a sum of damages which has the same economic effect of an acceleration of the Issuer's payment obligations), other than the institution of proceedings for winding-up or liquidation or, subject to Condition 4D (*Status – Subordinated Instruments – Winding-Up Contingency*), for proving or claiming in any winding-up or liquidation of the Issuer, shall be available to the Holders of any Instruments for the recovery of amounts owing in respect of the Instruments or in respect of any breach by the Issuer of any obligation, condition or provision binding on it under the terms of the Instruments. In particular, no Holder of any Instrument or Coupon shall be entitled to exercise any right of set-off or counterclaim which may be available to it against amounts owing by the Issuer in respect of such Instrument or Coupon (whether prior to, or following, any bankruptcy, liquidation, winding-up or sequestration of the Issuer).

9B.3 If any Instrument becomes due and repayable pursuant to this Condition 9B, it shall be repaid at its early termination amount (the "Early Termination Amount") (which shall be its principal amount or such other Early Termination Amount as may be specified in or determined in accordance with the relevant Final Terms) less, in the case of any Instalment Instrument, the aggregate amount of all instalments that shall have become due and payable in respect of such Instrument under any other Condition prior to the date fixed for redemption (which amount is, and to the extent not then paid remains, due and payable), together with all interest (if any) accrued thereon.

10. Prescription

10.1 Claims against the Issuer for payment of principal and interest in respect of Instruments will be prescribed and become void unless made, in the case of principal, within ten years or, in the case of interest, five years after the Relevant Date for payment thereof.

10.2 In relation to Definitive Instruments initially delivered with Talons attached thereto, there shall not be included in any Coupon Sheet issued upon exchange of a Talon any Coupon which would be void upon issue pursuant to Condition 7A.8 (*Exchange of Talons*) or the due date for the payment of which would fall after the due date for the redemption of the relevant Instrument or which would be void

pursuant to this Condition 10 or any Talon the maturity date of which would fall after the due date for redemption of the relevant Instrument.

11. The Paying Agents, the Registrars and the Calculation Agent

- 11.1 The initial Paying Agents and Registrars and their respective initial Specified Offices are specified below. The Calculation Agent in respect of any Instruments shall be specified in the Final Terms. The Issuer reserves the right at any time to vary or terminate the appointment of any Paying Agent (including the Fiscal Agent) or any Registrar or the Calculation Agent and to appoint additional or other Paying Agents or another Registrar or another Calculation Agent provided that it will at all times maintain (i) a Fiscal Agent, (ii) in the case of Registered Instruments, a Registrar, (iii) a Paying Agent (which may be the Fiscal Agent) with a Specified Office in a continental European city, (iv) so long as the Instruments are listed on the Official List of the UK Listing Authority and/or admitted to listing and/or trading on or by any other competent listing authority and/or stock exchange, a Paying Agent (which may be the Fiscal Agent) and a Registrar each with a Specified Office in London and/or in such other place as may be required by such competent listing authority and/or stock exchange, (v) in the circumstances described in Condition 7A.4 (*Payments in New York City*), a Paying Agent with a Specified Office in New York City, (vi) a Calculation Agent where required by these Terms and Conditions applicable to any Instruments (in the case of (i), (ii), (iii) and (vi) with a Specified Office located in such place (if any) as may be required by these Terms and Conditions), (vii) a Paying Agent that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced to conform to, such Directive, or any agreement entered into by a Member State of the European Union with (a) any other state or (b) any relevant dependent or associated territory of any Member State of the European Union providing for measures equivalent to, or the same as, those provided for by such Directive, (viii) so long as any Instruments are represented by a Temporary Global Instrument or a Permanent Global Instrument which is held in the CMU Service, a Paying Agent with a Specified Office in Hong Kong, and (ix) so long as any Instruments are listed on the Singapore Exchange and the rules of the Singapore Exchange so require, a Paying Agent in Singapore. The Paying Agents, the Registrars and the Calculation Agent reserve the right at any time to change their respective Specified Offices to some other specified office in the same city. Notice of all changes in the identities or Specified Offices of any Paying Agent, the Registrars or the Calculation Agent will be given promptly by the Issuer to the Holders in accordance with Condition 14 (*Notices*).
- 11.2 The Paying Agents, the Registrars and the Calculation Agent act solely as agents of the Issuers and, save as provided in the Issue and Paying Agency Agreement or any other agreement entered into with respect to its appointment, do not assume any obligations towards or relationship of agency or trust for any Holder of any Instrument, Receipt or Coupon and each of them shall only be responsible for the performance of the duties and obligations expressly imposed upon it in the Issue and Paying Agency Agreement or other agreement entered into with respect to its appointment or incidental thereto.

12. Replacement of Instruments

If any Instrument, Receipt or Coupon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Fiscal Agent or such Paying Agent or Paying Agents as may be specified for such purpose in the Final Terms (in the case of Bearer Instruments and Coupons) or of the Registrar (in the case of Registered Instruments) ("Replacement Agent") subject to all applicable laws and the requirements of any stock exchange and/or competent listing authority on or by which the Instruments are listed and/or traded upon payment by the claimant of all expenses incurred in connection with such replacement and upon such terms as to evidence, security, indemnity and otherwise as the relevant Issuer and the Replacement Agent may require. Mutilated or defaced Instruments, Receipts and Coupons must be surrendered before replacements will be delivered therefor.

13. Meetings of Holders and Modification

The Issue and Paying Agency Agreement contains provisions (which shall have effect as if incorporated herein) for convening meetings of the Holders of Instruments of any Series to consider any matter affecting their interest, including (without limitation) the modification by Extraordinary Resolution of these Terms and Conditions, the Deed of Guarantee and the Deed of Covenant insofar as the same may apply to such Instruments. Such a meeting may be convened by the Issuer and shall be convened upon a request in writing by Holders of Instruments holding not less than one-tenth of the outstanding principal amount of the Instruments for the time being outstanding of any Series. An Extraordinary Resolution passed at any meeting of the Holders of Instruments of any Series will be binding on all Holders of the Instruments of such Series, whether or not they are present at the meeting, and on all Holders of Coupons relating to Instruments of such Series.

The Issuer and, in the case of the Deed of Guarantee, the Guarantor may, with the consent of the Fiscal Agent, but without the consent of the Holders of the Instruments of any Series or Coupons, amend these Terms and Conditions, the Final Terms, the Deed of Guarantee and the Deed of Covenant insofar as they may apply to such Instruments to correct a manifest or a proven error. Subject as aforesaid, no other modification may be made to these Terms and Conditions, the Deed of Guarantee or the Deed of Covenant except with the sanction of an Extraordinary Resolution.

14. Notices

To Holders of Bearer Instruments

14.1 Notices to Holders of Bearer Instruments will, save where another means of effective communication has been specified herein or in the Final Terms, be deemed to be validly given if:

- (ii) if such publication is not practicable, published in a leading English language daily newspaper having general circulation in Europe; or
- (iii) if permitted by the rules of the relevant competent listing authority and/or stock exchange, in the case of Instruments represented by a Temporary Global Instrument or Permanent Global Instrument, delivered to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system for communication by them to the persons shown in their respective records as having interests therein; or
- (iv) in the case of Instruments represented by a Temporary Global Instrument or a Permanent Global Instrument which is held in the CMU Service, given to the persons shown in a "CMU Instrument Position Report" issued by the CMU Service on the Business Day immediately before the preceding Interest Payment Date, or (in the case of notices given pursuant to Condition 6.3 (*Redemption at the option of the Issuer*)) on the Business Day immediately before the date on which such notices are given, or any other date as agreed between the Hong Kong Paying Agent or Lodging Agent and the CMU Service holding interests in the relevant Temporary Global Instrument or Permanent Global Instrument, as the case may be.

The relevant Issuer shall also ensure that notices are duly published in compliance with the requirements of each competent listing authority and/or stock exchange on or by which the Instruments are listed and/or traded. Any notice so given will be deemed to have been validly given: (a) on the date of first such publication (or, if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers) or (b) unless it has been specified otherwise in the Final Terms on the date of such delivery to Euroclear and/or Clearstream, Luxembourg and/or such other clearing system or the persons shown in the "CMU Instrument Position Report". Holders of Coupons will be deemed for all purposes to have notice of the contents of any notice given to Holders of Bearer Instruments in accordance with this Condition. A copy of each notice given pursuant to this Condition will in any event be delivered to Euroclear, Clearstream, Luxembourg, the CMU Service and/or any other relevant clearing system.

To Holders of Registered Instruments

14.2 Notices to Holders of Registered Instruments will be deemed to be validly given if sent by first class mail (or equivalent) or (if posted to an overseas address) by air mail to them (or, in the case of joint Holders, to the first-named in the register kept by the Registrar) at their respective addresses as recorded in the register kept by the Registrar, and will be deemed to have been validly given on the fourth weekday after the date of such mailing or, if posted from another country, on the fifth such day.

15. Further Issues

The Issuer may from time to time, without the consent of the Holders of any Instruments or Coupons, create and issue further instruments, bonds or debentures having the same terms and conditions as such Instruments in all respects (or in all respects except for the first payment of interest, if any, on them and/or the denomination or the issue price thereof) so as to be consolidated to form a single series with the Instruments of any particular Series.

16. Substitution of the Issuer

16.1 The Issuer may, with respect to any Series of Instruments issued by it (the “Relevant Instruments”), without the consent of any Holder, substitute for itself any other body corporate incorporated in any country in the world as the debtor in respect of the Instruments and the Issue and Paying Agency Agreement (the “Substituted Debtor”) upon notice by the Issuer and the Substituted Debtor to be given by publication in accordance with Condition 14 (*Notices*), provided that:

- (i) the Issuer is not in default in respect of any amount payable under any of the Relevant Instruments;
- (ii) the Issuer and the Substituted Debtor have entered into such documents (the “Documents”) as are necessary to give effect to the substitution and in which the Substituted Debtor has undertaken in favour of each Holder of the Relevant Instruments to be bound by these Terms and Conditions, the provisions of the Issue and Paying Agency Agreement and the Deed of Covenant as the debtor in respect of such Instruments in place of the Issuer (or of any previous substitute under this Condition 16);
- (iii) if the Substituted Debtor is resident for tax purposes in a territory (the “New Residence”) other than that in which the Issuer prior to such substitution was resident for tax purposes (the “Former Residence”), the Documents contain an undertaking and/or such other provisions as may be necessary to ensure that each Holder of the Relevant Instruments has the benefit of an undertaking in terms corresponding to the provisions of Condition 8 (*Taxation*) with, where applicable, the substitution of references to the Former Residence with references to the New Residence;
- (iv) Westpac guarantees the obligations of the Substituted Debtor in relation to outstanding Relevant Instruments on terms in all material respects similar to the Deed of Guarantee;
- (v) the Substituted Debtor and the Issuer have obtained all necessary governmental approvals and consents for such substitution and for the performance by the Substituted Debtor of its obligations under the Documents and for the performance by the Issuer of its obligations under the guarantee referred to above as they relate to the obligations of the Substituted Debtor under the Documents;
- (vi) each competent listing authority and/or stock exchange on or by which the Relevant Instruments are admitted to listing and/or trading shall have confirmed that, following the proposed substitution of the Substituted Debtor, the Relevant Instruments will continue to be admitted to listing and/or trading by the relevant competent listing authority and/or stock exchange; and
- (vii) if applicable, the Substituted Debtor has appointed a process agent as its agent in England to receive service of process on its behalf in relation to any legal proceedings arising out of or in connection with the Relevant Instruments and any Coupons.

16.2 Upon such substitution the Substituted Debtor shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under the Relevant Instruments and the Issue and Paying Agency Agreement with the same effect as if the Substituted Debtor had been named as one of the Issuers therein, and the Issuer shall be released from its obligations under the Relevant Instruments and under the Issue and Paying Agency Agreement.

16.3 After a substitution pursuant to Condition 16.1, the Substituted Debtor may, without the consent of any Holder, effect a further substitution. All the provisions specified in Conditions 16.1 and 16.2 shall apply *mutatis mutandis*, and references in these Terms and Conditions to the Issuer shall, where the context so requires, be deemed to be or include references to any such further Substituted Debtor.

16.4 After a substitution pursuant to Conditions 16.1 or 16.3 any Substituted Debtor may, without the consent of any Holder, reverse the substitution, *mutatis mutandis*.

16.5 The Documents shall be delivered to, and kept by, the Fiscal Agent. Copies of the Documents will be available free of charge at the Specified Office of each of the Paying Agents.

17. Currency Indemnity

The currency in which the Instruments are denominated or, if different, payable from time to time, as specified in these Terms and Conditions or the Final Terms (the “Contractual Currency”), is the sole currency of account and payment for all sums payable by the Issuer or the Guarantor (if applicable) in respect of the Instruments, including damages. Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction or otherwise) by any Holder of an Instrument or Coupon in respect of any sum expressed to be due to it from

the Issuer or the Guarantor (if applicable) shall only constitute a discharge to the Issuer or the Guarantor (if applicable) to the extent of the amount in the Contractual Currency which such Holder is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that amount is less than the amount in the Contractual Currency expressed to be due to any Holder of an Instrument or Coupon in respect of such Instrument or Coupon the Issuer or the Guarantor (if applicable) shall indemnify such Holder against any loss sustained by such Holder as a result. In any event, the Issuer or the Guarantor (if applicable) shall indemnify each such Holder against any cost of making such purchase which is reasonably incurred. These indemnities constitute separate and independent obligations from the Issuer's or the Guarantor's (if applicable) other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of an Instrument or Coupon and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due in respect of the Instruments or Coupons or any judgment or order. Any such loss aforesaid shall be deemed to constitute a loss suffered by the relevant Holder of an Instrument or Coupon and no proof or evidence of any actual loss will be required by the Issuer or the Guarantor (if applicable).

18. Waiver and Remedies

No failure to exercise, and no delay in exercising, on the part of the Holder of any Instrument, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right. Rights hereunder shall be in addition to all other rights provided by law. No notice or demand given in any case shall constitute a waiver of rights to take other action in the same, similar or other instances without such notice or demand.

19. Law and Jurisdiction

- 19.1 The Instruments, the Deed of Guarantee, the Issue and Paying Agency Agreement and the Deeds of Covenant are governed by, and shall be construed in accordance with, English law except that in the case of Instruments described in the Final Terms as being subordinated, the provisions of Condition 4 (*Status of the Instruments and the Guarantee*) as it applies to such Instruments shall be governed by and construed in accordance with the laws of New South Wales, Australia.
- 19.2 Subject as provided in Condition 19.4, the courts of England and Wales have exclusive jurisdiction to settle any dispute (a "Dispute") arising from or connected with the Instruments.
- 19.3 Each Issuer and the Guarantor agrees that the courts of England and Wales are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue to the contrary.
- 19.4 Condition 19.2 is for the benefit of the Holders of the Instruments only. As a result, nothing in this Condition 19 shall prevent any Holder of the Instruments from taking proceedings relating to a Dispute ("Proceedings") in any other courts with jurisdiction. To the extent allowed by law, Holders of the Instruments may take concurrent Proceedings in any number of jurisdictions.
- 19.5 Each of Westpac and WTSNZ acting through its London branch agrees that if at any time it ceases to be registered under Part XXIII of the Companies Act 1985 it will appoint a person with a registered office in London as its agent to accept service of process in England and Wales on its behalf in respect of any Proceedings.

20. Third Parties

No person shall have any right to enforce any term or condition of any Instrument under the Contracts (Rights of Third Parties) Act 1999 but this shall not affect any right or remedy of a third party which exists or is available apart from that Act.

The Westpac Group is one of New Zealand's largest banking organisations and provides a full range of retail banking, wealth management and business banking products and services to its 1.4 million New Zealand-based customers. As at 30 September 2007, it had approximately 5,000 staff, 197 branches (including agency sites), 45 of which are based in Auckland, the largest market in New Zealand, and 476 Westpac-branded ATMs operating throughout the country.

The Westpac Group is the third largest lender of housing finance in New Zealand.²⁹ As at 30 September 2007, its mortgage loan portfolio was NZ\$29.7 billion (A\$25.4 billion) (2006 NZ\$25.1 billion (A\$21.9 billion)) including securitised loans of NZ\$0.6 billion (A\$0.5 billion) (2006 NZ\$0.6 billion (A\$0.5 billion)). In addition, the Westpac Group is a major provider of wealth management services, with NZ\$1.9 billion (A\$1.6 billion) (2006 NZ\$1.9 billion (A\$1.7 billion)) in FUM as at 30 September 2007.

The Westpac Group continues to implement a customer growth strategy based on product offerings that seek to meet its customers' needs, more customer-facing staff in consumer and business banking, increasing its branch and ATM footprint in key strategic locations, and the implementation of new technology to assist its front line staff in providing high quality customer service.

Group Treasury, Pacific Banking and Head Office

In addition to BTSS, Westpac's other business segments include Group Treasury, Pacific Banking and Head Office functions. Group Treasury operations are primarily focused on management of Westpac's interest rate risk and funding requirements. Pacific Banking comprises Westpac's presence in the near Pacific, including Papua New Guinea and Fiji. Head Office includes those functions performed centrally including finance, risk, legal and human resources, with expenses incurred charged back to business units. It also includes the management of the Westpac Group's capital.

Trends³⁰

2007 was a strong year for Westpac. The Westpac Group lifted revenue growth and all businesses are exhibiting good operational momentum going into 2008.

Westpac has also continued to invest for growth, adding a further 800 employees, principally in the front line, and boosting platform and product capabilities, including reshaping Australian superannuation through its innovative Super for Life product.

Looking ahead, the economic environment remains broadly supportive. Westpac expects that the Australian economy will remain robust, underpinned by continuing strong demand, both domestically and internationally and historically low unemployment. As a result, Westpac expects that demand for credit will remain high, with solid housing growth and continuing robust business investment. At the same time, legislative changes to retirement savings in Australia have provided a further boost to the wealth industry.

A key variable in the year ahead is the current dislocation of global capital markets. While Westpac anticipates an easing in the tight liquidity conditions through 2008, some changes brought on by the fall-out of the US sub-prime market are structural and Westpac believes they will become a more permanent feature of financial markets.

In particular, Westpac expects more differentiated pricing for risk. In addition, it is likely that the business models of some market participants will be challenged by the tighter liquidity and the realignment of asset prices.

Westpac's leading position in institutional banking and its balance sheet strength have already created opportunities and Westpac expects this trend to continue in the coming year.

Westpac's franchise health is also strong with record high employee commitment, improving customer satisfaction and our leadership in sustainability and governance.

Recent Developments

Westpac appoints new CEO

On 17 August 2007, Westpac announced that Gail Kelly has been appointed to be Westpac's new Chief Executive Officer. Gail Kelly will join Westpac on 1 February 2008, succeeding David Morgan who has been Westpac's CEO since March 1999. David Morgan has agreed to remain as CEO until Gail Kelly commences.

Proposed acquisition of RAMS franchise distribution business

On 2 October 2007, Westpac announced that it had reached agreement to acquire the RAMS franchise distribution business for A\$140 million payable in cash. The business to be acquired includes the RAMS brand, franchise network and associated mortgage origination and servicing systems and contracts needed to run the distribution business. Acquiring the RAMS franchise network will provide a new growth option for Westpac. It will add an additional retail channel and extend Westpac's retail footprint by more than 10 per cent. via an additional 92 stores operated by 53 franchisees. Westpac is not acquiring the ASX-listed RAMS Home Loans Group Ltd or its existing mortgage book. Westpac, if various conditions are met, will fund up

to A\$500 million of mortgages settled from 15 November 2007 until the formal completion of the acquisition. The acquisition requires the approval of RAMS' shareholders. Subject to this, the proposed transaction is expected to be completed in early January 2008.

De-listing from Tokyo Stock Exchange

Westpac's shares were de-listed from the Tokyo Stock Exchange in July 2007. The decision to de-list was taken due to the decline in shareholder numbers trading on the Tokyo Stock Exchange and the ease with which these shareholders can trade on either the Australian or New Zealand Stock Exchanges.

BT Investment Management Business

Westpac announced to the market on 9 August 2007 that the BT investment management business would be amalgamated into one separate legal entity, BT Investment Management Limited ("BTIM"), and a portion would be sold off as part of an initial public offering. Westpac will retain 60 per cent. of the equity in BTIM, with the balance to be held by investment professionals employed by BTIM and other investors. Westpac is not transferring to BTIM BTFG's other wealth management business, including financial advice, insurance, private banking and customer solutions (which is responsible for wrap platforms) and BTFG's suite of retail investment, superannuation and retirement products.

Competition

The Australian financial services market continues to change in response to evolving customer needs and competitive dynamics.

Customers are increasingly knowledgeable and active in managing their own financial affairs and are driving demand for tailored and innovative solutions, as well as increasing expectations in regard to pricing and service. Specifically:

- superannuation, a government-regulated mandatory retirement savings programme for working Australians, with its multiple rule changes, is becoming increasingly important to customers, spurring the demand for quality financial advice and solutions; and
- corporate and institutional customers continue to expand globally and, as a result, are increasing the complexity of their financial needs.

In a broadly supportive economic environment, the Australian financial services market continues to experience competitive pressures across all business segments:

- newer entrants and regional banks are aggressively pursuing growth by initially targeting profitable niche segments and then broadening their offerings and geographic presence;
- competitors are pricing aggressively to achieve growth, making margin decline across the sector likely to continue;
- third party distributors, like mortgage and business lending brokers, have consolidated their strong position in the market;
- corporate and institutional customers have access to finance from a range of sources, including global investment banks, which places pressure on pricing;
- strong growth of Australia's wealth industry is attracting a large variety of new players; and
- advances in technology are reducing service delivery costs and improving customer convenience, thus reducing the need for ownership and control of all of the activities required to provide a financial service or product.

In New Zealand, Westpac faces competition principally from the locally incorporated subsidiaries of the other three major Australian banks. All these other major banks offer comprehensive financial services products to consumer, business and corporate customers throughout the country. In addition, there is competition from a number of smaller market participants that are focusing on niche opportunities within the retail and business sectors.

Majority Shareholders and Share Capital

As at 30 September 2007, the number of Westpac ordinary shares in issue was 1,865,087,604. Westpac has no partly paid share capital.

Westpac is not directly or indirectly owned or controlled by any other corporation(s) or by any foreign government.

There is no provision in Westpac's constitution that requires a shareholder to disclose the extent of their ownership of Westpac's ordinary shares.

Under the Australian Corporations Act 2001, any person who begins or ceases to have a substantial holding of Westpac's shares must, within two business days, give Westpac notice of that acquisition or disposal. A further notice must be given to Westpac by a substantial shareholder within two business days if at any time there is an increase or decrease of 1 per cent. in their holding. Copies of these notices must also be given to the ASX. A person will have a substantial holding of Westpac's shares if the voting rights attaching to such shares in which that person and their associates have relevant interests is 5 per cent. or more of the total number of votes attached to all Westpac's voting shares.

Westpac has a statutory right under the Australian Corporations Act 2001 to trace the beneficial ownership of shares held by any shareholder, by giving a direction to that shareholder requiring disclosure to Westpac of, among other things, the name and address of each other person who has a relevant interest in those shares, the nature and extent of that interest and the circumstances that gave rise to that other person's interest. Such disclosure must, except in certain limited circumstances, be provided within two business days.

As at the date of this Base Prospectus there are six independent Non-executive Directors and one Executive Director on the Board. In addition, up to three members of the Board may be Executive Directors. The Chairman of the Board is non-executive and independent of the role of the CEO.

The Board considers that the optimum number of Directors is between seven and nine, with Non-executive Directors comprising the majority of the Board.

Director Independence and avoidance of conflicts of interest by a Director

The Board assesses each Director against a range of criteria to decide whether they are in a position to exercise independent judgement.

Directors are considered to be independent if they are independent of management and free from any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the exercise of their unfettered and independent judgement. Materiality is assessed on a case-by-case basis by reference to each Director's individual circumstances rather than by applying general materiality thresholds.

In assessing independence, the Board considers whether the Director has a business or other relationship with Westpac, directly or as a partner, shareholder or officer of a company or other entity that has an interest, or a business or other relationship, with Westpac or another Westpac Group member.

Information about any such interests or relationships, including any related financial or other details, is assessed by the Board to determine whether the relationship could, or could reasonably be perceived to, materially interfere with the exercise of a Director's unfettered and independent judgement.

As part of this process, the Board takes into account a range of relevant matters and will have regard to whether the director or an immediate family member has any of the following relationships:

- a substantial shareholder (as defined in section 9 of the Australian Corporations Act 2001) of Westpac or an officer of, or otherwise associated directly with, a substantial shareholder of Westpac;
- within the last five years, employment in an executive capacity by Westpac or another Westpac Group member, or been a director of Westpac after ceasing employment with Westpac;
- within the last five years, been a principal of a material professional adviser or a material consultant to Westpac or another Westpac Group member, or an employee materially associated with the service provided;
- within the last five years, a present or former affiliation with or employment by a present or former external auditor of Westpac or another Westpac Group member who has worked on the Westpac (or Westpac Group member) audit;
- within the last five years, employment by any entity while that entity had an executive officer of Westpac or another Westpac Group member on its compensation committee;
- a material supplier or customer of Westpac or another Westpac Group member, or an officer of or otherwise associated directly or indirectly with a material supplier or customer of Westpac or any other Westpac Group member;
- a material contractual relationship with Westpac or another Westpac Group member other than as a Director or Committee member of Westpac or another Westpac Group member;
- has served on the Board of Westpac or of another Westpac Group member for a period in excess of 12 years or which having regard to all the circumstances could, or could reasonably be perceived to, materially interfere with the director's ability to act in the best interests of Westpac; or
- has an interest or a business or other relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act in the best interests of Westpac.

On appointment, each Director is required to provide information for the Board to assess and confirm their independence as part of their consent to act as a Director. Directors re-affirm their independence annually. All six Non-executive Directors are considered to be independent.

In addition, the Nominations Committee is responsible for reviewing the definition of Director independence periodically and for assessing the independence of each newly appointed Non-executive Director and any other Non-executive Director whose circumstances change.

The Board is conscious of its obligations to ensure that Directors avoid conflicts of interest (both real and apparent) between their duties as Directors of Westpac and their other interests and duties. The Board has

adopted a procedure to ensure that conflicts and potential conflicts of interest of Directors are disclosed to the Board.

Any Director with a material personal interest in a matter being considered by the Board must declare their interest and, unless the Board resolves otherwise, they may not participate in boardroom discussions or vote on matters on which they have a conflict.

There is a range of policies within Westpac relating to the management of conflicts of interest, such as the Conflicts of Interest Policy and the Insider Trading Policy. Where these types of conflict apply to the Board there is a consistent approach adopted. The Directors are subject to policies that restrict trading in Westpac shares except in specified trading window periods. The Directors are also subject to restrictions on participating in new offers initiated by Westpac (the New Issues Policy).

In addition, each Director is required to disclose any actual or potential conflict of interest on appointment as a Director and is required to keep these disclosures up to date. Westpac then discloses any changes in Director's interests to the ASX.

As at the date of this Base Prospectus, taking into account the above criteria and relationships, there are no existing or potential conflicts of interest between any duties owed to Westpac by its directors and the private interests or duties of those directors (other than those specified under the sub-heading "Directors' interests in contracts" in Note 44 to Westpac's 2007 consolidated financial statements, which are incorporated by reference in this Base Prospectus). In respect of potential conflicts of interest that may arise in the future, Westpac will manage such conflicts in accordance with its Conflicts of Interest Policy, such that it does not expect that any actual conflicts of interest would arise.

Westpac's Corporate Governance

Framework and approach to corporate governance and responsibility

Westpac's approach to corporate governance is based on a set of values and behaviours that underpin everyday activities, ensure transparency and fair dealing, and protect stakeholder interests.

This approach includes a commitment to the highest standards of governance, which the Board sees as fundamental to the sustainability of Westpac's business and performance.

In pursuing this commitment, the Board monitors local and global developments in corporate governance and their implications for Westpac.

In Australia, Westpac has taken into account the revised 'Corporate Governance Principles and Recommendations' published in August 2007 by ASX's Corporate Governance Council (ASXCGC Principles and Recommendations) and the Australian Corporations Act 2001.

In the international arena, Westpac has responded to a range of relevant corporate governance principles.

Compliance with ASXCGC Principles and Recommendations

The ASX Listing Rules require listed entities (such as Westpac) to include a statement in their annual report disclosing the extent to which they have followed the 27 ASXCGC Principles and Recommendations during the reporting period, identifying any recommendations that have not been followed and providing reasons for that variance.

Westpac believes that its governance practices comply with the ASXCGC Principles and Recommendations.

Although the revised ASXCGC Principles and Recommendations no longer require proposed equity-based incentive plans to be submitted to shareholders. However, the 2002 equity-based reward plans were extensively disclosed to shareholders in the 2002 and subsequent years' annual reports and for the year ended 30 September 2007 are set out in detail in note 27 of the financial statements, which have been incorporated by reference into this Base Prospectus.

Westpac's Audit Committee

Role of the Audit Committee

Westpac's Board shares oversight responsibility for risk management between the Audit Committee and the Risk Management Committee.

The Audit Committee oversees all matters concerning:

- integrity of the financial statements and financial reporting systems;
- making recommendations to the Board for the appointment of the external auditor;
- external auditor's qualifications, performance, independence and fees;
- oversight and performance of internal audit function; and
- compliance with financial reporting and related regulatory requirements.

Integrity of the Financial Statements

The Audit Committee oversees the preparation of Westpac's financial statements and requires management to confirm that the accounting methods applied by management are consistent and comply with applicable accounting standards and concepts.

The Committee reviews and assesses:

- any significant estimates and judgements in financial reports and monitors the methods used to account for unusual transactions;
- the processes used to monitor and comply with laws, regulations and other requirements relating to external reporting of financial and non-financial information; and
- the major financial risk exposures and the process surrounding the disclosures made by the CEO and CFO in connection with their personal certifications of the half-year and annual financial statements.

External audit

The Audit Committee makes recommendations to the Board concerning the appointment of the external auditor and approving the terms of engagement. The Committee reviews the performance and independence of the external auditor. This evaluation includes an annual review of the external auditor's internal quality control procedures, reviews of non-audit services which have been provided, consideration of any recent inquiry or investigation by governmental or professional authorities and the capabilities of the lead audit staff who work on Westpac's audit.

For permitted non-audit services, use of the external audit firm must be assessed in accordance with Westpac's pre-approval policy, which requires that all non-audit services be pre-approved by the Audit Committee, by delegated authority to a sub-committee consisting of one or more members where appropriate.

The external auditor receives all Audit Committee papers and attends all meetings. The Committee meets with the external auditor without management being present, and also meets with management without the external auditor being present. Committee members are able to contact the external auditor directly at any time.

Internal audit

The Audit Committee is responsible for making recommendations to the Board concerning the appointment and replacement of the General Manager Group Assurance (Head of Internal Audit) and reviews the internal audit responsibilities, budget and staffing. Periodically, the Audit Committee meets with the General Manager Group Assurance without management being present. The Audit Committee Chairman also meets separately with the General Manager Group Assurance.

Compliance with financial reporting and related regulatory requirements

The Audit Committee is responsible for overseeing Westpac's compliance with applicable financial reporting and related regulatory requirements.

The Audit Committee's role, among other things, includes regular discussions with:

- members of the Risk Management Committee, the Chief Operational Risk and Compliance Officer, management and the external auditor, about Westpac's major financial risk exposures and the steps management has taken to monitor and control such exposures;

- the external auditor concerning their audit and any significant findings and the adequacy of management's responses;
- management and the external auditor concerning the half-yearly and annual financial statements, including disclosures in the 'operating and financial review and prospects' of the annual report;
- management and the external auditor on any correspondence with regulators or government agencies and reports which raise issues of a material nature; and
- the Group Secretary & General Counsel on any legal matters that may have a material impact on the financial statements and/or Westpac's compliance with financial reporting and related regulatory policies.

The Audit Committee also monitors Westpac's procedures for the receipt, retention and treatment of complaints, including accounting, internal accounting controls or auditing matters and the confidential or anonymous submission by employees of concerns regarding accounting or auditing matters.

Financial knowledge of Committee members

The Audit Committee includes members who have appropriate financial experience and an understanding of the financial services industry. All members of the Audit Committee satisfy the independence requirements under the ASXCGC Principles and Recommendations, the United States Securities Exchange Act of 1934 (as amended) and the rules of the New York Stock Exchange (NYSE).

The Board has determined that David Crawford, the Chairman of the Audit Committee, is an 'audit committee financial expert' and is independent as defined in the Listing Standards of the NYSE. David Crawford is not an auditor or an accountant with respect to Westpac, does not perform 'field work' and is not a full-time employee. Under United States laws, an audit committee member who is designated as an 'audit committee financial expert' will not be deemed to be an 'expert' for any purpose other than as a result of being identified as an 'audit committee financial expert'. Although the Board has determined that David Crawford has the requisite 'financial expert' attributes defined under the rules of the United States Securities and Exchange Commission (SEC), his responsibilities as an Audit Committee member are the same as those of other Audit Committee members.

The Audit Committee assesses the information provided by management and the external auditor. Management determines that Westpac's financial statements and disclosures are complete and accurate. The external auditor has the duty to plan and conduct audits.

As at the date of this Base Prospectus, the following Directors are members of the Audit Committee: David Crawford (Chair), Elizabeth Bryan, Gordon Cairns, Ted Evans, Carolyn Hewson and Peter Wilson. As noted above, David Crawford intends to retire as a Director on 13 December 2007.

Other matters

Litigation

Westpac has contingent liabilities in respect of actual and potential claims and proceedings that have not been determined. An assessment of the likely loss is made on a case-by-case basis for the purposes of the financial statements and specific provisions have been made where appropriate, as described in Note 40 to Westpac's financial statements.

Westpac entities are defendants from time to time in legal proceedings arising from the conduct of their business.

Westpac is one of twenty defendant banks named in proceedings concerning the Bell Group of Companies. The proceedings have been brought by the liquidators of several Bell Group companies and seek to challenge the defendant banks' entitlement to receive the proceeds of realisation of Bell Group assets in the early 1990s. The proceedings concluded recently and Westpac is awaiting judgment. It is not possible to estimate the potential impact, however, Westpac believes that it has good prospects of success.

The New Zealand Commerce Commission issued proceedings on 9 November 2006 against Westpac's New Zealand Branch (NZ Branch), Westpac New Zealand Limited and The Warehouse Financial Services Limited (members of the Westpac Group), Visa International, Cards NZ Limited, MasterCard International and all New Zealand issuers of Visa and MasterCard credit cards alleging that the setting of interchange rates and rules (relating to honour all cards, no surcharge, access and no discrimination) amount to price fixing or alternatively have the effect of substantially lessening competition in the New Zealand market in breach of the Commerce Act 1986. The proceedings seek to declare the conduct illegal and impose unspecified monetary penalties.

In addition, on 29 November 2006, a number of New Zealand retailers issued similar proceedings to those issued by the Commerce Commission (as described above) against the NZ Branch, Westpac New Zealand Limited, The Warehouse Financial Services Limited, Visa International, Cards NZ Limited, MasterCard International and New Zealand issuers of Visa and MasterCard credit cards. These proceedings also seek to declare the conduct illegal and an enquiry into damages. Any damages awarded would be in addition to any penalties imposed under the Commerce Act 1986, in the event that the Commerce Commission is successful in the proceedings described above. On 16 October 2007, both proceedings (as described above) were discontinued against the NZ Branch on the basis that the issues in the proceedings relate to assets and liabilities which vested in Westpac New Zealand Limited (also a defendant) on 1 November 2006 (see *Westpac Banking Corporation – New Zealand Banking* for further information). Westpac is considering its position in relation to both proceedings and, at this stage, does not consider it necessary to raise a provision in relation to this matter.

New Zealand Inland Revenue Department Investigation

The New Zealand Inland Revenue Department ("NZIRD") is reviewing a number of structured finance transactions undertaken in New Zealand and has issued amended reassessments in respect of nine transactions, three undertaken in the 1999 tax year, two undertaken in the 2000 tax year, two undertaken in the 2001 tax year and two undertaken in the 2002 tax year. The maximum potential tax liability reassessed for the 1999 year is NZ\$18 million (A\$15 million) (NZ\$25 million (A\$21 million) with interest), for the 2000 year is NZ\$61 million (A\$52 million) (NZ\$85 million (A\$73 million) with interest), for the 2001 year is NZ\$90 million (A\$77 million) (NZ\$127 million (A\$109 million) with interest), and for the 2002 year is NZ\$108 million (A\$93 million) (NZ\$158 million (A\$135 million) with interest). Interest for each year has been calculated to 30 September 2007.

The NZIRD is also investigating other transactions undertaken by the NZ Branch, which have materially similar features to those for which assessments have been received. Should the NZIRD take the same position across all of these transactions, for the periods up to and including 30 September 2007, the overall primary tax in dispute will be approximately NZ\$595 million (A\$510 million) (this includes the amounts noted above). With interest this increases to approximately NZ\$815 million (A\$698 million) (calculated to 30 September 2007).

Proceedings disputing the reassessments with respect to the 1999, 2000, 2001 and 2002 tax years have been commenced. Westpac is confident that the tax treatment applied in all cases is correct. A ruling was sought from the NZIRD on an initial transaction in 1999 which, following extensive review by the NZIRD, was confirmed in early 2001. The principles underlying that ruling are applicable to, and have been followed in, all subsequent transactions.

Liquidity support

Westpac is a participant to the interbank deposit agreement (IDA) along with three other Australian banks. This agreement provides for notice to be served upon the other participants by a bank experiencing liquidity problems. The other depositors are obligated to deposit an equal amount of up to A\$2 billion each for a period of 30 days. At the conclusion of 30 days the deposit holder has the option to repay the deposit in cash or by way of assignment of certain home loan mortgages to the value of the deposit. This agreement is intended to provide increased certainty of access to funding in times of crisis.

Organisational Structure

Westpac's controlled entities are set out in Note 42 to the 2007 annual financial statements, which are incorporated by reference and form part of this Base Prospectus. Westpac Banking Corporation is the ultimate parent of the Westpac Group.

TAXATION

The information provided below does not purport to be a complete summary of Australian, New Zealand or United Kingdom tax law and practice currently applicable. Prospective investors who are in any doubt as to their tax position should consult with their own professional advisers.

Australia (only in relation to Westpac Banking Corporation)

Income and Withholding Taxes

The following is a summary of the Australian taxation treatment for Australian issuers, at the date of this Base Prospectus, of payments of interest (which for the purposes of this summary includes amounts in the nature of interest) on Instruments and certain other matters. It is not exhaustive and, in particular, does not deal with the position of certain classes of Holders of an Instrument (such as dealers in securities). Prospective Holders of an Instrument should be aware that the particular terms of issue of any Series of Instruments may affect the tax treatment of that and other Series of Instruments. The following is a general guide and should be treated with appropriate caution. Holders of Instruments who are in any doubt as to their tax position should consult their professional advisers.

Under Australian law as currently in effect the Holder of an Instrument or of any right or interest therein will not incur or become liable for any Australian taxes or duties of whatever nature in respect of principal and premium, if any, or of interest on an Instrument, other than withholding tax on interest, if the Holder is not a resident of Australia and does not carry on business in Australia through a permanent establishment to which the holding of such Instrument or interest therein is attributable or effectively connected (within the meaning of applicable Australian tax legislation and double taxation agreements).

Interest on Instruments issued to non-Australian residents and Australian residents carrying on business at or through a permanent establishment outside Australia will qualify for exemption from Australian withholding tax under Section 128F of the Income Tax Assessment Act 1936 of the Commonwealth of Australia (the "Tax Act") where certain conditions are satisfied. For the exemption in section 128F of the Tax Act to be available:

- (a) the issuer must be a resident of Australia or a non-Australian resident carrying on a business at or through a permanent establishment in Australia when it issues Instruments and when interest is paid on those Instruments;
- (b) a public offer test must be satisfied. The public offer test may be satisfied in one of a number of ways. In summary, the ways of satisfying the public offer test are:
 - (i) offers to 10 or more professional financiers, investors or dealers who are not associates (as defined in section 128F of the Tax Act) of each other;
 - (ii) offers to 100 or more potential investors;
 - (iii) offers of listed Instruments;
 - (iv) offers as a result of negotiations being initiated publicly via electronic means or other market sources;
 - (v) offers to dealers, managers or underwriters who agree to on-sell the Instruments within 30 days by one of the preceding methods; and
 - (vi) the issue of a global bond in a way which complies with one of the five preceding methods.

The exemption under section 128F of the Tax Act will not be available if:

- (i) at the time of issue, the issuer knew, or had reasonable grounds to suspect, that the Instruments or an interest in the Instruments was being or would later be acquired either directly or indirectly by an Offshore Associate of the issuer (other than one acting in the capacity of a dealer, manager or underwriter in relation to the placement of the Instruments or in the capacity of a clearing house, custodian, funds manager or responsible entity of an Australian registered scheme); or
- (ii) the issuer knew or had reasonable grounds to suspect, at the time of payment that interest (or an amount in the nature of interest) in respect of an Instrument was to be paid to an Offshore Associate of the issuer other than one receiving the payment in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of an Australian registered scheme.

“Offshore Associate” means an associate (as defined in section 128F of the Tax Act) of the issuer that is either a non-resident of the Commonwealth of Australia which does not acquire the Instruments in carrying on a business at or through a permanent establishment in Australia or, alternatively, is a resident of Australia that acquires the Instruments in carrying on business at or through a permanent establishment outside of Australia.

Westpac Banking Corporation proposes to issue Instruments in a manner which will satisfy the public offer test and which otherwise meets the requirements of section 128F of the Tax Act.

If Westpac Banking Corporation should at any time be compelled by law to deduct or withhold an amount in respect of any Withholding Taxes (as defined in Condition 8 (*Taxation*)), it must, subject to certain exceptions set out in Condition 8, pay such additional amounts as may be necessary in order to ensure that the net amounts received by the Holder of an Instrument after such deduction or withholding equal the respective amounts which would have been receivable had no such deduction or withholding been required.

Westpac Banking Corporation has been advised that under Australian law as presently in effect:

- (i) assuming the requirements of section 128F of the Tax Act are satisfied with respect to the Instruments, payment of principal and interest (or amounts in the nature of interest) to a Holder of an Instrument, who is a non-resident of Australia and who, during the taxable year, has not held any Instruments in the course of carrying on trade or business through a permanent establishment within Australia will not be subject to Australian income taxes;
- (ii) a Holder of an Instrument, who is a non-resident of Australia and who during the taxable year has not held any Instrument in the course of carrying on trade or business through a permanent establishment within Australia, will not be subject to Australian income tax on gains realised during that year on sale or redemption of Instruments, provided such gains do not have an Australian source. A gain arising on the sale of an Instrument by a non-Australian resident Holder to another non-Australian resident where the Instrument is sold outside Australia and all negotiations are conducted and documentation executed outside Australia would not be regarded as having an Australian source;
- (iii) no Instruments will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death; and
- (iv) no *ad valorem*, stamp, issue, registration or similar taxes are payable in Australia on the issue of any Instruments or the transfer of any Instruments outside Australia.

Section 126 of the Tax Act imposes a type of withholding tax at the rate of 45 per cent. on the payment of interest (as defined for the purposes of the section) on bearer Instruments (other than certain zero coupon promissory notes) if the relevant Issuer fails to disclose the names and addresses of the Holders to the Australian Taxation Office. Section 126 does not apply to the payment of interest on Instruments held by non-residents who do not carry on business at or through a permanent establishment in Australia where the issue of those notes satisfied the requirements of section 128F of the Tax Act or interest withholding tax is payable. However, the operation of section 126 in relation to Instruments held in some circumstances is unclear. Section 126 will not apply in any circumstances if the name and address of the Holder of the relevant Instruments is disclosed to the Australian Taxation Office. In Taxation Determination TD 2001/19, the Commissioner of Taxation of Australia accepted that, where interests in instruments are held by persons through the Euroclear, Clearstream, Luxembourg or CMU Service systems, the operators of those systems may be treated as the holders of the relevant instruments.

The Commissioner of Taxation of the Commonwealth of Australia may give a direction under section 255 of the Tax Act or section 260-5 of the Taxation Administration Act 1953 or any similar provision requiring Westpac Banking Corporation to deduct from any payment to any other party (including any Holder of an Instrument) any amount in respect of tax payable by that other party.

New Zealand

New Zealand law requires a deduction on account of non-resident withholding tax to be made from the payment of New Zealand source income constituting interest (as defined for New Zealand tax purposes) made to any Holder who is not a New Zealand Holder. It is expected that payments of interest by WTSNZ in respect of money lent to it outside New Zealand, for the purposes of its business carried on through its London branch, to a person that is not a New Zealand Holder, will not be subject to New Zealand non-resident withholding tax. However, should a liability for New Zealand non-resident withholding tax arise, WTSNZ may gross up the interest payment in accordance with the Terms and Conditions, or reduce the applicable rate of non-resident withholding tax to zero per cent. by registering the Programme with the New

Zealand Inland Revenue Department and paying, on its own account, an approved issuer levy equal to 2 per cent. of the relevant interest payment.

United Kingdom

The following is a summary of the United Kingdom withholding taxation treatment at the date hereof in relation to payments of principal and interest in respect of the Instruments. The comments do not deal with other United Kingdom tax aspects of acquiring, holding or disposing of Instruments. The comments relate only to the position of persons who are absolute beneficial owners of the Instruments. Prospective Holders of Instruments should be aware that the particular terms of issue of any series of Instruments as specified in the relevant Final Terms may affect the tax treatment of that and other series of Instruments. The following is a general guide and should be treated with appropriate caution. Holders of Instruments who are in any doubt as to their tax position should consult their professional advisers.

Holders of Instruments who may be liable to taxation in jurisdictions other than the United Kingdom in respect of their acquisition, holding or disposal of the Instruments are particularly advised to consult their professional advisers as to whether they are so liable (and if so under the laws of which jurisdictions), since the following comments relate only to certain United Kingdom taxation aspects of payments in respect of the Instruments. In particular, Holders of Instruments should be aware that they may be liable to taxation under the laws of other jurisdictions in relation to payments in respect of the Instruments even if such payments may be made without withholding or deduction for or on account of taxation under the laws of the United Kingdom.

A. United Kingdom Withholding Tax on United Kingdom-source interest

The following comments apply to United Kingdom-source interest (“UK-source interest”). Interest payments under Instruments issued by the Issuers may be regarded as UK-source interest where, for example, interest is paid out of funds maintained in the United Kingdom. It is highly likely that interest on Instruments issued by the Issuers through their London branches will be treated as UK-source interest.

A.1 UK Instruments listed on a recognised stock exchange

The Instruments issued by an Issuer which carry a right to UK-source interest (“UK Instruments”) will constitute “quoted Eurobonds” provided they are and continue to be listed on a recognised stock exchange. Pursuant to section 1005 of the Income Tax Act 2007, securities are listed on a recognised stock exchange for these purposes if they are (i) admitted to trading on that exchange and (ii) included in the Official List (within the meaning of and in accordance with Part 6 of the Financial Services and Markets Act 2000) or are officially listed in a qualifying country outside the United Kingdom in accordance with provisions corresponding to those applicable EEA states. The London Stock Exchange is a recognised stock exchange for these purposes; however, it has not been possible to confirm whether the Singapore Exchange is a recognised stock exchange for these purposes. Whilst the UK Instruments are and continue to be quoted Eurobonds, payments of interest on the UK Instruments may be made without withholding or deduction for or on account of United Kingdom income tax.

A.2 All UK Instruments

In addition to the exemption set out in A.1 above, interest on the UK Instruments may be paid without withholding or deduction for or on account of United Kingdom income tax so long as the relevant Issuer is a “bank” for the purposes of section 878 of the Income Tax Act 2007 and so long as such payments are made by that Issuer in the ordinary course of its business. In accordance with the published practice of HM Revenue & Customs, such payments will be accepted as being made by the Issuer in the ordinary course of its business unless either:

- (i) the borrowing in question conforms to any of the definitions of tier 1, 2 or 3 capital adopted by the Financial Services Authority whether or not it actually counts towards tier 1, 2 or 3 capital for regulatory purposes; or
- (ii) the characteristics of the transaction giving rise to the interest are primarily attributable to an intention to avoid United Kingdom tax.

A.3 In all cases falling outside the exemptions described in A.1 and A.2 above, interest on the UK Instruments may fall to be paid under deduction of United Kingdom income tax at the lower rate (currently 20 per cent.) subject to such relief as may be available under the provisions of any applicable double taxation treaty or to any other exemption which may apply. However, this withholding will not apply if the relevant interest is paid on Instruments with a maturity of less than one year from the date

of issue and which are not issued under arrangements the effect of which is to render such Instruments part of a borrowing with a total term of a year or more.

B. Payments by Guarantor

If the Guarantor makes any payments in respect of interest on Instruments (or other amounts due under such Instruments other than the repayment of amounts subscribed for the Instruments) such payments may be subject to United Kingdom withholding tax at the basic rate (currently 22 per cent.) subject to such relief as may be available under the provisions of any applicable double tax treaty or to any other exemption which may apply. Such payments by the Guarantor may not be eligible for the exemptions described in A above.

C. Payments under Deed of Covenant

Any payments made by an Issuer under the Deed of Covenant may not qualify for the exemptions from United Kingdom withholding tax described above.

D. Provision of Information

Holders should note that where any interest on Instruments is paid to them (or to any person acting on their behalf) by any person in the United Kingdom (a “paying agent”), or is received by any person in the United Kingdom acting on behalf of the relevant Holder (other than solely by clearing or arranging the clearing of a cheque) (a “collecting agent”), then the paying agent or the collecting agent (as the case may be) may, in certain cases, be required to supply to HM Revenue & Customs details of the payment and certain details relating to the Holder (including the Holder’s name and address). These provisions will apply whether or not the interest has been paid subject to withholding or deduction for or on account of United Kingdom income tax and whether or not the Holder is resident in the United Kingdom for United Kingdom taxation purposes. Where the Holder is not so resident, the details provided to HM Revenue & Customs may, in certain cases, be passed by HM Revenue & Customs to the tax authorities of the jurisdiction in which the Holder is resident for taxation purposes.

The provisions referred to above may also apply, in certain circumstances, to payments made on redemption of any Instruments where the amount payable on redemption is greater than the issue price of the Instruments. However, it should be noted that HM Revenue & Customs published practice indicates that it will not exercise its power to require this information in respect of such amounts to the extent that they are payable on or before 5 April 2008.

E. Other Rules Relating to United Kingdom Withholding Tax

1. Instruments may be issued at an issue price of less than 100 per cent. of their principal amount. Any discount element on any such Instruments will not generally be subject to any United Kingdom withholding tax pursuant to the provisions mentioned in A above, but may be subject to reporting requirements as outlined in D above.
2. Where Instruments are to be, or may fall to be, redeemed at a premium, as opposed to being issued at a discount, then any such element of premium may constitute a payment of interest. Payments of interest are subject to United Kingdom withholding tax and reporting requirements as outlined above.
3. Where interest has been paid under deduction of United Kingdom income tax, Holders of Instruments who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in any applicable double taxation treaty.
4. The references to “interest” in A to D above mean “interest” as understood in United Kingdom tax law. The statements in A to D above do not take any account of any different definitions of “interest” or “principal” which may prevail under any other law or which may be created by the terms and conditions of the Instruments or any related documentation.
5. The above description of the United Kingdom withholding tax position assumes that there will be no substitution of an Issuer pursuant to Condition 16 (*Substitution of the Issuer*) of the Instruments or otherwise and does not consider the tax consequences of any such substitution.

EU Savings Directive (2003/48/EC)

Under EC Council Directive 2003/48/EC on the taxation of savings income, each Member State is required to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to, or collected by such a person for, an individual resident in that other Member State; however, for a transitional period, Austria, Belgium and Luxembourg may instead apply a withholding system in relation to such payments, deducting tax at rates rising over time to

35 per cent. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.

A number of non-EU countries, and certain dependent or associated territories of certain Member States, have agreed to adopt similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident in a Member State. In addition, the Member States have entered into provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident in one of those territories.

International plc, Nomura International plc, The Hongkong and Shanghai Banking Corporation Limited, UBS Limited and Westpac Banking Corporation (the “Dealers”). Instruments may also be issued by the Issuers direct to institutions who are not Dealers. The arrangements under which Instruments may from time to time be agreed to be issued by the Issuers to, and subscribed by, Dealers are set out in an amended and restated dealership agreement dated 9 November 2007 (the “Dealership Agreement”) and made between the Issuers, the Guarantor and the Dealers. Any such agreement will, *inter alia*, make provision for the form and terms and conditions of the relevant Instruments, the price at which such Instruments will be subscribed for by the Dealers and the commissions or other agreed deductibles (if any) payable or allowable by the Issuers in respect of such subscription. The Dealership Agreement makes provision for the resignation or termination of appointment of existing Dealers and for the appointment of additional or other Dealers either generally in respect of the Programme or in relation to a particular Tranche of Instruments.

United States of America: *Regulation S Category 2; TEFRA D, unless TEFRA C is specified as applicable in the relevant Final Terms; Rule 144A Eligible if so specified in the relevant Final Terms*

Instruments have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”) or any state securities laws and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from, or not subject to, the registration requirements of the Securities Act. Terms used in the preceding sentence have the meanings given to them by Regulation S under the Securities Act.

Instruments in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to U.S. persons, except in certain transactions permitted by U.S. tax regulations. Terms used in the preceding sentence have the meanings given to them by the United States Internal Revenue Code and regulations thereunder.

Each Dealer has agreed that, except as permitted by the Dealership Agreement, it will not offer, sell or deliver Instruments, (i) as part of their distribution at any time or (ii) otherwise until forty days after the completion of the distribution of the Instruments comprising the relevant Tranche, as certified to the Fiscal Agent or the relevant Issuer by such Dealer (or, in the case of a sale of a Tranche of Instruments to or through more than one Dealer, by each of such Dealers as to Instruments of such Tranche purchased by or through it, in which case the Fiscal Agent or the Issuer shall notify each such Dealer when all such Dealers have so certified) within the United States or to or for the account or benefit of U.S. persons, and such Dealer will have sent to each Dealer to which it sells Instruments during the restricted period relating thereto a confirmation or other notice setting forth the restrictions on offers and sales of the Instruments within the United States or to or for the account or benefit of U.S. persons.

In addition, until forty days after the commencement of the offering of Instruments comprising any Tranche, any offer or sale of Instruments within the United States by any Dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with Rule 144A under the Securities Act (if available).

European Economic Area:

In relation to each member state of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of Instruments to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of Instruments to the public in that Relevant Member State:

- (a) if the Final Terms in relation to the Instruments specify that an offer of those Instruments may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “Non-exempt Offer”), following the date of publication of a prospectus in relation to such Instruments which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period in the beginning and ending on the dates specified in such prospectus or final terms, as applicable;

- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
 - (c) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts;
 - (d) at any time to fewer than 100 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any issue;
 - (e) at any time if the denomination per Instrument being offered amounts to at least €50,000; or
 - (f) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,
- provided that no such offer of Instruments referred to in (b) to (f) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Instruments to the public” in relation to any Instruments in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Instruments to be offered so as to enable an investor to decide to purchase or subscribe the Instruments, as the same may be varied in that Relevant Member State by any measure implementing the “Prospectus Directive” in that Relevant Member State and the expression Prospectus Directive means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

United Kingdom:

Each Dealer has represented, warranted and undertaken to each Issuer, the Guarantor and the other relevant Dealers that:

- (1) *General compliance:* It has complied and will comply with all applicable provisions of the Financial Services and Market Act 2000 (“FSMA”) with respect to anything done by it in relation to any Instruments in, from or otherwise involving the United Kingdom;
- (2) *No deposit-taking:* In relation to any Instruments (other than Instruments issued by Westpac Banking Corporation) having a maturity of less than one year:
 - (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business; and
 - (ii) it has not offered or sold and will not offer or sell any Instruments other than to persons:
 - (a) whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses; or
 - (b) who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses,

where the issue of the Instruments would otherwise constitute a contravention of section 19 of the FSMA by the relevant Issuer; and

- (3) *Financial promotion:* It has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Instruments in circumstances in which section 21(1) of the FSMA does not or, in the case of Westpac Banking Corporation (in its capacity as issuer and guarantor), would not if it was not an authorised person, apply to the relevant Issuer or the Guarantor.

Australia:

Each Dealer has represented and agreed that in connection with the distribution of the Instruments, it:

- (i) will not make any offer or invitation in Australia or received in Australia in relation to the issue, sale or purchase of any Instruments unless the offeree is required to pay at least A\$500,000 for the Instruments or its foreign currency equivalent (in either case disregarding amounts, if any, lent by the Issuer or other person offering the Instruments or its associates (within the meaning of those expressions in Part 6D.2 of the Corporations Act 2001 of Australia (the “Corporations Act”))), or it is otherwise an offer or invitation for which by virtue of section 708 of the Corporations Act no disclosure is required to be made under Part 6D.2 of the Corporations Act and is not made to a retail client (as defined in section 761G of the Corporations Act); and

- (ii) has not circulated or issued and will not circulate or issue a disclosure document relating to the Instruments in Australia or received in Australia which requires lodging under Division 5 of Part 6D.2 or under Part 7 of the Corporations Act.

Hong Kong:

In relation to each Tranche of Instruments, each Dealer has represented and agreed that:

- (i) it has not offered or sold, and will not offer or sell, in Hong Kong by means of any document, any Instruments other than (a) to “professional investors” as defined in the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) and any rules made under that Ordinance or (b) in other circumstances which do not result in the document being a “prospectus” as defined in the Companies Ordinance (Cap. 32 of the Laws of Hong Kong) or which do not constitute an offer to the public within the meaning of that Ordinance; and
- (ii) it has not issued, or had in its possession for the purposes of issue, and will not issue or have in its possession for the purposes of issue, whether in Hong Kong or elsewhere, any advertisement, invitation or document relating to the Instruments, which is directed at, or the contents of which are likely to be accessed or read by, the public of Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to Instruments which are or are intended to be disposed of only to persons outside Hong Kong or only to “professional investors” as defined in the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) and any rules made under that Ordinance.

Japan:

The Instruments have not been and will not be registered under the Financial Instruments and Exchange Law of Japan (Law No. 25 of 1948, as amended (the “FIEL”)) and, accordingly, each Dealer has represented and agreed that it will not offer or sell any Instruments directly or indirectly, in Japan or to, or for the account or benefit of, any Japanese Person or to others for re-offering or resale, directly or indirectly, in Japan or to or for the account or benefit of, any Japanese Person except pursuant to an exemption from registration requirements of, and otherwise in compliance with the FIEL and any other applicable laws and regulations of Japan. For the purposes of this paragraph, “Japanese Person” shall mean any person resident in Japan, including any corporation or other entity organised under the laws of Japan.

The Republic of France:

Each of the Dealers has represented and agreed that it has not offered or sold, and will not offer or sell, directly or indirectly, any Instruments to the public in the Republic of France, and that offers and sales of Instruments in the Republic of France will be made only to providers of investment services relating to portfolio management for the account of third parties and/or to qualified investors (*investisseurs qualifiés*) acting for their own account, as defined in Articles L.411-2 and D.411-1 to D.411-3 of the French *Code monétaire et financier*, but excluding individuals referred to in Article D.411-1 II 2°.

In addition, each of the Dealers has represented and agreed that it has not distributed or caused to be distributed and will not distribute or cause to be distributed in the Republic of France, this Base Prospectus or any other offering material relating to the Instruments other than to investors to whom offers and sales of Instruments in the Republic of France may be made as described above.

Italy:

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that the offering of the Instruments has not been registered pursuant to Italian securities legislation and, accordingly, the Instruments may not be offered, sold or delivered, nor may copies of the Base Prospectus or of the other document relating to the Instruments be distributed in the Republic of Italy, except:

- (a) to professional investors (“*operatori qualificati*”), as defined in Article 31, second paragraph of the Italian Securities Exchange Commission (“CONSOB”) Regulation No. 11522 of 1 July 1998, as amended (“Regulation No. 11522”); or
- (b) in circumstances which are exempted from the rules on solicitation of investments pursuant to Article 100 of Legislative Decree No. 58 of 24 February 1998, as amended (“Decree No. 58”) and Article 33, first paragraph, of CONSOB Regulation No. 11971 of 14 May 1999, as amended.

Furthermore, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that any offer, sale or delivery of the Instruments or distribution of copies of this Base Prospectus or any other document relating to the Instruments in the Republic of Italy under (a) or (b) above must be:

- (i) made by an investment firm, bank or financial intermediary permitted to conduct such activities in the Republic of Italy in accordance with Decree No. 58, Legislative Decree No. 385 of 1 September 1993, as amended (“Decree No. 385”), Regulation No. 11522 and any other applicable laws and regulations;
- (ii) in compliance with Article 129 of Decree No. 385 and the implementing guidelines of the Bank of Italy (*Istruzioni di Vigilanza della Banca d’Italia*), as amended pursuant to which the Bank of Italy may request information on the issue or the offer of securities in the Republic of Italy; and
- (iii) in accordance with any other applicable notification requirements, limitations, laws and regulations, including those imposed by CONSOB or by the Bank of Italy.

Investors should also note that Article 100-*bis* of Decree No. 58 affects the transferability of Instruments in Italy in the following circumstances:

- (i) there is a subsequent resale, to the public, of securities which were previously the subject of a public offer exempted from the obligation to publish a prospectus. Where this occurs, the resale is regarded as a separate offer to the public (and therefore a prospectus is required to be published), unless it is made in circumstances which are exempt from the rules relating to offers of securities to the public pursuant to Article 100 of Decree No. 58; and
- (ii) there has been an offer of Instruments (or any part of such offer) made solely to professional investors and such Instruments are then transferred to non-professional investors in Italy during the period of 12 months from the date of issue of the Instruments. Where this occurs, the sale of the Instruments to non-professional investors is regarded as a separate offer to the public (and therefore a prospectus is required to be published), unless it is made in circumstances which are exempt from the rules relating to offers of securities to the public pursuant to Article 100 of Decree No. 58. Where no prospectus is published, the non-professional investor (who has purchased the Instruments for purposes unrelated to the exercise of its entrepreneurial and professional activity) is entitled to claim that the purchase contract is null and void and, accordingly, the professional investors who sold the Instruments would be liable for all damages suffered by such non-professional investor as a consequence of the sale.

The Netherlands:

The Instruments may not be offered or sold, directly or indirectly, as part of any initial distribution or at any time thereafter, directly or indirectly, to any person other than to professional market parties (as defined in article 1:1 of the Dutch Financial Supervision Act (*Wet op het financieel toezicht*); hereinafter referred to as “Professional Market Parties”) in the Netherlands, which include amongst others:

- (a) legal entities or companies which have a licence or are otherwise regulated to lawfully operate on the financial markets;
- (b) legal entities or companies which do not have a licence and are not otherwise regulated to lawfully operate on the financial markets and whose sole corporate purpose is to invest in securities;
- (c) individuals or legal entities which are considered to be qualified in another EU Member State as set out in Article 2(1)(e)(iv) or Article 2(1)(e)(v) of the EU Prospectus Directive;
- (d) institutions or natural persons which have net own funds totalling at least €10,000,000 or more preceding the making available of the repayable funds, and which have been active on the financial markets at least twice a month, on average, during two consecutive years preceding the making available of the repayable funds; and
- (e) individuals or legal entities of whom the Issuer receives redeemable funds by means of a debt instrument or a private agreement, if the nominal value of the debt instrument or the claim pursuant to the private agreement amounts to at least €50,000 (or its equivalent in other currencies).

In addition and without prejudice to the relevant restrictions set out directly above, each Dealer has represented, warranted and agreed that Zero Coupon Instruments (as defined below) in definitive form of the relevant Issuer may only be transferred and accepted, directly or indirectly, within, from or into The Netherlands through the mediation of either the relevant Issuer or a member firm of Euronext N.V. in full compliance with the Dutch Savings Certificates Act (*Wet inzake spaarbewijzen*) of 21 May 1985 (as amended) and its implementing regulations. No such mediation is required in respect of (i) the transfer and acceptance of Zero Coupon Instruments in definitive form between individuals not acting in the conduct of a business or profession, or (ii) the transfer and acceptance of such Zero Coupon Instruments within, from or into The Netherlands if all Zero Coupon Instruments (either in definitive form or as rights representing an interest in a Zero Coupon Instrument in global form) of any particular Series or Tranche are issued outside The Netherlands and are not distributed into The Netherlands in the course of initial distribution or immediately thereafter.

In the event that the Savings Certificates Act applies, certain identification requirements in relation to the issue and transfer of, and payments on, Zero Coupon Instruments have to be complied with and, in addition thereto, if such Zero Coupon Instruments in definitive form do not qualify as commercial paper traded between professional borrowers and lenders within the meaning of the agreement of 2 February 1987, attached to the Royal Decree of 11 March 1987, (*Staatscourant 129*) (as amended), each transfer and acceptance should be recorded in a transaction note, including the name and address of each party to the transaction, the nature of the transaction and the details and serial numbers of such Instruments.

As used herein “Zero Coupon Instruments” are Instruments that are in bearer form and that constitute a claim for a fixed sum against the relevant Issuer and on which interest does not become due during their tenor or on which no interest is due whatsoever.

New Zealand:

Each Dealer has represented and agreed that it has not offered or sold and agrees it will not, directly or indirectly, offer, sell or deliver any Instruments, Receipts, Coupons and Talons in New Zealand or distribute any information memorandum (including the Base Prospectus), any Final Terms or other offering memorandum or any advertisement in relation to any offer of Instruments, Receipts, Coupons and Talons in New Zealand other than:

- (a) to persons whose principal business is the investment of money or who, in the course of and for the purposes of their business, habitually invest money or who in all cases can properly be regarded as having been selected otherwise than as a member of the public; or
- (b) in other circumstances where there is no contravention of the Securities Act 1978 of New Zealand.

Each Dealer has represented and agreed that it has not offered or sold, and will not offer or sell, any Instruments, Receipts, Coupons and Talons to persons whom it reasonably believes to be persons to whom any amounts payable on the Instruments, Receipts, Coupons and Talons are or would be subject to New Zealand resident withholding tax, unless such persons:

- (a) certify they hold a valid certificate of exemption for New Zealand resident withholding tax purposes, and
- (b) provide a New Zealand tax file number to such Dealer (in which event the Dealer shall provide details thereof to the relevant Issuer, the Registrar or any Paying Agent pursuant to the Issue and Paying Agency Agreement).

Singapore:

This Base Prospectus has not been registered as a prospectus with the Monetary Authority of Singapore. Accordingly, this Base Prospectus and any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of Instruments may not be circulated or distributed, nor may Instruments be offered or sold, or be made the subject of an invitation for subscription or purchase, whether directly or indirectly, to persons in Singapore other than (i) to an institutional investor under Section 274 of the Securities and Futures Act, Chapter 289 of Singapore (the “SFA”), (ii) to a relevant person pursuant to Section 275(1), or any person pursuant to Section 275(1A), and in accordance with the conditions, specified in Section 275, of the SFA or (iii) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA.

Where Instruments are subscribed or purchased under Section 275 of the SFA by a relevant person which is:

- (a) a corporation (which is not an accredited investor (as defined in Section 4A of the SFA)) the sole business of which is to hold investments and the entire share capital of which is owned by one or more individuals, each of whom is an accredited investor; or
- (b) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary of the trust is an individual who is an accredited investor,

shares, debentures and units of shares and debentures of that corporation or the beneficiaries’ rights and interest (howsoever described) in that trust shall not be transferred within six months after that corporation or that trust has acquired the Instruments pursuant to an offer made under Section 275 of the SFA except:

- (1) to an institutional investor (for corporations, under Section 274 of the SFA) or to a relevant person defined in Section 275(2) of the SFA, or to any person pursuant to an offer that is made on terms that such shares, debentures and units of shares and debentures of that corporation or such rights and interest in that trust are acquired at a consideration of not less than S\$200,000 (or its equivalent in a foreign currency) for each transaction, whether such amount is to be paid for in cash or by exchange

of securities or other assets and further for corporations, in accordance with the conditions specified in Section 275 of the SFA;

- (2) where no consideration is or will be given for the transfer; or
- (3) where the transfer is by operation of law.

General:

Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree, that it will comply with all applicable laws and regulations in each country or jurisdiction in or from which it purchases, offers, sells or delivers Instruments or possesses, distributes or publishes the Base Prospectus or any Final Terms or any related offering material. Other persons into whose hands the Base Prospectus or any Final Terms comes are required by the Issuers, the Guarantor and the Dealers to comply with all applicable laws and regulations in each country or jurisdiction in or from which they purchase, offer, sell or deliver Instruments or possess, distribute or publish the Base Prospectus or any Final Terms or any related offering material.

The Dealership Agreement provides that the Dealers shall not be bound by any of the restrictions relating to any specific jurisdiction (set out above) to the extent that such restrictions shall, as a result of change(s) in official interpretation, in applicable laws and regulations, no longer be applicable but without prejudice to the obligations of the Dealers described in the paragraph headed "General" above.

Selling restrictions may be supplemented or modified with the agreement of the relevant Issuer. Any such supplement or modification will be set out in the relevant Final Terms (in the case of a supplement or modification relevant only to a particular Tranche of Instruments) or (in any other case) in a supplement to this document.

In addition, each Dealer has represented and agreed that, in connection with the distribution of Instruments issued by Westpac Banking Corporation, it has not sold Instruments nor will it sell any Instrument to a person if, at the time of the sale, the Dealer knew or had reasonable grounds to suspect that, as a result of the sale, the Instrument, or an interest in the Instrument, was being, or would later be, acquired either directly or indirectly by an Offshore Associate of Westpac Banking Corporation other than one acting in the capacity of dealer, manager or underwriter in relation to the placement of the Instruments or in the capacity of a clearing house, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act.

"Offshore Associate" of Westpac Banking Corporation means an associate (as defined in section 128F of the Australian Tax Act) of the Issuer that is either a non-resident of the Commonwealth of Australia which does not acquire the Instruments in carrying on a business at or through a permanent establishment in Australia or, alternatively, is a resident of Australia that acquires the Instruments in carrying on business at or through a permanent establishment outside of Australia.

GENERAL INFORMATION

1. The admission of the Programme to listing on the Official List of the UK Listing Authority and to trading on the London Stock Exchange's Gilt Edged and Fixed Interest Market is expected to take effect on 13 November 2007. The price of the Instruments on the price list of the London Stock Exchange will be expressed as a percentage of their principal amount (exclusive of accrued interest). Any Tranche of Instruments intended to be listed on the Official List of the UK Listing Authority and to be traded by the London Stock Exchange's Gilt Edged and Fixed Interest Market will be admitted to listing and trading upon submission to the UK Listing Authority and the London Stock Exchange of the relevant Final Terms and any other information required by the UK Listing Authority and the London Stock Exchange, subject to the issue of the relevant Instruments. Prior to admission to trading, dealings will be permitted by the London Stock Exchange in accordance with its rules. Transactions will normally be effected for delivery on the third working day in London after the day of the transaction.

However, Instruments may be issued pursuant to the Programme which will not be admitted to listing and/or trading on the Official List of the UK Listing Authority or any other listing authority and/or stock exchange or which will be admitted to listing and/or trading on such listing authority and/or stock exchange as the relevant Issuer and the relevant Dealer(s) may agree.

2. The establishment of the Programme was authorised pursuant to a resolution of Westpac Banking Corporation's Directors passed on 31 October 2006 and an approval given on 31 October 2006 by Westpac Banking Corporation's Managing Director and Chief Executive Officer, and various resolutions of the Board of Directors and shareholders of WestpacTrust Securities NZ Limited. Each of the Issuers has obtained or will obtain from time to time all necessary consents, approvals and authorisations in connection with the issue and performance of the Instruments.
3. The Instruments have been accepted for clearance through Euroclear and Clearstream, Luxembourg. The appropriate common code and the International Securities Identification Number in relation to the Instruments of each Series will be specified in the Final Terms relating thereto. The Instruments have been accepted for clearance through the CMU Service. The CMU Service Instrument Number for each Series of Instruments intended to be cleared through the CMU Service will be specified in the Final Terms relating thereto. The relevant Final Terms shall specify any other clearing system as shall have accepted the relevant Instruments for clearance together with any further appropriate information.
4. Bearer Instruments (other than Temporary Global Instruments) and any Coupon appertaining thereto will bear a legend substantially to the following effect: "Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code." The sections referred to in such legend provide that a United States person who holds a Bearer Instrument or Coupon generally will not be allowed to deduct any loss realised on the sale, exchange or redemption of such Bearer Instrument or Coupon and any gain (which might otherwise be characterised as capital gain) recognised on such sale, exchange or redemption will be treated as ordinary income.
5. Settlement arrangements will be agreed between the relevant Issuer, the relevant Dealer and the Fiscal Agent or, as the case may be, the Registrar in relation to each Tranche of Instruments.
6. The prior specific approval of the Reserve Bank of Australia must be obtained in connection with certain transfers of Australian currency, payments made or sums credited in Australia and transactions involving the sale or purchase of foreign currency by persons in Australia or by Australian residents, in each case which have a prescribed connection with entities designated from time to time by the Reserve Bank of Australia for the purposes of the Banking (Foreign Exchange) Regulations 1959. As at the date of this Base Prospectus, such entities are certain ministers and senior officials of the Government of Zimbabwe, certain entities associated with the Democratic People's Republic of Korea (North Korea) and supporters of the former government of the Federal Republic of Yugoslavia.

In terms of Part 4 of the Charter of the United Nations Act 1945, and the Charter of the United Nations (Terrorism and Dealings with Assets) Regulations 2002, anybody holding financial or other assets of persons or entities listed as terrorists by the Minister of Foreign Affairs in the Commonwealth of Australia Gazette (including individuals or entities linked with the former Iraqi regime, Al Qa'ida, Jemaah Islamiyah, the Taliban, Usama bin Laden and other terrorist organisations) is prohibited from using or dealing with those assets. It is also a criminal offence to make assets available to such persons or entities.

In addition, regulations in Australia also prohibit payments, transactions and dealings with assets having a prescribed connection with certain countries or named individuals or entities associated with terrorism.

7. The following legend must appear on every form of Instrument, Receipt, Coupon or Talon issued by (i) WestpacTrust Securities NZ Limited, acting through its London branch, or (ii) Westpac Banking Corporation (a) regardless of which branch of Westpac Banking Corporation has issued such Instrument, Receipt, Coupon or Talon if such Instrument, Receipt, Coupon or Talon is denominated in New Zealand Dollars; or (b) through Westpac Banking Corporation “New Zealand branch” regardless of which currency the Instrument, Receipt, Coupon or Talon is denominated in:

“IF THE HOLDER OF ANY PART HEREOF IS A RESIDENT OF NEW ZEALAND FOR TAX PURPOSES, IS A PERSON WHO IS ENGAGED IN BUSINESS IN NEW ZEALAND THROUGH A FIXED ESTABLISHMENT IN NEW ZEALAND OR OTHERWISE IS A PERSON THE PAYMENT OF INTEREST (AS DEFINED FOR NEW ZEALAND INCOME TAX PURPOSES) TO WHOM WILL BE SUBJECT TO NEW ZEALAND RESIDENT WITHHOLDING TAX, THEN A DEDUCTION FOR NEW ZEALAND RESIDENT WITHHOLDING TAX MAY BE MADE FROM ANY AMOUNT PAYABLE UNDER THIS [TEMPORARY/ PERMANENT GLOBAL DEFINITIVE/ REGISTERED/ NOTE/ COUPON/ TALON/ RECEIPT] WHICH IS SUBJECT TO NEW ZEALAND RESIDENT WITHHOLDING TAX UNLESS ANY SUCH HOLDER CERTIFIES THAT IT HOLDS A VALID CERTIFICATE OF EXEMPTION FOR NEW ZEALAND RESIDENT WITHHOLDING TAX PURPOSES AND PROVIDES THE HOLDER’S NEW ZEALAND TAX FILE NUMBER.

ON PRESENTATION OF THIS [TEMPORARY/ PERMANENT/ GLOBAL/ DEFINITIVE/ REGISTERED NOTE/ COUPON/ TALON/ RECEIPT] FOR PAYMENT OR, IF APPLICABLE, UPON THE RECEIPT OF SUCH PAYMENT, THE HOLDER OF ANY PART HEREOF HEREBY CERTIFIES THAT IF IT IS A RESIDENT OF NEW ZEALAND FOR TAX PURPOSES, OR IS A PERSON WHO IS ENGAGED IN BUSINESS IN NEW ZEALAND THROUGH A FIXED ESTABLISHMENT IN NEW ZEALAND OR OTHERWISE IS A PERSON THE PAYMENT OF INTEREST TO WHOM WILL BE SUBJECT TO NEW ZEALAND RESIDENT WITHHOLDING TAX, THAT IT HOLDS A VALID CERTIFICATE OF EXEMPTION FOR NEW ZEALAND RESIDENT WITHHOLDING TAX PURPOSES.”

8. Where Instruments have a maturity of less than one year and either (a) the issue proceeds are received by WestpacTrust Securities NZ Limited, acting through its London branch or (b) the activity of issuing the Instruments is carried on from an establishment maintained by WestpacTrust Securities NZ Limited, acting through its London branch, such Instruments must: (i) have a minimum redemption value of £100,000 (or its equivalent in other currencies) and be issued only to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses; or (ii) be issued in other circumstances which do not constitute a contravention of section 19 of the FSMA by the relevant Issuer.
9. Any person (and each employee, representative, or other agent of such person) may disclose to any and all persons, without limitation of any kind, the United States Federal income tax treatment and the United States Federal income tax structure of the Instrument, Coupon or Talon and all materials of any kind (including opinions or other tax analyses) that are provided to such Holder relating to such tax treatment and tax structure.
10. In December 2004 the European Parliament adopted a Directive on the harmonisation of transparency requirements with regard to information about issuers whose securities are admitted to trading on a regulated market in the European Union (2004/109/EC) (the “Transparency Directive”). If, as a result of any legislation implementing the Transparency Directive, the Issuers or the Guarantor could be required to publish financial information either more regularly than it otherwise would be required to or according to accounting principles which are different from the accounting principles which it would otherwise use to prepare its published financial information, the Issuers and the Guarantor (if applicable) may determine to terminate the listing of the Instruments on the Official List of the UK Listing Authority and trading on the London Stock Exchange’s Gilt Edged and Fixed Interest Market (although it is likely that a replacement listing would be sought for the Instruments on a securities exchange outside the European Union or on an unregulated market in the European Union). Although no assurance is made as to the liquidity of the Instruments as a result of listing on the Official List of the UK Listing Authority and trading by the London Stock Exchange, de-listing the Instruments from the Official List of the UK Listing Authority and the London Stock Exchange may have a material effect on a Holder’s ability to resell its Instruments in the secondary market.
11. There are no, nor during the 12 months before the date of this Base Prospectus have there been any, legal, arbitration or governmental proceedings (including any such proceedings which are pending or threatened) of which any of the Issuers or their controlled entities are aware involving any of the Issuers

or any of its controlled entities which may have, or have had in the recent past, significant effects on the financial position or profitability of any of the Issuers and their controlled entities taken as a whole.

12. Since 30 September 2007, the last day of the financial period in respect of which the most recent published audited consolidated financial statements of Westpac Banking Corporation have been prepared, there has been no material adverse change in the prospects of Westpac Banking Corporation and its controlled entities taken as a whole.
13. Since 30 September 2007, the last day of the financial period in respect of which the most recent published audited consolidated financial statements of Westpac Banking Corporation have been prepared, there has been no significant change in the financial or trading position of Westpac Bank Corporation and its controlled entities taken as a whole.
14. 15. Since 30 September 2007, the last day of the financial period in respect of which the most recent published audited financial statements of WestpacTrust Securities NZ Limited have been prepared, there has been no significant change in the financial or trading position of WestpacTrust Securities NZ Limited taken as a whole.
16. PricewaterhouseCoopers Australia (“PwC Australia”), Chartered Accountants, audited Westpac Banking Corporation’s consolidated financial statements for the periods ended 30 September 2007 and 30 September 2006. PwC Australia partners are members or affiliate members of the Institute of Chartered Accountants of Australia.
17. PricewaterhouseCoopers New Zealand (“PwC New Zealand”), Chartered Accountants, audited WestpacTrust Securities NZ Limited’s financial statements for the years ended 30 September 2007 and 30 September 2006. PwC New Zealand partners are members or affiliate members of the Institute of Chartered Accountants of New Zealand.
18. The liability of PwC Australia, with respect to claims arising out of its audit report, is subject to the limitations set forth in the Professional Standards Act 1994 of New South Wales, Australia (the “Professional Standards Act”) and The Institute of Chartered Accountants in Australia (NSW) Scheme adopted by The Institute of Chartered Accountants in Australia (“ICAA”) and approved by the New South Wales Professional Standards Council pursuant to the Professional Standards Act (the “NSW Accountants Scheme”). The Professional Standards Act and the NSW Accountants Scheme limit the liability of PwC Australia for damages with respect to certain civil claims arising in, or governed by the laws of, New South Wales directly or vicariously from anything done or omitted in the performance of its professional services for Westpac, including, without limitation, its audits of Westpac’s financial statements, to the lesser of (in the case of audit services) ten times the reasonable charge for the service provided and a maximum liability for audit work of A\$75 million. The limit does not apply to claims for breach of trust, fraud or dishonesty.

In addition there is equivalent professional standards legislation in place in each state and territory in Australia and amendments have been made to a number of Australian federal statutes to limit liability under those statutes to the same extent as liability is limited under state and territory laws by professional standards legislation.

These limitations of liability may limit recovery upon the enforcement in Australian courts of any judgment under U.S. or other foreign laws rendered against PwC Australia based on or related to its audit report on our financial statements. Substantially all of PwC Australia’s assets are located in Australia. However, the Professional Standards Act and the NSW Accountants Scheme have not been subject to judicial consideration and therefore how the limitation will be applied by the courts and the effect of the limitation on the enforcement of foreign judgments are untested.
