## NOT FOR DISTRIBUTION INTO THE UNITED STATES OR CANADA.

Dear fellow Shareholder,

The Board of Directors of Westpac Banking Corporation (Westpac) is pleased to offer you the opportunity to participate in an off-market buy-back of up to \$3.5 billion of Westpac ordinary shares (Shares) (Buy-Back).

Westpac's improved operating performance and positive progress on our strategic priorities, including the completion of a number of divestments, have contributed to a strong capital position, allowing us to announce this Buy-Back.

This information flyer outlines some key elements of the Buy-Back and where you can obtain further information. The Buy-Back booklet (Booklet) provides full details of the Buy-Back, including how to participate, the tender process and how the Buy-Back Price will be set.

The Booklet is available on the Buy-Back website at [westpac.com.au/buyback](http://westpac.com.au/buyback) or you can request a printed copy by calling the Westpac Buy-Back Information Line (details overleaf).

Please read the Booklet in full before deciding whether to participate. Participation is voluntary and may not suit your individual circumstances. If you do not wish to participate after reading the Booklet, you do not need to take any action.

If you are unsure about the Buy-Back after reading the Booklet we encourage you to seek advice from your financial, taxation or other professional adviser.

Unless otherwise defined, capitalised words in this flyer have the meaning given to them in the Booklet.

### Am I eligible to participate?

You are an Eligible Shareholder if you:

- were a registered holder of Shares at 7:00pm (Sydney time) on the Buy-Back Record Date (Monday, 8 November 2021);
- are shown on the Register as having an address in Australia or New Zealand; and
- are not an Excluded Foreign Person (for the full definition, see Section 6 "Glossary" in the Booklet).

Westpac American Depository Receipts, as well as Shares and Share Rights held by employees under any Employee Share Scheme (unless vested and freely tradeable) are not eligible to participate in the Buy-Back.

### How will the Buy-Back work?

If you are an Eligible Shareholder, you can offer to sell some or all of your Shares to Westpac:

- at a Discount to the Market Price<sup>1</sup> nominated by you of between 8% and 14% inclusive (at 1% intervals); and/or
- at the final Buy-Back Price<sup>2</sup> (as a Final Price Application).

You can also select a Minimum Price below which none of your Shares will be bought back.

The terms you choose for your Application under the tender process (for example, the Discount(s) you select and/or whether to submit a Final Price Application) will depend on your circumstances, including your personal tax situation.

---

1. Calculated as the VWAP of Shares on the ASX over the five trading days up to and including the Closing Date, calculated to four decimal places, as determined by Westpac.

2. Determined by applying the Buy-Back Discount selected by Westpac to the Market Price.
