2 Ranking on Winding Up

- (a) Holders do not have any right to prove in a Winding Up in respect of Westpac Capital Notes, except as permitted under clause 2(b).

 - (i) senior to Ordinary Shares;
 - (ii) equally among themselves and with all other Equal Ranking Capital Securities;

Holders do not have any right to apply for a Winding Up on the ground of Westpac's failure to pay Distributions or for any other reason.
- (e) For the avoidance of doubt, but subject to clause 5.6, if a Capital Trigger Event or Non-Viability Trigger Event has occurred, Holders will rank for payment in a Winding Up as holders of the number of Ordinary Shares to which they became entitled under clauses 5.1 or 5.2.

3 Distributions

3.1 Distributions

Subject to these Terms, each Westpac Capital Note entitles the Holder to receive on the relevant Distribution Payment Date interest on the Face Value of the Westpac Capital Note (***Distribution***), calculated using the following formula:

$$\text{Distribution} = \frac{\text{Distribution Rate} \times \text{Face Value} \times \text{N}}{365}$$

where:

Distribution Rate (expressed as a percentage per annum) is calculated using the following formula:

$$\text{Distribution Rate} = (\text{Bank Bill Rate} + \text{Margin}) \times (1 - \text{Tax Rate})$$

where:

Bank Bill Rate (expressed as a percentage per annum) means, for each Distribution Period, the average mid-rate for bills of a term of 90 days which average rate is displayed on Reuters page BBSW (or any page that replaces that page) at 10.30am (Sydney time) on, in the case of the first Distribution Period, the Issue Date, and in the case of any other Distribution Period, the first Business Day of that Distribution Period, or if there is a manifest error in the calculation of that average rate or that average rate is not displayed at 10.30am (Sydney time) on that date, the rate specified in good faith by Westpac at or around that time on that date having regard, to the extent possible, to:

- (a) the rates otherwise bid and offered for bills of a term of 90 days or for funds of that tenor displayed on Reuters page BBSW (or any page which replaces that page) at that time on that date; and
- (b) if bid and offer rates for bills of a term of 90 days are not otherwise available, the rates otherwise bid and offered for funds of that tenor at or around that time on that date,

provided that the Bank Bill Rate for the Distribution Period commencing on the date after the Pro-Rata Distribution Date is the Bank Bill Rate for the Distribution Period ending on the Pro-Rata Distribution Date;

Margin means 3.20% per annum;

Tax Rate (expressed as a decimal) means the Australian corporate tax rate applicable to the franking account of Westpac at the relevant Distribution Payment Date; and

N means, in respect of a Distribution Period, the number of days in that Distribution Period.

3.2 Adjustment to calculation of Distributions if not fully franked

If payment of any Distribution will not be franked to 100% under Part 3-6 of the Tax Act (or any provisions that revise or replace that Part), otherwise than because of any act by, or circumstances affecting, any particular Holder, the Distribution will be calculated using the following formula:

$$\text{Distribution} = \frac{\text{D}}{1 - [\text{Tax Rate} \times (1 - \text{Franking Rate})]}$$

where:

D means the Distribution entitlement on that Distribution Payment Date as calculated under clause 3.1;

Tax Rate (expressed as a decimal) means the Australian corporate tax rate applicable to the franking account of Westpac at the relevant Distribution Payment Date; and

Franking Rate (expressed as a decimal) means the percentage of Distribution that would carry franking credits (within the meaning of Part 3-6 of the Tax Act or any provisions that revise or

replace that Part), applicable to the relevant Distribution entitlement on that Distribution Payment Date.

3.3 Conditions to payment of Distributions

- (a) The payment of any Distribution on a Distribution Payment Date is subject to:
 - (i) Westpac's absolute discretion;
 - (ii) the payment of the Distribution not resulting in a breach of Westpac's capital requirements under APRA's prudential standards as they are applied to the Westpac Group at the time of the payment;
 - (iii) the payment of the Distribution not resulting in Westpac becoming, or being likely to become, insolvent for the purposes of the Corporations Act; and
 - (iv) APRA not otherwise objecting to the payment of the Distribution.
- (b) Westpac must notify ASX as soon as reasonably practicable if payment of any Distribution will not be made because of this clause.

3.4 Distributions are discretionary, non-cumulative and only payable in cash

- (a) Payments of Distributions are within the absolute discretion of Westpac and are non-cumulative. If a Distribution is not paid because of the provisions of clause 3.3 or because of any other reason, Westpac has no liability to pay such Distribution to the Holder and the Holder has no:
 - (i) claim (including, without limitation, on a Winding Up); or
 - (ii) right to apply for a Winding Up,in respect of such non-payment.
- (b) Any payments of Distributions to Holders must be made in the form of cash.

Non-payment of a Distribution because of the provisions of clause 3.3, or because of any other reason, does not constitute an event of default.

3.5 Distribution Payment Date

Distributions in respect of Westpac Capital Notes are payable:

- (a) quarterly in arrear on 8 March, 8 June, 8 September and 8 December of each year, commencing on 8 June 2013 until that Westpac Capital Note has been Converted or Redeemed;
 - (b) on the Conversion Date or Redemption Date (as the case may be) on which such Westpac Capital Note is Converted or Redeemed; and
 - (c) on the Pro-Rata Distribution Date,
- (each a **Distribution Payment Date**).

3.6 Record Dates

Distributions are only payable on a Distribution Payment Date to those persons registered as Holders on the Record Date for that Distribution Payment Date.

3.7 Restrictions in the case of non-payment of a Distribution

Subject to clause 3.8, if for any reason a Distribution has not been paid in full on the relevant Distribution Payment Date, Westpac must not:

- (a) determine or pay any Dividends; or

- (b) undertake any discretionary Buy Back or Capital Reduction, unless the amount of the unpaid Distribution is paid in full within 20 Business Days of that Distribution Payment Date or:
- (c) all Westpac Capital Notes have been Converted or Redeemed;
- (d) on a subsequent Distribution Payment Date, a Distribution for the subsequent Distribution Period is paid in full; or
- (e) a Special Resolution of the Holders has been passed approving such action,
- and, in respect of the actions contemplated by paragraphs (c), (d) and (e), APRA does not otherwise object.

3.8 Restrictions not to apply in certain circumstances

The restrictions in clause 3.7 do not apply in connection with:

- (a) any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants of Westpac or any member of the Westpac Group; or
- (b) Westpac or any of its controlled entities purchasing shares in Westpac in connection with transactions for the account of customers of Westpac or any of its controlled entities or in connection with the distribution or trading of shares in Westpac in the ordinary course of business (such distribution or trading of shares in the ordinary course of business is subject to the prior written approval of APRA).

3.9 Notification

- (a) In relation to each Distribution Period, Westpac must notify the ASX of the Distribution Rate and the amount of Distribution payable on each Westpac Capital Note.
- (b) Westpac must give notice under this clause 3.9 as soon as practicable after it makes its calculations or determinations and, in any event by no later than the fifth Business Day of the relevant Distribution Period.
- (c) Westpac may amend the calculation or determination of any amount, date, or rate (or make appropriate alternative arrangements by way of adjustment) including as a result of the extension or reduction of a Distribution Period without prior notice, but must notify ASX promptly after doing so.

3.10 Calculations and determinations final

The calculation or determination by Westpac of all rates and amounts payable by it in relation to Westpac Capital Notes is, in the absence of manifest or proven error, final and binding on Westpac, the Registry and each Holder.

4 Scheduled Conversion

4.1 Scheduled Conversion

Subject to clauses 5 and 6, Westpac must Convert all (but not some) Westpac Capital Notes on issue on the date that is the earlier of:

- (a) 8 March 2021; and
- (b) the first Distribution Payment Date after 8 March 2021,
- (c) on which the Scheduled Conversion Conditions are satisfied (each a **Scheduled Conversion Date**).

4.2 Scheduled Conversion Conditions

- (a) The Scheduled Conversion Conditions for each Scheduled Conversion Date are:
 - (i) the VWAP on the 25th Business Day on which trading in Ordinary Shares took place immediately preceding (but not including) the Scheduled Conversion Date is greater than 56.12% of the Issue Date VWAP (**First Scheduled Conversion Condition**); and
 - (ii) the VWAP during the period of 20 Business Days on which trading in Ordinary Shares took place immediately preceding (but not including) the Scheduled Conversion Date is greater than 50.51% of the Issue Date VWAP (the **Second Scheduled Conversion Condition**).
- (b) If the First Scheduled Conversion Condition is not satisfied, Westpac will announce to ASX not less than 21 Business Days before the Scheduled Conversion Date that Conversion will not proceed on the Scheduled Conversion Date.
- (c) If the Second Scheduled Conversion Condition is not satisfied, Westpac will notify Holders on or as soon as practicable after the Scheduled Conversion Date that Conversion did not occur.

5 Early Conversion

5.1 Capital Trigger Event

- (a) Westpac must notify APRA immediately in writing if it determines that a Capital Trigger Event has occurred.
- (b) If a Capital Trigger Event occurs, Westpac must Convert such number of Westpac Capital Notes (or, if it so determines, such percentage of the Face Value of each Westpac Capital Note) as is sufficient (following any conversion or write down of Relevant Securities as referred to in paragraph (c)(i) below) to return either or both the Westpac Level 1 Common Equity Tier 1 Capital Ratio or Westpac Level 2 Common Equity Tier 1 Capital Ratio, as the case may be, to above 5.125%.
- (c) In determining the number of Westpac Capital Notes, or percentage of the Face Value of each Westpac Capital Note, which must be Converted in accordance with this clause, Westpac will:
 - (i) first, convert or write down the face value of any Relevant Securities whose terms require them to be converted or written down, before Conversion of Westpac Capital Notes; and
 - (ii) secondly, if conversion or write down of those Relevant Securities is not sufficient, Convert (in the case of Westpac Capital Notes) or convert or write down (in the case of any other Relevant Securities) on a pro-rata basis or in a manner that is otherwise, in the opinion of Westpac, fair and reasonable, Westpac Capital Notes and any Relevant Securities whose terms require or permit them to be converted or written down in that manner (subject to such adjustment as Westpac may determine to take into account the effect on marketable parcels and whole numbers of Ordinary Shares and any Westpac Capital Notes or other Relevant Securities remaining on issue),

but such determination will not impede the immediate Conversion of the relevant number of Westpac Capital Notes or percentage of the Face Value of each Westpac Capital Note (as the case may be).
- (d) If a Capital Trigger Event occurs:

- (i) the relevant number of Westpac Capital Notes, or percentage of the Face Value of each Westpac Capital Note, must be Converted immediately upon occurrence of the Capital Trigger Event in accordance with clauses 5.5 and 8 and the Conversion will be irrevocable;
- (ii) Westpac must give notice as soon as practicable that Conversion has occurred to ASX and the Holders;
- (iii) the notice must specify the date on which Conversion occurred (**Capital Trigger Event Conversion Date**); and
- (iv) the notice must specify the details of the Conversion process, including any details which were taken into account in relation to the effect on marketable parcels and whole numbers of Ordinary Shares, and the impact on any Westpac Capital Notes remaining on issue.

Failure to undertake any of the steps in clauses 5.1(d)(ii) to (iv) does not prevent, invalidate or otherwise impede Conversion.

5.2 Non-Viability Trigger Event

- (a) If a Non-Viability Trigger Event occurs, Westpac must Convert such number of Westpac Capital Notes (or, if it so determines, such percentage of the Face Value of each Westpac Capital Note) as is equal (following any conversion or write down of Relevant Securities as referred to in paragraph (b)(i) below) to the aggregate face value of capital instruments which APRA has notified Westpac must be converted or written down (or, if APRA has not so notified Westpac, such number or, if Westpac so determines, such percentage of the Face Value of Westpac Capital Notes, as is necessary to satisfy APRA that Westpac will no longer be non-viable).
- (b) In determining the number of Westpac Capital Notes, or percentage of the Face Value of each Westpac Capital Note, which must be Converted in accordance with this clause, Westpac will:
 - (i) first, convert or write down the face value of any Relevant Securities whose terms require them to be converted or written down before Conversion of Westpac Capital Notes; and
 - (ii) secondly, if conversion or write down of those securities is not sufficient, Convert (in the case of Westpac Capital Notes) or convert or write down (in the case of any other Relevant Securities), on a pro-rata basis or in a manner that is otherwise, in the opinion of Westpac, fair and reasonable, Westpac Capital Notes and any Relevant Securities whose terms require or permit them to be Converted, converted or written down in that manner (subject to such adjustments as Westpac may determine to take into account the effect on marketable parcels and whole numbers of Ordinary Shares and any Westpac Capital Notes or other Relevant Securities remaining on issue),

but such determination will not impede the immediate Conversion of the relevant number of Westpac Capital Notes or percentage of the Face Value of each Westpac Capital Note (as the case may be).
- (c) If a Non-Viability Trigger Event occurs:
 - (i) the relevant number of Westpac Capital Notes, or percentage of the Face Value of each Westpac Capital Note, must be Converted immediately upon occurrence of the Non-Viability Trigger Event in accordance with clauses 5.5 and 8 and the Conversion will be irrevocable;

- (ii) Westpac must give notice as soon as practicable that Conversion has occurred to ASX and the Holders;
- (iii) the notice must specify the date on which Conversion occurred (**Non-Viability Trigger Event Conversion Date**); and
- (iv) the notice must specify the details of the Conversion process, including any details which were taken into account in relation to the effect on marketable parcels and whole numbers of Ordinary Shares, and the impact on any Westpac Capital Notes remaining on issue.

Failure to undertake any of the steps in clauses 5.2(c)(ii) to (iv) does not prevent, invalidate or otherwise impede Conversion.

5.3 Scheduled Conversion Conditions not applicable

For the avoidance of doubt, the Scheduled Conversion Conditions do not apply to Conversion as a result of a Capital Trigger Event or Non-Viability Trigger Event occurring.

5.4 Priority of early Conversion obligations

A Conversion required because of a Capital Trigger Event or a Non-Viability Trigger Event takes place notwithstanding anything in clause 4.

5.5 Automatic Conversion upon the occurrence of a Capital Trigger Event or Non-Viability Trigger Event

If a Capital Trigger Event or Non-Viability Trigger Event has occurred and all or some Westpac Capital Notes (or percentage of the Face Value of each Westpac Capital Note) are required to be Converted in accordance with clauses 5.1 or 5.2, then:

- (a) Conversion of the relevant Westpac Capital Notes or percentage of the Face Value of each Westpac Capital Note will be taken to have occurred in accordance with clause 8 immediately upon the Capital Trigger Event Conversion Date or Non-Viability Trigger Event Conversion Date; and
- (b) the entry of the corresponding Westpac Capital Notes in each relevant Holder's holding in the Westpac Capital Notes Register will constitute an entitlement of that Holder to the relevant number of Ordinary Shares (and, if applicable, also to any remaining balance of Westpac Capital Notes or Westpac Capital Notes with a Face Value equal to the aggregate of the remaining percentage of the Face Value of each Westpac Capital Note), and Westpac will recognise the Holder as having been issued the relevant Ordinary Shares for all purposes, in each case without the need for any further act or step by Westpac, the Holder or any other person (and Westpac will, as soon as possible thereafter and without delay on the part of Westpac, take any appropriate procedural steps to record such Conversion, including updating the Westpac Capital Notes Register and the Ordinary Share register).

5.6 No further rights if Conversion cannot occur

If for any reason Conversion of any Westpac Capital Notes (or a percentage of the Face Value of any Westpac Capital Notes) required to be Converted under clause 5.1 or 5.2 fails to take effect under clause 5.5(a) and (b) and Westpac is not otherwise able to issue the Ordinary Shares required to be issued in respect of such Conversion within five Business Days after the Capital Trigger Event Conversion Date or Non-Viability Trigger Event Conversion Date, then the relevant Holders' rights (including to Distributions) in relation to such Westpac Capital Notes or percentage of the Face Value of Westpac Capital Notes are immediately and irrevocably terminated.

5.7 Automatic Conversion upon the occurrence of an Acquisition Event

- (a) If an Acquisition Event occurs, then:
 - (i) Westpac must Convert all (but not some) Westpac Capital Notes;
 - (ii) Westpac must give notice as soon as practicable and in any event within 10 Business Days after becoming aware of that event occurring to ASX and the Holders;
 - (iii) the notice must specify a date on which it is proposed Conversion will occur (proposed **Acquisition Event Conversion Date**) being:
 - (A) in the case of an Acquisition Event that is a takeover bid, no later than the Business Day prior to the then announced closing date of the relevant takeover bid; or
 - (B) in the case of an Acquisition Event that is a court approved scheme, a date no later than the record date for participation in the relevant scheme of arrangement; and
 - (iv) the notice must specify the details of the Conversion process including any details to take into account the effect on marketable parcels and whole numbers of Ordinary Shares; and
 - (v) on the proposed Acquisition Event Conversion Date, all Westpac Capital Notes will Convert in accordance with clause 8.
- (b) Subject to clause 5.7(a), the Second Scheduled Conversion Condition applies to a Conversion following an Acquisition Event as though the proposed Acquisition Event Conversion Date were a Scheduled Conversion Date for the purposes of clause 4 (except that in the case of an Acquisition Event, the Second Scheduled Conversion Condition will apply as if it referred to 20.20% of the Issue Date VWAP). If the Second Scheduled Conversion Condition is not satisfied, the Westpac Capital Notes will not Convert.
- (c) If the Second Scheduled Conversion Condition is not satisfied on the proposed Acquisition Event Conversion Date, Westpac will notify Holders as soon as practicable after the proposed Acquisition Event Conversion Date that Conversion did not occur.

5.8 Issue of ordinary shares of successor holding company

Where there is a replacement of Westpac as the ultimate holding company of the Westpac Group and the successor holding company is an Approved Successor, mandatory Conversion of the Westpac Capital Notes may not occur as a consequence of the Replacement. Instead, these Terms may be amended in accordance with clause 12.4.

5.9 No Conversion at the option of the Holders

Holders do not have a right to request Conversion of their Westpac Capital Notes at any time.

6 Early Redemption

6.1 Early Redemption at the option of Westpac on the Optional Redemption/Transfer Date or Reinvestment Date

- (a) Subject to paragraph (b), Westpac may at its option Redeem:
 - (i) all or some Westpac Capital Notes on the Optional Redemption/Transfer Date for their Face Value;

- (ii) following Transfer to the Nominated Party under clause 7(a)(ii), all Reinvestment Capital Notes on the Reinvestment Date for their Face Value; or
 - (iii) following Transfer to the Nominated Party under clause 7(a)(i), all Westpac Capital Notes on the Optional Redemption/Transfer Date for their Face Value.
- (b) Westpac may only Redeem under clause 6.1(a)(i) if Westpac has given notice of its election to do so at least 20 Business Days (and no more than 60 Business Days) before the Optional Redemption/Transfer Date to ASX and the Holders.
- (c) If only some (but not all) Westpac Capital Notes are to be Redeemed under clause 6.1(a)(i), those Westpac Capital Notes to be Redeemed will be specified in the notice and selected:
- (i) in a manner that is, in the opinion of Westpac, fair and reasonable; and
 - (ii) in compliance with any applicable law, directive or requirement of ASX.

6.2 Early Redemption for a Franking Event, Tax Event or Regulatory Event

If a Franking Event, Tax Event or Regulatory Event occurs, Westpac may Redeem all (but not some) Westpac Capital Notes for their Face Value.

However, Westpac may only Redeem under this clause if:

- (a) Westpac has given notice of its election to do so at least 20 Business Days (and no more than 60 Business Days) before the proposed Redemption Date to ASX and the Holders;
- (b) before Westpac gives the notice under clause 6.2(a), it must have received:
 - (i) in the case of a Franking Event, a supporting opinion of reputable legal counsel or other tax adviser in Australia, experienced in such matters, in relation to such Franking Event;
 - (ii) in the case of a Tax Event, a supporting opinion of reputable legal counsel or other tax adviser in Australia, experienced in such matters, in relation to such Tax Event; and
 - (iii) in the case of a Regulatory Event, a supporting opinion of reputable legal counsel in Australia, experienced in such matters, or confirmation from APRA, in relation to such Regulatory Event.
- (c) the proposed Redemption Date would be a Distribution Payment Date under clause 3.5(a); and
- (d) the notice of Redemption is not given earlier than 60 Business Days before the Distribution Payment Date occurring immediately before:
 - (i) in the case of a Franking Event, the earliest date on which a Distribution would not be a frankable Distribution;
 - (ii) in the case of a Tax Event, the earliest date on which Westpac would be subject to the adverse tax consequence; and
 - (iii) in the case of a Regulatory Event, the earliest date on which either:
 - (A) the event contemplated under paragraph (a) of the definition of Regulatory Event has arisen; or
 - (B) all, some or a proportion of all or some Westpac Capital Notes will cease to be treated as Additional Tier 1 Capital as contemplated under paragraph (b) of the definition of Regulatory Event.

6.3 APRA approval to Redeem

Westpac may only Redeem under this clause 6 if:

- (a) either
 - (i) before or concurrently with Redemption, Westpac replaces Westpac Capital Notes with a capital instrument which is of the same or better quality (for the purposes of APRA's prudential standards as they are applied to the Westpac Group at the relevant time) than Westpac Capital Notes and the replacement of Westpac Capital Notes is done under conditions that are sustainable for the income capacity of the Westpac Group; or
 - (ii) Westpac obtains confirmation from APRA that APRA is satisfied, having regard to the capital position of the Westpac Group, that Westpac does not have to replace Westpac Capital Notes; and
- (b) APRA has given its prior written approval to the Redemption. Approval is at the discretion of APRA and may or may not be given.

6.4 Final Distribution

For the avoidance of doubt, Redemption may occur even if Westpac, in its absolute discretion, does not pay a Distribution for the final Distribution Period.

6.5 No Redemption at the option of the Holders

Holdings do not have a right to request Redemption of their Westpac Capital Notes at any time.

6.6 Effect of notice of Redemption

Any notice of Redemption given under this clause 6 is irrevocable and Westpac must (subject to clause 10.1) Redeem Westpac Capital Notes on the Redemption Date specified in that notice.

7 Transfer on the Optional Redemption/Transfer Date or Reinvestment Date

- (a) Westpac may elect that Transfer occur in relation to:
 - (i) all or some Westpac Capital Notes on the Optional Redemption/Transfer Date by giving a Transfer Notice at least 20 Business Days (and no more than 90 Business Days) before the Optional Redemption/Transfer Date to ASX and the Holders; or
 - (ii) all Reinvestment Capital Notes on the Reinvestment Date by giving a Transfer Notice at least 15 Business Days (and no more than 60 Business Days) before the Reinvestment Date to ASX and the Holders.

If only some (but not all) Westpac Capital Notes are to be Transferred under clause 7(a)(i), the number of Westpac Capital Notes to be Transferred will be specified in the notice and selected:

- (iii) in a manner that is, in the opinion of Westpac, fair and reasonable; and
 - (iv) in compliance with any applicable law, directive or requirement of ASX.
- (b) If Westpac issues a Transfer Notice:
 - (i) each Holder is taken irrevocably to offer to sell the relevant number of their Westpac Capital Notes to the Nominated Party on the Optional Redemption/Transfer Date or Reinvestment Date (as applicable) for a cash amount per Westpac Capital Note equal to the Face Value (and to have appointed Westpac as its agent and attorney to execute documents and do all

things necessary which Westpac considers may be necessary or desirable in connection with that offer and any resulting sale);

- (ii) subject to payment by the Nominated Party of the Face Value to relevant Holders, all rights, title and interest in the relevant number of Westpac Capital Notes will be transferred from the relevant Holders to the Nominated Party on the Optional Redemption/Transfer Date or Reinvestment Date (as applicable); and
 - (iii) if the Nominated Party does not pay the Face Value to the relevant Holders on the Optional Redemption/Transfer Date or Reinvestment Date (as applicable), the relevant number of Westpac Capital Notes will not be transferred to the Nominated Party.
- (c) Clause 10 will apply to payments by the Nominated Party as if the Nominated Party were Westpac. If any payment to a particular Holder is not made or treated as made on the Optional Redemption/Transfer Date or Reinvestment Date (as applicable) because of any error by or on behalf of the Nominated Party, the relevant Westpac Capital Notes of that Holder will not be transferred until payment is made but the transfer of all other relevant Westpac Capital Notes will not be affected by the failure.
- (d) Holders do not have a right to request Transfer of their Westpac Capital Notes at any time.

8 General provisions applicable to Conversion

8.1 Conversion

On the Conversion Date, subject to clauses 5.6 and 8.10, the following will apply:

- (a) Westpac will allot and issue the Conversion Number of Ordinary Shares for each Westpac Capital Note held by the Holder. The Conversion Number is calculated according to the following formula, and subject always to the Conversion Number being no greater than the Maximum Conversion Number:

$$\text{Conversion Number for each Westpac Capital Note} = \frac{\text{Face Value}}{0.99 \times \text{VWAP}}$$

where:

VWAP (expressed in dollars and cents) means the VWAP during the VWAP Period.

Maximum Conversion Number means a number calculated according to the following formula:

$$\text{Maximum Conversion Number} = \frac{\text{Face Value}}{\text{Relevant Percentage} \times \text{Issue Date VWAP}}$$

Relevant Percentage means:

- (i) if Conversion is occurring on a Scheduled Conversion Date, 0.50; and
 - (ii) if Conversion is occurring at any other time, 0.20.
- (b) Each Holder's rights (including to Distributions) in relation to each Westpac Capital Note that is being Converted will be immediately and irrevocably terminated for an amount equal to the Face Value and Westpac will apply the Face Value of each Westpac Capital Note by way of payment for the subscription for the Ordinary Shares to be allotted and issued under clause 8.1(a). Each Holder is taken to have irrevocably directed that any amount payable under this clause 8.1 is to be applied as provided for in this clause and Holders do not have any right to payment in any other way.

- (c) If the total number of Ordinary Shares to be allotted and issued in respect of a Holder's aggregate holding of Westpac Capital Notes includes a fraction of an Ordinary Share, that fraction of an Ordinary Share will be disregarded.

8.2 Adjustments to VWAP generally

For the purposes of calculating VWAP under clause 8.1:

- (a) where, on some or all of the Business Days in the relevant VWAP Period, Ordinary Shares have been quoted on ASX as cum dividend or cum any other distribution or entitlement and Westpac Capital Notes will be Converted into Ordinary Shares after that date and those Ordinary Shares will no longer carry that dividend or that other distribution or entitlement, then the VWAP on the Business Days on which those Ordinary Shares have been quoted cum dividend or cum any other distribution or entitlement will be reduced by an amount (**Cum Value**) equal to:
- (i) in the case of a dividend or other distribution, the amount of that dividend or other distribution including, if the dividend or distribution is franked, the amount that would be included in the assessable income of a recipient of the dividend or distribution who is a natural person resident in Australia under the Tax Act;
 - (ii) in the case of any other entitlement that is not a dividend or other distribution under clause 8.2(a)(i) which is traded on ASX on any of those Business Days, the volume weighted average price of all such entitlements sold on ASX during the VWAP Period on the Business Days on which those entitlements were traded (excluding trades of the kind that would be excluded in determining VWAP under the definition of that term); or
 - (iii) in the case of any other entitlement which is not traded on ASX during the VWAP Period, the value of the entitlement as reasonably determined by Westpac; and
- (b) where, on some or all of the Business Days in the VWAP Period, Ordinary Shares have been quoted as ex dividend or ex any other distribution or entitlement, and Westpac Capital Notes will be Converted into Ordinary Shares which would be entitled to receive the relevant dividend, distribution or entitlement, the VWAP on the Business Days on which those Ordinary Shares have been quoted ex dividend or ex any other distribution or entitlement will be increased by the Cum Value.

8.3 Adjustments to VWAP for capital reconstruction

- (a) Where during the relevant VWAP Period there is a change to the number of Ordinary Shares on issue because the Ordinary Shares are reconstructed, consolidated, divided or reclassified (in a manner not involving any cash payment to or by holders of Ordinary Shares) (**Reclassification**) into a lesser or greater number, the daily VWAP for each day in the VWAP Period which falls before the date on which trading in Ordinary Shares is conducted on a post Reclassification basis will be adjusted by multiplying the VWAP applicable on the Business Day immediately before the date of any such Reclassification by the following formula:

$$\frac{A}{B}$$

Where:

A means the aggregate number of Ordinary Shares immediately before the Reclassification; and

B means the aggregate number of Ordinary Shares immediately after the Reclassification.

- (b) Any adjustment made by Westpac in accordance with clause 8.3(a) will be effective and binding on Holders under these Terms and these Terms will be construed accordingly.

8.4 Adjustments to Issue Date VWAP generally

For the purposes of determining the Issue Date VWAP under clause 8.1, adjustments will be made in accordance with clause 8.2 and clause 8.3 during the VWAP Period for the Issue Date VWAP. On and from the Issue Date, adjustments to the Issue Date VWAP:

- (a) may be made by Westpac in accordance with clauses 8.5 to 8.7 (inclusive);
- (b) if so made, will correspondingly affect the application of the Scheduled Conversion Conditions and cause an adjustment to the Maximum Conversion Number; and
- (c) if so made, will be effective and binding on Holders under these Terms and these Terms will be construed accordingly.

8.5 Adjustments to Issue Date VWAP for bonus issues

- (a) Subject to clauses 8.5(b) and 8.5(c), if Westpac makes a pro-rata bonus issue of Ordinary Shares to holders of Ordinary Shares generally (in a manner not involving any cash payment to or by holders of Ordinary Shares), the Issue Date VWAP will be adjusted immediately in accordance with the following formula:

$$V = V_o \times RD / (RD + RN)$$

Where:

V means the Issue Date VWAP applying immediately after the application of this formula;

V_o means the Issue Date VWAP applying immediately prior to the application of this formula;

RD means the number of Ordinary Shares on issue immediately prior to the allotment of new Ordinary Shares pursuant to the bonus issue; and

RN means the number of Ordinary Shares issued pursuant to the bonus issue.

- (b) Clause 8.5(a) does not apply to Ordinary Shares issued as part of a bonus share plan, employee or executive share plan, executive option plan, share top up plan, share purchase plan or a dividend reinvestment plan.
- (c) For the purposes of this clause, an issue will be regarded as a bonus issue notwithstanding that Westpac does not make offers to some or all holders of Ordinary Shares with registered addresses outside Australia, provided that in so doing Westpac is not in contravention of the ASX Listing Rules.

8.6 Adjustments to Issue Date VWAP for capital reconstruction

If at any time after the Issue Date there is a change to the number of Ordinary Shares on issue because of a Reclassification (in a manner not involving any cash payment to or by holders of Ordinary Shares) into a lesser or greater number, the Issue Date VWAP will be adjusted by multiplying the Issue Date VWAP applicable on the Business Day immediately before the date of any such Reclassification by the following formula:

A
B

where:

A means the aggregate number of Ordinary Shares on issue immediately before the Reclassification; and

B means the aggregate number of Ordinary Shares on issue immediately after the Reclassification.

8.7 No adjustment to Issue Date VWAP in certain circumstances

Despite the provisions of clauses 8.5 and 8.6, no adjustment will be made to the Issue Date VWAP where any such adjustment (rounded if applicable) would be less than one percent of the Issue Date VWAP then in effect.

8.8 Announcement of adjustments to Issue Date VWAP

Westpac will notify any adjustment to the Issue Date VWAP under this clause to ASX and the Holders within 10 Business Days of Westpac determining the adjustment and the adjustment will be final and binding.

8.9 Status and listing of Ordinary Shares

- (a) Ordinary Shares issued or arising from Conversion will rank equally with all other fully paid Ordinary Shares provided that the rights attaching to the Ordinary Shares issued or arising from Conversion do not take effect until 5.00pm (Sydney time) on the Conversion Date.
- (b) Westpac will use all reasonable endeavours to list the Ordinary Shares issued on Conversion of Westpac Capital Notes on ASX.

8.10 Conversion where the Holder does not wish to receive Ordinary Shares or is an Ineligible Holder

- (a) If Westpac Capital Notes of a Holder are required to be Converted and:
 - (i) the Holder has notified Westpac that it does not wish to receive Ordinary Shares as a result of Conversion, which notice may be given at any time on or after the Issue Date and prior to the Conversion Date; or
 - (ii) the Holder is an Ineligible Holder,then, on the Conversion Date, the Holder's rights (including to Distributions) in relation to each such Westpac Capital Note being Converted are immediately and irrevocably terminated and Westpac will issue the Conversion Number of Ordinary Shares to the Sale Agent for no additional consideration to hold on trust for sale for the benefit of the relevant Holder. At the first opportunity to sell the Ordinary Shares, the Sale Agent will arrange for their sale at market value and pay the proceeds less selling costs to the relevant Holder.
- (b) If Conversion under this clause 8.10 is occurring because of the occurrence of a Capital Trigger Event or Non-Viability Trigger Event and the Conversion fails to take effect and Westpac is not otherwise able to issue Ordinary Shares to the Sale Agent within five Business Days, then Holders' rights will be immediately and irrevocably terminated in accordance with clause 5.6.

8.11 Final Distribution

For the avoidance of doubt, Conversion may occur even if Westpac, in its absolute discretion, does not pay a Distribution for the final Distribution Period.

8.12 No Conversion after Winding Up commences

If before the Conversion Date an order is made by a court, or an effective resolution is passed, for Winding Up, then Conversion will not occur and clause 2 will apply, except where Conversion is required for a Capital Trigger Event or Non-Viability Trigger Event (in which case such Conversion shall occur (subject to clause 5.6) in accordance with clause 5.1 or 5.2 (as applicable) and clause 5.5).

8.13 Conversion of a percentage of Face Value

If under these Terms it is necessary to Convert a percentage of the Face Value, this clause 8 will apply to the Conversion as if references to the Face Value were references to the relevant percentage of the Face Value to be Converted multiplied by the Face Value.

- (d) All amounts payable but unclaimed may be invested by Westpac as it thinks fit for the benefit of Westpac until claimed or until required to be dealt with in accordance with any law relating to unclaimed moneys.

- (e) Westpac, in its absolute discretion may withhold payment to a Holder where it is required to do so under any applicable fiscal or other law or any administrative practice or procedure of any fiscal or other authority (including any law prohibiting dealings with terrorist organisations or money laundering), or any other type of sanction or where it has reasonable grounds to suspect that the Holder may be subject to any such law, administrative practice or procedure or sanction or involved in acts of terrorism or money laundering, and may deal with such payment and the Holder's Westpac Capital Note in accordance with such applicable law, administrative practice or procedure or the requirements of any relevant government or regulatory authority.
- (f) Westpac shall not be liable for any costs or loss suffered by a Holder in exercising its discretion under clause 10.3(e), even where a Holder later demonstrates that they were not subject to such law, administrative practice or procedure or sanction.

- (a) Westpac or the Nominated Party, as applicable, may deduct or withhold any tax, duty, assessment, levy, governmental charge or other amount from any Distribution or amount payable upon Redemption or Transfer to the Nominated Party of any Westpac Capital Note (or upon or with respect to the issuance of any Ordinary Shares upon any Conversion), as required by law or any agreement with a governmental authority. If any such deduction or withholding has been made and paid over to the relevant governmental authority and the balance of the Distribution or other amount payable has been paid (or, in the case of a Conversion, Ordinary Shares issued) to the relevant Holder, then the full amount payable (or, in the case of a Conversion, the Conversion Number of Ordinary Shares) to such Holder shall be deemed to have been duly paid and satisfied (or, in the case of a Conversion, issued) by Westpac or the Nominated Party, as applicable.
- (b) Westpac or the Nominated Party, as applicable, shall pay the full amount required to be deducted or withheld to the relevant governmental authority within the time allowed for such payment without incurring any penalty under applicable law and shall, if requested by any Holder, deliver to such Holder confirmation of such payment without delay after it is received by Westpac or the Nominated Party, as applicable.

11.2 FATCA

Without limiting clause 11.1, if any withholding or deduction arises under or in connection with FATCA, Westpac will not be required to pay any further amounts on account of such withholding or deduction or otherwise reimburse or compensate, or make any payment to, a Holder for or in respect of any such withholding or deduction.

11.3 Tax File Number withholdings

- (a) Westpac will, if required, withhold an amount from payment of Distributions on Westpac Capital Notes at the highest marginal tax rate plus the highest Medicare levy if a Holder has not supplied an appropriate tax file number, Australian business number or exemption details.
- (b) If a Holder supplies exemption details and Westpac subsequently determines that the relevant exemption was not available, Westpac may recover the amount that should have been deducted from the relevant Holder and may deduct that amount from any subsequent payment due to that Holder in respect of Westpac Capital Notes.

12 Amendment of these Terms

12.1 Amendment generally

No amendment to these Terms is permitted without APRA's prior written approval if such amendment would impact, or potentially impact, the classification of the Westpac Capital Notes as Additional Tier 1 Capital on a Level 1 or Level 2 basis.

12.2 Amendment without consent

Subject to clause 12.1, and complying with all applicable laws and with APRA's prior written approval (except in the case of paragraph (a)(iii) below), Westpac may, without the authority, assent or approval of Holders, amend these Terms:

- (a) if Westpac is of the opinion that the amendment is:
 - (i) of a formal, minor or technical nature;
 - (ii) made to cure any ambiguity;
 - (iii) made to correct any manifest error;
 - (iv) expedient for the purpose of enabling the Westpac Capital Notes to be listed for quotation or to retain listing on any stock exchange or to be offered for, or subscription for, sale under the laws for the time being in force in any place and it is otherwise not considered by Westpac to be materially prejudicial to the interests of Holders as a whole; or
 - (v) necessary to comply with the provisions of any statute, the requirements of any statutory authority, the ASX Listing Rules or the listing or quotation requirements of any stock exchange on which the Westpac Capital Notes are quoted; or
- (b) generally, in any case where such amendment is considered by Westpac not to be materially prejudicial to the interests of Holders as a whole.

12.3 Amendment with consent

Without limiting clause 12.2 and subject to clause 12.1, Westpac may, with APRA's prior written approval, amend these Terms if the amendment has been approved by a Special Resolution.

12.4 Amendment for successor holding company

- (a) Subject to clause 12.4(c), if:
 - (i) it is proposed that Westpac be replaced as the ultimate holding company of the Westpac Group by an Approved Successor (**Replacement**); and
 - (ii) the Approved Successor agrees to expressly assume Westpac's obligations under these Terms by entering into a deed poll for the benefit of Holders under which it agrees (among other things):
 - (A) to deliver Approved Successor Shares under all circumstances when Westpac would have otherwise been obliged to deliver Ordinary Shares on a Conversion, subject to the same terms and conditions of these Terms as amended by this clause 12.4;
 - (B) to comply with the restriction in clause 3.7 (with all appropriate modifications) of these Terms; and
 - (C) to use all reasonable endeavours and furnish all such documents, information and undertakings as may be reasonably necessary in order to procure quotation of the Approved Successor Shares issued under these

Terms on the stock exchanges on which the other Approved Successor Shares are quoted at the time of a Conversion,

Westpac may, with APRA's prior written approval, but without the authority, assent or approval of Holders, give a notice (an **Approved Replacement Notice**) to Holders (which, if given, must be given as soon as practicable before the Replacement and in any event no later than 10 Business Days before the Replacement occurs) specifying the amendments to these Terms which will be made in accordance with this clause 12.4 to effect the substitution of the Approved Successor as the debtor in respect of Westpac Capital Notes and the issuer of ordinary shares on Conversion.

An Approved Replacement Notice, once given, is irrevocable.

- (b) If Westpac gives an Approved Replacement Notice to Holders in accordance with clause 12.4(a), then with effect on and from the date specified in the Approved Replacement Notice:
- (i) the Approved Successor will assume all of the obligations of, and succeed to, and be substituted for, and may exercise every right and power of, Westpac under these Terms (as may be amended from time to time) with the same effect as if the Approved Successor had been named as Westpac in these Terms;
 - (ii) Westpac (or any corporation which has previously assumed the obligations of Westpac) will be released from its liability under the Terms;
 - (iii) references to Westpac in these Terms will be taken to be references to the Approved Successor;
 - (iv) the definition of Conversion in these Terms may be amended such that, with APRA's prior written approval, on the date on which the Westpac Capital Notes are to be Converted:
 - (A) each Westpac Capital Note that is being Converted will be automatically transferred by each Holder free from encumbrances to the Approved Successor on the date the Conversion is to occur;
 - (B) each Holder will be issued a number of Approved Successor Shares equal to the Conversion Number (which is calculated using the formula in clause 8.1 as though references in that clause to Ordinary Shares are references to Approved Successor Shares); and
 - (C) as between Westpac and the Approved Successor, each Westpac Capital Note held by the Approved Successor as a result of the transfer will be automatically Converted into an Ordinary Share such that the total number of Ordinary Shares held by the Approved Successor equals the number of Approved Successor Shares issued by the Approved Successor to Holders on Conversion; and
 - (D) such other amendments may be made to these Terms as in Westpac's reasonable opinion are necessary and appropriate to effect the substitution of an Approved Successor as debtor in respect of Westpac Capital Notes and the issuer of the ordinary shares on Conversion in the manner contemplated by these Terms (including such amendment as is necessary or expedient for the purposes of complying with the provisions of Chapter 2L of the Corporations Act where the Approved Successor is not an ADI).

- (c) Where an amendment under clause 12.4(b) results in Approved Successor Shares being issued to Holders, each Holder agrees to become a member of the Approved Successor immediately prior to the issue of the Approved Successor Shares and appoints Westpac as its attorney as contemplated under clause 13.10 to do all things necessary or desirable to give effect to this clause 12.4.
- (d) If an Approved Successor is a NOHC, Westpac must not issue an Approved Replacement Notice unless:
 - (i) the Approved Successor or another entity not related to Westpac and approved by APRA subscribes for Ordinary Shares or other capital instruments acceptable to APRA in such amount as may be necessary, or take other steps acceptable to APRA to ensure that the capital position of the Westpac Level 1 Group will not be adversely affected, including, as required by APRA or APRA's prudential requirements, undertaking any capital injection in relation to Westpac to replace the Westpac Capital Notes; and
 - (ii) any capital injection carried out pursuant to paragraph (i) is:
 - (A) unconditional;
 - (B) occurs simultaneously with the substitution of the Approved Successor; and
 - (C) of equal or better quality capital and at least the same amount as the Westpac Capital Notes, unless otherwise approved by APRA in writing.
- (e) Nothing in this clause 12.4 prevents Westpac from proposing, or limits, any scheme of arrangement or other similar proposal that may be put to Holders or other members of Westpac.
