## Section 5 – Third Party Access Authority

This section is to be completed by Third Party Account Holders to authorise access to their accounts, through Group Telephone Banking, which are listed in Section 4, in accordance with the terms of this authority.

A Third Party account is an account which is in a different name to the Service Owner. Westpac's Group Telephone Banking primary relationship is with the Service Owner, hence additional Account Holders whose accounts are linked to this service are considered Third Parties to that relationship, regardless of ownership, control or signatories for those Account Holders.

Please ensure that each separate Account Holder that is different to the Service Owner completes and signs an authority in this section.

### Execution of Third Party Access Authority.

It is mandatory for the Executive Officers of each Third Party Account Holder to complete this section.

We agree that:

- (a) The Service Owner (through its Executive Officers) is authorised to appoint and/or remove User(s)' access to my/our accounts listed in Section 4 via Group Telephone Banking and such other access means as considered appropriate by Westpac;
- (b) Westpac is authorised to act upon all instructions and requests made by the authorised Service Owner, through its User(s), to effect transactions on my/our account(s) listed in Section 4 via Group Telephone Banking;
- (c) Westpac is authorised to treat any transaction on my/our account(s) listed in Section 4 and effected via Group Telephone Banking made by the authorised Service Owner, through its User(s), as a transaction that is undertaken with my/our authority without Westpac being required to verify my/our authority in any case;
- (d) Westpac is not required to check the accuracy of any instructions, requests to effect transactions, notifications or requests made by the authorised Service Owner, through its User(s), effected via Group Telephone Banking on my/our account(s) listed in Section 4;
- (e) In consideration of Westpac so acting I/we release Westpac from all actions, suits, proceedings, claims, costs and demands that may be made, brought or incurred by or against Westpac arising from any unauthorised or incorrect instructions or requests to effect transactions through Group Telephone Banking on my/our account(s) listed in Section 4;
- (f) This authority applies to the access of my/our account(s) listed in Section 4 through Group Telephone Banking. It is in addition to and not in substitution to any other Notice of Authority provided to Westpac concerning the operations on any account(s) or service held by me/us. Amendments to other authorities that I/we may have with Westpac now or in the future will remove this authority if the method of operation on the Joint Account is changed to 'All to Sign' by any of the Account Holders;
- (g) By a legally constituted meeting of the Third Party Account Holder(s) or Directors of the company (as the case may be), authority was given to Westpac and the authorised Service Owner to act in accordance to the terms of this authority.

The Third Party Account Holder gives authority to Westpac and the authorised Service Owner to act in accordance with the terms of this authority.
