Important information

This fees and charges sheet forms part of your Corporate Online Terms and Conditions issued by Westpac Banking Corporation ABN 33 007 457 141 AFSL and Australian credit licence 233714.

We may introduce new fees and change existing fees from time to time in accordance with the Corporate Online Terms and Conditions.

Our fees and charges for the use of Corporate Online may include fees and charges for account transactions and enquiries as well as charges related to maintaining security tokens. There are separate product disclosure statements or terms and conditions for the accounts and services which can be accessed using Corporate Online. For further information regarding fees and charges on your accounts or services please talk to your Westpac representative.

The Corporate Online fees are charged monthly in arrears according to the access required and the transactions made or received as scheduled within. Transaction volume based pricing is calculated using the number of transactions that have occurred within the month.

Things you should know: 1. These fees are generated for the organisation and charged to the Primary Office. 2. These fees are generated for each office within the organisation and are charged to the office that generated the fee. 3. For the purposes of determining the applicable tier, we do not include payment volumes for payments addressed to PayIDs or Westpac accounts (which do not include accounts held with St.George Bank, Bank of Melbourne and BankSA). 4. These fees are generated for each office that processes multiple BPAY Payments within a single BPAY transaction. For each single BPAY transaction, the first BPAY Payment is free and any subsequent BPAY Payment(s) are charged a fee. *These fees are generated by all users with an active, expired or locked status during the month. # The fee is generated for each office that retrieves and/or views/prints an image. The fee will not be charged to that office for the same voucher if it is retrieved and/or viewed/printed within seven days of first performing this action. Where the same voucher is retrieved and/or viewed/printed after seven days has elapsed the fee will again be applicable. ^These fees are charged in New Zealand Dollars, to a New Zealand billing account, under a New Zealand billing arrangement. > "Westpac to Westpac" refers to Westpac branded accounts only.
