

Visa IntelliLink Spend Management Enrolment Form

To establish Visa IntelliLink:

1. Complete all sections on the form.
2. When you have finished, save the completed form with a new file name (we suggest using your Company name and date).
3. E-mail completed form to your Westpac Representative.

Once a Visa IntelliLink is established paper company reporting will not be sent by post for the nominated facility. If you would like to continue to receive paper company reports please opt in below.

☐ Please continue to send paper company reports by post.

Section 1 Company Details

Company Name
