

WESTPAC LIFESAVER RESCUE HELICOPTER LANDINGS PROGRAM

Register your interest to experience
a Westpac rescue helicopter landing
at your school.

At the landing, students will:

- Experience the thrill of having the Westpac helicopter land at their school
- Learn about safety awareness direct from the local rescue crew
- Get vital safety tips, and a chance to ask the crew questions and hear their stories
- See the helicopter up close and the state-of-the-art lifesaving equipment used in emergency situations

How does it work?

We'll work with you and your local Service to coordinate a safe and engaging landing for your school. This may involve:

- Assessment of a compliant landing zone for example site assessments
- Engaging ideas for students to be involved
- Pre-event briefings for all key contacts
- Local PR/media opportunities

SOME INFORMATION WE NEED FROM YOU

If your school is interested in participating, we'd love to hear from you. Please complete this form and return it to rescue@westpac.com.au.

Name of school

School address

Access details

Please detail any specific access details or sign in processes for visitors to the school.

Preferred landing dates and times
(Subject to confirmation by the local Service)

Who is the key school contact?

Main point of contact from the school

Secondary school contact in charge of organising students

Who will be speaking from the school?

This person will welcome Westpac and Crew, and provide an introduction to the Landing.

What time are the school recess/lunch breaks?

Is there a PA system available to use during the presentation?

How many students will be in attendance?

What is the wet weather contingency plan?
In case of rain the presentation can be held indoors (gym, hall etc.)

PR/media approval
Further details to be provided by Westpac

LANDING ZONE CHECKLIST

Does your school have:

Large open oval/field

Safe viewing area for students

No obstructions – trees, powerlines, houses etc.

Wet weather contingency – sports hall or equivalent for crew presentation

Please tick this box to confirm you provide permission for the Service to land at your school on the date to be confirmed
