

Updating your contact details.

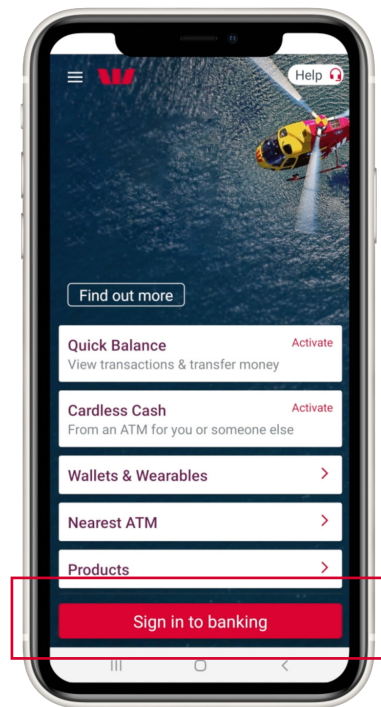

A step-by-step guide to help you update your contact details in the Westpac App.

How to update your contact details.

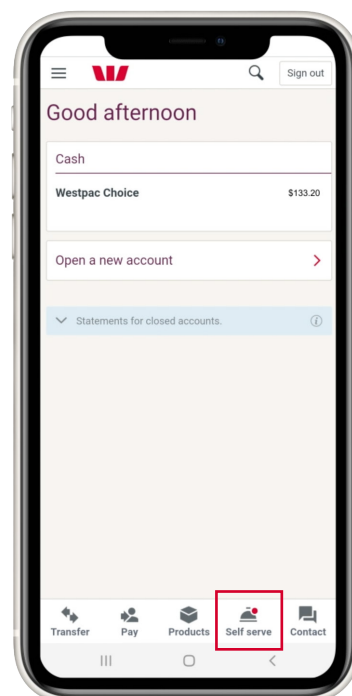

Step 1.

Open up the Westpac App on your phone. Tap Sign in to banking.

Step 2.

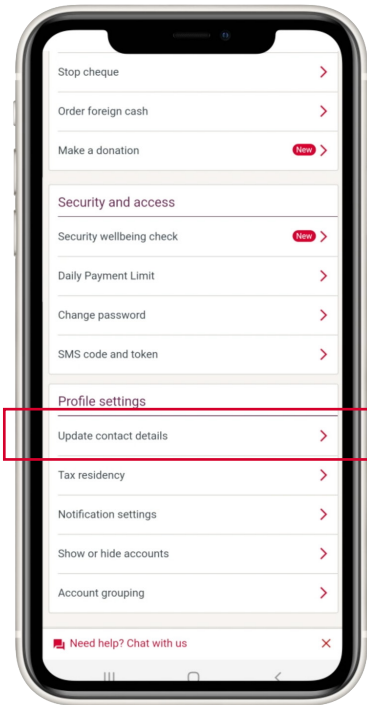

Tap the Self serve icon on the menu bar.

Step 3.

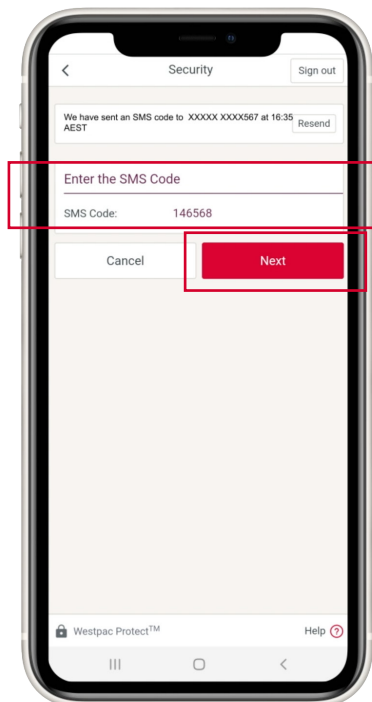

Scroll down to Profile settings and tap Update contact details.

An SMS Code will then be sent to your registered mobile number.

Step 4.

Enter the SMS Code sent to your registered mobile number. Tap Next.

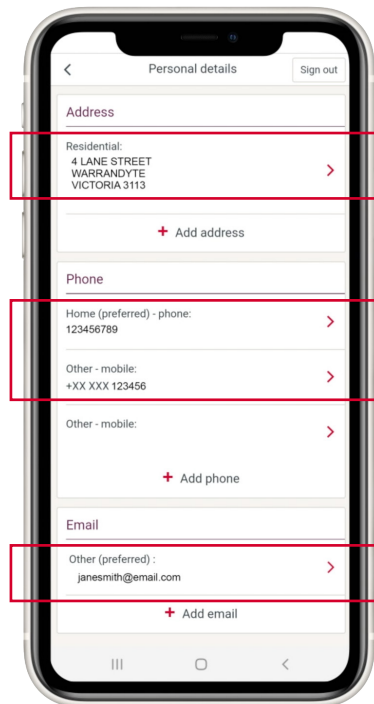

Step 5.

Select the details you need to add or update, and follow the prompts.

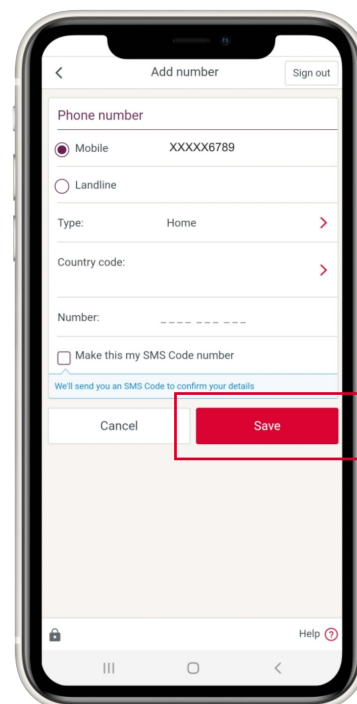

Ensure your contact details are up-to-date to help keep your accounts safe.

Step 6.

Tap Save and your details will be updated in our system.

We're here to help.
