CHESS explanation

Value Nominees Pty Limited ABN 90 001 827 998 (‘we’, ‘us’ and ‘our’) has a legal responsibility to explain CHESS sponsorship to you. When you sign the application form, you are acknowledging that this explanation has been given to you.

Overview

CHESS stands for Clearing House Electronic Subregister System. It is a settlement system for transferring securities designed to eliminate paperwork by operating a paperless system which records shareholdings electronically on an account in CHESS, rather than using share certificates. CHESS is operated by ASX Settlement Pty Limited ABN 49 008 504 532 (‘ASX Settlement’) which is a wholly owned subsidiary of ASX Limited ABN 98 008 624 691 (‘ASX’). It operates under published rules known as the ASX Settlement Operating Rules (‘Settlement Rules’) that all CHESS participants must abide by.

Sponsorship on CHESS

CHESS participants are either general settlement participants or account participants. CHESS maintains a part of each issuer’s register of holders on the CHESS Subregister. CHESS has a legal responsibility to explain CHESS sponsorship to you. When you sign the application form, you are acknowledging that this explanation has been given to you.

A holder on the CHESS Subregister is either a CHESS participant or is sponsored by a CHESS participant. As you are not a general settlement participant or an account participant, you will need to be sponsored in order to maintain a holding on CHESS. You will be sponsored by entering into a sponsorship agreement with a general settlement participant, the effect of which is to appoint that entity as both the sponsoring participant and the controlling participant for the holdings covered by the sponsorship. Each holding on the CHESS Subregister must have a designated controlling participant who alone can initiate transactions on CHESS in relation to that holding.

The terms of Part 7 – Appointment of Sponsoring participant – in the Westpac Online Investment Loan Facility Agreement (‘Facility Agreement’) are your sponsorship agreement with us as your sponsoring participant. The securities which are to be held on the CHESS Subregister will be converted to a CHESS holding in your name. We will control this CHESS holding on your behalf, acting on your instructions or on confirmations received from your market participant, subject always to the right to refuse to do so as set out in Part 7 of the Facility Agreement.

Under the Settlement Rules, certain acknowledgments have to be made. These are set out in clause 37 in Part 7 of the Facility Agreement.

Securities Transfers

Transactions against holdings on the CHESS Subregister are effected via electronic computer messages. The sponsorship agreement in Part 7 authorises us to carry out instructions provided by you in relation to your holdings by sending the appropriate electronic messages to CHESS and processing messages received from CHESS.

We will only undertake securities transfers and operate your CHESS holding according to the terms in Part 7 of the Facility Agreement. As a general settlement participant, we will also have to comply with the Settlement Rules.

We will send you regular statements that, amongst other things, outline securities that are sponsored under the sponsorship agreement. When a transaction occurs in your CHESS holding, CHESS will send you a statement detailing the changes to your holding usually in the first week of the following month.

General

Part 7 of the Facility Agreement contains provisions designed to better protect us as mortgagee of the shares subject to a CHESS holding.

The CHESS holding that you establish with us can be in addition to any holding you may have with any other sponsors. However, these other sponsors will not be able to access the securities comprising your margin lending loan portfolio with us.

If you have any queries relating to the terms of Part 7 of the Facility Agreement, or do not fully understand any of its terms, please contact us on 1300 551 744 prior to signing the application form.
Supplementary risk disclosure statement

This statement must be read by each person considering either borrowing from BT Securities Limited ABN 84 000 720 114 as agent for Westpac banking Corporation ABN 33 007 457 141 AFSL 233714 (‘we’, ‘us’ or ‘our’) under a margin lending facility or guaranteeing or providing security for such a borrowing by someone else. This disclosure is in addition to the risk disclosure set out in the Westpac Online Investment Loan Product Disclosure Statement.

The following are some risks associated with being a borrower, guarantor, or provider of third party security in relation to the Westpac Online Investment Loan Facility. Any proposed borrower, guarantor or third party security provider should obtain independent professional advice, including from your solicitor and your financial adviser, before applying.

1. If money is borrowed from another source in order to provide the borrower’s equity for a Westpac Online Investment Loan Facility, this will increase the borrower’s overall gearing level. The higher the overall gearing level, the greater the effect that a fall in the value of the investment will have on the borrower’s financial situation.

2. Each of the borrower and the security provider gives us and each of our authorised officers a power of attorney under which they can, among other things, sell some or all of the borrower’s and/or the security provider’s mortgaged property. The attorneys can exercise their powers at any time regardless of whether the borrower or the security provider is in default. The attorneys are not obliged to exercise their powers; however, if they do, they may use any sale proceeds to pay some or all of the amount owed to us. The attorneys selling some or all of a portfolio may result in a realised profit or loss on the investment and a disruption to any tax planning and investment strategy. For example, if the borrower does not meet a margin call, the attorneys may sell some or all of the security provider’s portfolio to repay some or all of the loan (even if the security provider is a third party and they do not know about the margin call).

3. The loan to value ratio that is assigned to each security and any change in that loan to value ratio are not to be taken as recommendations by us. The loan to value ratio is not based on an assessment of the suitability of the security to form part of a portfolio.

4. All dividends, distributions, bonus issues, rights issues and other rights and entitlements defined as ‘new rights’ in the Westpac Online Investment Loan Facility Agreement (the ‘Facility Agreement’) will be mortgaged to us and neither the borrower nor the security provider will have access to them unless we agree. In addition, neither the borrower nor the security provider may be able to accept takeover offers or other offers related to their securities, except with our written consent.

5. A fall in the value of the mortgaged property between the time that the borrower places an order with their broker and the time settlement occurs may mean we are unable to settle the purchase for the borrower.

We may also be unable to settle a purchase if to do so would exceed the borrowing limit or the credit limit. This may result in settlement fail fees being incurred by the borrower.

6. We do not provide the borrower, the guarantor or any security provider with financial, investment, taxation or legal advice regarding the Facility Agreement, its suitability to the borrower’s circumstances or how the borrower should invest the money borrowed under the Facility Agreement. We have not considered whether the guarantor should guarantee the borrower’s loan. We have not considered whether the third party security provider should provide third party security for the borrower’s loan.

7. If requested, the nominee may open a cash management account on the borrower’s behalf. This account may earn interest from any money invested in it. The cash management account will be part of the borrower’s mortgaged property and will be mortgaged to us. As with other investments in that mortgaged property, we do not guarantee the cash management account.

8. As this facility is uncommitted, any loan made under the facility is at our discretion and we may elect to terminate the facility by giving you at least 10 business days’ notice.

Third party security provider additional risk disclosure statement

The following are some additional risks associated with providing a third party security for the Westpac Online Investment Loan Facility. As a third party security provider, you will have no control over the loan, the mortgaged property or any arrangements relating to the loan. You should obtain independent professional advice before providing that security.

1. The borrower may operate the loan without reference to you and can therefore increase or decrease the loan amount and/or your risks as a third party security provider without your knowledge or agreement.

2. The terms of the Westpac Online Investment Loan Facility between us, the nominee and the borrower can be changed at any time.

3. You cannot cancel the security which you provide without our written agreement. We will normally not agree to release the security unless the borrower has repaid all money owing to us or there is sufficient security available after your investments have been removed from the mortgaged property.

By signing the power of attorney in the application form you acknowledge that you have read and accept these risks.

THIS STATEMENT IS NOT AN EXHAUSTIVE LIST OF ALL THE OBLIGATIONS AND RISKS ASSOCIATED WITH USING A MARGIN LENDING PRODUCT TO INVEST.
Westpac Online Investment Loan Facility Agreement

Important
The terms and conditions of your facility are set out below and, if you provide security for the facility, the terms of your mortgage. Please read and retain it in a safe place for future reference.

Words printed like this are explained in clause 52 of these terms and conditions.

When you and any third party security provider sign an application form, you and they are confirming that they have read and accepted these terms and conditions.

This agreement is between each of you, any third party security provider, us, the sponsor and the nominee.

This agreement incorporates four distinct legal concepts:
1. the lending provisions;
2. a mortgage given by you to us;
3. the nominee arrangements with the nominee and the appointment of us as your attorney; and
4. the appointment of the sponsor or someone else approved by us as your CHSS sponsor.

If you are applying to be a third party security provider, this agreement incorporates three distinct legal concepts:
• a mortgage given by you to us to secure the obligations of the borrower;
• the nominee arrangements with the nominee and the appointment of us as your attorney; and
• the appointment of the sponsor or someone else approved by us as your CHSS sponsor.

In the application form, you and any third party security provider also appoint attorneys under a power of attorney. The attorney may execute documents on your behalf in accordance with that power, including these terms and conditions and any amendments to them. This agreement will be executed by us as your attorney. Once we sign this agreement, it is binding on you, any third party security provider, us, the sponsor and the nominee. The date we sign is the commencement date of this agreement.

This facility is an uncommitted discretionary facility, and so:
• we may refuse any loan request at our discretion (see clause 1.1);
• we may review your credit limit at any time and for any reason (see clause 2.4); and
• we may terminate the facility and require full repayment on 10 business days’ notice for any reason (see clause 7.1(b)).

Part 1 – Lending provisions

1. Conditions for borrowing
1.1 The facility is uncommitted, and we lend in our discretion. We will only consider a request for a loan if:
(a) you have given us any document or information we reasonable require; and:
(b) we are satisfied that an event of default has not occurred and is not likely to occur as a result of the loan; and
(c) the security provider has not terminated the relationship between the nominee and the security provider under clause 24, or if such relationship has been terminated, the security provider has appointed another nominee to hold the mortgaged property on their behalf on terms that are acceptable to us.

1.2 We may require any information to be given electronically, orally or in writing. Once you request a loan to be made, that request is irrevocable.

2. How much we will lend to you
2.1 As this facility is uncommitted, any loan made under the facility is at our discretion and we are not required to lend for any reason. We are not liable for any amount incurred by you as a result of us not lending to you.

2.2 Unless we agree otherwise, the maximum amount you may borrow from time to time is the lesser of your borrowing limit and your credit limit.

2.3 Your borrowing limit depends on the loan to value ratio and the market value of securities over which security providers have granted security interests to us. The loan to value ratio for each security is shown in the acceptable securities list applicable to the facility. We may change the particulars on the acceptable securities list at our discretion on the basis of our assessment of the relevant security from time to time, and without prior notice to you. These changes are not specific to your facility but apply to similar facilities generally.

2.4 Your credit limit is determined by us at the time of your application for the facility and may be reviewed by us from time to time if we are required by law to do so or if you request us to review your credit limit. You must provide us with such information as we require at the time of any review. As a consequence of a review we may decrease your credit limit if we consider it appropriate having regard to our lending criteria (and even if it would result in an event of default). We will give you notice of any decrease in your credit limit and you must ensure that, within 5 business days (or such later date as we specify) of the date of the notice, that the amount outstanding is less than the credit limit and the borrowing limit. If you do not comply with this clause then, without limiting our rights under the mortgage, you and each guarantor and/or third party security provider will be taken to have requested each attorney appointed in the power of attorney contained in the application form to take all steps we deem necessary to ensure that
the amount outstanding is less than the credit limit and the borrowing limit.

2.5 We may lend you money by way of the various loan options that are available from time to time. Subject to our agreement, (which we will not unreasonably withhold), you may nominate means of drawing and repaying each loan under the facility.

3. Borrowing money

3.1 A request for a loan under the facility may be made by supplying us with a confirmation which, unless you instruct us otherwise before we receive it, we treat as a direction to:

(a) settle the confirmation; and

(b) register the securities in your participant sponsored holding or the nominee’s name, as required by us.

Unless we agree otherwise in writing, a request is irrevocable. Any amount advanced to you under this agreement will be debited to your loan account.

3.2 If settling a confirmation would cause the amount outstanding to exceed the credit limit we may decline to settle that confirmation. If we choose to settle such a confirmation you acknowledge that:

(a) your credit limit is increased to the amount outstanding after we have settled the confirmation; and

(b) we will review your credit limit in accordance with clause 2.4 and as a consequence of such review we may decrease your credit limit which would require you take steps to ensure that the amount outstanding is less than the decreased credit limit and the borrowing limit.

3.3 If we receive a confirmation under clause 3.1 in relation to unlisted securities, new rights or new issues, you are taken to declare that you have read the relevant prospectus or other offer document and agree to be bound by the conditions of the offer.

3.4 We may in our discretion decide whether the unlisted securities, new rights or new issues are to be applied for in your or the nominee’s name.

3.5 If the application is unsuccessful for any reason, any application money (other than company or trust processing fees) will be refunded to you.

3.6 (a) You may from time to time authorise and direct the nominee to open a cash management account in the nominee’s name on your behalf. You will be the beneficial owner of any balance in the cash management account, subject to our rights under this agreement. You agree that any cash management account will form part of the mortgaged property.

(b) You authorise and direct us, the nominee and their officers and employees to deposit into a Standard CMA any part of a loan which you do not use immediately to purchase securities and the proceeds from the sale of any of the mortgaged property.

(c) If you have prepaid any interest and the amount against which that interest has been prepaid exceeds the amount outstanding at any time, you authorise us to lend to you that excess under clause 1 and deposit that excess into a Standard CMA.

(d) We may deposit any credit balance in the loan account into a Standard CMA.

(e) You may deposit your own funds into a cash management account at any time.

(f) You agree with us not to withdraw any amount from a cash management account, until there is no amount outstanding and you have received our written consent.

(g) While there is an amount outstanding, you agree with us that we may, at our sole discretion, withdraw any amount from a cash management account to:

(i) fund the purchase of securities by you;

(ii) meet a margin call;

(iii) pay or prepay interest under this agreement;

(iv) if the cash management account is a Regular Gearing CMA, pay any loan component of any regular gearing arrangement authorised by you; or

(v) pay any of the amount outstanding, from that cash management account.

The nominee acknowledges that it has notice of the agreement between you and us under this clause 3.6(g), and agrees to act in accordance with, and on the basis of, that agreement.

4. Interest

4.1 You must pay us interest on each loan at the relevant rate applying as at the date we receive your request for the loan, being the rate set out on our website westpac.com.au The rate may be a fixed rate or a variable rate, depending on your arrangements with us in relation to each loan and will apply for the period, and in the manner that you and we agree to. Details of current interest rates are available from us on request and are available on our website at westpac.com.au.

4.2 Interest:

(a) accrues on each loan from day to day commencing on the first day on which each loan was lent;

(b) is calculated on the number of days elapsed and a 365-day year; and

(c) is payable by you on the last day of each month (unless we agree otherwise).

4.3 Notwithstanding our other rights in accordance with clauses 32, 33 and 34, if you do not pay us any interest on the due date we may capitalise that interest to form part of the loan balance.

4.4 If you ask, we will arrange to direct debit, on or after the last day of a month, an account nominated by you with the amount of interest payable for that month and apply it to reduce the amount outstanding. You may cancel or vary any direct debit arrangement by 14 days’ notice in writing to us.

4.5 Credit balances on your loan account are held in cash by us and we earn interest on those amounts. We do not pay interest earned on these amounts to you. It is your responsibility to transfer any credit balance to an interest bearing account as we may not automatically do so.
4A.4 The wholesale market rate(s) used to calculate the present value of a payment and the interest rate or discount rate (as appropriate) to be applied under clause 4A.3 are determined by us in good faith adopting commercially reasonable procedures. This may include considering:
(a) any market information we consider relevant from either internal or external sources (for example, market rates (which need not be mid-market rates), margins and yield curves);
(b) if the information required to determine wholesale market rates is not available for the date of the break event, information for a date following the break event as would be commercially reasonable to consider; and
(c) without double counting, when it is reasonable to do so, any interest rate or discount rate used in connection with terminating, liquidating or reestablising any transaction we maintained in connection with the facility.

5. Other amounts we can charge to your loan account
5.1 We may debit costs payable in connection with the facility to any loan account.
5.2 Details of current interest rates, fees and charges are available from us on request and are available on our website at westpac.com.au. We may vary interest rates, fees and charges payable from time to time under clause 42.10.

6. Payments
6.1 You and each security provider must pay to us all amounts due under the documents in full, in clear, immediately available funds (by cheque, direct payment or another method of payment that we notify to you from time to time). To the maximum extent allowed by law, you give up any right to deduct or set-off any amount we owe you against amounts you owe us under the documents. If you believe that we owe you an amount in relation to the documents (for example, if you believe that we have not complied with our obligations under the documents) you may raise that claim with us separately.
6.2 All payments must be free of any withholding or deduction for taxes, unless the law prevents this. If you have to make a deduction, the amount you must pay is increased so we receive the same amount we would have received had no deduction been made.
6.3 Payments must be made by our close of business (in the place of receipt) on the day the payment is due. If the due date falls on a non-business day, the payment must be made on the previous business day.
6.4 If any cheque given in payment of any amount payable by you under this agreement is not honoured on first presentation then we will treat the payment as if it had never been made.
6.5 We may without prior notice offset any money we owe you under the facility against any money you owe us under the facility unless the amount you owe us is genuinely in dispute. We will promptly notify you if we do this.
6.6 If at any time the amount outstanding is due, but has not been paid, you authorise us to apply any credit balance in any loan account you have with us, towards satisfaction of the payment that is due. We may do this without giving you any prior notice, but we will tell you promptly afterwards.
6.7 We may apply or direct the nominee to apply:
(a) any amount you pay us under the facility;
(b) any cash received as a result of rights derived from the mortgaged property;
(c) any proceeds from any corporate action (including the takeover, compulsory acquisition, or redemption of, or return of capital) on, any of the mortgaged property;
(d) any proceeds from the sale or redemption of any mortgaged property; and
8.4 A margin call must be satisfied by taking the action referred to in clause 8.5 by 2pm (Sydney time) on the next business day after the day the notice is issued by us, or such later date as we may advise.

8.5 The action you must take if your loan account goes into margin call is to:

- repay some or all of the amount outstanding; and/or
- provide us with additional security interests which are acceptable to us; and/or
- arrange to, or give us irrevocable instructions to, sell, dispose of or redeem some or all of the mortgaged property (with the proceeds being used to reduce the amount outstanding or being deposited to the credit of a cash management account); and/or
- take any other reasonable steps we consider necessary, so that the loan balance no longer exceeds the borrowing limit.

8.6 You should ensure that you or your margin call contact are in a position to receive any communications from us in relation to this clause and to act within the time limits specified in this clause.

8.7 As further and better security to us, you and each other security provider irrevocably authorise each attorney appointed in the power of attorney contained in the application form to, in accordance with that power of attorney, any steps necessary (including any of those steps listed in clause 8.5) to ensure the loan balance no longer exceeds the borrowing limit.

8.8 We may vary the loan to value ratio of a security, the quantity of a security we will assign a loan to value ratio to, or the percentage taken into account in the borrowing limit or the buffer, at any time in our discretion, even if it results in a margin call. These variations are not specific to your facility but apply to similar facilities generally. We do not have to advise you of making any of these variations. These variations are not specific to your facility but apply to similar facilities generally. Any change will be notified on our website at westpac.com.au.

8.9 You and each other security provider agree that:

- you will manage the facility to avoid a margin call; and
- if at any time a margin call does occur:
  1. it is not a waiver that we do not exercise our rights in respect of an unsatisfied margin call despite then being entitled to do so, nor is it a waiver of our right to do so at any time in the future; and
  2. we are not obliged to take any action to stop or limit your loss by exercising our rights under this agreement.

8.10 Our rights under this clause 8 (whether we exercise them or not) do not limit any of our other rights at law, under these terms and conditions or under the documents.

9. Authority to operate

9.1 You may nominate another person or persons as an authorised representative to operate the facility as if they were a borrower, other than to receive margin calls. In relation to a managed investment scheme,
you may also nominate a nominated financial adviser or managed investment scheme to provide us with instructions to deal with, switch or redeem all or part of the security relating to the managed investment scheme. The nomination must be done in a manner acceptable to us (which may include the person providing such documents and other information as is reasonably requested by us) and we require the person to confirm their acceptance of the nomination.

9.2 This arrangement will continue until we receive written notice from you in a manner acceptable to us that you have revoked any such authority.

9.3 You (and any person claiming through you) release us from and indemnify us against all losses and liabilities arising in connection with all actions, claims, proceedings, costs and demands arising directly in connection with us acting on the instructions of your authorised representative or nominated financial adviser or the acts or omissions of your authorised representative or nominated financial adviser unless they arise as a result of any acts or omissions that involve our negligence, fraud or misconduct.

9.4 If you appoint an authorised representative or nominated financial adviser, (unless such appointment is revoked in accordance with clause 9.2) you cannot later claim that your authorised representative or nominated financial adviser was not acting on your behalf.

Part 2 – The mortgage

10. Effect of this mortgage

10.1 In this Part 2 each security provider incurs obligations and gives us rights over the mortgaged property. For example, if the security provider does not comply with any of their obligations under any part of this agreement, we may redeem, sell or deal with the mortgaged property as if we own it. We may also sue you for any remaining money you owe us.

10.2 The mortgage in this Part 2 operates as a separate mortgage given by each security provider in respect of securities owned by that security provider solely in their own right and a mortgage given jointly by each security provider which owns securities jointly.

11. Mortgage

11.1 Subject to the following paragraph, for the purpose of securing to us payment of the amount outstanding, the security provider mortgages to us:

(a) all the future security, when the security provider (or a trustee, nominee or agent for the security provider) first acquires an interest in it; and

(b) any new rights that arise with respect to the future security or other new rights when the security provider first acquires an interest in those new rights.

The mortgage referred to in (a) or (b) takes effect:

(i) if recording under a holder record needs to occur in order for property in (a) or (b) to comprise future security, when the securities are first recorded in the holder record;

(ii) if we need to indicate that we accept property in (a) or (b) to comprise future security, when we indicate our acceptance;

(iii) if securities need to be transferred to us or a person we nominate in order for property in (a) or (b) to comprise future security, when the transfer takes effect; and

(iv) if an identification notice needs to be given in order for property in (a) or (b) to comprise future security, when the identification notice becomes effective under clause 11.2.

11.2 If we send a security provider an identification notice that identifies "future security", the property so identified is to be future security for the purposes of this mortgage if the security provider does not reject the identification notice in writing to us by 2pm (Sydney time) on the day they are taken to have received it. If an identification notice is received after 2pm on any day, it is taken to be received on the next day.

11.3 The security provider may require us to release the mortgaged property from the mortgage when there is no longer any amount outstanding. Until we actually release the mortgaged property, it remains mortgaged to us.

11.4 We may arrange to register this mortgage at your expense.
12. The mortgaged property

12.1 We reserve the right at our discretion not to accept as mortgaged property any property a security provider deposits with us with the intention that it operates as mortgaged property. We may indicate our acceptance of deposited documents as mortgaged property orally or in writing. If in writing, it may be evidenced by any statement summarising the facility and portfolio of securities we issue from time to time. Without limiting this, we reserve the right at our discretion not to accept particular securities as mortgaged property even if those securities are included in the acceptable securities list.

12.2 Each security provider agrees to deposit with us or a person we nominate anything we require in connection with the mortgage or mortgaged property within 5 business days of our request or such longer period as we may agree.

12.3 If we ask, the security provider must give a direction (in a form we approve) to anyone we specify to deliver to us or our nominee anything which that person holds in respect of the mortgaged property. If we ask, the security provider must provide us with evidence (for example, a copy of the relevant letter) that they have given such a direction.

12A. Where mortgaged property is held under a platform arrangement

12A.1 If any mortgaged property of a security provider is held under a platform arrangement and either:
   (i) that mortgaged property is not registered in the nominee’s name; or
   (ii) the sponsor is not the sponsoring participant of that mortgaged property,
then the security provider agrees as follows.

12A.2 The security provider agrees that:

(a) their interest in the platform arrangement and any securities held for them under the platform arrangement will form part of the mortgaged property once we have agreed to that;

(b) the sponsor will not act as their sponsoring participant on CHESS in relation to any part of their investment in the platform arrangement. CHESS sponsorship arrangements will be as may be advised in the agreements documenting their interest in the platform arrangement rather than as documented in this agreement;

(c) nominee arrangements in relation to their interest in the platform arrangement will be as may be advised in the agreements documenting their interest in the platform arrangement rather than as documented in this agreement;

(d) the security provider agrees that the Operator of the platform arrangement is a “Recipient” for the purposes of the privacy disclosure and consent provisions of this facility; and

(e) they will not be able to make any withdrawal of cash from the platform arrangement until either our mortgage has been released or they have obtained our prior consent and, if approved, such withdrawal will be processed through the facility.

12A.3 The security provider irrevocably authorises us to instruct the Operator to:

(a) sell, realise or otherwise deal with any or all of their interest in the platform arrangement (or any securities held for them under the platform arrangement) in accordance with the provisions of this agreement including, without limitation, when a margin call has not been satisfied in accordance with this agreement or following the occurrence of an event of default;

(b) pay to us (or to anyone we direct) the proceeds of any sale, realisation or other dealing of any or all of their interest in the platform arrangement (or any securities held for them under the platform arrangement) in accordance with the provisions of this agreement;

(c) pay to us (or to anyone we direct) any or all of the cash held or received for them under the platform arrangement in accordance with the provisions of this agreement;

(d) pay to us (or to anyone we direct) any or all new rights or other amounts of whatever nature received in respect of securities or other assets held for them under the platform arrangement; and

(e) transfer to us (or to anyone we direct) any securities or other assets held for them under the platform arrangement.

12A.4 The security provider irrevocably authorises and directs the Operator of that platform arrangement and us as follows:

(a) the Operator will, if we request, note our interest as mortgage of any mortgaged property of a security provider held under a platform arrangement;

(b) the Operator will comply with all instructions from us from time to time in relation to any mortgaged property of a security provider held under a platform arrangement and provide such information about the security provider’s investment in the platform arrangement as we may request;

(c) the Operator must not, without our prior consent:
   (i) transfer cash or any other investment out of that platform arrangement or sell any investment in that platform arrangement except for the purposes of reinvestment in the same platform arrangement or otherwise in accordance with the terms of that platform arrangement;
   (ii) accept any changes to the account or registration details from the security provider or any other person; or
   (iii) otherwise act on the security provider’s instructions.

13. Your rights in relation to the mortgaged property

13.1 Until an event of default occurs or the mortgaged property is registered in our name, the security provider may:

(a) keep all income earned in respect of the mortgaged property; and
13.2 If an event of default occurs or the mortgaged property is registered in our or the nominee’s name, all the security provider’s rights under clause 13.1 end, and we are entitled to them. The security provider must then follow our directions about those things. The security provider must ensure that any person in whose name any mortgaged property is registered does likewise. We may exercise those rights in any way we choose, including by doing nothing. We are not responsible for any loss arising from choosing not to act.

14. Your obligations in relation to the mortgaged property

14.1 The security provider must:
(a) carry out on time all their obligations, observe any restrictions, and do anything we require in connection with the mortgaged property;
(b) immediately after becoming aware of new rights, provide us with particulars of them;
(c) if they become aware of any defect in their ownership of the mortgaged property, immediately take steps to rectify it;
(d) do anything else that is necessary to maintain the mortgaged property;
(e) take up or sell new rights in respect of the mortgaged property if we ask;
(f) if we ask, give us a copy of all documents they receive in connection with the mortgaged property;
(g) comply with any conditions we attach to any approvals or consents we give in connection with the mortgaged property; and
(h) if we ask, do anything we reasonably request to further assure our interest in the mortgaged property.

14.2 If the security provider does not pay any calls or instalments or any other amounts that are or become payable in connection with the mortgaged property, we may pay any of those amounts on behalf of the security provider. Any amount so paid will form part of the amount outstanding.

15. Dealing with the mortgaged property

15.1 The security provider must obtain our written consent before:
(a) disposing of, redeeming or parting with possession of all or part of the mortgaged property;
(b) creating another security interest in the mortgaged property or allowing one to arise;
(c) taking steps to change the certificated (or uncertificated) nature of the mortgaged property, or applying for a replacement certificate if we have the original;
(d) waiving any rights or releasing any person from obligations in connection with the mortgaged property;
(e) dealing in any other way with the mortgaged property or any interest in it, or allowing any interest in it to be varied; or
(f) otherwise doing anything that might impair the effectiveness or validity of the mortgage.

15.2 If the security provider requests in a form acceptable to us (and signs any transfer forms required by the nominee if it is the registered holder of that part of the mortgaged property) we or the nominee may in our discretion (and the security providers authorise us to) do whatever is necessary to release the property.

15.3 We need not release any of the mortgaged property if you or a security provider has not fulfilled their obligations under the facility; if we are not satisfied that the amount outstanding has been or will be paid; or if, after the release, your borrowing limit would be breached.

15.4 We may release any securities that we wish to exclude from the mortgaged property.

15.5 We will assume that a sell contract note received from any broker which indicates that a security provider is the seller is evidence of the security provider’s request to sell the relevant securities.

15.6 On receiving your request, we and the nominee may redeem or otherwise deal with the security provider’s mortgaged property, and apply the proceeds to pay or repay part or all of the amount outstanding.

16. Other security interests

16.1 If we consent to another security interest in the mortgaged property and we ask, then the security provider must obtain an agreement acceptable to us regarding the priority between the mortgage and the other security interest.

16.2 The security provider must ensure that the amount secured under any other security interest in the mortgaged property is not increased without our prior written consent.

16.3 The security provider must comply on time with any obligation in connection with any other security interest in the mortgaged property.

17. Administrative matters

17.1 We may arrange for any transfer to us of the security provider’s rights under the mortgaged property to be registered.
18. Securities of a third party
We and the nominee may deal with the future security or new rights of a person that form part of the mortgaged property and:
(a) we do not need to obtain the consent of any other person;
(b) we may apply the proceeds of any dealing to repay part or all of the amount outstanding; and
(c) this may affect the borrowing limit.

19. Takeovers
If a security provider wants to accept a takeover offer in respect of securities in their mortgaged property they must obtain our prior written consent.

20. Corporate action
In the event of a corporate action in respect of an issuer of securities forming any part of the mortgaged property, the security provider directs us to transfer the legal title in those securities to the nominee at the security provider’s cost before the corporate action takes effect.

21. Options
21.1 If a security provider wishes to sell options in relation to any securities which are or will be included in the mortgaged property, the security provider must obtain our prior written consent.

21.2 The security provider authorises us to:
(a) give instructions to any broker in relation to their options to the same extent that they are able to do so, including:
   (i) to close out an open position;
   (ii) to transfer an open position to an account with another broker or to a different account with the same broker;
   (iii) to accept a transfer of an open position from an account (which may not be in your name) with another broker in order to close out (wholly or partly) an open position;
   (iv) as to payment of any amounts by a broker or clearing house in relation to options; and
   (v) to reject their directions;
(b) lodge securities forming part of the mortgaged property with ASX Clear if required by either the security provider’s broker or ASX Clear;
(c) make any payment which is required or which we consider necessary or desirable in relation to any options;
(d) take any action in relation to the loan account or the mortgaged property to satisfy any obligation or liability in relation to options; and
(e) provide any information in relation to the loan account to any broker in relation to options, and to obtain from any broker any information we require in relation to the security provider’s account with the broker or any options.

Part 3 – Third party security provider provisions

22. Acknowledgment
Each third party security provider acknowledges that they are responsible for making themself aware of the financial position of the borrower.

23. Preservation of rights
23.1 Rights given to us under the documents and liabilities under them are not affected by any act or omission by us or the nominee or by anything else that might otherwise affect them, including:
(a) the fact that we vary or replace the borrower’s or a security provider’s obligations under this agreement, such as by increasing the borrowing limit or the credit limit, or extending the term;
(b) the fact that we give the borrower or a security provider a concession, such as more time to pay;
(c) the fact that we release, lose the benefit of or do not obtain any security interest;
(d) the fact that any person who was intended to guarantee the borrower’s obligations under the documents does not do so or does not do so effectively; and
(e) the fact that rights in connection with the borrower’s and the security provider’s obligations under the documents are assigned.

23.2 As long as there is an amount outstanding under the documents, the third party security provider may not, without our consent:
(a) reduce its liability under the documents by claiming that it or the borrower or any other person has a right of set-off or counterclaim against us;
(b) claim, or exercise any right to claim, to be entitled to the benefit of a guarantee, indemnity (or similar assurance against loss) or security interest:
   (i) given to us in connection with an amount payable under the documents. (For example, the third party security provider may not try to enforce any mortgage we have taken to secure repayment of amounts payable under the documents); or
   (ii) in favour of a person other than us in connection with any obligations of, or any other amounts payable, by the borrower to, or for the account of, that other person;
(c) claim an amount from the borrower or another third party security provider of the borrower’s obligations under any right of indemnity; or
(d) claim an amount in the insolvency of the borrower or another third party security provider for the borrower’s obligations under the documents (including a person who has signed this agreement).
Part 4 – Appointment of nominee

24. Appointment

24.1 The security provider agrees that if we ask the nominee to hold any of the mortgaged property specified by us on their behalf, then the security provider is to do all that is required to cause that mortgaged property to be registered in the nominee’s name and to deal with that mortgaged property only in accordance with this Part 4.

24.2 The nominee is to be taken to have entered into this agreement on the terms and conditions contained in the global nominee deed when it agrees to have mortgaged property registered in its name.

24.3 The security provider acknowledges that the legal title to securities may, as a result of clause 24.2, be held by or in the name of the nominee in accordance with the terms of the global nominee deed. The security provider accepts those terms.

24.4 The nominee need not make any payment unless the security provider first gives it the funds to do so.

24.5 The security provider agrees with us not to terminate the nominee’s appointment until they have paid all of the amount outstanding and received our written consent. The nominee acknowledges that it has notice of the agreement between the security provider and us under this clause 24.5, and agrees to act in accordance with, and on the basis of, that agreement. We may terminate the nominee’s appointment at any time. Termination of the nominee’s appointment does not affect any rights or obligations arising under the facility prior to termination.

24.6 Notwithstanding any other provision in this agreement:

(a) the security provider shall be entitled to terminate the relationship between the nominee and the security provider when there is no amount outstanding by giving notice to us and directing the nominee to transfer the securities to the security provider; and

(b) for the removal of doubt, the security provider shall be absolutely entitled (within the meaning of that term as used in Parts 3-1 and 3-3 of the Income Tax Assessment Act 1997 (Cth)) to the securities.

25. Nominee Instructions

25.1 The security provider directs the nominee to act in accordance with instructions received from us in accordance with our rights under these terms and conditions, unless we agree otherwise.

25.2 Instructions may include:

(a) a direction to take any action that we could take under this agreement in connection with the mortgaged property; or

(b) a direction to take instructions from the security provider (for example, in connection with voting rights in respect of mortgaged property held by the nominee).

26. Security provider’s obligations

26.1 The security provider directs the nominee to act in accordance with instructions received from us in accordance with our rights under these terms and conditions, unless we agree otherwise.

26.2 If the security provider wants to take any action in connection with the mortgaged property held by the nominee, they must contact us. We will then give appropriate directions to the nominee if the request does not contravene any provision of this agreement. If the security provider asks us to direct the nominee to take action on their behalf, then neither we nor the nominee are liable for any loss suffered as a result of us or the nominee carrying out the instructions unless it arises as a result of any acts or omissions that involve our negligence, fraud or misconduct.

26.3 If the security provider asks us to direct the nominee to apply for securities on the basis of material contained in an offer document, then they declare that they have read the document and received any independent investment advice that they consider appropriate prior to asking us to direct the nominee to act.

26.4 The security provider directs the nominee to do anything necessary to give effect to the instructions received from us.

27. Costs, Fees and Expenses

27.1 You agree to pay the nominee’s usual fees for acting as nominee, which may be notified to you from time to time.

27.2 You indemnify the nominee against, and therefore must pay it on demand for, all losses or costs it suffers or incurs in relation to acting as nominee except to the extent that any such loss or cost arises as a result of the nominee’s wilful misconduct, negligence or breach of this agreement.
Part 5 – Warranties, undertakings and indemnities

28. Warranties and undertakings that you make

28.1 You and each security provider make the following confirmations, acknowledgments, warranties and undertakings at the date of the facility and each time you borrow money under the facility:

(a) all information provided to us in connection with the mortgaged property is true and correct, to the best of your or the security provider’s knowledge (including as to the nature and extent of your and the security provider’s interests in it);
(b) you and the security provider are able to enter into the facility and the other documents and give each of them full force and effect;
(c) you and the security provider are not aware of any situation which has caused, or might reasonably be expected to cause, an event of default;
(d) if you or the security provider are a company, they have not and will not breach Chapter 2E of the Corporations Act by virtue of the transactions contemplated in the facility. (Chapter 2E of the Corporations Act contains provisions which regulate the giving of financial benefits to related parties);
(e) any amount that we may receive as a result of your, the security provider’s or anyone else’s bankruptcy or liquidation does not affect our rights to enforce the facility to recover the amount outstanding;
(f) any securities or new rights which are, or which are to be, mortgaged to us are and will be free of any other security interest;
(g) you and the security provider are each an Australian resident for taxation purposes;
(h) you and the security provider are not entering into or acting in respect of rights or obligations under this deed or carrying on a business at or through a permanent establishment outside of Australia within the meaning of section 6(1) of the Income Tax Assessment Act 1936;
(i) if you are an individual, the proceeds of any loan have not been, and will not be used wholly or predominantly for a National Credit Code purpose. This warranty and undertaking is deemed repeated by you on each loan drawing; and
(j) we need not give any notice under the PPSA (including a notice of a verification statement) unless the notice is required by the PPSA and cannot be excluded.

28.2 Each of the warranties and undertakings made in clause 28.1 continues after the parties agree to these terms and conditions and after any borrowing under the facility. You and each security provider must tell us if anything happens which would prevent you or the security provider from truthfully repeating any one or more of the declarations in clause 28.1 at any time.

28.3 You and each security provider undertakes:

(a) to give us promptly any financial and other information we reasonably request;
(b) until the amount outstanding is paid in full, to:
   (i) neither directly nor indirectly claim or receive the benefit of any payment arising out of the bankruptcy or liquidation of any company or trust that has issued securities that are part of the mortgaged property;
   (ii) neither exercise any rights to, nor claim to be entitled to, any of our rights under the facility or a security interest given by the security provider; or
   (iii) not claim an amount from a borrower under a right of indemnity relating to the facility;
(c) if we determine that a document (or a transaction in connection with it) is or contains a security interest for the purposes of the PPSA, to do anything (such as obtaining consents, signing and producing documents, getting documents completed and signing and supplying information) which we ask and consider reasonably necessary for the purposes of:
   (i) ensuring that the security interest is enforceable, perfected and otherwise effective;
   (ii) enabling us to apply for any registration, or give any notification, in connection with the security interest so that the security interest has the priority required by us; or
   (iii) enabling us to exercise rights in connection with the security interest; and
(d) to pay or reimburse our reasonable costs in connection with anything the security provider is required to do under (c) above.
29. **Trustee declarations and undertakings**

29.1 If you are a trustee of a trust then:

(a) you declare that you have:

(i) the power and authority to sign the documents, perform your obligations under them and allow them to be enforced;
(ii) obtained all necessary resolutions, consents, approvals or other procedural matters as required by any relevant trust deed;
(iii) signed the documents in your personal capacity and also as trustee for the benefit of the beneficiaries;
(iv) the right to be indemnified out of the trust fund for all of the obligations you incur under the documents, that this right has not been limited in any way, and that the trust fund is sufficient to cover this right of indemnity;
(v) any securities and new rights which are to be mortgaged under this agreement are the property of the trust; and
(vi) you are not aware of any threatened or pending action or claim which may affect your indemnity out of the trust assets; and

(b) you agree to:

(i) exercise your right of indemnity from the trust fund if necessary in order to meet your obligations under the documents;
(ii) do everything you have to as trustee of the trust to perform your obligations under this facility;
(iii) not retire as trustee of the trust without our prior written consent which will not be unreasonably withheld or delayed;
(iv) advise us of any material change to the trust deed;
(v) act in accordance with the provisions of the trust deed at all times;
(vi) not terminate the trust;
(vii) not do anything which may negatively affect your obligations as trustee of the trust or your right to be indemnified out of the trust assets; and
(viii) if we ask, provide us with a completed solicitor’s certificate (in a form we supply) which provides us with details of the trust.

29.2 The declarations and undertakings in clause 29.1 are of a continuing nature. You agree to tell us immediately if anything you have declared or agreed to becomes untrue or impossible.

29.3 If a security provider is a trustee then it makes the same declarations and enters into the same agreements as if it were named in clauses 29.1 and 29.2 instead of you.

30. **Indemnities**

30.1 You and each security provider jointly and severally indemnify us and the nominee against, and must therefore pay us on demand for, any direct loss or reasonable costs we suffer or incur as a direct result of:

(a) an event of default occurring;
(b) funds not being available to meet any request from you, unless it is our fault that those funds are not available;
(c) any money you or another person has to pay under the documents not being promptly paid including, but not limited to, any withholding tax or similar costs we incur or which may be payable by you or us in the future;
(d) you, a guarantor or a third party security provider breaching the law;
(e) us or the nominee entering into or performing obligations under the facility; (other than for our or the nominee’s wilful default or negligence);
(f) inaccuracy in, or breach of, any of the representations, warranties, declarations, undertakings or covenants that you, a guarantor or a third party security provider gives;
(g) any omission made by you, a guarantor or a third party security provider in any certificate or declaration delivered or any verbal or written statement, whether prior to entering into the facility or under any of the terms of the facility;
(h) entering into and performing any obligations as a security provider’s sponsoring participant in connection with any of the documents; (other than for the sponsoring participant’s wilful default or gross negligence);
(i) any action or default by a security provider under or in relation to the sponsorship agreement in Part 7;
(j) any loan being repaid before its due date; or
(k) our reliance on any instructions from you or your representative contemplated in this agreement.

30.2 Unless stated otherwise, each indemnity in this agreement is a continuing obligation independent of other obligations under this agreement. They continue after those other obligations end.
Part 6 – Default

31. When is there an event of default?

31.1 An event of default occurs if:

(a) you or a security provider does not pay on time any amounts due under any documents; within 5 business days of becoming due

(b) you fail to satisfy a margin call in accordance with the terms of this agreement;

(c) you, a guarantor or a security provider, or someone acting on behalf of any of you, gives us, in our reasonable opinion, materially incorrect or misleading information, or makes a declaration which is materially untrue, in connection with a document; or

(d) enforcement proceedings are taken against you or any of the mortgaged property by another creditor; or

(e) you, a guarantor or a security provider become insolvent, or no longer have legal capacity; or

(f) any security forming part of the mortgaged property consists of an interest in a trust account:

(i) any material breach or default occurs of the duties and obligations of the administrator or trustee under the relevant trust deed, rules and anything else that applies to the trust (together, the plan); or

(ii) any event occurs which results in the termination of the plan or the vesting of trust assets held under the plan; or

(iii) the administrator or trustee under the plan is removed from office; or

(iv) any event of default occurs under the relevant management agreement; and we reasonably consider it causes an increase in our credit risk; or

(g) in our reasonable opinion an adverse circumstance has occurred in relation to the sponsor or sponsorship of any of your holdings (if the sponsor is someone other than us), including the insolvency of the sponsor, or any steps being taken which may lead to the insolvency of the sponsor, or the breach or termination by the sponsor of the sponsorship agreement; or

(h) you fail to provide any financial information reasonably required by us.

31.2 We will only act on an event of default (other than clause 31.1(a) or (b)) if the following apply:

(a) if the event or circumstance can be remedied, you do not remedy it within a reasonable period after we ask (that period will be at least 30 days unless it is reasonable for us to act to manage an immediate risk); and

(b) the event or circumstance is by its nature material or we reasonably consider it causes an increase in our credit risk (or where clauses 31.1(c) applies, we reasonably consider the event or circumstance creates material impact on our legal or reputation risk).

32. What can happen if there is an event of default?

32.1 If an event of default occurs, you and each security provider authorises us to do one or more of the following:

(a) give you a notice which states that an event of default has occurred and requiring you to immediately pay us any or all of the amount outstanding;

(b) terminate the facility and notify you of the termination;

(c) sue you for the amount outstanding;

(d) do anything with the mortgaged property that the owner or a receiver of it could do, including selling or assigning it (or any part of it) on any terms we choose and withdrawing or redeeming any amount standing to the credit of any cash management account but nothing overrides our or a receiver’s obligations to obtain at least the market value of the mortgaged property;

(e) exercise and enjoy the benefits of the rights the security provider previously held under clause 13;

(f) do anything else the law allows us to do as a mortgagee;

(g) appoint a receiver to do anything the law allows a receiver to do, including any of the above; and

(h) bring or defend any action or legal proceedings in your name or otherwise, for all or any of the above purposes.

32.2 Your liability under the facility (including your obligation to pay us the amount outstanding) is not limited to the net proceeds realised on the sale of the mortgaged property. To the extent we do not recover all money owing to us through such sale we may recover the balance of moneys owing from you personally.

33. Receivers

33.1 If we appoint a receiver, the receiver is the security provider’s agent, not ours, unless we notify the security provider otherwise. The security provider must pay the receiver’s reasonable costs and remuneration.

33.2 We may set a receiver’s reasonable remuneration, remove a receiver and appoint a new or additional receiver as we reasonably choose.

33.3 A receiver can do anything we could do under clause 32.1, and anything else the law allows a receiver to do.

33.4 If we or the receiver takes possession of the mortgaged property then neither we nor the receiver is liable to account to the security provider as a mortgagee in possession.
34. Disposal of mortgaged property

34.1 The security provider agrees that if we sell or otherwise dispose of the mortgaged property:

(a) it may be in any way we think appropriate, and we are not required to act in accordance with any instructions the security provider purports to give but nothing overrides our or a receiver’s obligation to obtain at least the market value of the mortgaged property; and

(b) the person who acquires the mortgaged property need not check whether we have the right to dispose of the mortgaged property or whether we are exercising that right properly.

34.2 The title of the person relying on this clause is not affected by any express or constructive notice of the matters referred to in this clause.

Part 7 – Appointment of sponsoring participant

35. Appointment

35.1 The security provider irrevocably appoints the sponsor, in its capacity as a general settlement participant, to be the sponsoring participant until a substitute is appointed. The initial participant sponsored holdings will be identified by the hins notified by the security provider.

35.2 Any prior sponsorship agreement between the security provider, the nominee, the sponsor and us in relation to the securities is terminated when this agreement begins without affecting adversely any rights or obligations that arose before its termination.

35.3 The sponsor declares that:

(a) it is a wholly owned subsidiary of an Australian bank; and

(b) it has fulfilled all the other requirements under the Settlement Rules for admission as a general settlement participant.

36. What the sponsoring participant can do

36.1 We, the security provider and the nominee authorise and direct the sponsor to provide transfer and registration services as their agent in relation to the securities.

36.2 Despite clause 36.1, the sponsor:

(a) may not take action in relation to the securities (including any transfer or conversion into or out of the participant sponsored holding) except in accordance with our instructions;

(b) must take action in relation to the securities in accordance with our instructions; and

(c) is under no duty to enquire whether we may validly give any consent or instruction.

36.3 Subject to this Part 7, the sponsor will initiate any action necessary to give effect to a transfer or conversion or request by you to withdraw your securities from your participant sponsored holding within the time required by the Settlement Rules. Where the sponsor claims that an amount lawfully owed to it has not been paid by the security provider or nominee, the sponsor has the right to refuse to comply with the request to effect a withdrawal, but only to the extent necessary to retain securities of the minimum value held in the security provider’s or nominee’s participant sponsored holding (where the minimum value is equal to 120% of the current value of the amount claimed).

36.4 In accordance with clause 36.1 and these terms and conditions, but subject to clause 36.2 the sponsor must:

(a) do anything necessary to register the securities as a participant sponsored holding with the sponsor as sponsoring participant in relation to them;

(b) do anything necessary or convenient for the purpose of acting as sponsoring participant of the securities;

(c) obtain statements of holding balances and other information about the securities from the ASX, ASX Clear or ASX Settlement and any entity on the request of the security provider or
the nominee and at any times that the sponsor thinks necessary;
(d) within the period prescribed by the Settlement Rules, give the ASX, ASX Clear or ASX Settlement or the relevant entity notice of any change in information required for registration notified by the security provider or the nominee under clause 37.4(c); and
(e) provide you or any security provider with an executed copy of the sponsorship agreement upon request.

36.5 The sponsor must:
(a) comply with the Corporations Act, all other relevant laws and the Settlement Rules;
(b) exercise all due care in carrying out its duties and obligations; and
(c) immediately notify you if it becomes aware of any fact that might render it unable or ineligible to carry out its duties and obligations as sponsoring participant.

36.6 The sponsor acknowledges that:
(a) ASX Settlement has not approved and takes no responsibility for, our abilities or qualifications as the sponsoring participant;
(b) information on the sponsor’s status as the sponsoring participant can be obtained from ASIC;
(c) if the sponsor is suspended from the settlement facility provided by ASX Settlement, subject to the sponsor’s liquidator, receiver, administrator or trustee asserting an interest in the securities:
   (i) the security provider has the right to request ASX Settlement to remove any securities held by the security provider or the nominee from the CHESS Subregister or from the control of the sponsoring participant under rule 7.2.3(b) of the Settlement Rules within 20 business days of ASX Settlement giving notice of the suspension; and
   (ii) where a request under clause 36.6(c)(i) is not made, ASX Settlement may change the controlling participant and the security provider will be deemed to have entered into a new sponsorship agreement with the new sponsoring participant, on the same terms as the existing sponsorship agreement within 10 business days of the change of controlling participant;
(d) the security provider and the nominee may refer a breach by the sponsor of the Settlement Rules to any regulatory authority including ASX Settlement and ASIC;
(e) the security provider and the nominee may lodge a complaint against the sponsor with ASX Settlement and the Australian Financial Complaints Authority (AFCA);
(f) if a breach by the sponsor falls within the circumstances specified in the compensation arrangements applicable to the approved market operator or the clearing participant of ASX Clear under the Corporations Act and Corporations Regulations the security provider or the nominee may make a claim for compensation arrangements applicable to the approved market operator; and
(g) it is solely responsible for meeting any claims that the security provider or the nominee make against the sponsor for compensation. If the security provider or the nominee makes a claim for compensation against the sponsor, its ability to satisfy that claim will depend on its financial circumstances.

36.7 The sponsor may give the security provider and the nominee notice of its intention to change their sponsoring participant. If the sponsor decides to do this:
(a) the consent of ASX Settlement must first be obtained and any conditions stipulated by ASX Settlement met;
(b) both the sponsor and the new sponsoring participant will give the security provider and the nominee notice of the change in accordance with the Settlement Rules; and
(c) the proposed changeover date must be not less than 20 business days (as defined in the Settlement Rules) after the notice is received by the security provider from the sponsor (the “Effective Date”). The security provider and the nominee are entitled to terminate the sponsorship arrangements applying under this agreement and give withdrawal instructions to the sponsor on receipt of the notice from the sponsor. However, if they choose to terminate, the amount outstanding must be repaid in full at the same time.

36.8 The sponsorship arrangements made under this agreement are to be taken to be novated to the new sponsoring participant on receipt of the notice from the new sponsoring participant confirming that they consent to act as their sponsoring participant on terms equivalent to these sponsorship arrangements (including clause 36.2).

36.9 The security provider and the nominee are to be taken to have consented to the novation of the sponsorship arrangements, and to have authorised the sponsor to execute on their behalf all documents necessary to effect the novation, if either do any act which is consistent with the novation on or after the Effective Date.

36.10 The sponsorship arrangements continue for the sponsor’s benefit in respect of any rights and obligations occurring before notice is given under clause 36.8.

36.11 To the extent that any law or provision of any agreement makes the novation in clause 36.8 not binding or effective, these sponsorship arrangements continue for the sponsor’s benefit until such time as the novation is effective.

36.12 Nothing in clauses 36.7 to 36.11 prevents the completion of transactions by the sponsor where the obligation to complete those transactions arose before notice was given under clause 36.8 and these sponsorship arrangements will continue to apply to the completion of those transactions despite the novation of these sponsorship arrangements.
36.13 If any security provider consents, the sponsor may disclose the HIN of a CHESS Holding to any nominated financial adviser, authorised representative or any other security provider.

36.14 This sponsorship agreement terminates immediately:

(a) by notice in writing from either the security provider or the sponsor to the other;
(b) if the sponsor becomes insolvent;
(c) if the sponsor is suspended from the settlement facility or its rights under the settlement facility are terminated; or
(d) if the sponsor gives the security provider or the nominee notice under clause 36.7, by the security provider or the nominee instructing the sponsor to transfer the securities sponsored by the sponsor from the participant sponsored holding.

36.15 If this sponsorship agreement terminates under clause 36.14 the security provider must, at our request, immediately enter into a sponsorship agreement in relation to the securities on terms and with a controlling participant acceptable to us or repay the amount outstanding in full.

36.16 For so long as there is an amount outstanding, the security provider undertakes not to give a notice under clause 36.14(a).

37. **What the security provider and the nominee agree to do**

37.1 The security provider and the nominee acknowledge that:

(a) ASX Settlement has not approved and takes no responsibility for, the sponsor’s abilities or qualifications as the sponsoring participant;
(b) ASX, its subsidiaries and controlled entities (including ASX Settlement) have no responsibility for supervising or regulating the relationship between the security provider and the nominee and the sponsoring participant other than in relation to sponsorship agreements;
(c) before you signed the application an explanation of the effect of the sponsorship agreement was provided to you by us (this explanation is contained in the ‘CHESS explanation’);
(d) they understood the intent and effect of Part 7 of this agreement before signing it;
(e) if either of them makes a claim for compensation against the sponsor, the sponsor is solely responsible for meeting the claim and the sponsor’s ability to satisfy that claim will depend on the sponsor’s financial circumstances;
(f) in the event of the security provider’s death or insolvency a holder record lock will be applied to all securities held in a participant sponsored holding in the security provider’s name in accordance with rules 8.15.8 to 8.15.11 of the Settlement Rules, unless the security provider’s legally appointed representative elects to remove those securities from the CHESS Subregister; and
(g) in the event of the security provider’s death, this agreement is deemed to remain in operation in respect of the person legally appointed to administer the security provider’s estate for a period of up to three calendar months after the date on which the holder record lock is removed pursuant to rule 8.16.3 of the Settlement Rules, unless that legally appointed representative elects to remove the participant sponsored holding from the CHESS Subregister;

(h) where there is more than one security provider holding securities in a participant sponsored holding jointly and one of them dies:

(i) those securities will be transferred into new holdings under a new holder record in the name of the other surviving joint holders; and
(ii) this agreement is to be valid for the new holdings under the new holder record;

(i) where there is more than one security provider holding securities in a participant sponsored holding jointly and one of them is bankrupt, we will:

(ii) establish a new holder record in the name of the bankrupt holder, transfer the interest of the bankrupt holder into new holdings under the new holder record and request that ASX Settlement apply a holder record lock to all holdings under that holder record, unless the legally appointed representative of the bankrupt holder elects to remove those from the CHESS Subregister; and

(j) in the event of an even number of securities, for taxation purposes each holder will beneficially hold an equal number of securities;

(k) in the event of an odd number of securities, holder 1 on the application form is nominated as the default beneficiary for taxation purposes of the additional security;

(l) you may advise us in writing at any time of an alternate holding portion of securities to that outlined in paragraph (j) or (k); and

(m) the sponsor is not obliged to effect a transfer into the security provider’s or nominees’ participant sponsored holding, where payment for the securities has not been received, until payment is received.

37.2 If the sponsor makes a transfer from a holding of the security provider or the nominee under section 9 of the Settlement Rules, then each acknowledges that none of them:

(a) may assert or claim against ASX Settlement or the relevant issuer of securities that the sponsoring participant either was not authorised to make the transfer or did not make it; or
(b) have a claim arising out of the transfer against the compensation arrangements applicable to the approved market operator or the clearing participant of ASX Clear under the Corporations Act and the Corporations Regulations.
37.3 If the sponsor initiates any action in accordance with this agreement which has the effect of creating a subposition over the securities, then the security provider, the nominee and we acknowledge that the right to transfer, convert or deal in any other way with those securities is restricted in accordance with the Settlement Rules relating to subpositions.

37.4 The security provider and the nominee must:
(a) take all necessary steps to enable the sponsor to become the sponsoring participant of any securities that form, or are proposed to form, part of the mortgaged property that are held in a participant sponsored holding with a different sponsoring participant;
(b) give the sponsor information and supporting documentation reasonably required by the sponsor to comply with the registration requirements for participant sponsored holdings under the Settlement Rules;
(c) notify the sponsor of any change to that information and supply any necessary supporting documentation as soon as possible;
(d) not take any action that would interfere with the sponsor complying with its obligations under the Settlement Rules;
(e) do everything necessary to cause any securities that we identify to be reserved in a subposition on any terms specified by us if we reasonably determine that the subposition may be used to protect our interests under the mortgage; and
(f) not reserve or release securities into or out of a subposition without our prior consent.

37.5 The security provider must:
(a) do everything to comply with this agreement that the sponsor and we consider necessary;
(b) pay the sponsor the fee the security provider and the sponsor agree to; and
(c) reimburse the sponsor when it asks for costs and expenses incurred by the sponsor on any duties, taxes, registration and other fees and charges associated with CHESS and other expenses incurred on behalf of the security provider and the nominee.

37.6 The security provider indemnifies the sponsor against and therefore must pay the sponsor on demand for, any loss or costs suffered or incurred by it:
(a) in properly carrying out its duties or exercising its powers in relation to the securities;
(b) in carrying out any direction given by the security provider, the nominee or us; or
(c) in disclosing the HIN in accordance with clause 36.13 and relying on instructions from anyone in relation to the HIN;
but excluding loss or costs suffered or incurred as a result of any acts or omissions that involve the sponsor’s gross negligence or fraud.

Part 8 – Other Provisions

38. Exclusion of time periods
38.1 Neither we nor any receiver need give you or a security provider any notice or demand or allow time to elapse before exercising a right under the facility or conferred by law (including a right to sell) unless the notice, demand or lapse of time is required by law and cannot be excluded.

38.2 If a law requires that a period of notice must be given or a lapse of time must occur or be permitted before a right under the facility or conferred by law may be exercised, then:
(a) when a period of notice or lapse of time is mandatory, that period of notice must be given or that lapse of time must occur or be permitted by us; or
(b) when law provides that a period of notice or lapse of time may be stipulated or fixed by the mortgage, then one day is stipulated and fixed as that period of notice or lapse of time during which:
(i) an event of default must continue before a notice is given or requirement otherwise made for payment of any amount (including the amount outstanding) or the observance of other obligations under the mortgage; and
(ii) a notice or request for payment of any amount (including the amount outstanding) or the observance of other obligations under the mortgage must remain not complied with before we or a receiver may exercise rights.

39. Other costs and charges
39.1 You must pay us, the controlling participant and the nominee for:
(a) any costs we or the nominee reasonably incur in arranging, registering, administering or terminating the documents (including action taken to enforce rights given to us or the receiver by the documents); and
(b) any duties, taxes or fees payable in connection with the documents or any transaction contemplated under them including any interest, penalties, fines or expenses which might arise in relation to these payments and any amounts we pay to any independent consultant, agent, receiver or lawyer.

39.2 We may debit and charge any loan account with any amounts you are required to pay under clause 39.1.

39.3 You must pay us an amount equal to any liability, loss or costs of a kind referred to in clause 30.1 or clause 39.1 suffered or incurred by any receiver or attorney appointed under a document; any of our employees or officers; or any purchaser or holder of the mortgaged property.
40. Limitation of liability

40.1 We need not do anything (including disclosing anything or giving advice or doing anything we are entitled to do under this facility) except as expressly set out in this agreement.

40.2 We are not responsible to you for any delay, action of or failure to act by any manager, trustee or administrator of any trust in which you have purchased units or interests, any change in the value of those units or interests, or for any breach by any of them of any obligation under any documents relating to that trust.

40.3 Although we or the nominee may sign and deliver applications by you or your financial adviser for securities which consist of an interest in a managed investment scheme, neither the nominee nor we can ensure that the application will be accepted by the manager, administrator or trustee of the relevant managed investment scheme.

40.4 The fact that we include a security in the acceptable securities list or we or the nominee classify a security as part of the mortgaged property is not a recommendation by either us or the nominee that you or a security provider should invest in that security.

40.5 Neither we nor the nominee are responsible for or liable in respect of any of the following (except as a result of our or the nominee’s wilful misconduct or gross negligence):

(a) any change or movement in the value of any security comprising part of the mortgaged property;
(b) any information, advice or opinion (including any information, advice or opinion relating to any security) provided by us or any other person on our behalf whether or not it is provided at your request or relied on by you or by others;
(c) any loss, damage, cost, liability or expense that you may suffer as a result of the failure of any services (electronic and/or telephone and/or internet and/or processing and/or otherwise) we provide other than to correct any errors and refund any fees or charges arising as a result of the failure;
(d) any suspension of our services, including for the purpose of allowing us to perform administrative tasks or maintenance or, if in our opinion, a threat is posed to any system or equipment supporting any service under this facility;
(e) any loss that you, any security provider or guarantor may suffer as a result of any missed market opportunity or any change in the value, status or availability of any security during the period we are processing any of the documents, any confirmation, any request to increase your credit limit or your instructions;
(f) any loss, damage, cost, liability or expense that you may suffer as a result of us declining your request to borrow under the facility, a change in the borrowing limit or credit limit or a direction to repay all or part of a loan; or
(g) any loss, damage, cost, liability or expense that you may suffer as a result of any margin call contact appointed by you to receive notice of a margin call failing to provide you with notice of that margin call.

41. Payments

41.1 To the extent permitted by law, we may pay amounts or give other benefits to any person we choose including any entity related to us. We may not be required to tell you about this or to advise you or obtain your consent to any change in the basis upon which we do so. Payment of any such amounts or the giving of benefits is not an endorsement of that person by us.

41.2 If a cash management account is opened with an entity related to us, then you consent to that entity earning fees and receiving payments in connection with that account.

42. How we may exercise our rights

42.1 We may exercise a right or remedy or give or refuse our consent in any way we consider appropriate including by imposing conditions.

42.2 If we do not exercise a right, power or remedy fully or at a given time, we can still exercise it later.

42.3 Neither we nor the nominee is required to do any act or thing unless expressly required under this agreement.

Neither we nor the nominee are liable for any loss caused by us or the nominee doing or attempting to do, failing to do, or delaying in doing any act or thing:

(i) we or the nominee are not required to do;
(ii) as a result of any delay, suspension, malfunction, error, technical or administrative issue or other problem in any computer or other system, process or equipment supporting any service under this facility;
(iii) where (i) or (ii) do not apply, unless there has been wilful default or gross negligence on our part or on the part of the nominee.

42.4 Our rights and remedies under the documents may be exercised by any of our directors, employees or other persons we authorise, including a receiver or attorney.

Reinstatement of rights

42.5 Under law, a trustee in bankruptcy, an administrator or a liquidator may ask us to refund a payment we have received in connection with the documents. To the extent we are obliged or agreed to make a refund, we may treat the payment as if it had not been made. We are then entitled to our rights against you and the security provider under the documents as if the payment had never been made and, if we ask, you and the security provider must do everything necessary to restore to us any security interest we held immediately prior to the payment or transfer.
No merger

42.6 This agreement does not merge with or adversely affect and is not adversely affected by:

(a) any guarantee or indemnity or any security interest, right or remedy to which we are entitled at any time; or

(b) a judgment or order which we obtain against you or a security provider in respect of an amount payable under the documents (we can still exercise our rights under this agreement as well as under the judgment, order, other guarantee or security).

42.7 If any amount you must pay under this agreement becomes merged in a court order, you must pay interest on that amount as a separate obligation. The interest is payable at the rate in the court order from the date we first ask you for it until it is paid in full. The rate is our default rate (if any) or the rate in the court order, whichever is higher.

Further steps

42.8 You and each security provider must promptly do anything we reasonably ask (such as obtaining consents, signing and producing documents, producing receipts and getting documents completed and signed) to be bound under this agreement and to assist us and the nominee in the enjoyment or enforcement of our respective rights under it.

Amendment to this facility and waiver

42.9 (a) At any time without your consent or acknowledgement we may:

(i) impose any new fee or vary the amount of any fee;

(ii) vary the interest and fee charging cycles;

(iii) vary the basis of calculating and charging of interest; and/or

(iv) vary the default interest rate margin, or

(v) vary any interest rate.

(b) We may from time to time change any of the terms of the documents to:

(i) add, change or remove any rights, concessions or benefits;

(ii) adopt or implement any legal requirement, decision, recommendation, regulatory guidance or standard of any court, tribunal, ombudsman service or regulator;

(iii) accommodate reasonable changes in the needs or requirements of any of our new product features or services;

(iv) cure any ambiguity or typographical error, or correct or supplement any defective or inconsistent provision, so as to make its intended effect clearer;

(v) accommodate reasonable changes to conform with industry or market practice or best practice in Australia or overseas; or

(vi) reflect changes in technology or our processes including our computer systems; or

(vii) for reasons other than the ones mentioned above.

(c) We will notify you of any change in writing or by newspaper advertisement. We can also notify you on our website.

(d) We will notify you of changes as soon as reasonably possible (which may be before or after the change is made) or, if we believe the change is unfavourable to you, on at least 30 days’ prior notice. We can also give you a shorter notice period (or no notice) if we believe doing so is necessary for us to avoid, or to reduce, an increase in our credit risk or our loss.

However, if we change an interest rate, we will notify you no later than the date of the change, unless we are not able to because the interest rate is calculated according to a money market or some other external reference rate, or a rate otherwise designated as a variable or floating rate.

(e) Unless you notify us of any objection to the proposed amendment by the end of the notice period, we may execute amending documentation on your behalf under the power of attorney you executed with your application form (and for the avoidance of doubt, you agree that your attorneys under that power of attorney have the power and authority to execute that amending documentation).

(f) If notice is given in accordance with this agreement, the amending documentation will be effective even if for any reason you do not actually receive the prior notification sent to you.

(g) To the extent that the amendment enhances your rights or benefits in any way and/or does not adversely affect your rights and obligations in a material way, we may on 30 days’ prior notice amend the provisions of the documents.

(h) This clause does not apply in respect of changes to direct debit arrangements.

If the Banking Code of Practice applies to the facility, we may only do so in accordance with that Code.

42.10 A right granted by this agreement can only be waived or discharged in writing signed by the party or parties to be bound.

Completing this agreement and your obligations under it

42.11 You and each security provider agree that we may fill in any blanks in this agreement or any related documents.

42.12 You, each guarantor and each security provider agree that we may do anything which you, a guarantor or a security provider should have done under any document but which you, the guarantor or the security provider either have not done or in our opinion have not done properly. If we do so, you must pay our reasonable costs for so acting when we ask.
Assignment

42.13 We may assign, novate, transfer or otherwise deal with our rights and/or obligations under the documents. However, we may not assign, novate or transfer our rights and/or obligations to the nominee. Any person to whom our rights and/or obligations are assigned, novated or otherwise transferred will have the same rights and/or obligations that we do under the documents including without limitation the right to determine the value of the mortgaged property. You, each guarantor and each security provider agree that we may disclose any information or documents we consider necessary to help us exercise this right.

42.14 While there is an amount outstanding, you and, each guarantor and each security provider, irrevocably authorise each attorney appointed in the power of attorney contained in the application form, to execute on your or the security provider’s behalf any document necessary to give effect to an assignment, novation, transfer or other dealing with our rights and/or obligations in accordance with clause 42.13 if the party to whom our rights and/or obligations are assigned, novated, transferred or otherwise dealt with is a related body corporate of us, a bank or other financial institution or a securitisation vehicle.

42.15 We will give you notice of any exercise of our rights under clauses 42.13 or 42.14 as soon as is practicable.

Inconsistent law

42.16 To the extent allowed by law the documents prevail to the extent they are inconsistent with any law.

42.17 A provision of a document that is void, illegal or unenforceable is ineffective only to the extent of the voidness, illegality or unenforceability, but the remaining provisions are not affected.

42.18 Any present or future law that varies your or a guarantor’s or a security provider’s obligations under the documents is excluded to the extent allowed by law if it adversely affects our or the nominee’s rights or remedies.
