

Vanilla Instalment Equity Warrants (VIEWS)

Ordinary dividends or distributions on the underlying securities are paid to the investor

- ▶ Any ordinary dividends or distributions paid on the underlying security will be direct credited to the investor's nominated bank account on or about the dividend payment date.

Interest amount

- ▶ Interest, which may be deductible (depending on the investor's circumstances), is included as part of the first instalment and paid upon purchase of a Westpac VIEW. The Loan Amount will not be affected by any ordinary dividends received.
