## Purchases.

Purchases are handled at Mortgage Services by our Purchases department, with the exception of Portabilities (see Portability/Security Substitution section).

- Once your client's loan documents have been received, our assigned staff member (the "file owner"), manages the file to settlement.
- You will receive notification of any outstanding items or documents.

To send documents for Purchases, complete the following steps:

1. Email the following information to the Purchases email address: [settlementdocuments@mortgage.westpac.com.au](mailto:settlementdocuments@mortgage.westpac.com.au) prior to requesting the settlement booking:
  - your contact details
  - a copy of the transfer
  - a copy of the contract of sale (if not already supplied by the customer)
  - any other documents to be provided at settlement
2. Include the relevant 464 number or (if not known) full customer details and the file owner's name on all correspondence.
3. Victorian Transfers – Prior to booking settlement, please supply a copy of the transfer confirming the proprietors. This is essential to assist us in calculating correct Transfer Duty.

### **Important Requirement.**

Booking will be allowed when critical documents are held, and will not be allowed if critical documents are not held.

In the interest of providing an efficient and effective settlement service, all details required for settlement (including cheque instructions) must be provided to us no later than 2:30pm EST on the business day before settlement.

## Discharge.

Consumer Mortgage Discharges are handled at Mortgage Services by our Discharges department. To send documents for Discharges, complete the following steps:

1. Property And Security Requests (PSR) form **psr.westpacgroup.com.au** was signed by all account holders, guarantors, mortgagors and completed in full.
2. Email the completed form direct to Mortgage Services via the Discharges email address: securityvariations@mortgage.westpac.com.au. Response from Mortgage Services for Discharges.

**Mortgage Services will respond to emails with an Auto Reply to confirm receipt.**

**If the request form is insufficiently completed, we will advise you that further details are required. Mortgage Services will not action the request until all details are complete.**

### Important Requirement.

Identification of our mutual customer is CRITICAL, therefore please ensure the customer's home loan account number or Westpac customer number is provided.

## Portability/Security substitution.

Portabilities are handled at Mortgage Services by our Portability Department.

A Portability is a feature on some loans which enables the loan to remain although the security is transferred. A specialised team completes both the discharge of the existing mortgage and new security documentation.

To send documents for Purchase and Sale Portabilities, complete the following steps:

1. Contact your Branch Manager for their assistance in completing a Property And Security Requests (PSR) form **psr.westpacgroup.com.au**
2. Ensure the PSR form was signed by all account holders, guarantors, mortgagors and has been completed in full.
3. You or the Branch Manager can email the PSR form direct to Mortgage Services via the Portabilities email address: securityvariations@mortgage.westpac.com.au

For Purchases email the following:

- your contact details
- a copy of each purchase/sale contract (if applicable)
- a copy of the draft transfer (if applicable)
- details of the anticipated settlement date.

Please send the cheque details as early as possible - no later than the business day before settlement.

4. Victorian Transfers - Prior to booking settlement, please supply a copy of the transfer confirming the proprietors. This is essential to assist us in calculating correct Transfer Duty. Please note, full stamp duty is quoted and charged up front. If applicable, a refund to the customer will be completed once stamped by the State Revenue Office.

### Response from Mortgage Services for Portabilities.

If the request form is insufficiently completed, we will advise you that further details are required. Mortgage Services will not action the request until all details are complete.

## Obtaining consents.

Consents are handled at Mortgage Services by our Consents department. To send documents for Consents, complete the following steps:

1. Complete a cover letter explaining:
  - your request and;
  - quoting the borrower's full name and/or the borrower's loan account number.
2. Email a signed customer authority requesting the transaction, including authority to disclose loan details and personal information to the solicitor/conveyancer (ie, privacy declaration) direct to Mortgage Services via the Consents email address: [securityconsents@mortgage.westpac.com.au](mailto:securityconsents@mortgage.westpac.com.au)

Some transactions also require additional documents as detailed below:

<b>Registration of a subsequent mortgage/letters of priority</b>	Details of the subsequent loan advance. Incoming Mortgage details (ie, name, address and ABN number)
<b>Plans/subdivisions/easements</b>	Copies of all plans and applications. Any Original documents that require Bank consent to be forwarded by mail. Please note that gain/loss of land may involve new mortgages or partial releases and we will assess these individually.
<b>Lease</b>	The original lease, and any copies to be registered, to endorse consent.
<b>Production of Title</b>	Copy of the application (ie, discharge of mortgage, change of name with supporting documents).
<b>Transfer of Land</b>	Copy of the completed Transfer and Court Order if applicable.
<b>Deceased Estates</b>	<p>Always provide copies of the Death Certificate and the Will/Probate.</p> <p>If survivorship (ie, joint tenants), provide a copy of the application to note death/survivorship. If transmitting to executor provide the following:</p> <ul style="list-style-type: none"> <li>• details of intention of estate (ie, whether property will be sold or transferred to a beneficiary).</li> <li>• copy of Probate and Transmission Application.</li> </ul> <p>Mortgage Services will review the request and respond to you in writing.</p>

### Please Note.

All bank fees and government charges applicable to this Consent request will be advised to our mutual customers upon completion of the assessment.

Fees specific to Registration of Bank related documents only ie, Mortgage and/or Discharge if applicable:

- will be quoted when the file has been assessed, and
- if applicable, will be quoted in the Letter of Variation

All other Registration fees are the responsibility of the customer, and/or their Conveyancer or Solicitor, therefore are unable to be quoted by Consents.
