- **Remember,** it is important to ensure that your old account is open and has adequate remaining funds to cover any necessary direct debits until you have confirmed with your service provider that your requested changes have been made. Any failure to do so may result in fees, charges or your service provider cancelling their service to you.
- Please note some cancelled arrangements may appear on the list
- Service providers may take some time to process notifications,
- You should check to see if any contractual notice periods apply to your direct entry arrangements with your service providers
- The switching service applies only to direct debit arrangements, direct credit arrangements and not periodical payments, BPAY payments, internet banking 'Pay Anyone' payments, scheme debit card and scheme credit card arrangements.
