# Important information about the complimentary covers available

## Introduction.

This booklet describes the complimentary insurance benefits provided by Allianz, which are available to Westpac card cardholders and other eligible beneficiaries. Cover applies to events occurring on or after 23 February, 2023. You are not covered for events occurring after termination of or the expiry of the period of the group policy. Westpac will provide accountholders with details of any replacement cover.

## Allianz - the insurer.

These covers are available under a group policy issued to Westpac Banking Corporation, ABN 33 007 457 141, AFSL and Australian credit licence No 233714 (Westpac) of 275 Kent Street, Sydney, NSW 2000 by AWP Australia Pty Ltd, ABN 52 097 227 177, AFSL 245631 trading as Allianz Global Assistance of 310 Ann Street, Brisbane QLD 4000 (Allianz Global Assistance) under a binder from the insurer, Allianz Australia Insurance Limited, ABN 15 000 122 850, AFSL 234708, Level 16, 10 Carrington Street, Sydney, NSW 2000 (Allianz). For general enquiries call Allianz Global Assistance. Allianz Global Assistance issues and manages the group policy on behalf of Allianz.

The covers described in this booklet are available for your benefit under a group policy entered into between Allianz Global Assistance and Westpac. Westpac is the policy owner. When eligible, you have the benefit of cover as a third party beneficiary by reason of the statutory operation of Section 48 of the Insurance Contracts Act 1984 (Cth).

There is no obligation to accept any of these benefits. However, if you wish to claim any of these benefits, you will be bound by the definitions, terms, conditions, exclusions, limits, applicable sub-limits and claims procedures contained in this booklet.

**Please read this booklet carefully and keep it in a safe place.** Also please keep detailed particulars and proof of any loss including the sales receipts and Westpac card account statements showing any purchases.

## **Westpac is not the issuer (insurer) of these covers.**

Westpac is not the issuer of these covers and neither it nor any of its related corporations guarantee or are liable to pay any of the benefits under these covers.

These benefits are available to the beneficiaries upon meeting the eligibility requirements under these covers. Neither Westpac nor any of its related corporations are Authorised Representatives of Allianz, Allianz Global Assistance or any of their related companies and Westpac does not receive any commission or remuneration in relation to the insurance set out in this booklet.

## **Termination or variation of cover.**

Westpac or Allianz Global Assistance may terminate any one or all of the covers described in this booklet, and if so Westpac will notify accountholders of the termination or change in writing. The existing cover will only apply to events occurring before the date of change or termination. No cover is available for events occurring after the date of termination. Westpac will provide accountholders with details of any replacement cover.

## **Other insurances.**

If you are entitled to receive a benefit or make a claim under another insurance policy (Other Policy) (for example, a comprehensive travel insurance policy for your overseas journey), in respect of the same loss as your claim under the group policy, then, subject to the provisions of the Insurance Contracts Act 1984 (Cth) Allianz is not liable to provide indemnity under the group policy until the amount of any indemnity under that Other Policy is exhausted. In other words, any cover available under the group policy in respect of the same loss shall only be excess insurance cover over and above the applicable Other Policy.

If you make a claim under another insurance policy and you are not paid the full amount of the claim, then, subject to the provisions of the Insurance Contracts Act 1984 (Cth), the cover available to you under the group policy will make up the difference, to the extent of cover that applies, in accordance with the terms and conditions contained in this booklet.

We may seek contribution from your other insurer. You must give us any information that we reasonably require to help us make a claim from the other insurer.

## Limitation of cover.

Irrespective of any other provision of the policy, we shall not be deemed to provide cover or be liable to pay any claim or provide any benefit (including a refund on premium) hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would contravene or otherwise expose us to the risk of any penalty, sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, New Zealand, the European Union, United Kingdom or United States of America.

<b><i>Level 2 Cards</i></b>	Up to three (3) consecutive months for cardholders, their spouses and/or dependants

The maximum period of cover available for your journey cannot be extended by you.

The period of cover available under SECTION 2.1 CANCELLATION begins on the date you become eligible by meeting the criteria set out in Part A – Eligibility for Cover.

Provided you meet the eligibility criteria set out in Part A – Eligibility for Cover, the period of cover available for all other insured events commences when you leave your home to start your journey or on the departure date shown on your return overseas travel ticket, whichever occurs later.

Cover available under all sections ends when the first of the following occurs:

- when you return to your home; or
- when you arrive at a hospital or nursing home in Australia (if you are evacuated or repatriated); or
- at midnight on the date when you are due to return to your home as shown on your return overseas travel ticket; or
- six (6) consecutive months for Level 1 Card cardholders, spouses and/or dependants or three (3) consecutive months for Level 2 Card cardholders, spouses and/or dependants after the date of departure shown on your return overseas travel tickets; or
- when you cancel your return overseas travel ticket.

If you have a return overseas travel ticket and your return to Australia is delayed because of a covered event, or because your scheduled means of transport is delayed for reasons beyond your control:

- the period of cover available will automatically be extended by us for up to four (4) consecutive weeks; or
- if you are under the care of a medical adviser overseas, who certifies in writing that you are incapable of travel at the end of the additional four (4) consecutive weeks, cover will continue for medical expenses and evacuation for up to twelve (12) consecutive months from the date of your departure from Australia; or
- until you are fit to return to your home, whichever occurs first.

# Overseas Transit Accident Insurance

## Part A – Eligibility for Cover.

Not all insurance covers are available for all Westpac cards or all cardholders and different conditions may also be available for different cardholders, so please refer to each Part of this insurance to determine the complimentary insurance benefits that may be available to you.

Eligibility for the covers available depends upon the type of Westpac card you have.

### Who is eligible?

Level 1 Card and Level 2 Card cardholders are eligible for the cover available under Overseas Transit Accident Insurance if the entire payment for the trip was charged to the accountholder's card account prior to the commencement of the trip.

### Who else is eligible?

If the cardholder is eligible for the cover available, the cardholder's spouse and/or dependants are also eligible provided:

1. the spouse and/or dependants reside in Australia; and
2. each of them is travelling with the cardholder on the entire trip; and
3. the entire payment for their trip was charged to the accountholder's card account prior to the commencement of the trip.

### Dependants under the age of two years at the date the trip commences.

If a cardholder satisfies the eligibility criteria set out above, their dependant under the age of two (2) years as at the date the trip commences is eligible for the cover available provided the dependant is travelling with the cardholder for the entire trip.

When a cardholder, spouse and dependant are travelling together only one eligible person can claim the benefits payable to a cardholder. The other eligible persons may only claim as a spouse or dependant.

## **Part B – Period of Cover.**

Overseas Transit Accident Insurance provides cover when:

- a] you board your transportation for your trip and ends when you disembark from your transportation at the end of your trip;
- b] boarding or alighting, being when you physically get on or off transportation, at any airport, coach depot, railway station or dock during your trip; and
- c] travelling as a passenger in transportation directly to or from any airport, coach depot, railway station or dock immediately before or after the scheduled trip.

## **Part C – Benefit Limits.**

The Aggregate Limit of Liability and the table below set out the maximum limits of what we will pay under Overseas Transit Accident Insurance. All limits and sub-limits are shown in Australian dollars.

The cover available is outlined in Part E and is subject to the applicable terms, conditions, exclusions, limits and sub-limits.

### **Aggregate limit of liability.**

This Overseas Transit Accident Insurance contains an aggregate (maximum) limit of liability for claims from all eligible cardholders, spouses and/or dependants arising from the one event.

The most we will pay under Overseas Transit Accident Insurance cover for one event (e.g. a bus crash) is \$1,300,000 for Level 1 Cards and Level 2 Cards respectively.

This means that regardless of the number of cardholders, spouses or dependants involved in an event who suffer injury, we will pay each on a proportional basis (using the amounts in the table appearing in Part C – Benefit Limits) up to total of \$1,300,000 for Level 1 Cards and up to a total of \$1,300,000 for Level 2 Cards with a maximum combined total limit of \$2,600,000.

For example, if five Level 1 Card cardholders plus five Level 2 Card cardholders lost their lives in the same bus crash, we would pay benefits, calculated as follows:

### Level 1 cards.

Five Level 1 Card cardholders:  
\$750,000 each = \$3,750,000;

Total benefit amount: \$3,750,000

Dividing the total aggregate exposure (\$1,300,000) by the total benefit amount (\$3,750,000) determines the percentage (34.66%) to proportionally reduce benefits to.

In this case, the payable benefits would work out to be:

Five Level 1 Card cardholders:  
\$260,000 each = \$1,300,000

Total benefit amount payable: \$1,300,000

### Level 2 cards.

Five Level 2 Card cardholders: \$750,000 each = \$3,750,000;

Total benefit amount: \$3,750,000

Dividing the total aggregate exposure (\$1,300,000) by the total benefit amount (\$3,750,000) determines the percentage (34.66%) to proportionally reduce benefits to.

In this case, the payable benefits would work out to be:

Five Level 2 Card cardholders:  
\$260,000 each = \$1,300,000

Total benefit amount payable: \$1,300,000

### Maximum benefit amounts.

The table below sets out the maximum Benefit Amounts we will pay under Overseas Transit Accident Insurance if an aggregate limit of liability does not apply (see above).

<b>Injury</b>	<b>Benefit Amount</b>
	<b>Level 1 Cards and Level 2 Cards</b>
Loss of life	\$750,000
Loss of both hands or loss of both feet	\$500,000
Loss of one hand and loss of one foot	\$500,000

<b>Injury</b>	<b>Benefit Amount</b>
	<b>Level 1 Cards and Level 2 Cards</b>
Loss of the entire sight in both eyes	\$500,000
Loss of the entire sight in one eye and loss of one hand and/or loss of one foot	\$500,000
Loss of one hand or loss of one foot	\$250,000
Loss of the entire sight in one eye	\$250,000

If an eligible cardholder, spouse and/or dependant sustains more than one injury arising from an event, we will only pay for one injury, being the injury suffered by the eligible cardholder, spouse and/or dependant which attracts the highest Benefit Amount.

## **Part D – Excess and Exclusions.**

No excess applies to any claim under Overseas Transit Accident Insurance.

### **Exclusions.**

## **Part E – The cover available.**

### **What we cover.**

If, during the period of cover available, you suffer an accident that causes an injury listed in Part C – Benefit Limits within twelve (12) consecutive months of the accident, we will pay you the Benefit Amount (unless reduced by the group policy aggregate limit of liability) specified for the injury listed in Part C – Benefit Limits, that you suffered.

In addition, if during a trip:

- a] you are unavoidably exposed to the elements due to an accident which results in the disappearance, sinking or wrecking of the transportation in which you were travelling and as a result of such exposure you suffer an injury for which a Benefit Amount (unless reduced by the group policy aggregate limit of liability) is payable;

b] you disappear due to an accident which results in the disappearance, sinking or wrecking of the transportation in which you were travelling and your body has not been found within twelve (12) consecutive months after the date of such accident, it will be presumed, subject to there being no evidence to the contrary, that you died,

we will pay the applicable Benefit Amount (unless reduced by the group policy aggregate limit of liability) listed in Part C – Benefit Limits to you, or to your estate in the case of your death.

If you suffer more than one injury as a result of the accident we will pay you no more than the specified Benefit Amount for the most serious injury listed in Part C – Benefit Limits that you suffered.

## **Part E - The cover available.**

### **Section 1.1 Cancellation.**

#### **1.1.1 What we cover:**

If, after you have obtained your interstate flight ticket and up until the end of the period of cover available for your journey (where the claim is not covered elsewhere in this insurance) and because of any of the following events which are unexpected and unforeseen by you and outside your control:

then we will reimburse you:

- a] the non-refundable portion of unused travel and accommodation arrangements scheduled to be used during the period of cover available for your journey that you have paid in advance of cancellation and cannot recover in any other way (inclusive of travel agent's cancellation fees), up to the maximum total limit specified in Part C – Benefit Limits – 1.1 Cancellation; or
- b] your reasonable costs of rescheduling your journey. The most we will pay for rescheduling your journey is the unrecoverable amount that would have been payable under 1.1.1 a] had your journey been cancelled. We will not pay a claim under 1.1.1 b] in addition to a claim under 1.1.1 a] for the same services/facilities.

### **Conditions.**

If you want to claim under the cover available, you should do the following as soon as possible after the happening of the unexpected event causing your claim:

- cancel any pre-arranged travel and accommodation scheduled to be used during the period of cover available for your journey that you are now unable to use; and
- recover any refund that you are entitled to.

If you think that you may have to cancel your journey or shorten your journey you should tell us as soon as possible – for more information see under the headings CLAIMS or call the contact number shown on the inside front cover of this booklet.

If you fail to cancel your pre-arranged travel and accommodation arrangements and we are prejudiced by your delay or failure, we may reduce any amount payable by the amount of prejudice we have suffered.

### **1.1.2 What we exclude.**

To the extent permitted by law we will not pay your claim if:

- a] you were aware, or a reasonable person in your circumstances would have been aware before you became eligible for the cover available, of any reason that may cause your journey to be cancelled, rescheduled or shortened;

- b] caused by you or your travel companion changing your plans;
- c] caused by any business, financial or contractual obligations which prevent you or your travel companion from travelling. This exclusion does not apply to claims where you or your travel companion are retrenched or made redundant in Australia except where a reasonable person in a similar situation would have been aware before you became eligible for cover that the retrenchment or redundancy was to occur;
- d] a tour operator or wholesaler is unable to complete arrangements for any tour because there were not enough people to go on the tour. This exclusion does not apply to prepaid travel arrangements bought separately to reach the departure point for the tour or for other travel arrangements scheduled to be used during the period of cover available for your journey, which do not form part of the tour;

If during the period of cover available for your journey, the departure of your interstate flight, is delayed for the period specified in Part C – Benefit Limits – 2.1 Flight Delay, due to circumstances outside your control and no alternative transport is provided by the carrier, we will reimburse the cost of your reasonable additional meal and accommodation expenses, up to the amount specified in Part C – Benefit Limits – 2.1 Flight Delay.

### **2.1.2 What we exclude.**

We will not pay if a delay to your journey arises from an act of terrorism.

## **Section 3.1 Luggage.**

You must take all reasonable precautions to safeguard your covered items and your valuables. If you do not, we will not pay your claim. For example, you will not be taking reasonable precautions if you leave your belongings in a publicly accessible location:

- at such a distance from you that you are unable to prevent them being taken; or
- with a person who is not a travel companion or a relative (or if these persons fail to take all reasonable precautions to safeguard your covered items or valuables).

This includes forgetting or misplacing any items, leaving them behind or walking away from them.

### **3.1.1 What we cover.**

a] If, during the period of cover available for your journey, your:

- baggage, clothing; or
- portable electrical equipment, binoculars, cameras and associated equipment/accessories (but not any other valuables),

are stolen, accidentally damaged or are permanently lost, except when:

- left in a vehicle (see 3.1.1 b]); or
- are valuables checked in to be transported in the cargo hold of any aircraft, ship, train, tram or bus (see 3.1.1 c]); or
- is sporting equipment while in use (see 3.1.1 d]).

- the depreciated value after allowing for age, wear and tear (see Depreciation on page 88 for details);
- the original purchase price;
- the replacement cost; or
- the repair cost.

We will not apply depreciation to any item we pay you for where less than twelve (12) consecutive months have elapsed since the item was purchased new.

The maximum amount we will pay for any item is up to the item limit specified in Part C – Benefit Limits – 3.1 Luggage and the maximum total limit specified in Part C – Benefit Limits – 3.1 Luggage for all items combined.

A pair or related set of items, for example (but not limited to) a camera, lenses (attached or not), tripod and accessories are considered as only one item for the purpose of this cover, and the appropriate single item limit will be applied.

- b] Items specified in 3.1.1 a] that are left in a vehicle are only covered during daylight hours and must have been left in a concealed storage compartment of a locked vehicle, and in the event of theft forced entry must have been made. The most we will pay is up to the amount specified in Part C – Benefit Limits – 3.1 Luggage for each item stolen from a vehicle, and up to the total amount specified in Part C – Benefit Limits – 3.1 Luggage for all items stolen from a vehicle.
- c] No cover is available for valuables left in a vehicle at any time or valuables checked in to be transported in the cargo hold of any aircraft,

ship, train, tram or bus including any loss from the point of check in until collection by you from the baggage carousel or collection area at the end of your flight, voyage or trip. However, cover will be available for loss theft or accidental damage to tablets and mobile/smartphones (but not any other valuables) when (without prior notice) you are directed by the airline with whom you have a flight booking to place the tablet or mobile/smartphone into your checked in baggage or overhead cabin locker for the duration of your flight.

d] No cover is available for sporting equipment while it is in use.

**Conditions.**

If you make a claim, you will need to provide proof of your ownership and the value of your belongings. Examples of proof include receipts and/or valuations (e.g. receipt or valuation for jewellery).

If you cannot prove the value of the items, the most we will pay for each individual item is ten per cent (10%) of the limit shown for that type of item in the Part C – Benefit Limits – 3.1 Luggage.

We expect you to report any loss or theft to the police or an office of the bus line, airline, shipping line or rail authority you were travelling on when the loss or theft occurred.

You should make reasonable efforts to obtain confirmation from whoever you made the report to as this may be the easiest way to provide evidence of the loss or theft. If you delay or fail to make a report and we are prejudiced by your delay or failure, we may be entitled to reduce your claim by the amount of prejudice we have suffered.

If you are entitled to be reimbursed by the bus line, airline, shipping line or rail authority you were travelling on when the loss, theft, misplacement or damage occurred we will deduct the amount you are entitled to from any claim payable by us. However, if you are not reimbursed the full amount of your loss, we will pay the difference between the amount of your loss and what you were reimbursed, up to the limit of the cover available.

**3.1.2 What we exclude.**

To the extent permitted by law, we will not pay a claim in relation to your items (including valuables) if:

- a] the loss, theft or damage is to, or of, items left behind in any hotel or motel room after you have checked out, or items left behind in any aircraft, ship, train, tram, taxi or bus;
- b] the covered items or valuables were being sent unaccompanied by you or under a freight contract;

- c] the loss or damage arises from any process of cleaning, repair or alteration;
- d] the loss or damage arises from ordinary wear and tear, deterioration, atmospheric or weather conditions, insects, rodents or vermin;
- e] the covered item or valuable disappears in circumstances that cannot be explained to our reasonable satisfaction;
- f] your claim arises from a government authority confiscating, detaining or destroying anything;
- g] you do not take all reasonable precautions to safeguard your covered items or valuables. For example, you will not be taking reasonable precautions if you leave your belongings in a publicly accessible location:
  - at such a distance from you that you are unable to prevent them being taken; or
  - with a person who is not a travel companion or a relative (or if these persons fail to take all reasonable precautions to safeguard your covered items or valuables).

This includes forgetting or misplacing any items, leaving them behind or walking away from them;

- h] the covered item or valuable has an inherent defect or an electrical or mechanical breakdown;
- i] the covered item or valuable is fragile or brittle or is an electrical component and is broken unless the breakage was caused by theft, fire or an accident involving a vehicle in which you were travelling; or
- j] the loss or damage arises from scratches occurring to lenses or screens of covered items or valuables however caused.

## **Section 3.2 Luggage delay.**

### **3.2.1 What we cover.**

If during the period of cover available for your journey, any items of your baggage, clothing and personal valuables are delayed, misdirected or misplaced by the carrier for more than twelve (12) consecutive hours, we will reimburse you for the reasonable costs you incur for you to purchase essential items of clothing or other personal items, up to the limit shown in Part C – Benefit Limits – 3.2 Luggage Delay.

### **Conditions.**

You will need to make reasonable efforts to obtain confirmation from the carrier who was responsible for your luggage and personal effects confirming that your items were delayed, misdirected or misplaced as this may be the easiest way to provide evidence of the delay.

We will deduct any amount we pay you under this section from any subsequent claim you make for lost clothing or personal items payable under SECTION 3.1 LUGGAGE.

If you are entitled to be reimbursed by the bus line, airline, shipping line or rail authority you were travelling on when the loss, theft, misplacement or damage occurred we will deduct the amount you are entitled to from any claim payable by us. However, if you are not reimbursed the full amount of your loss, we will pay the difference between the amount of your loss and what you were reimbursed, up to the limit of the cover available.

## **Section 4.1 Funeral expenses.**

### **4.1.1 What we cover.**

If you die as a result of an injury occurring during the period of cover available for your journey we will pay your reasonable funeral expenses or the cost of repatriation of your remains to your home or nominated funeral home (if necessary) up to the amount specified in Part C - Benefit Limits - 4.1 Funeral Expenses.

### **Claims.**

#### **How to make a claim.**

##### **Please do not contact Westpac in the event of a claim.**

First check that you are entitled to claim by reading the appropriate section in this booklet, especially Part D of that section, to see exactly what is, and is not covered, noting particularly any conditions, limitations and exclusions.

Allianz Global Assistance administers the benefits available under the group policy. You should give Allianz Global Assistance notice of your claim as soon as possible.

In order to be sure that any expenses you claim are covered by the group policy you should always, when practicable, contact Allianz Global Assistance for approval before you incur expenses you wish to claim. If you do not, we will pay for expenses incurred up to the amount we would have authorised had you asked us first.

You are not covered for any claim made after termination of, or the expiry of the period of insurance specified in, the group policy. Westpac will provide you with details of any replacement cover.

You can obtain claim forms and information on how to make a claim at:

[insurance.agaassistance.com.au/westpac/](https://insurance.agaassistance.com.au/westpac/)

You can lodge your travel claim online at:

[claimmanager.com.au/westpac](https://claimmanager.com.au/westpac)

Allianz Global Assistance will consider your claim within 10 business days of receiving a completed claim form and all necessary documentation. If they need additional information, a written notification will be sent to you within 10 business days.

If there is a delay in claim notification, or you do not provide sufficient detail for Allianz Global Assistance to consider your claim, we can reduce any claim payable by the amount of prejudice we have suffered because of the delay.

You should give any information Allianz Global Assistance reasonably asks for to support your claim at your expense, such as but not limited to police reports, valuations, medical reports, original receipts or proof of purchase and ownership. If required Allianz Global Assistance may ask you to provide them with translations into English of any such documents to enable their consideration of your claim.

You should co-operate at all times in relation to providing supporting evidence and such other information that may reasonably be required.

In particular:

- If you think that you may have to cancel your journey or shorten your journey you should tell us as soon as reasonably possible. Contact Allianz Global Assistance using the contact number, or if overseas the 24-hour Emergency Assistance number, shown inside the front cover of this booklet.
- In the event of an emergency or admission to hospital overseas or for medical, hospital or dental claims, contact Allianz Global Assistance as soon as practicable.
- For loss or theft of your covered items or valuables, you should report it as soon as possible to the police and obtain confirmation of your report.

If you delay or fail to make a report, we may reduce or refuse your claim to the extent we are prejudiced by your delay or failure.

- For damage or misplacement of your covered items or valuables, caused by the airline or any other operator or accommodation provider, report the damage or misplacement as soon as possible to an appropriate official and make reasonable efforts to obtain a written report, including any offer of settlement that they may make.

## **Depreciation.**

When taking into consideration the age of a covered item or valuable we will (acting reasonably) deduct the following amounts from our settlement for each item you have claimed:

- For toiletries and medication (including skin care, make-up, perfume, deodorant and aftershave) we will deduct 50% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For mobile phones, smart phones, electrical devices, communication devices, all computers (including laptops and tablets), photographic equipment and electronics equipment we will deduct 20% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For clothing, footwear, luggage and books we will deduct 15% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For camping, sporting and leisure equipment (but not leisure clothing) and musical instruments we will deduct 10% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For jewellery we will not make any deduction. Please note, watches are not considered jewellery and are included under other items below;
- For all other items we will deduct 15% of the purchase price for each year you have owned the item up to a maximum deduction of 80%.

### **For example:**

You have a \$500 digital camera that was purchased 2 years before the date it was lost. The rate of depreciation would be 20% per year.

In settlement of your claim we would pay you \$300 (i.e. we will depreciate the value of the digital camera by 20% of the purchase price for each of the 2 years you have owned it), calculated as follows:

Year 1 – Purchase price of \$500 less 20% (\$100) = \$400

Year 2 – Depreciated value of \$400 less 20% of the purchase price (\$100) = \$300

## **Claims are payable in Australian dollars.**

We will pay all claims in Australian dollars. We will pay you unless you tell us to pay someone else. The rate of currency exchange that will apply is the rate at the time you incurred the expense. Payment will be made by direct credit to a bank account nominated by you.

## **You should not admit fault or liability.**

You should not admit that you are at fault, for any accident, incident or event causing a claim, and you must not offer or promise to pay any money, or become involved in legal action, without the approval of Allianz Global Assistance. If you do, we may reduce or refuse your claim to the extent we are prejudiced.

## **Recovery.**

If we have a claim against someone in relation to the money we have to pay or we have paid, you must take reasonable steps to help us do that in legal proceedings. If you are aware of any third party that you or we may recover money from, you should inform us of such third party.

When making a claim you should tell us about any other insurance under which you are or might be able to claim. If you can claim from another insurer and we also pay you in respect of the same insured event, then you will be required to refund to us the amount we paid if the other insurer also paid you.

You cannot claim from us and from the other insurer to obtain an aggregate amount that exceeds your loss.

If during the period of cover made available, you suffer a loss which is not covered by the group policy, we may offer to attempt to recover your uninsured loss for you.

You may specifically ask us to recover this for you however, we have no obligation to do so. You will need to give us documents supporting your loss. Before we include any uninsured loss in a recovery action we will also ask you to agree to the basis on which we will handle your uninsured recovery action. You may need to contribute to legal costs in some circumstances.

We will apply any money we recover from someone else under a right of subrogation in the following order:

1. To us, our costs (administration and legal) arising from the recovery.
2. To us, an amount equal to the amount that we paid to you under the group policy.
3. To you, your uninsured loss (less your excess).
4. To you, your excess.

Once we pay your total loss (including your uninsured loss and any excess) we will keep all money left over.

If we have paid your total loss and you receive a payment from someone else for that loss or damage, you will need to pay us the amount of that payment up to the amount of the claim we paid you.

**How GST may affect your claim.**

If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

**Fraud.**

When making a claim you have a responsibility to assist us and to act in an honest and truthful manner.

If any claim is fraudulent in any way or if you or anyone acting on your behalf uses fraudulent means to make a claim on the cover described in this booklet, then no payment will be made in regard to the claim. Also Westpac will be informed of the situation and you may no longer be eligible for the cover described in this booklet.
