establishment of six community banks to help support economic change in Cambodia and help families like Theoun and Luy. VisionFund Cambodia has now reached operational sustainability and is able to cover its own costs from the interest it receives on loans. The success of such projects means that funds donated via Matching Gifts to organisations such as World Vision will continue to be directed towards specific projects. To date $356,000 has been donated to microfinance projects through our Matching Gifts program. In 2007 funds were directed towards a water development and sanitation project in Papua New Guinea.

Lollipop, Lollipop

Radio that heals the spirit

Radio Lollipop is a unique and vital charity that brings care, comfort, play and entertainment to sick children in hospitals in WA. The Radio Lollipop Studio is located at Princess Margaret Hospital in Perth. Radio shows are built around the requests of the children who are also encouraged to play DJ, be the announcer or just talk on the radio. Many Westpac employees choose to donate to Radio Lollipop and Westpac is proud to match their donations via the Westpac Matching Gifts program. The donations have been used to purchase craft materials, books, music and prizes to keep the children happy and occupied during their stay in hospital.

As well as running the radio station, volunteers visit children on the wards to play games, conduct nightly competitions, read stories, sing songs or act silly to gain a smile or a laugh from a sick child. For those unable to leave their beds, the volunteers visit them personally to ensure they feel included.

Radio Lollipop broadcasts live to the children in Fremantle and Joondalup and also visits Murdoch and Armadale hospitals. They plan to extend live broadcasts to regional hospitals in WA, starting with Kalgoorlie Hospital. Their intention is to eventually offer their services to every sick child in WA.

Making a difference

- **$12.9m donated** by employees and Westpac since December 1998.

- **More than 1,000 charities have benefited** from Westpac Matching Gifts since December 1998.
