## HOW TO BE CREDIT SAVVY

Westpac's lending policies and guidelines are designed to ensure we lend responsibly. Make sure the credit limit you apply for is realistic and you have checked the interest rates, fees and charges on your selected card before you apply. Always aim to pay off more than your minimum monthly repayment amount as making minimum payments is not an effective way to manage credit card debt. There can be reasons, such as job loss or illness, which can mean that even the most responsible borrower might get into temporary financial difficulty. If you find yourself in this position, just call us on 1300 651 089 or the number on the back of your card.

**We may share your personal information with other members of the Westpac Group to contact you or send you information regarding other products and services.**

**We respect your privacy: If you do not wish to receive marketing communications from Westpac Banking Corporation about Westpac branded products or services, please call us on (612) 9293 9270 (international call rates apply, check with your telephone/mobile provider for international calling charges); write to us at GPO Box 3433, Sydney NSW 2001; or call into any of our branches.
